

Master Of Sex By Thomas Maier

Masters of Sex - Thomas Maier 2016-10-20

Un excitante retrato del ginecólogo William Masters y la sexóloga Virginia Johnson, la pareja que cambió la forma en que todos pensamos y hablamos sobre el sexo. Las investigaciones del ginecólogo William Masters y la sexóloga Virginia Johnson supusieron toda una revolución en la década de los 60. A lo largo de más de cuarenta años, a través de la observación directa de miles de encuentros sexuales entre cientos de hombres y mujeres, analizaron y explicaron temas hasta entonces tabú como los secretos del orgasmo, la homosexualidad, la satisfacción emocional o la disfunción. En esta biografía de la pareja que captura también toda una época, Thomas Maier ofrece una mirada sin precedentes sobre la historia de las prácticas sexuales y el modo en que la sociedad moderna se liberó para hablar de ellas sin tapujos. Reseñas: «Un relato perspicaz y bien escrito sobre Masters y Johnson, quienes, en un sentido clínico, probablemente sabían más sobre el sexo y el amor conyugal que cualquier otra pareja en Estados Unidos». Gay Talese, autor de *La mujer de tu prójimo* «Narrada con paciencia y esmero... Maier escribe bien, y con humor». *The New York Times* «Maravillosamente escrita y totalmente absorbente, una historia que retrata a una pareja increíble». *Booklist* «El galardonado biógrafo Maier... ofrece el primer examen en profundidad de la compleja pareja que ayudó a revolucionar el estudio de la respuesta sexual humana». *Library Journal* «La reveladora biografía de Maier se adentra en la vida de la pareja que inició la revolución sexual». *Discover* «Absorbente. *Masters of sex* es un libro de lectura obligada para aquellos que quieran conocer los embriagadores comienzos de la revolución sexual». *The American Prospect*

Masters of sex - Thomas Maier 2014

Esqueça tudo o que você acha que sabe sobre sexo! Muito antes de surgirem *Sex and the City* e *Viagra*™, dois pesquisadores da sexualidade e experts em amor e intimidade, William Masters e Virginia Johnson, ensinaram aos americanos tudo que eles precisavam saber sobre o que realmente acontece entre quatro paredes. *Masters of Sex* é baseado na história real desses dois norte-americanos que revelaram um universo prazeroso e desconhecido no que diz respeito a pensar, falar ou praticar o sexo. O aclamado biógrafo Thomas Maier mostra nesse livro por meio de entrevistas com o tímido William e a ambiciosa Virginia como essa dupla excêntrica mudou o modo como devemos entender o sexo e a sexualidade, enquanto o casal tentava descobrir como funcionava o próprio relacionamento. Divertido, revelador e muito bem escrito, *Masters of Sex* que foi adaptado para a televisão pelo canal HBO e já teve a segunda temporada confirmada no Brasil ilumina os eternos mistérios do desejo, da intimidade e da psique humana.

[Mafia Spies](#) - Thomas Maier 2019-04-02

From the Bestselling Author and Television Producer of *MASTERS OF SEX*, a True Story of Espionage and Mobsters, Based on the Never-Before-Released JFK Files, and Optioned by Warner Bros. *Mafia Spies* is the definitive account of America's most remarkable espionage plots ever—with CIA agents, mob hitmen, “kompromat” sex, presidential indiscretion, and James Bond-like killing devices together in a top-secret mystery full of surprise twists and deadly intrigue. In the early 1960s, two top gangsters, Johnny Roselli and Sam Giancana, were hired by the CIA to kill Cuba's Communist leader, Fidel Castro, only to wind up murdered themselves amidst Congressional hearings and a national debate about the JFK assassination. *Mafia Spies* revolves around the outlaw friendship of these two mob buddies and their fascinating world

of CIA spies, fellow Mafioso in Chicago, Cuban exile commandos in Miami, beautiful Hollywood women, famous entertainers like Frank Sinatra's Rat Pack in Las Vegas, Castro's own spies in Havana and his double agents hidden in Florida, J. Edgar Hoover's FBI snooping, and the Kennedy administration's "Get Castro" obsession in Washington. Thomas Maier is among the first to take full advantage of the National Archives' 2017-18 release of the long-suppressed JFK files, many of which deal with the CIA's top secret anti-Castro operation in Florida and Cuba. With several new investigative findings, Mafia Spies is a spy exposé, murder mystery, and shocking true story that recounts America's first foray into the assassination business, a tale with profound impact for today's Trump era. Who killed Johnny and Sam—and why wasn't Castro assassinated despite the CIA's many clandestine efforts?

All That Glitters - Thomas Maier 2019-09-03

From the Bestselling Author and Television Producer of *Masters of Sex*, a True Story of the Intrigue and Infighting of Condé Nast, Anna Wintour, S. I. Newhouse Jr., and Tina Brown, and Optioned by Sony Television Productions Inside the Condé Nast magazine world run by billionaire S. I. Newhouse Jr., Anna Wintour and Tina Brown were bold and talented British women who fought their way to the top of this male-dominated American industry driven by greed and betrayal. Wintour became an icon of fashion and New York's high society, while Brown helped define the intersection of literary culture and Hollywood celebrity. They jockeyed for power in the hypercompetitive "off with their heads" atmosphere set up by Newhouse and his longtime creative guru Alex Liberman, two men who for years controlled the glossy Condé Nast magazines that dictated how women should look, dress, and feel. In turning this world upside down, Wintour and Brown challenged the old rules and made Newhouse's company internationally famous. Ultimately, one of them won in their fascinating struggle for fame and fortune during the height of New York's gilded age of print—a time before the internet, before 9/11, when the Reagans ruled the White House and Donald Trump was a mere local developer featured on the cover of Newhouse's publications. This book traces the careers of Wintour and Brown and shows how they

and the Condé Nast media empire were major media enablers in the rise of Donald Trump and Hollywood mogul Harvey Weinstein. At its heart, *All That Glitters* is a parable about the changes in America's media, where corruption and easy compromises are sprinkled with glitter, power, and glory. Originally titled *Newhouse*, this revised and updated edition, with a new introduction and afterword, won the 1994 Frank Luther Mott Award for best researched media book of the year.

[Masters of sex. La storia vera di William Masters e Virginia Johnson, la coppia che ha insegnato il sesso all'America](#) - Thomas Maier 2014

[Masters of Sex](#) - Thomas Maier 2010-03

In *Masters of Sex*, critically acclaimed biographer Thomas Maier offers an unprecedented look at William Masters and Virginia Johnson, their pioneering studies of intimacy, and the sexual revolution they inspired. Masters and Johnson began their secret studies in a small Midwest laboratory, and soon became the nation's top experts on sex. Over the course of more than forty years, they analyzed and explained the secrets of orgasm, emotional fulfillment, and sexual dysfunction. But they divorced after twenty years amid a clash of success, betrayal, and jealousies. Weaving interviews with the notoriously private William Masters and the ambitious Virginia Johnson, Maier offers a titillating portrait of the legendary couple. Entertaining, revealing, and beautifully told, this groundbreaking book sheds light on the eternal mysteries of desire and intimacy, and their complicated roles in the American psyche.

Human Sexual Response - Ishi Press International 2010

"Masters and Johnson's basic groundwork in sex physiology will now make it possible for medicine to assume a responsibility it has neglected far too long - that of educating its own. Through the authors' efforts, those responsible for sex education finally have before them clinical facts about one of the more vital aspects of human existence. [This volume] is primarily concerned with the sexual response cycles of men and women between the ages of 21 and 50, with emphasis on similarities rather than differences in their sexual response patterns."--Excerpt from the Publisher's Description.

A Class of Their Own - Matthew Hammett Knott 2022-02-03

'A hilarious account of life with the children of the super rich...well written...and very funny indeed' - BOOK OF THE WEEK Daily Mail 'A hilarious, behind-the-scenes memoir of the mad world of the very rich' Daily Telegraph 'Very funny...the book bursts with butlers, helicopters and Damien Hirsts' The Times 'There are so many laughs in this book, you almost forget how upsetting capitalism is' Simon Amstell A naked Russian oligarch is spanking me in his basement. His weapon is a birch branch, the setting his luxurious home sauna. Above us is 30,000 square feet of one of Moscow's most obscene private homes, an original Damien Hirst above the fireplace, a vacuum cleaning system built into the skirting boards. Invisible speakers serenade us with a desolate pan pipe cover of 'Bridge Over Troubled Water'. A light display rotates kaleidoscopically, illuminating the oligarch's genitals in a variety of unexpected hues. Everyone is silent. Then the oligarch's son Nikita looks at me with a mysterious smile. 'Now my mother will bring us honey.' Matt Knott spent over a decade traveling the globe as a private tutor. He has taught Shakespeare in Moscow, times tables in Tuscany, and is still trying to figure out how to explain long division. With brilliant honesty and wit, he takes us inside a world most of us only glimpse speeding past in a luxury SUV. Unfolding across four continents and featuring a colourful cast of butlers, billionaires and yummy mummies, this is a hilarious and touching chronicle of an unforgettable time.

Dr. Spock - Thomas Maier 2003-04-29

Dr. Benjamin Spock is known for how he revolutionized mainstream American family life with his book *Dr. Spock's Baby and Child Care*, for the controversy caused by his psychological advice, and for his early and courageous opposition to the war in Vietnam. But, as award-winning biographer Thomas Maier uncovered through extensive interviews with Spock and his family, his personal life was filled with tragic ironies and contradictions. His family suffered through alcoholism, substance abuse, divorce, mental illness, suicide, sexual tensions, and emotional indifference. His childhood, which so infused his book and made its success possible, nevertheless seemed to prevent him from taking his

own advice. Maier, for the first time, tells the complete story of Spock's life, revealing the complicated journey of the man who said, "Trust yourself. You know more than you think."

Masters of Sex - Thomas Maier 2010-08-03

In *Masters of Sex*, critically acclaimed biographer Thomas Maier offers an unprecedented look at William Masters and Virginia Johnson, their pioneering studies of intimacy, and the sexual revolution they inspired. Masters and Johnson began their secret studies in a small Midwest laboratory, and soon became the nation's top experts on sex. Over the course of more than forty years, they analyzed and explained the secrets of orgasm, emotional fulfillment, and sexual dysfunction. But they divorced after twenty years amid a clash of success, betrayal, and jealousies. Weaving interviews with the notoriously private William Masters and the ambitious Virginia Johnson, Maier offers a titillating portrait of the legendary couple. The Kennedys: America's Emerald Kings A Five-Generation History of the Ultimate Irish-Catholic Family - Thomas Maier 2003-10-15

A meticulously researched chronicle of five generations of the Kennedy dynasty explains how their Irish-Catholic roots informed their lives and political beliefs and reveals how the immigrant experience shaped both their remarkable success and many tragedies. 100,000 first printing.

Masters of Sex - Thomas Maier 2013-07-02

Now a New Showtime Original Series Showtime's dramatic series *Masters of Sex*, starring Michael Sheen and Lizzy Caplan, is based on this real-life story of sex researchers William Masters and Virginia Johnson. Before *Sex and the City* and *Viagra*™, America relied on Masters and Johnson to teach us everything we needed to know about what goes on in the bedroom. Convincing hundreds of men and women to shed their clothes and copulate, the pair were the nation's top experts on love and intimacy. Highlighting interviews with the notoriously private Masters and the ambitious Johnson, critically acclaimed biographer Thomas Maier shows how this unusual team changed the way we all thought about, talked about, and engaged in sex while they simultaneously tried to make sense of their own relationship. Entertaining, revealing, and beautifully told, *Masters of Sex* sheds light on the eternal mysteries of desire, intimacy, and the American psyche.

Newhouse - Thomas Maier 1997

Newhouse is the first full-scale biography of the turbulent life and business career of Samuel I. Newhouse, Jr., who could arguably be described as the most powerful private citizen in America. Controlling a fortune estimated to be in excess of thirteen billion dollars, Si and his brother Donald are richer than the Queen of England, or Bill Gates, or Ross Perot, or any of the Kennedys, Rockefellers, or Hearsts. But Newhouse is not primarily about the accumulation of money by a family that two generations ago was literally impoverished. Rather, it is a book about power.

Homosexuality in Perspective - William H. Masters 1979

The authors offer findings on the comparative sexual responses of homosexuals and heterosexuals; comparative functional efficiencies of heterosexuals and homosexuals; a group of 12 ambisexuals; comparative fantasy patterns of homosexuals and heterosexuals; treatment of homosexual dysfunction; and conversion therapy for homosexuals wishing to convert to heterosexuality.

Human Sexuality - William H. Masters 1985

**** Cited in BCL3. A comprehensive textbook that examines sexuality from biological, psychosocial, behavioral, clinical, and cultural perspectives. This edition is substantially revised and thoroughly updated. It also adds extensive use of color throughout. Annotation copyright by Book News, Inc., Portland, OR

Sex Research and Sex Therapy - Ross Morrow 2013-06-17

Gynaecologist William Howell Masters and psychologist Virginia Eshelman Johnson pioneered research into the nature of human sexual response and the diagnosis and treatment of sexual disorders and dysfunctions from 1957 until the 1990s. This book examines their influential scientific sex research and its groundbreaking implications for sex therapy and the study of human sexuality. Until now, these developments have been largely ignored in sociology. The book illuminates how Masters and Johnson have constructed their apparently scientific ideas about sexual function and dysfunction with reference to dominant Western discourses about sexuality. In addition, the book will

explore some of the wider theoretical, conceptual and historical issues relating to the study of human sexuality. These will include a critical evaluation of conventional accounts of the history of the sociology of sex, particularly in the United States, major theoretical frameworks used in the study and understanding of human sexuality, and some of the key concepts underpinning sex research and sex therapy.

Masters of sex -

When Lions Roar - Thomas Maier 2014-10-28

The first comprehensive history of the deeply entwined personal and public lives of the Churchills and the Kennedys and what their “special relationship” meant for Great Britain and the United States When Lions Roar begins in the mid-1930s at Chartwell, Winston Churchill's country estate, with new revelations surrounding a secret business deal orchestrated by Joseph P. Kennedy, the soon-to-be American ambassador to Great Britain and the father of future American president John F. Kennedy. From London to America, these two powerful families shared an ever-widening circle of friends, lovers, and political associates – soon shattered by World War II, spying, sexual infidelity, and the tragic deaths of JFK's sister Kathleen and his older brother Joe Jr. By the 1960s and JFK's presidency, the Churchills and the Kennedys had overcome their bitter differences and helped to define the “greatness” in each other. Acclaimed biographer Thomas Maier tells this dynastic saga through fathers and their sons – and the remarkable women in their lives –

providing keen insight into the Churchill and Kennedy families and the profound forces of duty, loyalty, courage and ambition that shaped them. He explores the seismic impact of Winston Churchill on JFK and American policy, wrestling anew with the legacy of two titans of the twentieth century. Maier also delves deeply into the conflicted bond between Winston and his son, Randolph, and the contrasting example of patriarch Joe Kennedy, a failed politician who successfully channeled his personal ambitions to his children. By approaching these iconic figures from a new perspective, Maier not only illuminates the intricacies of this all-important cross-Atlantic allegiance but also enriches our understanding of the tumultuous time in which they lived and the world events they so greatly influenced. With deeply human portraits of these flawed but larger-than-life figures, When Lions Roar explores the “special relationship” between the Churchills and Kennedys, and between Great Britain and the United States, highlighting all of its emotional complexity and historic significance.

Masters and Johnson on Sex and Human Loving - Robert Kolodny 1988-04-30

Masters and Johnson on Sex and Human Loving, written by the internationally acclaimed sex researchers William H. Masters, Virginia E. Johnson, and Robert C. Kolodny, is a comprehensive, warm, and highly readable survey that includes the most current findings on the remarkable range of complexities--biological, psychological, and social--that make up human sexuality.
