

Queer Intentions Bisexual Erotica

A Companion to Lesbian, Gay, Bisexual, Transgender, and Queer Studies - George E. Haggerty 2015-06-29
A Companion to Lesbian, Gay, Bisexual, Transgender, and Queer Studies is the first single volume survey of current discussions taking place in this rapidly developing area of study. Recognizing the multidisciplinary nature of the field, the editors gather new essays by an international team of established and emerging scholars Addresses the politics, economics, history, and cultural impact of sexuality Engages the future of queer studies by asking what sexuality stands for, what work it does, and how it continues to structure discussions in various academic disciplines as well as contemporary politics

Sufficiently Advanced Magic - Andrew Rowe 2017-04-23

Five years ago, Corin Cadence's brother entered the Serpent Spire -- a colossal tower with ever-shifting rooms, traps, and monsters. Those who survive the spire's trials return home with an attunement: a mark granting the bearer magical powers. According to legend, those few who reach the top of the tower will be granted a boon by the spire's goddess. He never returned. Now, it's Corin's turn. He's headed to the top floor, on a mission to meet the goddess. If he can survive the trials, Corin will earn an attunement, but that won't be sufficient to survive the dangers on the upper levels. For that, he's going to need training, allies, and a lot of ingenuity. The journey won't be easy, but Corin won't stop until he gets his brother back.

Bisexual Perspectives on the Life and Work of Alfred C. Kinsey - Ron Suresha 2016-02-22

The books commonly known as the Kinsey Report were Dr Alfred C. Kinsey's monumental scientific publishing achievement in 1948, often compared to the atomic bomb for its impact on the American public. On the sexagennial anniversary of the publication of *Sexual Behavior in the Human Male*, this book focuses on Alfred C. Kinsey's work and life. Sixteen chapters consider the Kinsey legacy, tracing the development of modern American bisexuality, and posing an intriguing and illuminating look at many aspects of bisexuality in Kinsey's life as depicted and lived in popular biographical culture and media. Contributors to this stellar collection of outstanding writing include the final surviving member of Kinsey's original research team, Dr Paul H. Gebhard, PhD, as well as leading names in the fields of sex research, GLBTIQA activism, and bisexual writing. This book was published as a special issue of the *Journal of Bisexuality* and was a Finalist for the Lambda Literary Award for Excellence in Bisexual Literature.

The Charm Offensive - Alison Cochrun 2021-09-07

A MOST ANTICIPATED ROM-COM SELECTED BY * BUZZFEED * LGBTQ READS * BUSTLE * THE NERD DAILY * ENTERTAINMENT TONIGHT * FROLIC MEDIA * AND MORE! A BEST BOOK PICK BY * HARPER'S BAZAAR * ENTERTAINMENT WEEKLY "The Charm Offensive will sweep you off your feet." —PopSugar
In this witty and heartwarming romantic comedy—reminiscent of *Red, White & Royal Blue* and *One to Watch*—an awkward tech wunderkind on a reality dating show goes off-script when sparks fly with his producer. Dev Deshpande has always believed in fairy tales. So it's no wonder then that he's spent his career crafting them on the long-running reality dating show *Ever After*. As the most successful producer in the franchise's history, Dev always scripts the perfect love story for his contestants, even as his own love life crashes and burns. But then the show casts disgraced tech wunderkind Charlie Winshaw as its star. Charlie is far from the romantic Prince Charming *Ever After* expects. He doesn't believe in true love, and only agreed to the show as a last-ditch effort to rehabilitate his image. In front of the cameras, he's a stiff, anxious mess with no idea how to date twenty women on national television. Behind the scenes, he's cold, awkward, and emotionally closed-off. As Dev fights to get Charlie to connect with the contestants on a whirlwind, worldwide tour, they begin to open up to each other, and Charlie realizes he has better chemistry with Dev than with any of his female co-stars. But even reality TV has a script, and in order to find to happily ever after, they'll have to reconsider whose love story gets told.

Just Like That - Cole McCade 2020-06-30

An alumnus of an elite boys academy works under his intimidating former teacher in this sexy gay romance

by the author of the *Criminal Intentions* series. Summer Hemlock never meant to come back to Omen, Massachusetts . . . But with his mother in need of help, Summer has no choice but to return to his hometown, take up a teaching residency at the elite Albin Academy—and work directly under the man who made his teenage years miserable. Professor Fox Iseya. Forbidding, aloof, commanding: psychology instructor Iseya is a cipher who's always fascinated and intimidated shy, anxious Summer. But that fascination turns into something more when the older man challenges Summer to be brave. What starts as a daily game to reward Summer with a kiss for every obstacle overcome turns passionate, and a professional relationship turns quickly personal. Yet Iseya's walls of grief may be too high for someone like Summer to climb . . . until Summer's infectious warmth shows Fox everything he's been missing in life. Now both men must be brave enough to trust each other, to take that leap. To find the love they've always needed . . . Just like that. Praise for *Just Like That* "The romantic longing, themes of bravery and confidence, and moments of cozy domesticity shine in this May-December romance." —Publishers Weekly "The growing intensity of the emotional connection between them is described in prose that is both lyrical and beautiful, and made those emotions leap off the page and get under my skin in a way that doesn't happen very often." —All About Romance

A Woman Like That - Joan Larkin 2009-10-13

The act of "coming out" has the power to transform every aspect of a woman's life: family, friendships, career, sexuality, spirituality. An essential element of self-realization, it is the unabashed acceptance of one's "outlaw" standing in a predominantly heterosexual world. These accounts -- sometimes heart-wrenching, often exhilarating -- encompass a wide breadth of backgrounds and experiences. From a teenager institutionalized for her passion for women to the mother who must come out to her young sons at the risk of losing them -- from the cautious academic to the raucous liberated femme -- each woman represented here tells of forging a unique path toward the difficult but emancipating recognition of herself. Extending from the 1940s to the present day, these intensely personal stories in turn reflect a unique history of the changing social mores that affected each woman's ability to determine the shape of her own life. Together they form an ornate tapestry of lesbian and bisexual experience in the United States over the past half-century.

Other, Please Specify - D'Lane Compton 2018-07-31

This provocative collection showcases the work of emerging and established sociologists in the fields of sexuality and gender studies as they reflect on what it means to develop, practice, and teach queer methods. Located within the critical conversation about the possibilities and challenges of utilizing insights from humanistic queer epistemologies in social scientific research, *Other, Please Specify* presents to a new generation of researchers an array of experiences, insights, and approaches, revealing the power of investigations of the social world. With contributions from sociologists who have helped define queer studies and who use a range of interpretative and statistical methods, this volume offers methodological advice and practical strategies in research design and execution, all with the intent of getting queer research off the ground and building a collaborative community within this emerging subfield.

Abuses of the Erotic - Josh Cerretti 2019-07

Events ranging from sexual abuse at Abu Ghraib to the end of "Don't Ask, Don't Tell" hint that important issues surrounding gender and sexuality remain at the core of political and cultural problems. Nonetheless, intersectional analyses of militarism that account for questions of race, class, and gender remain exceedingly rare. *Abuses of the Erotic* fills this gap by offering a comprehensive picture of how military values have permeated the civilian cultural sphere and by investigating connections between sexuality and militarism in the United States since the late 1980s. Josh Cerretti takes up the urgent task of applying an interdisciplinary, transnational framework to the role of sexuality in promoting, expanding, and sustaining

the war on terror to understand the links between what Cerretti calls “domestic militarism” and later projects of state-backed violence and intervention. This work brings together scholarship on domestic and international militarization in relation to both homosexuality and heterosexuality to demonstrate how sexual and gender politics have been deployed to bolster U.S. military policies and, by tracking over a decade of militarized sexuality, how these instances have foundationally changed how we think of sexual and gender politics today.

Backdoor Busters - Dominick Cummings 2012-11-30

“Backdoor Busters: Bi-Curious + Gay Erotica,” Dominick Cummings combines his stories from “100% Naturally Uncut Latin Studs”, “Riding Rudolph & Other Gay Holiday Erotica,” and “12/12/12: Mandatory Man Sex Day” into one down low, bi-curious volume about men looking to explore some hot uninhibited man-on-man action....some for the very first time! Stories Include: “Eric”- A self-proclaimed power top, Eric, has never EVER been a bottom and has no intention of being one for any man. But when a strip club owner corners him in the office and shows Eric his garden hose length manhood, Eric begins to wonder if this vacation could really end with what had been the unthinkable...him being made into a moaning, begging bottom! “Riding Rudolph”- Will has long lusted after the handsome, older, married IT expert in his office named Rudolph. As the holidays grow near, Will is shocked to find out that Rudolph, or Rudy as he likes to be called, has recently left his wife. Dare Will hope that Rudy's boners are a little bi-curious? When Will finds a hotel key on his desk that he traces back to Rudy, will he decide to be naughty or nice this holiday? “12/12/12: Mandatory Man Sex Day”- A white college-aged gay twink, Kirk, fantasizes about being with Oscar, the very straight studly African-American basketball player he shares a dorm suite with at school. When a psychic predicts for him that on the special date of 12/12/12 man sex will be mandatory, Kirk wonders if his dream of having Oscar...inside him...will actually come true!

Call Girl: An Erotic Adventure (Lesbian Bisexual Menage Erotica) - Victoria Rush 2021-05-11

Enjoy this toe-curling lesbian erotica series by acclaimed romance author Victoria Rush... When Jade picks up a guy in a bar and they go to her hotel room, she's shocked when he leaves a few hundred dollars on her nightstand. At first, she's outraged that he thought she was a hooker, but then she begins to wonder. If it was that easy to make some extra spending money having sex with hot guys, how far could she take this? On a lark, she places an ad in an underground newspaper, then goes back to the same bar the following night. A mysterious older gentleman offers to buy her a drink, but she plays hard to get, unsure at first of his intentions. But when he invites her up to his room, she's surprised at his lovemaking skills and even more shocked when he slips her a crisp G-note. Emboldened to try this experiment a little longer, the next night she attracts the attention of a handsome couple watching from the corner of the room. When the man approaches her and asks if she'd like to join the two of them upstairs, she accepts his offer and enjoys a wild, three-way romp, after which the man pays her \$2,000. Wondering what the upper limit might be for her services, she decides to try it one more night. This time she's approached by a beautiful dark-haired woman in a business suit, but when Jade makes it clear she'll need a little extra enticement to go to bed with her, she's escorted upstairs to the woman's room. After a long night of passion, the woman leaves some money on her table and when Jade leans over to pick it up, the woman suddenly flashes a badge... Jade's Erotic Adventures: Jade's Erotic Adventures is a series of stories following the adventures of recent divorcée Jade, who embarks on a journey of sexual reawakening when her passionless marriage dissolves. Looking to expand her sexual horizons, she experiences one exciting escapade after another with a bevy of new (male, female, and transgender) partners. Each story is a standalone book that can be read in any order. Keywords: erotica, lesbian erotica, bisexual erotica, straight erotica, voyeur erotica, taboo erotica, lesbian fiction, lesbian erotic fiction, bisexual erotic fiction, erotica series, erotica, lgbt books, lgbt fiction, lgbt erotica, lgbt erotic fiction

Queer Studies - Brett Beemyn 1996-07

An anthology of expanded versions of papers presented at a November 1994 conference held the University of Iowa, with sections on issues of identity and queer theory in practice. Essays are distinguished by their accessibility to undergraduates and non-academic readers, and cover areas that have often been marginalized by queer studies in the past, such as race, transgender, bisexuality, and s/m. Subjects include recontextualizing butch in 20th-century lesbian culture, and scientific racism and the invention of the

homosexual body. Annotation copyright by Book News, Inc., Portland, OR

No, Wait... You Do Look Gay! - Jenn T. Grace 2014-07-11

Want to make a fool of yourself in your business? If yes, raise your hand! Hmm. Of course there are no hands raised because no one wants to intentionally look foolish. So why take a chance and look clueless in your lesbian, gay, bisexual, and transgender (LGBT) marketing efforts? There are 7 detrimental mistakes that are preventing you from selling to the \$830 billion LGBT community, all of which are avoidable if you know what to watch for. Very few people get up in the morning wondering who they can offend throughout their day. Yet many people are doing so with prospective LGBT customers, and they simply don't realize it. This book teaches you how not to be that person. Arm yourself with the best sales and marketing information focused specifically on the LGBT community, so you can turn your worry into a flurry of business activity and increased sales. This book will show you exactly which offensive phrases, expressions and questions to avoid in order to maximize your sales outreach. Introduction: The primary objective of this book is to help you better understand who the lesbian, gay, bisexual, and transgender (LGBT) community is and how to effectively communicate to people within it. I encourage you to use the materials in this book as your beginners guide to appropriately communicating within the LGBT community. I share anecdotes, personal stories and tips I've learned along the way in my 8 years of working with the LGBT community. The intention of this book is to provide you with the correct approach to doing business with the LGBT community. You will see many recurring themes throughout, such as how important it is for you to understand why the community is important to you and how you can parlay that knowledge into your marketing messages; being able to admit when you've said something inappropriate, apologize for it and move on; and finally, if you are going to do this, you must be authentic and transparent. All of the money in the world will not buy you the trust of the LGBT community, which is the key ingredient to a successful marketing outreach plan. Whether you are a business owner who is an ally to the community or you are LGBT yourself, you will find something of value in this book. The stories, advice and guidance within this book stem from personal experience and one-on-one interactions I've had with people over the last 8 years, many of whom would likely be your target audience. There is no one-size-fits-all approach when it comes to the LGBT community, which you will quickly learn. Because of this, you may find different avenues to success in your business. If you do, hurray! I hope you'll consider sharing your success stories with me by e-mailing me at jenn@jenntgrace.com. I do this work for you, so I truly hope you enjoy this book. Happy reading! Testimonials "In perfectly clear and understandable words, Jenn provides invaluable advice for anyone seeking to successfully reach the LGBT market. She stresses the need for authenticity in tone and intent from her reader, but she always does it with care and a touch of humor. This is literally "LGBT GPS" for any serious, committed marketer." - Lynn Taylor, President/CEO, Keiler Advertising "You'll want to read this engaging book more than once. Through her personal insight and professional expertise, Jenn has taken the mystery out of the LGBT market for anyone looking to increase sales. Jenn shows compassion and understanding for the reader, while expecting nothing less in return for the LGBT community." - Mary Fischer, Financial Advisor

Bisexuality and Transgenderism - Fritz Klein 2012-12-06

Explore the common ground—and the important differences—between bisexuality and transgenderism! This book, guaranteed to provoke debate and discussion of sexuality and gender, is the first devoted exclusively to the relationship between transgenderism and bisexuality. Combining the work of scholars and activists, professional writers and lay people, *Bisexuality and Transgenderism: InterSEXions of the Others* presents ideas, thoughts, feelings, and insights from a variety of contributors who are committed to understanding—and deepening our understanding of—gender and sexuality. You'll find scholarly essays, narratives, poetry, and a revealing interview with four male-to-female transsexuals, two of whom are married to women who also participate in the discussion. In addition, the book includes insightful chapters by well-known advocates of transgenderism, including Jamison “James” Green, Coralee Drechsler, and Matthew Kailey. The editors of *Bisexuality and Transgenderism: InterSEXions of the Others* make the provocative but crucial claim that the larger queer community looks at “B” and “T” lives as mere “add-ons” to “L” and “G.” In this book they focus attention on bisexuality and transgenderism—moving the “margins” to center stage and exploring how sexuality, gender, desire, and intimacy are constructed and circulate in

our society. The book's inclusion of voices and scholarship from Eastern cultures challenges our understanding of sexuality and gender constructions all the more, giving this collection a global scope. Here is a sample of what *Bisexuality and Transgenderism: InterSEXions of the Others* examines: biphobia and transphobia within the United States' gay and lesbian community the bi/trans and subversive aspects of the works and images of cultural icons Angelina Jolie and Sandra Bernhard how bisexual and transgendered identities are socially constructed through relationships the false promise of pomosexual play—why the concepts of postmodern sexuality fail to rewrite the construction of gender why swingers who practice bisexual and transgender behavior are often disdained and marginalized by other GLBT people suicidal thoughts and other mental health concerns of bisexual males and females, as well as transgender people Eastern perspectives on sexual/gender identities—with revealing chapters on gender identity in Japan and Indonesia

We Can Do Better Than This - Amelia Abraham 2021-06-03

How do we shape a better world for LGBTQ+ people? Olly Alexander, Peppermint, Owen Jones, Beth Ditto, Shon Faye and more share their stories and visions for the future. 'A vital addition to your bookshelf' Stylist, 5 Books for Summer 'Captivating... A must-read' Gay Times, Books of the Year In *We Can Do Better Than This*, 35 voices - actors, musicians, writers, artists and activists - answer this vital question, at a time when the queer community continues to suffer discrimination and extreme violence. Through deeply moving stories and provocative new arguments on safety and visibility, dating and gender, care and community, they present a powerful manifesto for how - together - we can change lives everywhere. 'Powerful, inspiring...urgent' Attitude 'Read and be inspired' Peter Tatchell 'Illuminating' Paul Mendez, author of *Rainbow Milk* 'Friendly and fierce' Jeremy Atherton Lin, author of *Gay Bar*

"Curious, if True" - Amy Bright 2012-11-30

The fantastic has occupied the literary imagination of readers and scholars across historical, theoretical, and cultural contexts. Representations of the fantastic in literature rely on formal and generic types, tropes, and archetypes to mediate between depictions of "fantasy" and "reality." Present in myth and folklore, the gothic and neo-gothic, and contemporary and mainstream fantasy, the fantastic reach stretches into many conceptions of literature over time. *"Curious, if True": The Fantastic in Literature* presents recent articles by graduate students on the fantastic and makes connections across category, genre, and historical periods. Fantasy is used as an organizing topic, a genre that has always allowed for a broad interpretation of its meaning. From magic realism, to high fantasy, sci-fi to the Gothic, this collection furthers the reach of fantasy in the study of English literature. The authors value tradition in their reading and their writing but are not afraid to reach across genre borders to show their understanding of "the fantastical in literature." The ideas presented span years and literary periods, texts and genres, and show the undeniable value of interdisciplinary study to expand perspectives in the field of English.

The Tolerance Trap - Suzanna Danuta Walters 2014-05-02

From Glee to gay marriage, from lesbian senators to out gay Marines, we have undoubtedly experienced a seismic shift in attitudes about gays in American politics and culture. Our reigning national story is that a new era of rainbow acceptance is at hand. But dig a bit deeper, and this seemingly brave new gay world is disappointing. For all of the undeniable changes, the plea for tolerance has sabotaged the full integration of gays into American life. Same-sex marriage is unrecognized and unpopular in the vast majority of states, hate crimes proliferate, and even in the much vaunted "gay friendly" world of Hollywood and celebrity culture, precious few stars are openly gay. In *The Tolerance Trap*, Suzanna Walters takes on received wisdom about gay identities and gay rights, arguing that we are not "almost there," but on the contrary have settled for a watered-down goal of tolerance and acceptance rather than a robust claim to full civil rights. After all, we tolerate unpleasant realities: medicine with strong side effects, a long commute, an annoying relative. Drawing on a vast array of sources and sharing her own personal journey, Walters shows how the low bar of tolerance demeans rather than ennobles both gays and straights alike. Her fascinating examination covers the gains in political inclusion and the persistence of anti-gay laws, the easy-out sexual freedom of queer youth and the suicides and murders of those in decidedly intolerant environments. She challenges both "born that way" storylines that root civil rights in biology, and "god made me that way" arguments that similarly situate sexuality as innate and impervious to decisions we make to shape it. A

sharp and provocative cultural critique, this book deftly argues that a too-soon declaration of victory short-circuits full equality and deprives us all of the transformative possibilities of full integration. Tolerance is not the end goal, but a dead end. In *The Tolerance Trap*, Walters presents a complicated snapshot of a world-shifting moment in American history—one that is both a wake-up call and a call to arms for anyone seeking true equality.

Lesbian, Gay, Bisexual and Trans* Individuals Living with Dementia - Sue Westwood 2016-04-28

This groundbreaking collection is the first to focus specifically on LGBT* people and dementia. It brings together original chapters from leading academics, practitioners and LGBT* individuals affected by dementia. Multi-disciplinary and international in scope, it includes authors from the UK, USA, Canada and Australia and from a range of fields, including sociology, social work, psychology, health care and socio-legal studies. Taking an intersectional approach - i.e. considering the plurality of experiences and the multiple, interacting relational positions of everyday life - *LGBT Individuals Living with Dementia* addresses topics relating to concepts, practice and rights. Part One addresses theoretical and conceptual questions; Part Two discusses practical concerns in the delivery of health and social care provision to LGBT* people living with dementia; and Part Three explores socio-legal issues relating to LGBT* people living with dementia. This collection will appeal to policy makers, commissioners, practitioners, academics and students across a range of disciplines. With an ageing and increasingly diverse population, and growing numbers of people affected by dementia, this book will become essential reading for anyone interested in understanding the needs of, and providing appropriate services to, LGBT* people affected by dementia.

Women and Bisexuality - Serena Anderlini-D'Onofrio 2013-09-13

Get a global perspective on bisexuality from a women's viewpoint! *Women and Bisexuality: A Global Perspective* reflects the growing contribution bisexuals, and especially bisexual women, make to queer culture on an international level. This unique book presents a collection of thoughtful essays, studies, and reviews that combine to help develop a language that reflects the reality of bisexuality from a feminine/feminist viewpoint. Authors map the inroads made by bisexual studies into conventional disciplines, including anthropology, sociology, health, literature, film, history, and biography, and analyze the situations of bisexual women in areas as diverse as France, North America, Germany, Australia, and Africa. The rich and varied contributions to *Women and Bisexuality: A Global Perspective* track the spread of bisexuality from the urban and metropolitan centers of gay culture to more peripheral areas as the movement becomes more and more hospitable to transnational and transcultural people. The book's main themes—bisexuality's ability to disrupt categories and the resulting feeling of alienation many bisexuals experience—are manifested in approaches that include critical theory, deconstruction, textual analysis, cognitive psychology, personal essay, review essay, reportage, and qualitative study. Topics addressed include: the impact of feminism and women's communities on the appearance of bisexual women multi-sexual relationships as border existence in Australia a South African perspective on bisexuality understanding bisexuality's invisibility Lillian Hellmann's bisexual fantasies and much more! *Women and Bisexuality: A Global Perspective* follows bisexuality to the crossroads of academics and activism, presenting a wide scope of refreshing and insightful thought that reflects more than an identity or practice. The diverse mix of ideas is an essential read for anyone interested in literature on sexuality.

Gayly Complicated - Shabhu 2014-08-31

"*Gayly Complicated*" is a ten-story anthology on the complicated relationships involved in man loving man. Could anything ever be more complicated for a gay man? Nothing is as complicated as attempting an ongoing sexual relationship of one man with another. The uncertainties and suspicions and jealousies and misunderstandings that arise daily are legion. In this anthology of ten stories, Shabhu, uses, in the main, the back-and-forth, building-section style to set forth an assessment and examination of the complexity of the male-male relationship. The difficulty in committing, accepting, and remaining constant, in an environment that cannot, as yet, find legal foundation almost anywhere, are presented for the reader, sometimes in frustrating, ships-passing-in-the-night fashion and more times than not in bittersweet sadness for opportunities lost, intentions misunderstood, loyalty sorely tested. But in these stories, there also are messages of love redeemed and commitment made and honored.

No Straight Lines - Justin Hall 2013-08-03

No Straight Lines showcases major names such as Alison Bechdel, Howard Cruse, and Ralf Koenig (one of Europe's most popular cartoonists), as well as high-profile, crossover creators who have dabbled in LGBT cartooning, like legendary NYC artist David Wojnarowicz and media darling and advice columnist Dan Savage. No Straight Lines also spotlights many talented creators who never made it out of the queer comics ghetto, but produced amazing work that deserves wider attention. Queer cartooning encompasses some of the best and most interesting comics of the last four decades, with creators tackling complex issues of identity and a changing society with intelligence, humor, and imagination. This book celebrates this vibrant artistic underground by gathering together a collection of excellent stories that can be enjoyed by all. Until recently, queer cartooning existed in a parallel universe to the rest of comics, appearing only in gay

newspapers and gay bookstores and not in comic book stores, mainstream bookstores or newspapers. The insular nature of the world of queer cartooning, however, created a fascinating artistic scene. LGBT comics have been an uncensored, internal conversation within the queer community, and thus provide a unique window into the hopes, fears, and fantasies of queer people for the last four decades. These comics have forged their aesthetics from the influences of underground comix, gay erotic art, punk zines, and the biting commentaries of drag queens, bull dykes, and other marginalized queers. They have analyzed their own communities, and their relationship with the broader society. They are smart, funny, and profound. No Straight Lines has been heralded by people interested in comics history, and people invested in LGBT culture will embrace it as a unique and invaluable collection.
