

Postgender Gender Sexuality And Performativity In Japanese Culture

Manners and Mischief - Jan Bardsley

2011-04-21

"Manners and Mischief is a cohesive, stimulating volume. Reading these essays and the editors' enlightening introduction was a joy: I learned a great deal, smiled and laughed with uncommon regularity, and marveled at the quality of this remarkable collection." -William M. Tsutsui, author of *Godzilla on My Mind* "This book is full of fascinating insights. Well-written and often witty, it captures a detailed snapshot of Japanese society in the early 21st century. I would say this is the most insightful book on modern Japan I have read in years." -Liza Dalby, anthropologist

and novelist

PostGender - Ayelet Zohar 2005

Perversion and Modern Japan - Nina Cornyetz
2010-01-21

Perversion and modern Japan focuses on the psychoanalytic approach to the study of modern Japan. Using a wide range of psychoanalytic approaches the contributors to this book have brought together chapters on everything from the Ajase complex to underpants, from fascist modernism in literature to internet-based suicide pacts.

Gender in Japanese Popular Culture - Sirpa

Salenius 2023-04-24

This open-access essay collection brings together a range of viewpoints on gender from a diverse group of international scholars based in Finland, Belgium, Japan, Singapore, and Australia. The focus is, in particular, on gender performativity and non-binary or non-normative gender. The essays examine the ways in which gender can be depicted, perceived, and understood in Japanese popular culture. The work will be of interest to scholars working in gender studies, Asian studies, and popular culture. It will also act as a source text for higher education courses in Asia, Europe, and the United States.

[The Aesthetic Clinic](#) - Fernanda Negrete

2020-10-01

In *The Aesthetic Clinic*, Fernanda Negrete brings together contemporary women writers and artists well known for their formal experimentation—Louise Bourgeois, Sophie Calle, Lygia Clark, Marguerite Duras, Roni Horn,

and Clarice Lispector—to argue that the aesthetic experiences afforded by their work are underwritten by a tenacious and uniquely feminine ethics of desire. To elaborate this ethics, Negrete looks to notions of sublimation and feminine sexuality developed by Freud, Baudelaire, Mallarmé, and Nietzsche, and their reinvention with and after Jacques Lacan, including in the schizoanalysis of Gilles Deleuze and Félix Guattari. But she also highlights how psychoanalytic theory draws on writing and other creative practices to conceive of unconscious processes and the transformation sought through analysis. Thus, the "aesthetic clinic" of the book's title (a term Negrete adopts from Deleuze) is not an applied psychoanalysis or schizoanalysis. Rather, *The Aesthetic Clinic* privileges the call and constraints issued by each woman's individual work. Engaging an artwork here is less about retrieving a hidden meaning through interpretation than about receiving a precise transmission of sensation, a *jouissance*

irreducible to meaning. Not only do art and literature serve an urgent clinical function in Negrete's reading but sublimation itself requires an embrace of femininity.

Mothers at the Margins - Jenny Jones 2015-06-18

In the last two decades, maternal scholarship has grown exponentially. Despite this, however, there are still numerous areas which remain under-researched, one of which is the experiences of marginalised mothers. Far from being a sentimental, feel-good account of mothering, this collection speaks with the voices of mothers through the application of a matricentric lens. In particular, it speaks with the voices of those mothers who feel alienated or stigmatised; mothers who have been rendered ...

[The Rise and Fall of Modern Japanese Literature](#)

- John Whittier Treat 2018-04-03

The Rise and Fall of Modern Japanese Literature tells the story of Japanese literature from its start in the 1870s against the backdrop of a rapidly coalescing modern nation to the present.

John Whittier Treat takes up both canonical and forgotten works, the non-literary as well as the literary, and pays special attention to the Japanese state's hand in shaping literature throughout the country's nineteenth-century industrialization, a half-century of empire and war, its post-1945 reconstruction, and the challenges of the twenty-first century to modern nationhood. Beginning with journalistic accounts of female criminals in the aftermath of the Meiji civil war, Treat moves on to explore how woman novelist Higuchi Ichiyō's stories engaged with modern liberal economics, sex work, and marriage; credits Natsume Sōseki's satire *I Am a Cat* with the triumph of print over orality in the early twentieth century; and links narcissism in the visual arts with that of the Japanese I-novel on the eve of the country's turn to militarism in the 1930s. From imperialism to Americanization and the new media of television and manga, from boogie-woogie music to Yoshimoto Banana and Murakami Haruki, Treat traces the stories

Japanese audiences expected literature to tell and those they did not. The book concludes with a classic of Japanese science fiction a description of present-day crises writers face in a Japan hobbled by a changing economy and unprecedented natural and manmade catastrophes. The Rise and Fall of Japanese Literature reinterprets the “end of literature”—a phrase heard often in Japan—as a clarion call to understand how literary culture worldwide now teeters on a historic precipice, one at which Japan’s writers may have arrived just a moment before the rest of us.

Gender and Sexuality in Modern Japan - Sabine Frühstück 2022-03-31

A lively, accessible survey of genders and sexualities in modern Japanese history from the 1860s to the present.

Feminist Writings from Ancient Times to the Modern World [2 volumes] - Tiffany K. Wayne 2011-10-17

Collecting more than 200 sources in the global

history of feminism, this anthology supplies an insightful record of the resistance to patriarchy throughout human history and around the world. From writings by Enheduana in ancient Mesopotamia (2350 BCE) to the present-day manifesto of the Association of Women for Action and Research in Singapore, *Feminist Writings from Ancient Times to the Modern World: A Global Sourcebook and History* excerpts more than 200 feminist primary source documents from Africa to the Americas to Australia. Serving to depict "feminism" as much broader—and older—than simply the modern struggle for political rights and equality, this two-volume work provides a more comprehensive and varied record of women's resistance cross-culturally and throughout history. The author's goal is to showcase a wide range of writers, thinkers, and organizations in order to document how resistance to patriarchy has been at the center of social, political, and intellectual history since the infancy of human

Postgender Gender Sexuality And Performativity In Japanese Culture

civilization. This work addresses feminist ideas expressed privately through poetry, letters, and autobiographies, as well as the public and political aspects of women's rights movements.

PostGender - Ayelet Zohar 2009-07

Postgender: Gender, Sexuality and Performativity in Japanese Culture is a collection of articles by leading researchers in the fields of gender studies, visual culture and performance studies in Japan. Articles in this volume discuss fundamental issues in relation to the body, sexuality, gender, and their respective representations in the visual field. The volume contains texts considering gender and temporality in Takashi Murakami's superflat dimension; gender issues in relation to male pregnancy, motherhood and the family as represented in Hiroko Okada, Mako Idemitsu, Miwako Ishiuchi and Yasumasa Morimura's works; sexual identity of the otaku, and sexual representations in manga and anime; sexual organ depictions in the contemporary Japanese

art and photography of Yayoi Kusama, Ryudai Takano, Yurie Nagashima, Hiroshi Sugimoto and Makoto Saito's advertisements; literary representations of hermaphrodites in Tokuda Shusei's Arakure and fictional genders in Kachikujin Yapû; the history of prostitution and Bubu de la Madeliene and Yoshiko Shimada's performance art; a Buddhist reading of Yoko Ono's Cut Piece; gender passing and masquerade in Kazuo Ohno and Tatsumi Hijikata's Butoh; and gender issues in Duras / Rennais' Hiroshima mon amour. The contributors include leading researchers and curators such as Jennifer Robertson, Michiko Kasahara, Tamaki Saito, IMi Isaka, Bracha Ettinger and others.

Japan's Multilayered Democracy - Sigal Ben-Rafael Galanti 2014-12-24

This book unveils the layers of Japan's democracy, and the essays suggest a widening of disciplinary perspectives. The editors employ an assortment of disciplines—history, anthropology, sociology, political science, law, and cultural studies—to explore the complex interrelationships between history, institutions, and sociocultural practices.

The Visual Culture of Meiji Japan - Ayelet Zohar
2021-11-29

This volume examines the visual culture of Japan's transition to modernity, from 1868 to the first decades of the twentieth century. Through this important moment in Japanese history, contributors reflect on Japan's transcultural artistic imagination vis-a-vis the discernment, negotiation, assimilation, and assemblage of diverse aesthetic concepts and visual pursuits.

The collected chapters show how new cultural notions were partially modified and integrated to become the artistic methods of modern Japan, based on the hybridization of major ideologies, visualities, technologies, productions, formulations, and modes of representation. The book presents case studies of creative transformation demonstrating how new concepts and methods were perceived and altered to match views and theories prevalent in Meiji Japan, and by what means different practitioners negotiated between their existing skills and the knowledge generated from incoming ideas to create innovative modes of practice and representation that reflected the specificity of modern Japanese artistic circumstances. The book will be of interest to scholars working in art history, Japanese studies, Asian studies, and Japanese history, as well as those who use approaches and methods related to globalization, cross-cultural studies, transcultural exchange, and interdisciplinary

studies.

Forms of the Body in Contemporary Japanese Society, Literature, and Culture -

Irina Holca 2020-05-21

This collection brings together fifteen chapters written by scholars specializing in disciplines ranging from anthropology and sociology to literature, film, and performance studies. These scholars analyze complex questions about how the body is lived and imagined as a locus of meaning-making in contemporary Japan. Exploring such topics as mind-body dualism, aging and illness, spirit possession, beauty, performance, and gender, this collection addresses the wide array of socio-cultural and literary contexts in which the body is interpreted in Japanese culture and thought.

New Books on Women, Gender and Feminism -

2013

Onnagata - Maki Isaka 2016-04-05

Kabuki is well known for its exaggerated acting, flamboyant costumes and makeup, and unnatural storylines. The onnagata, usually male actors who perform the roles of women, have been an important aspect of kabuki since its beginnings in the 17th century. In a “labyrinth” of gendering, the practice of men playing women’s roles has affected the manifestations of femininity in Japanese society. In this case study of how gender has been defined and redefined through the centuries, Maki Isaka examines how the onnagata’s theatrical gender “impersonation” has shaped the concept and mechanisms of femininity and gender construction in Japan. The implications of the study go well beyond disciplinary and geographic cloisters.
