Sex, Lies and Question Time

- Kate Ellis 2021-03-29

In *Sex, Lies and Question Time*, former MP Kate Ellis explores the good, the bad and the ugly of life as a woman in Australian politics. Seventy-seven years after the first woman entered Australian parliament, female politicians are still the minority. They cop scrutiny over their appearance, their sex lives, their parenting and their portfolios in a way few of their male colleagues do. It's time to call bullshit on the toxic Canberra culture. Alongside her own experiences from fifteen years in parliament, Kate Ellis reveals a frank and fascinating picture of women across Australian politics, including Julia Gillard, Julie Bishop, Linda Burney, Sussan Ley, Penny Wong, Sarah Hanson-Young and Pauline

Hanson. Kate explores issues like sexism, motherhood, appearances, social media, the sisterhood and, of course, sex. But she also celebrates everything Australian female politicians have achieved. Wry, candid and provocative, *Sex, Lies and Question Time* is a powerful call to demand more of our leaders and our institutions. It reminds us we need greater diversity to shape a fairer Australia, where 'women's issues' are everyone's issues. A better parliament means a better Australia. The stakes are high, and the standards should be too.

Cruise Control - Robert Weiss, MSW 2013-02-21

Cruise Control is the premiere book on the growing problem of sex addiction in gay men. This second edition explores how technology has impacted the instant ability to "meet up"

and the implications of being in recovery in a committed relationship. Accessible resource for achieving sex addiction recovery including a "30 day test" and a dating plan. *New York Magazine* - 1990-02-19

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

Sex, Lies & Stellenbosch - Eva Mazza 2019

Based on true events, *Sex, Lies & Stellenbosch* uncovers what really goes on behind closed doors in the seemingly up-standing community of Stellenbosch, one of South Africa's wealthiest small towns,

where 3,400 dollar millionaires live (before they invested in Steinhoff shares). Written as fiction to protect the innocent, the book exposes the explosive dark truths of the Winelands' elite. All is revealed through the eyes of stay at home mom, 49-year-old Jen, who is the wife of John, a renowned wine farmer and businessman. Jen, like many of her privileged friends, lives a charmed life provided by her husband, in exchange for conjugal sex and obligatory wifely gratitude. When Jen stumbles upon her playboy husband in a compromising position with his sexy employee, things fall apart. Jen is forced to choose between leaving her marriage, jeopardising her standing and stability in the community or turning a blind eye to his infidelity. The book follows Jen's passage to self-discovery and self-fulfillment, while other characters' perspectives move the story forward as each is privy to (and eventually reveals) at least one 'truth' or 'lie' which Jen must face. Jen's exposition of her husband's

infidelity inadvertently mirrors the underbelly of the patriarchal and often duplicitous community of the seemingly perfect Stellenbosch. Led by prominent wine farmers, international businessmen and renowned academics, business and private interests, even if ethically compromised, are staunchly guarded. The unfolding chapters irreverently explore both the emotional growth of the protagonist, Jen, as well as the moral ambiguities of the other players in the book. --

Readers will learn how to live optimally in their Recovery Zone. The work sets the stage for recovery tasks 8-13, providing readers with a practical approach to recognize the underlying emotional causes that perpetuate the addiction cycle.

Sex, Lies, and Cruising -

Cathryn Chapman 2015-04-20

When Ellie's fiance cheats on her with a younger, slimmer, blonde from the office, she boots him out of her life and finds solace in a fabulous photography job aboard a Caribbean cruise ship. Twenty-four hours on board and she's already shagged her sexy Texan colleague, who happens to love her muffin-top.

Unfortunately, he's leaving in a week, and his ex-girlfriend, a hot-headed Brazilian with stripper moves right out of the 90s and a talent for stealing boyfriends, is still on board and out for revenge. Ellie must

work out how to deal with the loco ex, sort the lying scumbags from the good guys, and figure out how many crew members in a cabin it takes before officially becoming group sex. Who the hell knows? (It's five, actually.) It's a world completely unlike the one she left behind, but as she tries to find her place on board, Ellie discovers laughter and tears in equal measure. And in the midst of the craziness, she realises the greatest thing this lifestyle change has given her is the chance to rediscover herself."

Cruise Control - Robert Weiss
2010-11-26

Robert Weiss, director of the Sexual Recovery Institute in Santa Monica, California, avoids political and moral arguments and instead focuses on the clinical approach, asking the question, "Is your sexual behavior causing problems in other areas of your life?" Cruise Control leads men to a better understanding of the difference between sexual compulsion and non-addictive sexual behavior within the gay

experience, and it explains what resources are available for recovery. A timely and important contribution to the body of recovery literature, Cruise Control provides understanding, empathy and encouragement to gay men seeking healthy sexual expression.

In Plain Sight - Dan Davies

2014-07-17

Winner of the 2015 Gordon Burn Prize and the 2015 CWA Non-Fiction Dagger Shortlisted for the Orwell Prize and the James Tait Black Prize Dan Davies has spent more than a decade on a quest to find the real Jimmy Savile, and interviewed him extensively over a period of seven years before his death. In the course of his quest, he spent days and nights at a time quizzing Savile at his homes in Leeds and Scarborough, lunched with him at venues ranging from humble transport cafes to the Athenaeum club in London and, most memorably, joined him for a short cruise aboard the QE2. Dan thought his quest had come to an end in October

2011 when Savile's golden coffin was lowered into a grave dug at a 45-degree angle in a Scarborough cemetery. He was wrong. In the last two and a half years, Dan has been interviewing scores of people, many of them unobtainable while Jimmy was alive. What he has discovered was that his instincts were right all along and behind the mask lay a hideous truth. Jimmy Savile was not only complex, damaged and controlling, but cynical, calculating and predatory. He revelled in his status as a Pied Piper of youth and used his power to abuse the vulnerable and underage, all the while covering his tracks by moving into the innermost circles of the establishment.

with one difference. It's all true. In the late 1960s Jeremy Thorp, the charismatic leader of the Liberal Party, was at the height of his political career. But homosexuality had only just been legalized, and a former relationship with a younger man named Norman Scott threatened to destroy Thorp's carefully curated facade. Helped by fellow politicians, Thorpe schemed, deceived and embezzled until he saw only one way to silence his ex-lover for good. Meticulously researched and endlessly extraordinary, Thorp's trial captured the moment that British society

discovered the truth about its political class - and learned just how far the Establishment will go to protect its own.
