MY STORY ON ONLINE DATING APPS

The book profiles my time as an over-40s man engaged with online dating apps, during which period I was stood up, ghosted, verbally abused, propositioned for sex and asked to be a surrogate father to an unborn child. The lessons I learned have been encapsulated in this book for the benefit of men and women engaged with online dating sites and apps such as 'Tinder', 'Bumble', 'Hinge' and others, and who wish to avoid the first date mistakes that I made. *STATE OF INTERNET DATE* My book also provides an overview of Internet dating's major issues, including;

• Why you have a less than 20 per cent chance of finding love online. • Why black women who seek love should never use 'Tinder'. • Why all online dating apps should carry a government health warning. • Why Internet dating apps would prefer that you don't find love. • Why 90 per cent of online daters may not actually want a relationship. TOP RATED READS FOR 2019/2020 FOR MEN & WOMEN This dating book is set to become the top recommended paperback for men and women on the subject of online romance. Whether we like it or not, the future of how people meet is digital, and so the sooner singles learn to master it by using my book, the better. If you change your approach you will get better matches that will bring you closer to finding what you are looking for. Get the book now, and start.

How To Date Older Men (The Younger Women's Guide) Audarshia Townsend 2012-03-12 ABOUT THE BOOK Michael Douglas shares a birthday with his wife, Catherine Zeta-Jones, and also happens to be 25 years her senior. As plucky, young, unlucky-in-love lawyer Ally McBeal, Calista Flockhart found herself suddenly a small screen star and soon thereafter, the leading lady in Harrison Fords life. He is 22 years older than her. And Beyonces 2008 anthem Single Ladies (Put A Ring On It) served as a how-to guide for bachelorettes everywhere. Perhaps it even helped reel in her rap mogul boyfriend, Jay-Z, to marry her months before the song even debuted. With a 12-year age difference between them, they manage to make it work. Older men and younger women. Long before Hugh Hefner emerged as the poster boy for snapping up all the Pretty Young Things, Men of a Certain Age chased their nubile counterparts. But as with all relationships, it takes more than animal attraction for these types of unions to succeed. If you have the chemistry and compatibility that keeps you enjoying each other in and out of bed and you both want the relationship enough, you bridge the gap and support each other, writes Dr. Laura Grashow on FOX News (Are Older Men "The New Catch?").

MEET THE AUTHOR An obsession with Chicago's vibrant dining and drinking scenes drove Audarshia Townsend to first write for respected publications like Essence, Chicago Reader and the Chicago Defender. And her foray into the online world began as one of the first two editors at metromix.com--where they set the tone for the successful entertainment site's cutting-edge style. She also has written lifestyle features for the Chicago Tribune, Los Angeles Times and Upscale magazine. EXCERPT FROM THE BOOK Of course shes not telling women to fill out an application for Harvard Law School, but showing an interest in world events, politics, the financial sector, or technology could work to the womans advantage. She should pick up a book, read periodicals and websites beyond gossip and fashion, and watch CNN, C-Span, and CNBC. Experts also recommend for her to just listen to him to learn his interests. Theres always the possibility that hes not interested in any of those topics and only wants to talk about NASCAR! The standard nightclub tops the list of places to avoid particularly for matchmaker Patti Stanger. Older men hanging out where twentysomethings frequent likely suffer from mid-life crisis. Get Used To Him Treating You Differently Than Most Guys Your Age According to experts, mature guys certainly differ from their younger counterparts in that they offer years of experience, and younger women should be prepared for different treatment. Elite Dating Secrets Jon Anthony 2019-02-24 Dear Friend, This book will teach you the hidden secrets, that the top 1% of men use to effortlessly attract women. Learn how you can meet, attract, and date the type of woman you've always wanted to have. Learn how to get your girlfriend back. Turn your "friend" into your "girlfriend," and get out of the friend zone for good. How to make women chase you, rather than the other way around. "Elite Dating Secrets" covers everything you need to know about understanding women. It explains how they think, what they want, and how to attract them. This book will teach you powerful attraction secrets, techniques, and strategies, that only the top 1% of men know... secrets that once fully understood, will completely transform your life as a whole. Why should you buy this book? Because, it's one of the most inexpensive dating books on the market, even though it's filled with more secrets than all of the other ones combined. It offers more strategies, techniques, and secrets than any other book on dating advice you will find. In fact, unlike most other books that just teach you surface level gimmicks, "Elite Dating Secrets" will go deeper, and create a permanent, long-lasting, underlying change in who you are as a man. And the best part? You don't have to change who you are, or become some sort of "try hard" douchebag. In fact, unleashing your "Inner Alpha Male," and becoming one of the "Dating Elite" is about leveraging your natural personality, and unlocking the truly personality that you have hidden deep within you, without even realizing it. What makes me qualified to help you? Well, when I was younger, I had very little success with women. I tried, and tried, and tried, but for whatever reason, I could never attract a woman. Even when I did manage to get a date or two, they would always end up flaking on me, or would flat out ignore my calls and texts after our first date. I remember feeling frustrated and confused, and eventually, stumbled upon the secrets hidden within this book... and they changed my life forever. Over the past 5 years, I've coached countless men, and helped them achieve their true potential in the dating world. Many of my clients are shocked at how rapidly their lives transform, once they use the secrets hidden within this book. One of my clients went from being a virgin, to having his "Perfect 10" girlfriend, in just a few weeks. While stories like this may seem unbelievable, the fact of the matter is that when you understand these secrets, anything is possible. Even if you are not tall, rich, or handsome, you can still use the secrets within this book. In fact, that's why I wrote it! I wanted to give average men such as ourselves a chance at competing in the top 1%. I want you to experience the thrill of dating playboy bunnies, models, actresses, and just plain gorgeous women. I could have packaged the contents of this book into a video course, and charged hundreds of dollars for it, but I'm choosing to give it away for just a few bucks... think about it. How much do you spend on coffee each week? Or eating out? Do you think being able to date the girl of your dreams, and live happily ever after, is worth a few bucks? I certainly do. In a weird way, I feel like I know you... and in a sense, I do. Maybe I don't know your name, but I know what you're going through, and I know where you came from. I was in your shoes just a short few years ago, and I remember feeling desperate to finally get this "girlfriend" thing handled once and for all. If you feel like you've exhausted all your options, and just can't seem to figure out why women don't want you, then trust me... you need this book more than anyone. I hope you choose to embark on this adventure, my friend. I know it can be scary, and it's hard to know who to trust... but mark my words, when you download this book, and start applying its advice to your life, everything will change forever. To Your Success, -Jon Anthony
