Consent - Sophie Franklin 2023-11-10
Consent: Legacies, Representations, and Frameworks for the Future examines the conceptualisation of 'consent' across various historical periods, cultures, and disciplines to offer an expansive, pluralistic vision for future articulations of consent as it circulates throughout contemporary life in sexual encounters, medical contexts, and media representations. This volume is distinctive in its diverse conceptual scope and commitment to cross-disciplinary dialogue, accommodating perspectives on consent that are contextually sensitive and culturally diverse. The chapters examine a range of topics, from socio-cultural engagements with consent in Latin American music, feminist movements in Pakistan, and BDSM in Poland, to theoretical and pedagogical ones exploring alternative possibilities for framing and understanding consent through intersectional approaches and institutional curricula. Consent: Legacies, Representations, and Frameworks for the Future is of value to researchers, practitioners, undergraduate and postgraduate students, and general readers interested in histories, representations, and future possibilities of consent in its many manifestations. The Introduction and Afterword of this book are freely available as downloadable Open Access PDFs at <http://www.taylorfrancis.com> under a Creative Commons Attribution (CC-BY) 4.0 license.

[The Oxford Handbook of Prevention in Counseling Psychology](#) - Elizabeth Vera 2012-10-18

The Oxford Handbook of Prevention in Counseling Psychology presents a lifespan

approach to prevention that emphasizes strengths of individuals and communities, integrates multicultural and social justice perspectives, and includes best practices in the prevention of a variety of psychological problems in particular populations.

Same-Sex Love in India - R. Vanita 2000-09-11
Same-Sex Love in India presents a stunning array of writings on same-sex love from over 2000 years of Indian literature. Translated from more than a dozen languages and drawn from Hindu, Buddhist, Muslim, and modern fictional traditions, these writings testify to the presence of same-sex love in various forms since ancient times, without overt persecution. This collection defies both stereotypes of Indian culture and Foucault's definition of homosexuality as a nineteenth-century invention, uncovering instead complex discourses of Indian homosexuality, rich metaphorical traditions to represent it, and the use of names and terms as early as medieval times to distinguish same-sex from cross-sex love. An eminent group of scholars have translated these writings for the first time or have re-translated well-known texts to correctly make evident previously underplayed homoerotic content. Selections range from religious books, legal and erotic treatises, story cycles, medieval histories and biographies, modern novels, short stories, letters, memoirs, plays and poems. From the Rigveda to Vikram Seth, this anthology will become a staple in courses on gender and queer studies, Asian studies, and world literature.

Gender, Sex, and the City - R. Vanita
2012-02-14

Explores the urban, cosmopolitan sensibilities of Urdu poetry written in the late eighteenth and early nineteenth centuries in Lucknow. Ruth Vanita analyzes Rekhti, a type of Urdu poetry distinguished by a female speaker and a focus on women's lives, and shows how it became a catalyst for the transformation of the ghazal.

Nawab Faizunnesa's Rupjalal - Phayajunnesā Caudhurānī 2009

In the framework of a romantic tale, Faizunnesa recorded how women were always treated as agents of chaos and desire, and how their resisting voices were always silenced in a religiously motivated society. This book examines her text as a critique of male dominance in the Muslim society of colonial Bengal.

General Knowledge for General Studies CSAT - Paper 1 IAS Prelims 2nd Edition - Disha Experts

General Knowledge General Studies CSAT - Paper 1 IAS Prelims for Civil Services Preliminary Exam covers various Chapters and their important topics. The book is divided into 17 chapters followed by 2 levels of exercises - Simple MCQs & statement based MCQs. The book captures most of the important questions with explanations of the past 12 years of the IAS Prelim exam distributed in the various chapters.

Indian Sex Life - Durba Mitra 2020-01-07

"During the colonial period, Indian intellectuals--philologists, lawyers, scientists and literary figures--all sought to hold a mirror to their country. Whether they wrote novels, polemics, or scientific treatises, all sought a better

understanding of society in general and their society in particular. Curiously, female sexuality and sexual behavior play an outside role in their writing. The figure of the prostitute is ubiquitous in everything from medical texts and treatises on racial evolution to anti-Muslim polemic and studies of ancient India. In this book, Durba Mitra argues that between the 1840s and the 1940s, the new science of sexuality became foundational to the scientific study of Indian social progress. The colonial state and an emerging set of Bengali male intellectuals extended the regulation of sexuality to far-reaching projects that sought to define what society should look like and how modern citizens should behave. An exploration of this history of social scientific thought offers new perspectives to understand the power of paternalistic and deeply violent claims about sexual norms in the postcolonial world today. These histories reveal the enduring authority of scientific claims to a tradition that equates social good with the control of women's free will and desire. Thus, they managed to dramatically reorganize their society around upper-caste Hindu ideals of strict monogamy"--
