Kissing in Manhattan - David Schickler

2002-08-27

Hilarious, sexy, and deeply tender, *Kissing in Manhattan* was one of the most celebrated debuts in recent years. Acclaimed author David Schickler's collection of linked stories follows a troupe of love-hungry urbanites through a charmed metropolis and into the Preemption--a mythic Manhattan apartment building. The Preemption sets the stage for a romantic fantasy as exuberant, dark, and dazzling as the city it occupies. Behind closed doors, the paths of an improbable cast of tenants--a seductive perfume heiress; a crabby, misunderstood actor; a preternaturally sharp-sighted priest--tangle and cross, while a perilous love triangle builds around three characters: James Branch, a shy young accountant with an unusual love for the Preemption's antique elevator, and a strange destiny... Patrick Rigg, a Wall Street lothario who soothes his pain by seducing beautiful women, carrying a gun, and attending the nightly sermons of a foreboding priest... Rally

The Manhattan Mishap - Melina Maria Morry

2021-11-09

Margot Moss, a gregarious and witty woman, lives her life with abandon. She knows exactly what she wants and isn't afraid to pounce after it with full-throttle ferocity. Although, she can't quite seem to get it right. When a coveted promotion falls through, Margot finds herself struggling to actualize her dreams and is forced to reconsider her so-called fabulous future. However, when one catwalk ends, another begins. A job in New York City comes knocking and Margot doesn't hesitate to seize the opportunity, setting out on a wild adventure towards love, success, and self-discovery. Unfortunately, nothing is how she imagined it—not the company, the city, or the people. Awaiting Margot is a drama-addicted boss who may or may not be out to get her, and a whirlwind of wealthy men, scams, and scandals. Caught in a cotton candy cloud of sparkling rosé, Margot determinedly navigates her (many) dilemmas with the help of her saucy friends and

a healthy dose of buzz-worthy gossip. Yet, as if that weren't enough, Margot's life is made even more complicated when a steamy new beau enters the picture—and even he isn't what he seems. Overflowing with fashion and champagne bubbles, *The Manhattan Mishap* is a hilarious, stylish, and heartfelt novel that oozes confidence and reminds us that leopards never truly change their spots.

From Manhattan with Love/Sleepless in Manhattan/Sunset in Central Park - Sarah Morgan 2018-01-29

In the chaos of New York, true love can be hard to find, even when it's been right under your nose all along... Sleepless in Manhattan Cool, calm and competent, events planner Paige Walker loves a challenge. After a childhood spent in and out of hospitals, she's now determined to prove herself - and where better to take the world by storm than in the exhilarating bustle of Manhattan? But when Paige is let go from the job she loves, she must face her biggest challenge of all - going it alone. Except launching her own events company is nothing compared to hiding her outrageous crush on Jake Romano - her brother's best friend, New York's most in-demand date and the only man to break her heart. When Jake offers Paige's fledgling company their big chance, their

still-sizzling chemistry starts giving her sleepless nights. But can she convince the man who trusts no one to take a chance on forever? Sunset in Central Park Love has never been a priority for garden designer Frankie Cole. After witnessing the fallout of her parents' divorce, she's seen the devastation an overload of emotion can cause. The only man she feels comfortable with is her friend Matt - but that's strictly platonic. If only she found it easier to ignore the way he makes her heart race... Matt Walker has loved Frankie for years but, sensing how fragile she is beneath her feisty exterior, has always played it cool. But then he uncovers new depths to the girl he's known forever, and doesn't want to wait a moment longer. He knows Frankie has secrets and has buried them deep, but can Matt persuade her to trust him with her heart, and kiss him under the Manhattan sunset?

painstakingly printed by hand, Becky Cooper walked Manhattan from end to end. Along her journey she met police officers, homeless people, fashion models, and senior citizens who had lived in Manhattan all their lives. She asked the strangers to “map their Manhattan” and to mail the personalized maps back to her. Soon, her P.O. box was filled with a cartography of intimate narratives: past loves, lost homes, childhood memories, comical moments, and surprising confessions. A beautifully illustrated, PostSecret-style tribute to New York, Mapping Manhattan includes 75 maps from both anonymous mapmakers and notable New Yorkers, including Man on Wire aerialist Philippe Petit, New York Times wine critic Eric Asimov, Tony award-winning actor Harvey Fierstein, and many more. Praise for Mapping Manhattan: “What an intriguing project.”—The New York Times “A tender cartographic love letter to this timeless city of multiple dimensions, parallel realities, and perpendicular

views.” —Brain Pickings “Cooper’s beautiful project linking the lives of New Yorkers is one that will continue to grow.” —Publishers Weekly online

Made in Manhattan - Lauren Layne 2022-01-18
“From the New York Times bestselling author of To Sir, With Love and the Central Park Pact series comes a reverse My Fair Lady tale about a pampered Manhattan socialite who must teach an unpolished drifter from the Louisiana Bayou how to fit in with New York City's upper crust. Somewhere between antagonistic dinner parties and tortured tux fittings, this pair of polar opposites slowly find a begrudging respect for one another--and perhaps even something more--as they adventure through the city that never sleeps”--

"[A] poignant tale of opportunities lost and regained...This emotional romance is an easy choice to throw in the beach bag."—Publishers Weekly USA Today bestselling author Sarah Morgan returns with the ultimate beach read, as one woman forges the most unlikely friendship of all, and embarks on a summer of confronting her past in order to build the future she wants... When Joanna Whitman's famous ex-husband dies in a car accident, she doesn't know what to feel. Their dysfunctional marriage held more painful secrets than she cares to remember. But when she discovers that the young woman with him in the crash is

pregnant, Joanna feels compelled to act, knowing exactly how brutal the media spotlight will be on celebrity chef Cliff Whitman's ex-wife and his mysterious female friend. Ashley Blake can't believe it when Joanna shows up in her hospital room and suggests they hide away at her beach house on a sleepy stretch of California coast. Joanna should be hating her, not helping her. But alone and pregnant, Ashley can't turn down Joanna's offer. Yet she knows that if Joanna ever found out the real reason Ashley was in that car, their tentative bond would shatter instantly. Joanna's only goal for the summer is privacy, but her return causes major waves in the local community, especially for the man she left behind years ago. All Ashley wants is space to plan for her and her baby's future, and to avoid causing any trouble for Joanna.
