[The Very Secret Sex Lives of Medieval Women](#) - Rosalie Gilbert 2020-10-27

A “wickedly entertaining, informative and thought-provoking” look at romance, courtship, and other intimacies behind closed Medieval doors (Dr. Markus Kerr, PhD, MDR). Were medieval women slaves to their husband’s desires, jealously secured in a chastity belt in his absence? Was sex a duty or could it be a pleasure? Did a woman have a say about her own female sexuality, body, and who did or didn’t get up close and personal with it? No. And yes. It’s complicated. The intimate lives of medieval women were as complex as for modern women. They loved and lost, hoped and schemed, were lifted up and cast down. They were hopeful and lovelorn. Some had it forced upon them, others made aphrodisiacs and dressed for success. Some were chaste and some were lusty. Having sex was complicated. Not having sex, was even more so. Inside *The Very Secret Sex Lives of Medieval Women*, a fascinating book about life during medieval times, you will discover tantalizing true stories about medieval women and a myriad of historical facts. Learn about: The true experiences of women from all classes, including women who made history The dos and don’ts in the bedroom Sexy foods and how to have them All you need to know for your wedding night, and well as insider medical advice How to get pregnant (and how not to), and more “Quite compelling and hilariously funny. I have been chuckling out loud and my husband says he thinks he ought to read it if it’s such a tonic. God forbid!” —Susanna Newstead, author of the *Savernake Novels*

99 Questions You Must Ask a Man Before Sleeping with Him and Definitely Before Having SEX - Armani Valentino 2008-01-01

The great author and lecturer Napoleon Hill taught that one of the main causes of failure was IMPROPER SELECTION OF A MATE IN MARRIAGE. Would you believe a man who grew up the only male in a household full of women, has probably written one of the best (if not the best) books on dating for single people, and definitely for single ladies looking to find the right mate? Well, Armani Valentino’s national bestselling book, *99 Questions You Must Ask a Man Before Sleeping with Him & Definitely Before Having SEX*, just might be that book. It is a practical straight forward guide that will leave you enlightened on all levels. The book covers every area of what could possibly come up in a relationship. Big Boom, Steve

Harvey's best friend and Bodyguard, Best-selling author and the self-proclaimed “Bodyguard for Women’s Heart’s” says, “Armani is right on point. His generation and others need this book.” Armani Valentino believes that his book is a great tool for those wanting to be in a relationship and for those already involved. He says, “Most of the time people don’t really know what to ask. Many people like to avoid asking questions for fear of finding out something they don’t want to know. The sad part about this is, STD’s are on the rise. Even if you don’t contract an STD, you may get involved with a total basket case that might abuse you emotionally and physically. These things along with so many other possibilities are usually due to not asking enough of the right questions before you get emotionally and sexually involved.” Some women feel that the man will lie to them anyway. Therefore, Mr. Valentino has included his chapter, “The Art of Asking Questions.” This chapter teaches you how to become an interview expert . Fortune 500 companies use this to process to choose the best candidates. Armani feels that women should treat themselves as if they are Fortune 500 companies. Armani Valentino says, “My book is a spiritually based book that all people can benefit from in some way. No matter if you are single, dating, engaged, and even married. You will find something in the book that will enrich your life or others around you.” He also says, “The non-physical side of SEX is something that we need to talk more openly about. I think my book helps individuals to do this. That’s why Chapter 4 of the book is probably my favorite. Chapter 4 is “Love & SEX...The Two Most Powerful Energies and How Not to Get the Two Confused.” The 3-year National Best-seller, “99 Questions,” written by one of the nation's premiere dating/relationship experts, Armani Valentino, is now available in all ebook formats. "The Most USEFUL DATING BOOK on the market!" ~DFW Singles Magazine "Armani Valentino's book, 99 Questions You Must Ask a Man Before Sleeping with Him & Definitely Before Having SEX, is one book that you must have in your library." - Street Pop Magazine This book has helped thousands get a better understanding of the person that is pursuing them or the one that they are pursuing. Many women and men, both young and seasoned, have purchased numerous copies of this book for themselves or a loved one. Everyone knows someone that can benefit from this book. Armani Valentino says, "Most of the time we think we know what to ask before getting involved with someone. Although we probably do, we don't have that information in-front of us in a manner like this when we need it. Therefore, my book acts a reference guide to help in the process. It's kind of like dating insurance."

Between Medieval Men - David Clark 2009-02-26

Between Medieval Men argues for the importance of synoptically examining the whole range of same-sex relations in the Anglo-Saxon period, revisiting well-known texts and issues (as well as material often considered marginal) from a radically different perspective. The introductory chapters first lay out the premises underlying the book and its critical context, then emphasise the need to avoid modern cultural assumptions about both male-female and male-male relationships, and underline the paramount place of homosocial bonds in Old English literature. Part II then investigates the construction of and attitudes to same-sex acts and identities in ethnographic, penitential, and theological texts, ranging widely throughout the Old English corpus and drawing on Classical, Medieval Latin, and Old Norse material. Part III expands the focus to homosocial bonds in Old English literature in order to explore the range of associations for

same-sex intimacy and their representation in literary texts such as Genesis A, Beowulf, The Battle of Maldon, The Dream of the Rood, The Phoenix, and Ælfric's Lives of Saints. During the course of the book's argument, David Clark uncovers several under-researched issues and suggests fruitful approaches for their investigation. He concludes that, in omitting to ask certain questions of Anglo-Saxon material, in being too willing to accept the status quo indicated by the extant corpus, in uncritically importing invisible (because normative) heterosexist assumptions in our reading, we risk misrepresenting the diversity and complexity that a more nuanced approach to issues of gender and sexuality suggests may be more genuinely characteristic of the period.

Asking for a Pregnant Friend - Bailey Gaddis 2021-06-01

The Straight Scoop on the Questions That Make You Blush Why do I feel turned on when breastfeeding? Could an epidural paralyze me? Am I awful for feeling sad my baby isn't the sex I'd hoped for? In this comprehensive new book, doula and birth educator Bailey Gaddis offers frank girlfriend talk and expert advice about pregnancy, childbirth, and early motherhood. During her own pregnancy, Bailey had many unanswered questions she felt were too taboo or embarrassing to ask. To help other women have a more informed, less cringey experience, she went on to train as a birth professional, and her work has inspired this book. Bailey consulted with medical experts and psychologists to ensure accurate answers to the featured questions, and she presents her sought-after expertise to you with thoughtfulness and humor. Her accurate, nonjudgmental answers to even the most embarrassing or scary questions will help guide you through pregnancy and the first weeks of motherhood with greater calm and confidence.

The Ex-Girlfriend of My Ex-Girlfriend Is My Girlfriend - Maddy Court 2021-05-18

This illustrated book of advice on love, dating, and friendship—written by and for queer women and people of marginalized genders—is the new go-to queer relationship handbook. Fix yourself a cup of non-caffeinated herbal tea and prepare to laugh, cry, reminisce, and feel your feelings as you read through these quintessentially queer dating dilemmas. In *The Ex-Girlfriend of My Ex-Girlfriend Is My Girlfriend*, advice columnist Maddy Court (a.k.a. Xena Worrier Princess) answers anonymous queries from lesbian, bisexual, and queer women and people of marginalized genders. Illustrated by comics artist Kelsey Wroten and based on Court's viral zine of the same name, this book features never-before-published letters and responses about first loves, heartbreak, coming out, and queer friendship—all answered with the warmth and honesty of the gay big sister you wish you had. • BY QUEERS, FOR QUEERS: This book was written by and for queer women and people of marginalized genders. The questions reflect real experiences that aren't often represented in the media, and the answers offer an important reminder that loving ourselves takes patience, effort, and the support of our friends and communities. • EXCITING DEBUT AUTHOR: In 2018, Maddy Court made the leap from creating niche lesbian memes on Instagram to writing and distributing a series of zines. Never preachy or dismissive, Court offers advice that is sympathetic and straightforward—it's equal parts refreshing vulnerability and remarkable wisdom. • GORGEOUS ILLUSTRATION: Kelsey Wroten's art brings the letters to life, immersing the reader in all the joys and disappointments of the contributors who wrote in from all over the world. In addition to the traditional illustrations, each chapter features a paneled mini-comic that speaks to the different themes. • AMAZING GUEST EXPERTS: Because one queer cannot possibly hold all the answers, *The Ex-Girlfriend of My Ex-Girlfriend Is My Girlfriend* also includes advice from an incredible roster of guest experts. Author and comedian Samantha Irby; musicians JD Samson and Ellen Kempner; and writers and activists Tyler Ford, Kalyn Heffernan, Lola Pellegrino, and Mey Rude all tackle questions on long-distance breakups, jealousy, love triangles, making friends, and more. Perfect for: • Lesbian, bisexual, and queer women and people of marginalized genders with questions about dating, friendship, and life • Fans of the Ex-Girlfriend zine series and followers of @Xenaworrierprincess • Fans of Kelsey Wroten's graphic novels and art

Psychology of Gender - Vicki S. Helgeson 2016-07-07

Noted for its fair and equal coverage of men and women, this book reviews the research and issues

surrounding gender from multiple perspectives including psychology, sociology, anthropology, and public health, with an emphasis on the interaction between biological and social theories. The implications of social roles, status, and gender-related traits on relationships and health that are central to students' daily lives are emphasized throughout. Students learn how to distinguish the similarities and differences between the sexes and the theories that explain the differences. Methodological flaws that may impact the observance of sex differences are also examined. Learning activities and pedagogical tools included in the text: Do Gender exercises which provide an opportunity to test hypotheses and explore data Sidebars on special interest topics and numerous visuals that bring the studies to life Take Home Points that summarize key concepts in bulleted format Boldfaced key terms and definitions, chapter summaries, discussion questions, and suggested readings which help students review the material New to the 5th Edition: Expanded sections on cohabitation, homosexuality, online relationships, social media influences, single-sex classrooms, sex differences in math abilities, and gender implications of divorce on health Expanded coverage of gender and parenting, gender and the workplace, gender and power, and balancing work and family An expanded intersectional approach that highlights how gender is connected to social class, race, and ethnicity, including more coverage of gender system justification theory Coverage of transgender issues including recent changes in the DSM guidelines Streamlined discussions to further engage students to think about gender issues A companion website at www.routledge.com/cw/Helgeson where instructors will find Power Point slides, multiple choice quizzes, and short answer questions with suggested answers for each chapter; and students will find flashcards of key terms, chapter outlines, and links to related websites and further reading Divided into three parts, each section builds on the previous one. First, gender and the development of gender roles across cultures are introduced. Scientific methods used to study gender, attitudes toward gender, and the latest data and theories on sex differences in cognitive, social, and emotional domains are then introduced. Theories of gender-role development, including evolutionary, social learning, social role, and gender schema theories are reviewed along with the implications of gender on achievement. Part one reviews the key information on the similarities and differences between the sexes and the theories that explain the differences which lay the foundation for the remainder of the book. Part two examines the role of gender in relationships including communication styles and the impact of these interactions on friendship and romantic relationships. The third part examines the role of gender on physical and mental health. The effects of marriage and parenting on health are reviewed, including domestic abuse, along with how gender affects the association between work and health. This is an ideal text for upper level gender-focused courses including the psychology of gender, psychology of women or men, gender issues, and gender, women's, or men's studies taught in psychology, women's studies, gender studies, sociology, and anthropology.

Friends Into Lovers - Pamela Johnstone

Ah, the dreaded 'friend zone'... it's a situation where someone you're attracted to - and want to have a romantic and/or sexual relationship with - is only interested in you as a 'friend.' You don't know how you got there, you don't know why you got there, but you're there... and you want out! Almost every guy, and even many women, have been in a situation where they've wanted to be more than 'just friends' with another person. And yet, for some reason, nothing they've tried has worked. Moreover, they always have to tip-toe around the situation because they don't want to lose the friendship by making the wrong move. It truly is a horrible place to be stuck in...to be around someone, to be so close to them in proximity, and even share so much of your lives with each other... and yet, what you really want from them is off limits. Since you're reading this report, there is a very good chance that... a. you have a current friend that you'd like to turn into your lover and/or girlfriend, b. you used to date and/or sleep with someone who now wants to be 'just friends,' c. you have been in one of the above situations in the past, maybe more than once, and you'd like to learn how to avoid it from happening during your future interactions with others, or... d. you've seen this happen to other people, where they end up in the 'friend zone'...and you want to be pre-emptive about it, so you can be prepared if it ever happens to you. Whatever your situation may be, this report will arm you with some powerful knowledge, as well as some cutting-edge seduction and persuasion strategies, which will easily help you to get out of the 'friend zone' and/or ensure that you never end up being 'just friends' with someone you are attracted to. And, if you have ever wondered why or how it happens in the first place, this

report will also help you to finally understand why so many guys seem to always end up in the 'friend zone' by accident, even when you really don't want to. (That giant mystery will be solved in this report, once and for all.) Just as I do in most of my reports, I will start this one out by sharing some of the 'quick and easy' techniques with you. These will include tips you can put to use right away, and see results almost overnight. Then, I will cover some of the more advanced stuff, including powerful persuasion techniques, which may require a bit more work on your part to execute. But they will be well worth your time and energy investment, because the results they produce will be quite amazing. But, before we start getting into the techniques and strategies of how to turn a friend into a lover or girlfriend, there's something very important that we need to discuss first. Please do not skip over the next section - or any of the sections in this report, for that matter. If you do, you will only be hurting your own chances of making this process work effectively.

A Woman'S Guide to the Male Mind - Sam Geraldo 2011-01-14

A Womans Guide to the Male Mind is the indirect result of a blog that I wrote in 2005 How Do You Tell If a Guy Fancies You? The article was so popular, receiving more than 70 replies from women with lots more questions, that I launched my web site www.seducemen.co.uk. Since then, most of the advice Ive given in hundreds of published articles was based on my own experiences and those of my friends. To write the book, however, I adopted a more scientific approach. I performed a significant amount of research into recent discoveries by anthropologists, sociologists, psychologists and biochemists on topics ranging from basic sexual attraction to personality type and male/female communications strategies. Its my belief, therefore, that A Womans Guide to the Male Mind features the best of two worlds: common sense opinions backed by solid empirical evidence. By helping ladies understand the male point of view with regard to sex, dating and relationships; I hope to eliminate the senseless conflicts that so often erupt between lovers and would-be lovers. Once you understand a few fundamentals about the male mind and male behaviour, you will stop thinking of men as inscrutable blockheads and primitive misfits. You will no longer regard them as you would a small, nasty child or an alien race. Arming yourself with the wisdom in this book, youll increase your odds of finding happiness and harmony in romantic relationships, and you will help ensure that this bliss lasts a lifetime. By the time a man reaches maturity, he has passed through four evolutionary stages in his attitude toward women and relationships. Its very important to understand and identify these four stages, because it will save you from wasting time on guys who arent ready for serious romance.

A Passion for Friends - Janice G. Raymond 2001

This feminist classic explores the many manifestations of friendship between women and examines the ways women have created their own communities and destinies through friendship.

The Seasons of Masculinity - Anthony B. McMillan 2001-10

The Extraordinary Life of E Nesbit - Elisabeth Galvin 2018-09-30

Imagine being one of the most well-loved children's authors of all time, yet your readers don't know if you're a man or a woman. Or even your real name. E. Nesbit is really Edith Nesbit, who wrote an extraordinary 98 novels, plays and poetry collections for children and adults between 1885 and 1923. She is credited as the first modern writer for children whose work has influenced authors from Oscar Wilde to C.S. Lewis, Noël Coward to J.K. Rowling. Even though it was published more than 100 years ago, *The Railway Children* remains one of the most popular children's books ever written and it has never been out of print. But for Edith, the truth of her life is stranger than her fiction - and it's a truth she was keen to hide from the public. Edith's father died when she was four, resulting in a peripatetic childhood across Europe. At 21 years old she was seven months' pregnant when she married a penniless libertine who became a famous journalist, Hubert Bland. Together as early socialists they were founding members of the Fabian Society, from which the Labour Party has its foundations. A Bohemian and an eccentric, Edith became a mother of five children - two of whom she adopted in secret after her husband had an affair with a close friend (who subsequently lived with them as their housekeeper). It was shortly after the sudden death of her beloved son that Edith wrote her first bestseller in 1899, a groundbreaker that dramatically changed the course of children's literature. On the eve of World War I, Edith's husband died and she married a captain of the Woolwich Ferry. A cheerful cockney sparrow, Tommy Tucker proved to be Edith's unwitting

romantic hero who loved and cherished her until she died in near-poverty on the Romney Marshes of Kent.
