Adventures of a Materials Scientist - Robert D. Pehlke 2018-01-05

This book describes the professional experiences of a materials scientist, as an academic and a consultant. From research laboratories and university classrooms, to the engineering departments of major corporations, to large law firms and the courtrooms where the cases of their clients are being tried, Dr. Pehlke demonstrates his deep knowledge of the field of materials. Dr. Pehlke's consulting activities, described as "from steelmaking to suture needles," present a vast array of materials challenges, including medical devices such as the Bjork-Shiley heart valve, materials process design, steel plant engineering and the prevention of dangerous explosions. The variety of consulting assignments and Dr. Pehlke's often pivotal involvement make a wonderful read for those interested in materials science and engineering consulting.

Lost Adventures of the House of the Seven Cats - Bonnie Gulan 2001

Exciting adventures are never really lost, though they may get misplaced for a time while other exciting adventures are happening. You will find proof of that in this story as adventure after adventure unfolds with Dusty and Little Man, The Master, Mistress and the three other family adult members residing now in the lonely no-more mansion. Meet Little Man, a gun metal gray, short-haired, tiger striped picture perfect faced cat who is big on ideas though lacking a bit on cat man stature. Meet Dusty, a beautiful long-haired ebony Calico, every inch a lady cat whose jet black eyes seem to disappear now and then behind her lovely long-haired coat. Witness the adventure these two felines have when they and their adult family move into the now lonely no-more mansion that was empty for some ten years since the family of The House of the Seven Cats moved away. Join in on the adventures these two felines have when they meet the village stray street cats and their leader Ben. What

brought about their trip to the White House and the meeting with the President? Share in their escapades in finding The Promised Land! Let your imagination soar within these pages.

"I Am Not Master of Events" - Larry Neal 2012-01-24

Two of the greatest financial fiascos of all time took place at the same time and were instigated by two acquaintances: the Mississippi Bubble, on which John Law at first made a vast fortune and gained sway over French finances; and the South Sea Bubble, launched by Law and Thomas Pitt, Jr., Lord Londonderry, his main partner in England. This book tells the story of these two financial schemes from the letters and accounts of two leading personalities. Larry Neal, a distinguished economic historian, highlights the rationality of each person and also finds that the primitive exchanges of the day, though informal and completely unregulated, actually performed reasonably well.

The Storm - Clive Cussler 2012

Kurt Austin, Joe Zavala and the NUMA Special Assignments Team are back in action. And this time the stakes have never been higher. Nor the enemy any more dangerous . . . In the middle of the Indian Ocean, a NUMA research vessel is taking water samples at sunset, when a crew member spots a sheen of black oil ahead of them. But it is not oil. Like a horde of army ants, a swarm of black particles suddenly attacks the ship, killing everyone aboard, while the ship itself goes up in flames. A few hours later, Kurt Austin and Joe Zavala are on their way to the Indian Ocean. What they will find there on the smouldering hulk of the ship will eventually lead them to the discovery of the most audacious scheme they have ever known: a plan to permanently alter the weather on a global scale. It will kill millions . . . and it has already begun. Who is behind the scheme? A man like none they have ever known - and he has even bigger plans in store. Filled with the high-stakes suspense and boundless imagination that are unique to Cussler, *The Storm* is one of the most thrilling novels yet from the grand master of adventure. 'The Adventure King.' Sunday Express 'Cussler is hard to beat.' Daily Mail

IS ONLINE DATING NOT WORKING for you? It may be because your profile pictures and bio are poorly executed, or because you do not know how to identify your best matches, or because you can't be bothered to work harder or smarter at it, or because you are emotionally not ready to be Internet dating in the first place. Fix these things and you will boost your chances within online dating apps. My new Internet dating book will teach you the secrets and best practices you need to know to achieve this. Read it and learn the latest strategies, ideas, tips, research-based

guidelines and innovations that will take your online dating bio to new levels of excellence. **ONLINE DATING BOOK - ORIGINAL IDEAS** My definitive guidebook will show you how to become an 'emotional detective' — by forensically analysing the clues and hidden messages within the words and photos online singles post in their dating app profiles you will learn to identify narcissists, liars and those concealing truths, BEFORE meeting them, saving you time and energy. **BEST INTERNET DATING APP BIO TIPS** My book will teach you how to create and optimise your online dating app profile to attract the best matches — revealing why you should never wear sunglasses in your image bio, why you should always smile and why you should always include a written summary. This guide details the essential rules of engagement and online etiquette that you need in order to successfully navigate the precarious landscape of Internet dating apps. **BEST ONLINE DATING APP SITES - MEN AND WOMEN** The narrative reviews the leading online dating sites, with guidelines about which apps to download, and which options are free or paid for. It also explains online dating terms such as 'ghosting', 'benching' and 'catfishing' — why they happen, and what you can do about them.

MY STORY ON ONLINE DATING APPS

The book profiles my time as an over-40s man engaged with online dating apps, during which period I was stood up, ghosted, verbally abused, propositioned for sex and asked to be a surrogate father to an unborn child. The lessons I learned have been encapsulated in this book for the benefit of men and women engaged with online dating sites and apps such as 'Tinder', 'Bumble', 'Hinge' and others, and who wish to avoid the first date mistakes that I made. **STATE OF INTERNET DATE** My book also provides an overview of Internet dating's major issues, including;

- Why you have a less than 20 per cent chance of finding love online.
- Why black women who seek love should never use "Tinder".
- Why all online dating apps should carry a government health warning.
- Why Internet dating apps would prefer that you don't find love.
- Why 90 per cent of online daters may not actually want a relationship.

TOP RATED READS FOR 2019/2020 FOR MEN & WOMEN This dating book is set to become the top recommended paperback for men and women on the subject of online romance. Whether we like it or not, the future of how people meet is digital, and so the sooner singles learn to master it by using my book, the better. If you change your approach you will get better matches that will bring you closer to finding what you are looking for. Get the book now, and start.
