## **A Perfect Playdate** - 2012-10-11

Mama and Baby Zoobles have a fun day planned! In this adorable 8 x 8 storybook, Mama and Baby Zoobles are having a playdate. There are so many exciting things to do: roll down slides, jump in flowerbeds, have a picnic, and much more. But when it's time for a movie, one of the baby Zoobles falls asleep! After a fun-filled day, the mama Zoobles agree to have another playdate soon.

## **The Three-Martini Playdate** - Christie Mellor 2012-05-11

"Lays out a plan for parents to enjoy themselves and not be slaves to their children while still offering their kids a warm, nurturing environment." —Publishers Weekly Parents were here first! How did the kids suddenly take control? Sure the world has changed from the days when children were supposed to be seen and not heard but things have gotten a little out of hand. What about some quality time for the grownups? Author Christie Mellor's hilarious, personal, refreshing, and actually quite useful advice delightfully rights the balance between parent and child. In dozens of short, wickedly funny chapters, she skewers today's parental absurdities and reminds us how to make child-rearing a kick. With recipes, helpful hints, and illustrations, this high-spirited book is the only book parents will really need—and enjoy.

Includes chapters on: Screaming: Is It Necessary? Bedtime: Is Five-Thirty Too Early? Child Labor: Not Just for the Third World! "Children's Music": Why? . . . and much, much more "Harried mothers who have given over their lives to their adorable little angels, beware: This book is the equivalent of a cocktail in the face . . . The book details the glories of saying no to your children, explains when you've gone too far in childproofing your home, laments our over-reliance on camcorders ('a disease') and suggests that the Tooth Fairy is getting robbed. Best of all, there's a recipe for teaching your tot how to mix a simple martini just the way you like it—with lots of alcohol." —Chicago Sun-Times

## **The Playdate** - Louise Millar 2012-07-03

TAKE NOTHING FOR GRANTED. . . . In a quiet London suburb, a group of mothers relies on each other for friendship, favors, and gossip. But some of them shouldn't be trusted, and others have dark secrets. When Callie moved into her new neighborhood, she thought it would be easy to fit in. The other parents have been strangely hostile, though, and her frail daughter Rae is finding it impossible to make friends. Suzy, with her rich husband and her three energetic children, has been the only one to reach out, although their friendship has recently felt inexplicably strained. Now the police have suggested that someone dangerous may be living in their neighborhood, and the atmosphere feels even more toxic. Then there's the matter of Callie's ex-husband, and the shocking truth behind their divorce . . . a truth that she would do anything to hide.

## *The Princess in Black and the Mysterious Playdate* - Shannon Hale 2018-05-08

Noseholes and elephants! A pet-eating monster interrupts a perfect playdate with Princess Sneezewort. . . . But who is that new masked avenger? Princess Magnolia and Princess Sneezewort have plans . . . mysterious plans, like a princess playdate! They dress-up slam! They karaoke jam! But then a shout from outside Princess Sneezewort's castle interrupts their fun. It's a monster! This is a job for the Princess in Black. Yet when the Princess in Black gets there, she finds only a masked stranger and no monster in sight. But all is not as it seems! Action and humor abound in this ode to friendship that proves that when shape-shifting monsters intrude on your plans, two heroes are better than one.

## **Kitchen Playdates** - Lauren Bank Deen 2007-08-09

Filled with 70 delicious recipes, varied menus, and themed activities, "Kitchen Playdates" offers parents a new way to socialize with friends and family without resorting to pizza. This handy cookbook includes "Kids in the Kitchen" notes

with each recipe, providing age-appropriate tasks to keep children busy and safe.

**The North Pole Picnic** - Emma Beswetherick  
2020-10-01

"Guaranteed free of unicorns and princesses, it's fun, empowering fiction for 5-8 year olds." David Nicholls, author of *One Day* "Every young girl should read this series!" Amanda Holden "I love this adventure! It's made me want to save the world, just like Katy, Cassie and Zia!" Annabel, age 6 Join best friends Katy, Cassie and Zia on a series of amazing adventures as they work together to save the planet... Winter has arrived, and the girls decide to cosy up with a picnic in the North Pole. But to their surprise the Arctic Queen gives them a frosty reception. Before they can enjoy snowflake-shaped sandwiches and mountains of ice cream, they must first understand how important it is to protect the polar animals' habitat. But can they figure out how to stop the North Pole from melting?

[A Playdate With Death](#) - Ayelet Waldman  
2003-07-01

Smart, witty mystery from the author of *Bad Mother* and *Love and Treasure*... Public defender turned stay-at-home mom Juliet Applebaum is a "smart and fearless" (Sue Grafton) sleuth whose previous adventures have been praised as "compelling" (Publishers Weekly) and "entertaining" (Booklist). In *A Playdate with Death*, she's back in top form—taming tantrums, battling boredom, chasing clues... No one ever said motherhood was a walk in the park, but Juliet Applebaum is doing her best. She's been showing up (more or less) on time to pick up her daughter from preschool. She's trying (in vain) to discourage her two-and-a-half-year-old son's interest in firearms. And in between planning playdates and playing dress up, she's even managed to fit in some much-needed kid-free time, working out with a personal trainer at the local health club. It's going well. She's losing weight. She's even happy—until her trainer commits suicide. A charming, cheerful aspiring actor, Bobby Katz seemed to have it all—and Juliet just can't believe he died at his own hand. She suspects that there's a much more sinister explanation—and that it may lie with Bobby's parents, who never told him he was adopted. Or with his grieving fiancée, a recovering addict who just fell off the wagon. Or with his birth

mother, a woman he had recently started to look for—who had gone to great lengths to ensure that she would never be found. Always up for a task that will get her out of the house, Juliet keeps running down secrets—until, at last, she runs into the truth... Ayelet Waldman is the author of *Love and Other Impossible Pursuits*, *Red Hook Road*, *Daughter's Keeper*, and other acclaimed works, as well as the *Mommy-Track Mysteries*, including such titles as *The Big Nap* and *Death Gets a Time-Out*.

**Playdate** - Alex Dahl 2021-04

Have you seen Lucia Blix? Lucia went home from school for a playdate with her new friend Josie. Later that evening, her mother Elisa dropped off her overnight things and shared a glass of wine with Josie's mother. Then she kissed her little girl goodnight and drove home. That was the last time she saw her daughter. The next morning, the house was empty. No furniture, no family, no Lucia...

*The Playdate* - Victoria Jenkins 2021-05-21

Arranging the playdate was easy. Child's play. Preparing the house was more difficult. It was only now she realised how many photographs there were: the picture-perfect unit. Wife, husband, child. All of it a lie. I made a new friend at playgroup today. She's different from the other mothers. She feels like someone I can trust. Someone I can confide in. But there are some things I can't tell her. Things I can't tell anyone. Because I have a secret that no one else knows. One that still haunts my dreams, wakes me up in a cold sweat at night. Even another mother would never understand. Unless, of course, she's hiding something too... From the bestselling author of *The Argument*, this utterly addictive psychological thriller will have you hooked from the first page to the final, mind-blowing twist. Fans of *Friend Request*, *The Silent Patient* and *The Girl on the Train* won't be able to put this down. Readers are loving *The Playdate*: 'OMG!!... Brilliant!... makes your heart skip a beat... will have the hairs on your head standing... OH BOY... This ending is explosive and will simply leave you breathless and gasping... This is a MUST READ!' *The Secret Book Sleuth*, 5 stars 'Fantastic, excellent... incredible... I could not put this one down for the life of me... loved, loved, loved this book... Wow, what a roller coaster ride of an ending that was.

There were so many twists and turns that I never knew whether I was turning left or turning right. I love it when a book shocks the pants off of me... I would highly recommend this to a friend and would shout it from any roof top.' Goodreads reviewer, 5 stars 'I loved this mind blowing, impulsive, crazy book! The ending will blow your mind!' @oh.happy.reading 'Simply WOW... just jaw-dropping... hooked till the end... a brilliant and compelling read.' NetGalley reviewer, 5 stars 'Excellent... keeps you on your toes... keeps you gripped until the end!' @theinsomniacbookclub, 5 stars 'Difficult to put down... I never would have seen that ending coming... absolutely brilliant... I definitely will be adding Victoria Jenkins to my list for go to authors. I just wish I could give it more than five stars.' Goodreads reviewer, 5 stars

**Buddy's Playdate** - Grosset & Dunlap

2012-01-05

When Buddy's T. rex friend Annie comes over for a playdate, his sister, Tiny, gets jealous. Can buddy and Annie help Tiny feel included? This sweet storybook based on the hit PBS KIDS show features full-color art and is perfect for read-aloud fun!

*The Playdate* - Tamara R. Mose 2016-03-29

"Drawing in her experience as a parent and a sociologist, Mose shows how some parents include and exclude families through their children's playdate experience, thereby aligning themselves with like-minded parents who may further the social and life chances of their young children and themselves. She also shows how the playdate can help new parents sort through their new lives and responsibilities from breast feeding to caring for an infant who cannot actively interact through play, lays bare the logistics of organizing a play"--From publisher description.

**Carefree Clothes for Girls** - Junko Okawa 2009

Full of unhemmed edges, ruffles, buttons, and personality, the garments presented in this book offer whimsical charm and practical playfulness. Intended for girls ages four to seven, each garment is presented in four sizes so readers can find the perfect fit for their own little girl. Full-color photos throughout.

*Playdate with Cody* - Tina Gallo 2022-08-30

"JJ and his friend Cody are having their first playdate! Join them as they color, ride bikes,

learn how to share toys, and more!"--

**Virtual Playdate** - Jordana Landsman

2020-07-23

A fall-down spit-out funny book for kids stuck at home during COVID. Have you got a kid who hates Zoom classes and loves poop jokes? Are you a parent stuck inside with school-aged kids, feeling anything but safer at home, wondering about the long-term effects of letting your kid play video games for a solid year? You're in the right place. There's nothing funny about the worldwide COVID 19 pandemic, but kids stuck at home indefinitely, ruling the roost and filling their days? Hilarious. This collection from the award-winning author of *Mommy Your Name is Poo Poo* and *Mommy Haiku'd All Over the Baby* showcases the kid side of quarantine. The schools may be closed, but kids' eyes and mouths are wide open. So pause their devices and toss them *Virtual Playdate* for a good old-fashioned analog laugh with content that's relatable, timely, and only a little bit gross.

*Anytime Playdate* - Dade Hayes 2008-05-06

In this eye-opening book, the first to investigate the explosion of the multibillion-dollar preschool entertainment business and its effects on families, Dade Hayes -- an entertainment expert, author, and concerned father -- lifts the veil on the closely guarded process of marketing to the ultra-young and their parents. Like many parents, Dade Hayes grabbed "me time" by plopping his daughter in front of the TV, relaxing while Margot delighted in the sights and sounds of Barney and the Teletubbies. But when Margot got hooked, screaming whenever the TV was turned off, Hayes set out to explore the vast universe of this industry in which preschoolers devour \$21 billion worth of entertainment. Going behind the scenes to talk with executives, writers, and marketers who see the value of educational TV, Hayes finds compelling research that watching TV may raise IQs and increase vocabularies. On the other side, he brings in the voices of pediatricians and child psychologists who warn against "babysitter TV" and ask whether "TV trance" is healthy -- in spite of the relaxation that the lull affords exhausted parents -- as recent studies link early television viewing with obesity, attention and cognitive problems, and violence. Along the way, Hayes narrates the fascinating evolution of Nickelodeon's bilingual

preschool gamble, Ni Hao, Kai-lan, from an art student's Internet doodles to its final product: an educationally fortified, Dora-inflected, test audience-approved television show. At the show's debut, jittery experts hold their breath as the tweaked and researched Kai-lan faces Mr. Potato Head in the battle for a three-year-old's attention. Anytime Playdate reveals the marketing science of capturing a toddler's attention, examining whether Baby Einstein and its ilk will make babies smarter, or if, conversely, television makes babies passive and uncritical, their imaginations colonized by marketing schemes before they even speak. It tells us why the raucous Dora the Explorer has usurped Blues Clues for preschool primacy, why the Brit hit *In the Night Garden* won't follow *Teletubbies* into American tot stardom, and why the comparatively quiet and wholesome *Sesame Street* has reigned for decades. Hayes vividly portrays the educators, psychologists, executives, parents, and, lest we forget, kids who have shaped the history of children's television, uncovering the tensions between the many personalities, the creative foment that combines story, music, and message in this medium to produce today's almost dizzying array of products and choices. In the end, Hayes gives readers a provocative but balanced portrait of an age in technological transition, and shows that what's at stake in the "Rattle Battle" is nothing less than the character of the next generation.

**Giant Chestnut** - Emma Beswetherick

2021-10-12

"Guaranteed free of unicorns and princesses, it's fun, empowering fiction for 5-8 year olds." David Nicholls, author of *One Day* "Every young girl should read this series!" Amanda Holden Join best friends Katy, Cassie, and Zia on a series of amazing adventures as they work together to save the planet... The friends' latest adventure takes them to an enchanted forest where they set out in search of the biggest horse chestnut in the world. But all is not as it seems. The trees around them are dying—and where are the animals? As they try to work out a way to help, the girls discover how vital trees are to all life on Earth.

**Zara's Big Messy Playdate** - Rebekah Borucki

2022-06-07

Getting along can be tough, even with friends.

So what happens when you have to get along with the playground bully? When working on a project together lands Zara and Penelope in a big messy argument, help shows up just in time. Written by Rebekah Borucki, a mother-of-five and bestselling author, *Zara's Big Messy Playdate* offers young readers a method for handling tricky situations and expressing themselves in safe, effective ways. This is the third book in the "Big Messy" book series, which features *Zara's Big Messy Day*, a book about mindfulness that is used in public elementary school curriculum nationwide. Included is a guide for parents, teachers, and caregivers by Alexandra Jamieson and Bob Gower, authors of *Radical Alignment* and creator of the All-In Method, a communications framework that allows organizations, teams, couples, families and more share their thoughts and reach a common ground before conflict escalates, so everyone can move forward effectively with alignment and trust. Get free gifts: You'll also get free access to downloadable coloring pages, an exclusive guided meditation for kids, and more! Just use the website link found inside the book to download your exclusive gifts. Praise for *Zara's Big Messy Playdate*: "Zara beautifully offers mindfulness for kids and adults alike." — Rachel Ricketts, activist and author of *Do Better* "Friends, I cannot recommend these books enough. Get *Zara* for you, your kids, your nieces, your nephews... They're just so beautiful!" — Jennifer Pastiloff, author of the National Bestseller, *On Being Human*

**The Playdate** - Tamara R. Mose 2016-03-29

A playdate is an organized meeting where parents come together with their children at a public or private location to interact socially or "play." Children no longer simply "go out and play," rather, play is arranged, scheduled, and parentally-approved and supervised. How do these playdates happen? Who gets asked and who doesn't? What is acceptable play behavior? In *The Playdate*, Tamara R. Mose focuses on the parents of young children in New York City to explore how the shift from spontaneous and child-directed play to managed and adult-arranged playdates reveals the structures of modern parenting and the new realities of childhood. Mose argues that with the rise of moral panics surrounding child abuse,

Downloaded from  
[legacy.opendemocracy.net](http://legacy.opendemocracy.net) on 2023-08-11  
by guest

pedophilia, and fears about safety in the city, as well as helicopter parenting, and over-scheduling, the playdate has emerged as not just a necessity in terms of security and scheduling, but as the very hallmark of good parenting. Based on interviews with parents, teachers, childcare directors, and nannies from Brooklyn, Manhattan, Queens, and Long Island, the book provides a first-hand account of the strategies used by middle-class parents of young children to navigate social relationships—their own and those of their children. Mose shows how parents use playdates to improve their own experiences of raising children in New York City while at the same time carefully managing and ensuring their own social and cultural capital. Mose illustrates how the organization of playdates influences parents' work lives, friendships, and public childrearing performances, and demonstrates how this may potentially influence the social development of both children and parents. Ultimately, this captivating and well-researched book shows that the playdate is

much more than just “child’s play.” Tamara Mose on The Brian Lehrer Show

**Playdate** - Maryann Macdonald 2021-04

A perfect playdate, to read again and again.

The Wishing Star - Emma Beswetherick  
2020-04-02

“Guaranteed free of unicorns and princesses, it’s fun, empowering fiction for 5-8 year olds.” David Nicholls, author of One Day “Every young girl should read this series!” Amanda Holden “I loved the meaning of this book - we should all do more to save our world.” Florence, age 7 Join best friends Katy, Cassie and Zia on a series of amazing adventures as they work together to save the planet... Katy, Cassie and Zia find themselves transported into outer space when their rocket made out of recycled waste magically becomes life-sized. With the help of Katy’s cat Thunder, the girls navigate their way to the Wishing Star. But as they prepare to make their wishes, the friends see the destruction happening back home and realise they have a greater mission: TO SAVE PLANET EARTH.
