Getting The Job Done - Ericka  
Cole 2021-01-24  
How would you like to read this  
story about sex at work?  
Nailing the Interview (It's Time  
for Office Sex!) A Rough Sex  
Erotica Story By Angela Price  
Susan desperately needs a job,  
and she's determined to get it.  
As far as she's concerned, a  
blow job is a small price to pay  
for a means to get her debts  
under control, and she's ready  
to do a hell of a lot more than  
answer questions during this  
interview. She's about to find  
out that Mr. Collins won't be  
satisfied with just a blowjob,  
and there will be plenty of  
rough sex before he's ready to

make any hiring decisions. That's only one of the sexy tales you'll find in this collection. Click now and it can be on your Kindle in just a moment or two. Warning: This ebook contains very explicit descriptions of sexual activity and includes rough sex, group sex, first lesbian sex, first anal sex, boss sex, and more. Only mature adults who won't find that offensive should read this collection. Here are the stories!

2. Getting the Promotion (And Using Every Hole to Do It!) An Office Gangbang Erotica Story by Skyler French I was usually so adamant about not using my body to get ahead at work but it became apparent if I wanted the promotion there were things expected of me. Sure, I felt a bit slutty for doing it but the raise and the benefits were enough of an incentive. So, I prepared myself for whatever the management team wanted. I had no idea that what they wanted was my untouched ass! Well, they took that and they took my throat and they took... let's just say every single hole was filled and it was horribly

intense and wonderful all at the same time. 3. How Rough Sex Got Me into Show Biz An Office Sex Erotica Story by Angela Ward Allison sometimes wonders why she majored in performing arts when there just aren't a lot of jobs out there. Still, she lands an interview for a position as a magician's assistant, and she's determined to get the job. By determined, we mean she's ready to give up anything she has to. That's good, too, because what she's going to have to give the manager is a scorching session of rough sex!

4. I'm a MILF? An Erotic Tale of Gangbang Confusion by Ericka Cole When I showed up to interview for an entry-level production assistant job, I wasn't sure how I'd be received. I'd taken a number of years off to raise my daughter, and I wasn't really connected in the film industry at all. I was a little bit shocked when I found out that this particular studio made porn, but that was nothing compared to when I discovered they got their wires crossed! They thought I was

the talent! I couldn't believe they'd want a woman in her thirties to sleep with three men at once. I guess I was in a crazy mood because I just let them believe I was their star!

5. Meet My Associate (He'll Be Having You with Me) An MFM Office Ménage a Trois with Double Penetration by Hope Parsons I'd planned on getting the job with my body, so it was fine that Mr. Hartford caught my cues and took advantage of my oral skills. I never expected him to invite someone else into his office. Before I could wrap my head around things, I was wrapping my lips around both of their cocks! That wasn't it, though. I had rough sex with both men and they also gave me my very first anal sex experience. That happened while one of them was already inside of me! Double penetration? I remember thinking the job had better offer some damned good benefits.

story? Bent Over My Boss's Desk (Rough First Anal Sex to Save My Job) An Office Sex Erotica Story The company was in trouble and as one of the highest paid employees, I knew I would be one of the first cost cutting layoffs. I determined not to go down without a fight though. More accurately, I decided I would go down... go down on my boss and give him more than that, too, if that's what it took. So, when he called me into the office I was ready and even though he tried to resist, what could he do when I got my mouth on his cock? Well... he could start getting really, really rough and even bend me over his desk for a staggering first anal sex experience! That's only one of the sexy tales you'll find in this collection. Click now and it can be on your Kindle in just a moment or two. Warning: This ebook contains very explicit descriptions of sexual activity including rough first anal sex, reluctant first anal sex, first anal sex with a stranger, group first anal sex, and more. Only mature adults who won't find

that offensive should read this collection. Here are the rest of the stories! 2. ALL THE WAY TO THE REAR A Very Rough Public First Anal Sex Short Public transportation can be scary, and when the only seat left is in the very back of the bus and right next to a mountain of a man, what's a girl to do? In this case, the girl is taken, and taken hard right in front of everyone in a very rough public sex encounter complete with depththroat, rough sex, and a very hard first anal sex experience! Isn't anyone going to come to her rescue? 3. Bent Over by the Janitor A First Anal Sex Erotica Story I couldn't believe the situation. I'd become stuck in the plastic crawl tube in the little play park we kept at the office for our clients' kids. It was late at night, and I was going to have to wait until help arrived. When someone finally did try to pull me out, things got even crazier. The husband and wife janitorial team could do anything they wanted to me, and I was stuck! With her mouth on me, though, I was

## Office Sex Stories Five Great Boss Sex Erotic Stories English Edition

happy to be stuck. As for the janitor...he was absolutely delighted to give me my first anal sex experience. 4. Boys' and Girls' Night In: The Wife Swap Party A Group Sex Erotica Story A bizarre series of events led me and my three girlfriends to end up naked in the living room waiting for our clothes to dry. Wouldn't you know it, our husbands showed up at the exact wrong moment and thought we'd arranged an orgy! The really surprising thing was how we didn't protest but just went along with it. I never would have thought I'd be a swinger but that night was a wife swap party for the record books! 5. Caught by My Boss and Gangbanged for Stealing (A Tale of Embezzlement and Double Penetration) A Rough and Reluctant Group Sex Erotica Story It was my fault, and I felt pretty damned guilty. I'd been stealing money from the company, and the worst part about it was that I actually liked my boss a lot. He was sexy as hell, and when he made it clear he was willing to let me

~~pay him back with my body~~ instead of calling the police, I was overjoyed. Of course, I shouldn't have been overjoyed so quickly. It started out wonderfully but when he got rough I knew I'd be paying him back, indeed. As if that weren't enough, other people showed up to help him take payment from my ass. Literally! It was a really, really rough gangbang and I had my first anal sex and double penetration!

*Five Really Sexy Rough Sex Tales (Volume One)* - Savannah Deeds 2020-08-06

How does this rough sex story sound to you? Dori Needs Improvement (The Rough Sex Performance Review) An Explicit Romance at the Office by Savannah Deeds The best way to describe me would be to call me a rich, spoiled brat. I didn't mind. I was spoiled and I was a brat. I was also rich. Well, I was reminded my parents were rich and not me when they finally got sick of the way I blew off school and cut off my allowance. Suddenly, I had to actually get good grades in college if I wanted it back. That meant I couldn't blow off work anymore because suddenly I needed the

paycheck. That wouldn't have been a problem if I didn't have a new boss, and Alex made it clear he expected me to actually pull my weight. It was time for drastic measures, and in this case that meant using my body to keep my job. So, I seduced Alex. Well, kind of. Can it be considered seduction if it was the roughest sex I'd ever had in my life? That's just one of the sexy stories you'll find in this collection filled with intensity. Click now and you can start reading in seconds. Warning: This ebook contains very explicit descriptions of sexual activity and includes rough sex, rough group sex, rough double tem sex, rough first anal sex, and more. Only mature adults who won't find that offensive should read this collection. Here are the rest of the rough sex stories: 2. Heath Wants Maddie's Ass (And It's Backdoor Blasting or Bye Bye Scholarship!) A Younger Woman Reluctant First Anal Sex Erotica Story by Karla Sweet Heath went overseas to college and now he's back. That wouldn't be a problem if

Maddie hadn't stolen his essay and won a scholarship with it. He knows. He knows and he's angry. She took advantage of him for years and he's ready to call an entire relationship worth of debts due and payable. There's only one problem. To make this ledger balance, Maddie will have to give up her body, and that means giving up her ass for a rough first anal sex experience that leaves her breathless! 3. Hubby at the End of His Rope (And at Constance's Backdoor!) A First Anal Sex Erotica Story by Skyler French Katie is pretty sure Don just can't take anymore. After all, he's spent the entire weekend tied up or handcuffed or in some other bondage. The whole weekend! He's spent the whole weekend pleasing six women and pleasing them more and pleasing them more. It's a wonder he can still breathe much less get a hard on. She's ready to show mercy and make the weekend come to a close. Of course, all the women are pretty much at their limits, too, and some rest and relaxation

seems like a good idea. Then Constance says something that throws all thoughts of mercy out of the window. She's never given up her backdoor and she wants Katie's permission to use her husband for a first anal sex experience! 4. Taken in Freddie's Office (The Younger Woman's Rough and Reluctant Sex Experience) A Teacher / Student Sex Erotica Story by Tara Skye It was my job to distract Freddie while my friend stole the midterm exam from Professor Congalton's office. Unfortunately, that meant flirting with him, and I really, really didn't like Freddie. The problem was that I'm a pretty damned good flirt, and things kept getting more and more intense. Before I knew it, I was kissing him and then he was groping me and before I knew it, I was going all the way with a guy I didn't even like! 5. The Doctor Gets Rough (And My Backdoor Gets Blasted!) A Rough First Anal Sex Erotica Story by Andrea Tuppens I'd been sleeping with my boss almost from the day he hired me, so it was a pretty

typical thing to be right in the middle of rough sex with him. This time was different, though. This time, he started spanking me. I couldn't believe how much I loved it, and I started begging him to hurt me. That might have been a mistake. He had some ideas about how to hurt me... by taking my ass and giving me a very intense first anal sex experience!

The Thickest Cock in the Tightest Hole: Rough First Anal Sex at the Office by Kaddy DeLora Ms. Howe has had an irritating day interviewing potential assistants. The last interview is Anthony, a beautiful African American man who sends chills through her. The only problem? He's far over-qualified, and she's hesitant. So, Anthony takes her to the executive washroom and shows her his special talents. In this case, these include rough depththroat, spanking, and shoving his massive tool into her untouched ass for a very rough first anal sex experience!

*Giving at the Office (And Getting It Pretty Damned Hard, Too!)* - Angela Ward

2021-01-30

Here are five tales of sexy office hijinks. From a woman taking on two men to very rough first anal sex as part of an interview, the scenarios are steamy as hell and the sex is explicit. Rough anal sex, mfm threesomes, double penetration... it's all in a day's work! Warning: This ebook contains very explicit descriptions of sexual activity and includes rough sex, rough group sex, rough double tem sex, rough first anal sex, office sex, double penetration, and more. Only mature adults who won't find that offensive should read this collection. 1. Extra Duty Between My Cheeks: A First Anal Office Sex Short by Tanya Tung When June is called into Mr. Talbert's office

to take dictation, she isn't worried. She's had a big crush on her sexy boss for years, and she's always been conscientious. As she writes down the letter, though, she's horrified! It's a letter about an employee who's screwed up in a big way, and she's the employee. Her boss gives her a choice. He can send the letter to human resources or handle it himself with no consequence to her career. She readily agrees to the second option, but she had no idea it would result in a spanking, rough boss sex, and her first reluctant anal sex! 2. Olivia Takes Dictation: An Erotic Tale of Office Sex by Amy Dupont Olivia is a ticking time bomb waiting to climax, and that's on a normal day. It's been about a month since she was last man handled and needs it bad, so bad she aches for it. Along comes Chad, the hot guy in her office, and look out because it's going to get physical, really physical. I bet they won't meet their deadlines! 3. Orgy in the Stockroom: Group Sex at the Office by Angela Ward We

were all stuck working late at the office on Friday instead of our usual short day with time at the bar. I decided to let my coworkers in on the secret stash of booze I kept for my bosses in the stockroom. I had no idea everything would turn into an all-out orgy with me and five of my coworkers! 4. Rough First Day at the Office (Yeah! Rough Deepthroat, Rough Sex, and Rough First Anal!) A Boss Sex Erotica Story by Constance Slight I flirted shamelessly during the interview, making it pretty clear that if I were hired my boss could have my body, and it took him no time to collect on that promise at all. It was my first day, and what a day it was! I experienced deepthroat

so rough I thought I'd pass out and even had a very, very rough first anal sex experience. Why the hell did I end up liking it so much? 5. Sylvia's Office Double Team: An MFM Threesome Erotica Story by Connie Hastings Sylvia has always been the good girl, but when she gets a temp job at a local lawyer's office, she decides to change the very person that she is. Being the meek and mild type has gotten her nowhere, and now she could make herself into anything she wanted. This was her opportunity to shed her boring persona, and bring about a new Sylvia that the men would stand up and take notice. If that meant taking on two men in the office...well so be it!
