**Cyber Knights 1.1** - Harold Coyle 2015-10-27

Cyber Knights 1.1 is the second part in a stunning two-part collection of stories based on true-life cyber vulnerabilities, by Harold Coyle and Jennifer Ellis Here be Dragons. In the Age of Discovery, unexplored areas of a map were often marked with this warning. Today, such a warning could easily be applied to the internet. Hackers and cyber assassins present a constant threat to individuals, companies, and institutions. Protecting these targets requires a new kind of warrior, a cyber knight armed with the skills, weapons, and savvy needed to slay today's dragons. One such digital warrior is Andy Webb, a former British Army officer. Together with Karen Spencer, a shy, twenty-something American who is a wizard when it comes to software, and Tommy Tyler, a rough and ready ex-soldier and hardware expert, Webb forms Century Consultants. The cyber security firm must work to defend its clients from the hackers, criminals and hired cyber assassins who seek out victims on the world wide web. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

**Make Magic of Your Life** - T. Thorn Coyle 2013-03-01

Do you have the sense that you were born to do something more with your life but you don't know what that is? Do you long to step into your power and live a life of passion? Do you wish to be of greater service? Are you willing to follow your soul's desire? Join master teacher, Pagan, and mystic T. Thorn Coyle in activating the magical formula known the Four Powers of the Sphinx. These four powers — To Know, To

Will, To Dare, and To Keep Silence — help bring about a profound shift in how we view and move through the world. They will point you toward your highest purpose and show you what to do, both practically and spiritually, once you've found it. They will lead you to a life of magic. Find your soul's work. Follow desire. Live a life that matters. From the introduction: "Working magic means showing up with your demons and your divinity, your sorrow and your joy. Alchemy only happens when we are willing to go through the processes of gathering together, refining, pouring, and solidifying. In the end, we have something fine to hold."

**Vivian Apple at the End of the World** - Katie Coyle 2015

In this darkly comedic road trip novel, seventeen year-old Vivian Apple returns home after the alleged "Rapture" to find her devout parents gone and two mysterious holes in the roof. Vivian never believed in the Rapture, or the uber powerful Church of America. Now that she has been left behind, Vivian's quest for the truth begins.

**The Talent Code** - Daniel Coyle 2010-12-15

'Talent. You've either got it or you haven't.' Not true, actually. In *The Talent Code*, award-winning journalist Daniel Coyle draws on cutting-edge research to reveal that, far from being some abstract mystical power fixed at birth, ability really can be created and nurtured. In the process, he considers talent at work in venues as diverse as a music school in Dallas and a tennis academy near Moscow to demonstrate how the wiring of our brains can be transformed by the way we approach particular tasks. He explains what is really going on when apparently unremarkable people suddenly make a major leap forward. He reveals why some teaching methods are so much more effective than others. Above all, he shows how all of us can achieve our full potential if we set about training our brains in the right way.

**Shot in the Dark** - Cleo Coyle 2018-04-17

From Cleo Coyle, the New York Times bestselling author of *Dead Cold Brew*, comes a delicious new entry in the "fun and gripping" (The Huffington Post) *Coffeehouse Mystery* series. A smartphone dating game turns the Village Blend into a hookup hotspot--until a gunshot turns the landmark coffeehouse into a crime scene. As Village Blend manager Clare Cosi fixes a date for her wedding, her ex-husband is making dates through smartphone swipes. Clare has mixed feelings about these match-ups happening in her coffeehouse. Even her octogenarian employer is selecting suitors by screenshot! But business is booming, and Clare works hard to keep the espresso shots flowing. Then one night, another kind of shot leaves a dead body for her to find. The corpse is an entrepreneur who used dating apps with reckless abandon--breaking hearts along the way. The NYPD quickly arrests one of the heartbreaker's recent conquests. But the suspect's sister tearfully swears her sibling was framed. Clare not only finds reason to believe it, she fears the real killer will strike again. Now Clare is "swiping" through suspects in her own shop--with the help of her globetrotting ex-husband, a man who's spent his life hunting for coffee and women. Together they're determined to find justice before another shot rings out.

Interrogates the rise of national philosophies and their impact on cosmopolitanism and nationalism.

**Online Dating Done Right** - Jenn Coyle 2015-09-29

How to Make Online Dating Work For You, Even If You've Failed In The Past Whether you've been online dating for one week, one year, or not at all yet, you probably have some opinions about online dating: How on earth do I meet quality people? Why do I still feel hesitant about online dating? Why do I keep getting messages from losers? Why am I not getting any messages-at all? You've got your life together. You're an intelligent, social, and functional adult. You have a great personality. You're attractive and you take good care of yourself. Yet you find yourself devastatingly single. In this book, "Online Dating Done Right: A No-Nonsense and Efficient Way to Find our Perfect Match," I share my best tips on how to find the love of your

life through online dating. Don't Play Dating Games Feel like you've been single forever? Stop playing games. Stop following the rules. A guy doesn't have to be the one to ask a girl out. You don't have to wait a day or two to respond to a text. You don't have to spend four weeks messaging each other online before you meet. Following the rules hasn't got you anywhere good, and you're probably tired of being single. What you need is a concrete strategy to online date right, meaning: Take control of your destiny and stop waiting for things to just happen Define your goals for your love life Write an awesome profile for yourself Browse online dating sites with purpose Spend your time wisely Send and receive meaningful messages Don't spend forever in message-land Set up a lot of dates with a lot of amazing people Weed out the non-matches and semi-matches ...And then find the love of your life Follow the "Online Dating Done Right" Method and Find Your Perfect Match In "Online Dating Done Right," I outline the 5 C's of Online Dating and help get you set up to find your perfect partner. In Part 1, we talk about you. Are you ready to date? What are your goals? Then, we craft your perfect profile which includes your bio, essays, and photos. Your profile will help you showcase your personality and your unique qualities and attract more users. In Part 2, we talk about 5 C's of Online Dating: Collect Contact Coffee Clarity Couple I met the love of my life 11 months after I started dating, on my 21st first date. It was a lot of hard work, but I had a blast and met a lot of amazing men along the way. I had a great experience online dating-and I want the same for you. Want To Know More? [Oxford Textbook of Palliative Nursing](#) - Betty Rolling Ferrell 2019-03-04

The Oxford Textbook of Palliative Nursing remains the most comprehensive treatise on the art and science of palliative care nursing available. Dr. Betty Rolling Ferrell and Dr. Judith A. Paice have invited 162 nursing experts to contribute 76 chapters addressing the physical, psychological, social, and spiritual needs pertinent to the successful palliative care team. Organized within 7 Sections, this new edition covers the gamut of principles of care: from the time of initial diagnosis of a serious illness to the end of a patient's life and beyond. This fifth edition features several new chapters, including chapters on advance care planning, organ donation, self-care, global palliative care, and the ethos of palliative nursing. Each chapter is rich with tables and figures, case examples for improved learning, and a strong evidence-based practice to support the highest quality of care. The book offers a valuable and practical resource for students and

clinicians across all settings of care. The content is relevant for specialty hospice agencies and palliative care programs, as well as generalist knowledge for schools of nursing, oncology, critical care, and pediatric. Developed with the intention of emphasizing the need to extend palliative care beyond the specialty to be integrated in all settings and by all clinicians caring for the seriously ill, this new edition will continue to serve as the cornerstone of palliative care education.

**Vivian Versus the Apocalypse** - Katie Coyle 2013-09-05

Putting the cult back in cult fiction, this is a darkly witty and sharply questioning debut A chilling vision of a contemporary USA where the sinister Church of America is destroying lives. Our cynical protagonist, sixteen-year-old Vivian Apple, is awaiting the fated 'Rapture' - or rather the lack of it. Her evangelical parents have been in the Church's thrall for too long, and she's looking forward to getting them back. Except that when Vivian arrives home the day after the supposed 'Rapture', her parents are gone. All that is left are two holes in the ceiling... Viv is determined to carry on as normal, but when she starts to suspect that her parents might still be alive, she realises she must uncover the truth. Joined by Peter, a boy claiming to know the real whereabouts of the Church, and Edie, a heavily pregnant Believer who has been 'left behind', they embark on a road trip across America. Encountering freak weather, roving 'Believer' gangs and a strange teenage group calling themselves the 'New Orphans', Viv soon begins to realise that the Rapture was just the beginning.

**The Case for Marriage** - Linda Waite 2002-03-05

A groundbreaking look at marriage, one of the most basic and universal of all human institutions, which reveals the emotional, physical, economic, and sexual benefits that marriage brings to individuals and society as a whole. The Case for Marriage is a critically important intervention in the national debate about the future of family. Based on the authoritative research of family sociologist Linda J. Waite, journalist Maggie Gallagher, and a number of other scholars, this book's findings dramatically contradict the anti-marriage myths that have become the common sense of most Americans. Today a broad consensus holds that marriage is a bad deal for women, that divorce is better for children when parents are unhappy, and that marriage is essentially a private choice, not a public institution. Waite and Gallagher flatly contradict these assumptions, arguing instead that by a broad range of indices, marriage is actually better for you than being single or divorced- physically, materially, and spiritually. They contend that married people live longer, have better health, earn more money, accumulate more wealth, feel more fulfillment in their lives, enjoy more satisfying sexual relationships, and have happier and more successful children than those who remain single, cohabit, or get divorced. The Case for Marriage combines clearheaded analysis, penetrating cultural criticism, and practical advice for strengthening the institution of marriage, and provides clear, essential guidelines for reestablishing marriage as the foundation for a healthy and happy society. "A compelling defense of a sacred union. The Case for Marriage is well written and well argued, empirically rigorous and learned, practical and commonsensical." -- William J. Bennett, author of The Book of Virtues "Makes the absolutely critical point that marriage has been misrepresented and misunderstood." -- The Wall Street Journal [www.broadwaybooks.com](http://www.broadwaybooks.com)

[Honey Roasted](#) - Cleo Coyle 2022-02-01

Clare Cosi is busy as a bee planning her honeymoon when murder buzzes into the Village Blend in this all-new mystery in the beloved New York Times bestselling Coffeehouse series by Cleo Coyle. While struggling to find a romantic (and affordable) destination for her upcoming honeymoon, coffeehouse manager Clare Cosi whips up a sweet new drink made from honey-processed coffee. Clare plans to serve her outstanding new Honey-Cinnamon Latte at her spring wedding to her longtime honey, NYPD detective Mike Quinn. The culinary world is also abuzz about the amazing honey that Clare was lucky enough to source for her shop's new latte. Produced by Madame's old friend "Queen" Bea Hastings, the rare, prize-winning nectar from Bea's rooftop hives commands a premium price, and top chefs compete for a chance to use it in their signature seasonal dishes. One night, a swarm of escaped bees blanket the Village Blend's chimney, and Clare discovers Bea's unconscious body after she seemingly fell from her high-rise rooftop-hive setup. The police want to rule it as a tragic accident or possible attempted suicide, but Clare does not believe either theory. Like Madame, she knows this Queen would never abandon her hive. To sort out this mystery, Clare investigates a world of cutthroat chefs, culinary start-ups, and competitive urban beekeepers. But can she

uncover the truth without getting stung?
