Pictures of Girlhood - Sarah Hentges 2015-01-09

Although the “coming of age” story has been a popular film plot for decades, producers have only recently realized the commercial potential of targeting films to adolescent girls. Movies like *Clueless*, *Legally Blonde* and *Mean Girls* have been successfully marketed to teenage girls, as have several well-known independent films. Important as both cultural indicators and catalysts, these films simultaneously demonstrate pop culture’s influence on girls’ films, and the ability of girls’ films to affect pop culture and perceptions of girlhood. This critical survey of film and the modern girl concentrates largely on films of the last two decades, addressing key themes for girls within “coming of age” films, the changing (but not always improving) young feminine paradigm, and the ways these films can be powerful determinants of culture. The first chapter explores the ways in which girls’ films construct, reinforce, challenge and dismantle mainstream conceptualizations of sexuality, race and power. The second chapter discusses mainstream limitations of “coming of age” narratives, including recycled plots and stars, treatments of parental and male authority, and adult conceptualizations of adolescence. The third chapter describes girls’ experiences within these narratives through such conventions as attitude, teen fashion, music and dance, unsanctioned rites of passage, and race. The fourth chapter covers the negotiation of sex and sexuality, virginity and sexual empowerment. Instructors considering this book for use in a course may request an examination copy here.

Models - Mark Manson 2017-09-11

"You can become irresistibly attractive to women without changing who you are." So says Mark Manson, superstar blogger and author of the international bestseller, *The Subtle Art of Not Giving A F*ck*, a self help

book that packs a punch. Mark brings the same approach to teaching men what they need to know about attracting women. In *Models* he shows us how much it sucks trying to attract women using the tricks and tactics recommended by other books. Instead, he says, men need to focus on seduction as an emotional process not a physical or social one. What matters is the intention, the motivation, the authenticity. To improve your dating life you must improve your emotional life - how you feel about yourself and how you express yourself to others. Funny, irreverent and confronting, *Models* is a mature and honest guide on how a man can attract women by giving up the bullsh*t and becoming an honest broker. "A detailed guide to modern sexual ethics" *Sydney Morning Herald*
"There's nothing subtle about Mark Manson. He's crude and vulgar and doesn't give a f*ck . . . He's as painfully honest as he is outrageously funny" *Huffington Post*

What Women Want When They Test Men - Bruce Bryans 2015-08-13
Discover What Women Want in a Man and How They Secretly Test You
For it If you pay close enough attention to what really attracts women, you'll find that what women want is a man with a backbone. Women want to be with a man who knows how to take the lead and make decisions; one who has strong personal boundaries and knows how to love her like...a man. Unfortunately, a lot of men have difficulty accepting the truth that many women prefer to be with a man who isn't afraid to stand up to them, who challenges them, and who refuses to be pushed around by women (or anything else for that matter). This is especially true of women who seek a more traditional male-female gender role dynamic in their romantic relationships. Even if a man knows how to attract women,

cultivating a mind-blowing relationship with one requires a different set of skills entirely. Women want men who can make them feel secure - men with strong boundaries and unwavering commitment. Sadly, most dating and relationship books rarely show men how to keep a woman happy without them having to sacrifice their manhood in the process. How to Understand Women and Pass Their Tests With Unshakeable Confidence Men around the world have no idea that the women they know and love are testing them. These men go about their lives interacting with the opposite sex in absolute darkness, ignorant to the fact that they're being judged, appraised, approved, and rejected based on their subconscious reactions to female testing. If you had no idea that women test men and why they have to, you're about to take a journey onto a road less traveled - the more mysterious side of female psychology and how women think. Attract Women Through Authenticity and Be the Strong Man a Woman Wants For a Relationship It's important for a man to learn how to walk that thin line between caring, thoughtful lover and firm, assertive leader. The man who masters the art of being the perfect gentleman and a strong alpha male is the ideal specimen to a high-quality woman. This is what you're going to learn in this book. So if you're dating or in a relationship and women constantly create drama, lose interest in you, or manipulate you, it's time you finally got some advice from one of the only relationship books for men that won't turn you into a doormat. Here's what you're going to learn inside: How to be radically honest with a woman and why this makes her MORE attracted to you. The reason why women test men CONSISTENTLY and how to use this knowledge to deepen a woman's desire. (Hint: This is the key to female psychology and how women think.) How to be confident with difficult women. What women want in a man and how to give it to them. How to make a woman happy without becoming a complete doormat of a man. How to seduce your wife and get her in the mood by responding like a MAN whenever she "pokes the bear." How to be firm and say "No" to the woman you love without destroying intimacy. How to keep a woman interested in you by doing the ONE thing MOST men are deathly afraid of doing. How to avoid unnecessary arguments, fights, and drama with a woman by using

a simple communication technique. The best way to secretly test a woman's level of romantic interest in you (as well as her emotional maturity) before making a long-term commitment. How to stop living in fear of what a woman might think, say, or do if she disagrees with or disapproves of you in any way. And much, much more... Would You Like to Know More? Get started right away and learn how to become the attractive man that has zero difficulty keeping a woman's respect, desire, and unwavering support. All About Love - bell hooks 2018-01-30

A New York Times bestseller and enduring classic, All About Love is the acclaimed first volume in feminist icon bell hooks' "Love Song to the Nation" trilogy. All About Love reveals what causes a polarized society, and how to heal the divisions that cause suffering. Here is the truth

about love, and inspiration to help us instill caring, compassion, and strength in our homes, schools, and workplaces. “The word ‘love’ is most often defined as a noun, yet we would all love better if we used it as a verb,” writes bell hooks as she comes out fighting and on fire in *All About Love*. Here, at her most provocative and intensely personal, renowned scholar, cultural critic and feminist bell hooks offers a proactive new ethic for a society bereft with lovelessness--not the lack of romance, but the lack of care, compassion, and unity. People are divided, she declares, by society’s failure to provide a model for learning to love. As bell hooks uses her incisive mind to explore the question “What is love?” her answers strike at both the mind and heart. Razing the cultural paradigm that the ideal love is infused with sex and desire, she provides a new path to love that is sacred, redemptive, and healing for individuals and for a nation. The *Utne Reader* declared bell hooks one of the “100 Visionaries Who Can Change Your Life.” *All About Love* is a powerful, timely affirmation of just how profoundly her revelations can change hearts and minds for the better.

Girl Warriors - Svenja Hohenstein 2019-06-07

Quest narratives are as old as Western culture. In stories like *The Odyssey*, *The Lord of the Rings*, *Star Wars* and *Harry Potter*, men set out on journeys, fight battles and become heroes. Women traditionally feature in such stories as damsels in need of rescue or as the prizes at the end of heroic quests. These narratives perpetuate predominant gender roles by casting men as active and women as passive. Focusing on stories in which popular teenage heroines--*Buffy Summers*, *Katniss Everdeen* and Disney's *Princess Merida*--embark on daring journeys, this

book explores what happens when traditional gender roles and narrative patterns are subverted. The author examines representations of these characters across various media--film, television, novels, posters, merchandise, fan fiction and fan art, and online memes--that model concepts of heroism and girlhood inspired by feminist ideas.

[Boy Meets Girl](#) - Joshua Harris 2009-10-07

Purpose Driven Romance The last thing singles want is more rules. But if you’re looking for an intentional, God-pleasing game plan for finding a future spouse, Joshua Harris delivers an appealing one. A compelling new foreword, an all-new “8 Great Courtship Conversations” section, and updated material throughout makes this five-year revision of the original *Boy Meets Girl* a must-have! Harris illustrates how biblical courtship—a healthy, joyous alternative to recreational dating—worked for him and his wife. *Boy Meets Girl* presents an inspiring, practical example for readers wanting to pursue the possibility of marriage with someone they may be serious about. Are you ready for “romance with purpose”? If you’re fed up with self-centered relationships that end in disillusionment, it’s time to rethink romance. Finding the loving, committed relationship you want shouldn’t mean throwing away your hopes, your integrity, or your heart. In *Boy Meets Girl*, Joshua Harris—the guy who kissed dating goodbye—makes the case for courtship. As old-fashioned as it might sound, courtship is what modern day relationships desperately need.

Think of it as romance chaperoned by wisdom, cared for by community, and directed by God’s Word. Filled with inspiring stories from men and women who have rediscovered courtship, *Boy Meets Girl* is honest, romantic, and refreshingly biblical. Keep God at the center of your relationship as you discover how to:

- Set a clear course for your romance
- Get closer without compromise
- Find support in a caring community
- Deal with past sexual sin
- Make the right decisions about your future

New! *Courtship Conversations* Eight ideas for great dates that will help grow and guide your relationship. *Story Behind the Book* “I wrote *I Kissed Dating Goodbye* to challenge singles to drop the worldly approach to serial dating and reconsider the way they pursued romance in light of God’s Word. Since then, I’ve received letters asking questions

like, So, what comes between friendship and marriage? and, How can you know when you are ready for marriage? Boy Meets Girl answers those questions. Now as a happily married man I can look back on my courtship with Shannon and see from personal experience that God is faithful. If you trust Him enough to wait on romance in dating, He will lovingly guide you as you pursue it in courtship...right to that wonderful moment when you kneel together at the altar." — Joshua Harris

Wuthering Heights - Emily Bronte 2020-09-28

Wuthering Heights is the name of Mr. Heathcliff's dwelling. *Wuthering* being a significant provincial adjective, descriptive of the atmospheric tumult to which its station is exposed in stormy weather. Pure, bracing ventilation they must have up there at all times, indeed: one may guess the power of the north wind blowing over the edge, by the excessive slant of a few stunted firs at the end of the house; and by a range of gaunt thorns all stretching their limbs one way, as if craving alms of the sun. Happily, the architect had foresight to build it strong: the narrow windows are deeply set in the wall, and the corners defended with large jutting stones. Before passing the threshold, I paused to admire a quantity of grotesque carving lavished over the front, and especially about the principal door; above which, among a wilderness of crumbling griffins and shameless little boys, I detected the date 1500,

and the name Hareton Earnshaw. I would have made a few comments, and requested a short history of the place from the surly owner; but his attitude at the door appeared to demand my speedy entrance, or complete departure, and I had no desire to aggravate his impatience previous to inspecting the penetralium. One stop brought us into the family sitting-room, without any introductory lobby or passage: they call it here the house pre-eminently. It includes kitchen and parlour, generally; but I believe at Wuthering Heights the kitchen is forced to retreat altogether into another quarter: at least I distinguished a chatter of tongues, and a clatter of culinary utensils, deep within; and I observed no signs of roasting, boiling, or baking, about the huge fireplace; nor any glitter of copper saucepans and tin cullenders on the walls. One end, indeed, reflected splendidly both light and heat from ranks of immense pewter dishes, interspersed with silver jugs and tankards, towering row after row, on a vast oak dresser, to the very roof. The latter had never been under-drawn: its entire anatomy lay bare to an inquiring eye, except where a frame of wood laden with oatcakes and clusters of legs of beef, mutton, and ham, concealed it. Above the chimney were sundry villainous old guns, and a couple of horse-pistols: and, by way of ornament, three gaudily-painted canisters disposed along its ledge. The floor was of smooth, white stone; the chairs, high-backed, primitive structures, painted green: one or two heavy black ones lurking in the shade. In an arch under the dresser reposed a huge, liver-coloured bitch pointer, surrounded by a swarm of squealing puppies; and other dogs haunted other recesses.

A thirteen-year-old Jewish girl and her family abandoned their house in Amsterdam and went into hiding in 1942, when Nazis occupied Holland. They and another family stayed cloistered in the "Secret Annex" of an old office building for the next two years, until their whereabouts were revealed to the Gestapo. They suffered starvation, boredom, the daily cruelties of living in tight quarters, and the ever-present prospect of discovery and death because they were cut off from the outside world. Anne Frank kept a diary throughout this time, recording vivid recollections of her events. Her story is a fascinating meditation on human tenacity and weakness, as well as a riveting self-portrait of a sensitive and vibrant young woman whose promising future was sadly cut short.
