Beyond Jealousy Kit Rocha 2014-03-17 She's been looking for the perfect man. She found two. When Rachel Riley sacrificed a life in Eden to protect the O'Kanes, she earned her place in the powerful Sector Four gang. But the former crime princess is tired of being everyone's sweet little sister. It's time for her to get wild, to embrace her fantasies as only an O'Kane can—with a delicious exiled soldier and the gang's wickedly sinful tattoo artist. A saint... Lorenzo Cruz is a warrior, taught by his commanding officers in Eden that involvement equals distraction. Emotion is a liability, and desire a sin. In Sector Four, he finds decadence, shameless sex—and his own dark urges. No battle strategy prepared him for how Rachel makes his heart race...or the way his rival for her affections sets his blood on fire. ...and a sinner. Ace Santana has a dirty reputation and a mind to match, especially where his new lovers are concerned. He's eager to help Cruz embrace his dominant side, and to explore the lines between pleasure and pain with Rachel. But corrupting them quickly becomes an obsession, a need he can't deny—and a love he never imagined. Three hearts on the line means a hundred ways their ménage a trois could go wrong. After all, even O'Kanes do forever two-by-two. One of them could be the missing piece that makes them all whole...or a temporary diversion destined for a broken heart.

Please, Sir Rachel Kramer Bussel 2010-04-07 The fortunate women of Please, Sir are not docile pushovers by any means. They make the rules and negotiate with their masters — though sometimes they also get off on being pushed just a little too far by men they know they can trust. It's as if the doms who enter their lives see the potential for submission in these women and want to arouse them more than ever before by providing an opportunity for them to let go. The editor of the bestsellers He's on Top and Yes, Sir, Rachel Kramer Bussel has chosen 22 stories that celebrate the thrill of submission by women who know exactly what they want. The characters in Please, Sir may be doing the bidding of their dominants, but the tops are just as much subject to the will of their subs, in their own way, by making them ache, moan, and quiver. With stories by Shanna Germain, Elizabeth Coldwell, Alison Tyler, and more.

The Beast Katee Robert 2020-04-06 Once upon a time, I fell in love with two men. Their feelings for me were matched only by their hatred for each other. Gaeton, with his brash charm and casual cruelty. Beast, his lust equal to his penchant for violence. Being with them was sinful and perfect in different ways. In the end, I couldn't choose, and I lost them both. Now, my sisters have tasked me with securing our power base, no matter the cost. I will do anything for my family—even if it means agreeing to the terms set by Gaeton and Beast. The three of us. Together. But only for as long as it takes me to choose one of them once and for all. When playing games of power, happily ever after isn't a priority. Not even for me. Especially not for me. Content Warning: Contains the aftermath of a death of a parent by cancer.

quick psychology 101 diagnosis from Dr. Kelly marks John as having a classic "madonna/whore" complex, and she quickly sets about making plans to rectify this situation. Tara goes along for the ride, hoping that Kelly may have the answer to bridging the seemingly ever-growing gap in her marriage?-----Warnings: This title contains erotic situations, graphic language, sex, ménage a trois (MFF threesome), lesbian sex and some naughty daddy/daughter role play, too!-----EXCERPT:"Seeing you dancing out there with Kelly—you don't know how sexy you are, do you?" he asked, leaning over to me, his hand running up from my knee to my thigh. His breath was warm on my face, and I could smell the 7&7's he'd been drinking all night. My own head was still swimming with wine."You two rubbing up against each other, seeing your red little dress riding up and up," he whispered, his hand pushing my dress up further as he sought higher ground on my leg. "You looked just like you do when you come, with your eyes half closed and your mouth open and your legs quivering."I moaned, tilting my face up to him, and then he was kissing me, his tongue forcing its way past my teeth, down my throat, as he pressed me into the door. "I wanted to fuck you right there on the dance floor," he growled against my neck, biting and sucking at my flesh. "I wanted to fuck you both."I gasped, his hands groping me in the dark, everywhere at once. My dress was pushed up to my waist now, his fingers rubbing fast and hard between my legs. We kissed, our mouths meshing together as he leaned over the gearshift to get to me. When he pulled my panties aside and plunged his fingers into me, I hissed, putting one foot up onto the dashboard to give him better access.He was trying to climb over onto me but there wasn't enough room—not in his little Roadster. When I whispered that fact to him, he grunted, pulling his hand away from me and moving to open his door. A moment later, he was opening mine, and I was still sitting there with my panties askew, my heels off, and my dress shoved up to my waist, struggling with the seatbelt.He leaned over me and popped the button, pulling me out of the car and crushing me to him, his tongue digging deep into my mouth. I clung to him, wrapping my arms around his neck, feeling his hands roaming over my ass, squeezing and lifting me, pressing my crotch to his. I could feel how hard he was through his trousers.Then he was turning me around, pressing me over the hood of the car, shoving my dress up higher on my waist. His hands moved over my ass, my thighs, and I heard his zipper and the felt his cock pressing against my panties. He shoved those aside, his fingers finding me again, moving in and out of my wetness—and I was wet, soaking wet, my panties moist with my heat.He didn't bother to take them off, he just replaced his fingers with his cock, shoving himself deep inside me with a growl. I moaned, pressing my cheek to the metal, the engine still ticking as he started to fuck me, my hands out in front of me, just letting him take me. I could see the Christmas lights of the neighbor's house across the street, a blurred red and green glow as he rocked me against the Beemer's electric blue hood.

In fact, she's in for a rough and reluctant gangbang, and they're all taking their Christmas treat without bothering to ask how much she's willing to give! 5. Robbie's Starlets An Explicit Erotica Story by Molly Synthia "The story immediately resonated with me on a personal level - though younger than the story's lead, I'm not getting any younger, and I completely related to the character's insecurities about not being enough for her husband, despite him being completely devoted to her in a genuinely happy, contented, drama-free marriage. As for the existential crisis, that was thanks to the quality of Molly's writing. The way she mixes a sexy story whilst using raw, believable feeling-based internal monologue to drive the plot, and resolve it all in an unexpected way whilst still using sex to further both the plot and the relationship of the characters, absolutely floored me. I've never read erotica like it... Molly Synthia has shot straight near the top of my favorite erotica authors, if not authors of all genres, and I can't wait to read more of her work." Meet Connie and Robbie. How can a man with ready access to young, nubile, and sexually motivated girls possibly remain loyal to his wife? Connie can't accept that her film producer husband isn't tempted by his starlets or, at the least, disappointed with the sex life in their marriage. She's determined to become the perfect seductress for him but how far will she have to go to satisfy him?
