

More Than The Gift A Love Relationship

All About Love bell hooks 2018-01-30 A New York Times bestseller and enduring classic, *All About Love* is the acclaimed first volume in feminist icon bell hooks' "Love Song to the Nation" trilogy. *All About Love* reveals what causes a polarized society, and how to heal the divisions that cause suffering. Here is the truth about love, and inspiration to help us instill caring, compassion, and strength in our homes, schools, and workplaces. "The word 'love' is most often defined as a noun, yet we would all love better if we used it as a verb," writes bell hooks as she comes out fighting and on fire in *All About Love*. Here, at her most provocative and intensely personal, renowned scholar, cultural critic and feminist bell hooks offers a proactive new ethic for a society bereft with lovelessness--not the lack of romance, but the lack of care, compassion, and unity. People are divided, she declares, by society's failure to provide a model for learning to love. As bell hooks uses her incisive mind to explore the question "What is love?" her answers strike at both the mind and heart. Razing the cultural paradigm that the ideal love is infused with sex and desire, she provides a new path to love that is sacred, redemptive, and healing for individuals and for a nation. The Utne Reader declared bell hooks one of the "100 Visionaries Who Can Change Your Life." *All About Love* is a powerful, timely affirmation of just how profoundly her revelations can change hearts and minds for the better.

More Than the Gift Larry Robinson 2009-08-01 Through its discussion of the biblical lesson of God's rejection of Cain's offering, "More Than The Gift" challenges readers to reexamine their perspective on Christian giving and to consider the proposition that Christian giving always has been about much more than the gift itself.

Love: the Most Precious Gift of Life:the Pejman Aghasi 2007-08 Love is the only hope. It is only because of love that man finds it possible to reach god. If there were no love there would be no religion, no prayer. If there were no love there would be no creativity, no music, no dance, no art, no poetry. If there were no love there would be no beauty, no friendship, no happiness, no intimacy. All that is valuable in life comes through love. Love is the source of all that is nourishing and fulfilling. Love is the only heavenly phenomenon on this earth. Everything else is earthly; therefore it is only through love that one can reach to god and heavenly states of being. Without love, life becomes dull, repetitive and unfulfilling. Love: The Most Precious Gift of Life shows us that we must live with love, because that is the only way to really live. The deeper and realer your love is, the deeper and more meaningful your life is. We must think of love and life as being the same and synonymous. If love has so many blessings, why do many couples struggle and face so many difficulties in their relationships? In the second part of Love: The Most Precious Gift of Life, the root social and psychological causes of these conflicts are uncovered, and a solution for solving each problem is also presented. And in doing so it helps us to keep our relationships healthy and intimate, and enable us to embrace love, and through love, reach to our highest potential which is self-realization and enlightenment.
