Bad Dates & Other Disasters -

Britni Danielle 2013-10-24

Jerks, mamas boys, cheaters, liars, actors, cheapskates—I've dated them all. After going on yet another horrible date I've decided to throw in the towel and take myself out of the game. There's just one problem: my friends think I'm nuts. At 33 they feel I'm too old to take a break from finding Mr. Right, but after dating way

too many jerks...I need a break! Think I'm being dramatic? Kick your feet up and get comfy because I'm about to name names. And let me warn you, it won't be pretty. Ladies, if you happen to meet any of these guys at the park or a club or at happy hour with your girls—run! Don't say I didn't warn you.

Daddy Dates - Greg Wright
2012-09-26

One day motivational leader Greg Wright realized that the four set of pretty young eyes under his own roof were looking to Dad to be strong, fearless, and wise. The reality was, the lone male in an all-girl household ("heck, even the dog was female") was only thirty years old and felt like he had been shoved into the deep end of the estrogen pool without swimming lessons. That's when the love-struck father of four gorgeous pre-teens started searching for a plan for how to be a successful Dad, and did what any sensible guy would do. He bailed. Not only on his family, but into the woods, to seek a "solution." Daddy Dates is an entertaining and practical look at how one American father found his sea legs and is navigating through the tricky waters of parenting girls. In this game-changing book, Greg shares his easy-to-follow secrets for how married and single dads can go beyond high-fiving to bridge the gender gap and become the clued-in man who knows his daughter best. Dads have more

influence on their girls than anyone. Learn what makes your daughter tick, how to talk to her effectively and connect more profoundly, at any age. If being their hero is your mission, it's not impossible. Daddy Dates is your road map to get there. "Hi honey. It's Daddy. I'm calling to see if you'd like to go on a date with me tonight." "Um, yes, Daddy I think I would." It's a phone call Greg Wright has made over and over again. By age thirty, Greg was the overwhelmed father of four beautiful little girls, with one thought running through his mind over and over again: Don't Screw Up. Daddy Dates is about a guy taking his best shot at being a successful dad by trying to know his girls?really know their fears, dreams, and opinions?and how he stumbled across an incredible strategy to do that with daughters of any age or stage. This funny, insightful, and relatable book poses the wildly original concept that should be a "duh" for most dads?but isn't. In order to raise a confident woman-to-be, show

your daughter what it feels like to be treated with love, respect, and true interest by a man who loves her. Daddy Dates is not another "how to" book from a parenting expert. It's a personal, eye-opening, often humorous look at an Average Joe's intentional pursuit of his daughter's hearts and minds, and the love-inspired steps he is taking to solidify Dad's place in each of their lives, forever. Whether married or single, Daddy Dates can help you better connect with virtually all of the females in your life. Using Greg's communication cues, you'll be blown away by what you'll learn about your child, and how you can make a powerful, lasting difference?especially during her rocky teenage years. Daddy Dates is about one thing?becoming her hero?one date at a time. Endorsements: -Matt Crossman, Senior Writer for SPORTING NEWS magazine (and father of 2 daughters) DADDY DATES wondrously focuses men (and the women who love them) on the

affirmation & empowerment a father's creative attention, energy, and love can have on the precious daughters in our lives. -Jan Goldstein, bestselling author of THE BRIDE WILL KEEP HER NAME (and father of 3) It's an easy thing to say that any father with a daughter should read this book. coffee house called The Perfect Brew. Oscar and Annabelle lace every cup of coffee with magic to heal the hearts of their customers and help them make their dreams come true. But the barista's lives are far from perfect. Oscar Andersson has the Nordic good looks of a movie star. Not only is he hot; he's also kind, thoughtful, and generous. Oscar is the kind of man every mother dreams her daughter would marry, and every woman dreams of bedding. But he's not available. It's not that Oscar doesn't want to find love, and it's not that he hasn't tried. He's dated blondes, redheads, brunettes, witches, humans, and even gargoyles, but his attraction never turns into love. He's a serial one-night stand. Annabelle Gibson is a feisty, red-headed beauty, with a reputation for breaking hearts. While all sorts of men drool at her feet, she's never found the right one. Oscar's lukewarm response to her charms shocks her. No matter what she does, she can't get him to see her as anything but a friend. When

Belle hatches a plan to win his heart, his world is turned upside down and sideways. Now she has to break the curse and bewitch him permanently. Meanwhile, Venomilia, the dark sorceress who cursed Oscar, watches them in her crystal ball, ready to step in if Belle comes close to breaking her spell. Slam Dunks and No-Brainers - Leslie Savan

2005-10-04

In this marvelously original book, three-time Pulitzer Prize finalist Leslie Savan offers fascinating insights into why we're all talking the talk—Duh; Bring it on!; Bling; Whatever!—and what this reveals about America today. Savan traces the paths that phrases like these travel from obscure slang to pop stardom, selling everything from cars (ads for VWs, Mitsubishis, and Mercurys all pitch them as “no-brainer”s) to wars (finding WMD in Iraq was to be a “slam dunk”). Real people create these catchy phrases, but once media, politics, and businesses broadcast them, they burst out of our mouths as celebrity words, newly glamorous and powerful. Jusqu'où laisserez-vous votre smartphone décider à votre place ? 2022. À la veille des élections présidentielles, une start-up prometteuse émerge d'une France décimée par une

crise sanitaire sans précédent : NoBrainer, le portefeuille intelligent. Cette application de paiement mobile s'inspire des données personnelles de ses millions d'utilisateurs pour leur simplifier la vie au quotidien, tout en leur épargnant du temps et de l'argent. Mais alors que les médias et la French Tech s'emballent déjà pour cette future licorne made in France, l'entreprise ambitieuse s'engage dans une course au profit dont l'opacité dérange. À propos de l'auteur. À l'ère des bullshit jobs et du green bashing, Jérôme Bornier — directeur général d'une société publicitaire de la French Tech — invite ses lecteurs à remettre en question leur bulle digitale pour imaginer une société plus durable. The unGuide to Dating - Camerin Courtney 2006-01-01
Forty percent of the U.S. adult population is single. And the majority of those singles feel pressured to find “the one.” But dating as an adult is not easy, especially in a culture that targets people under the age of twenty and seemingly ignores everyone else. Drawing from their own dating experiences and from their work with prominent Christian media outlets, including ChristianSinglesToday.com, Camerin Courtney and Todd Hertz offer their thoughts and bewilderments on adult dating relationships--not just to discuss the declining “state of the date” but to give hope and help to adult singles.
