Tuesdays With Morrie - Mitch Albom

2009-06-11

THE GLOBAL PHENOMENON THAT HAS TOUCHED THE HEARTS OF OVER 9 MILLION READERS 'Mitch Albom sees the magical in the ordinary' Cecelia Ahern _____ Maybe it was a grandparent, or a teacher or a colleague? Someone older, patient and wise, who understood you when you were young and searching, and gave you sound advice to help you make your way through it? For Mitch Albom, that person was Morrie Schwartz, his college professor from nearly twenty years ago. Maybe, like Mitch, you lost track of this mentor as you made your way, and the insights faded. Wouldn't you like to see that person again, ask the bigger

questions that still haunt you? Mitch Albom had that second chance. He rediscovered Morrie in the last months of the older man's life. Knowing he was dying of ALS - or motor neurone disease - Mitch visited Morrie in his study every Tuesday, just as they used to back in college. Their rekindled relationship turned into one final 'class': lessons in how to live. Tuesdays with Morrie is a magical chronicle of their time together, through which Mitch shares Morrie's lasting gift with the world. Don't miss Mitch's uplifting new novel THE LITTLE LIAR, available to pre-order now. _____ WHAT READERS SAY ABOUT TUESDAYS WITH MORRIE 'You cannot put the book down until you reach the end . . . Too good to be missed. It is really an all-time hit' 'One of the most beautiful books I've read in a long, long time . . . It will always be one of my favourite books' 'This book moved me immensely and its teachings will stay with me' 'A simple yet moving account of love and loss - but also hope for something better' 'A book I will read and re-read'

Golden - Deanthony Donnell Thomas 2016-07-14

Thank you for reading my book! These are quotes that I have meditated on and learned over the years. Thanks to the African proverbs and proverbs from wise men and women all over the world, I was inspired to write my own book, a book that shares my outlooks on love, relationships and life. The quotes presented share my outlook on life, religion, love and our community. As a person who has a lot of passion for my community, I hope you feel my passion as you read through these pages. Out of all the various sayings that I have come up with, I am most proud of my quotes on love and relationships. As I believe that relationships are the foundation of the community and our society. We owe it to the next generation to form healthy relationships that will last from forever. This book also shares my religious beliefs. In fact, I credit this book to my creator the Most High God. As I was preparing the material for this book I was inspired by many things but one thing being nature. As I look at nature, this beautiful place we called the world inspired me to be creative. I believe writing is art and art is creativity. As I close, it's my hope that you enjoyed sharing this creative experience with me. Peace and blessings.

All About Love - bell hooks 2018-01-30

A New York Times bestseller and enduring classic, *All About Love* is the acclaimed first volume in feminist icon bell hooks' "Love Song to the Nation" trilogy. *All About Love* reveals what causes a polarized society, and how to heal the divisions that cause suffering. Here is the truth about love, and inspiration to help us instill caring, compassion, and strength in our homes, schools, and workplaces. "The word 'love' is most often defined as a noun, yet we would all love better if we used it as a verb," writes bell hooks as she comes out fighting and on fire in *All About Love*. Here, at her most provocative and intensely personal, renowned scholar, cultural critic and feminist bell hooks offers a proactive new ethic for a society bereft with lovelessness--not the lack of romance, but the lack of care, compassion, and unity. People are divided, she declares, by society's failure to provide a model for learning to love. As bell hooks uses her incisive mind to explore the question "What is love?" her answers strike at both the mind and heart. Razing the cultural paradigm that the ideal love is infused with sex and desire, she provides a new path to love that is sacred, redemptive, and healing for individuals and for a nation. The *Utne Reader* declared bell hooks one of the "100 Visionaries Who Can Change Your Life." *All About Love* is a powerful, timely affirmation of just how profoundly her revelations can change hearts and minds for the better.
