Come As You Are: Revised and Updated - Emily Nagoski 2021-03-02

A revised and updated edition of Emily Nagoski's game-changing New York Times bestseller *Come As You Are*, featuring new information and research on mindfulness, desire, and pleasure that will radically transform your sex life. For much of the 20th and 21st centuries, women's sexuality was an uncharted territory in science, studied far less frequently—and far less seriously—than its male counterpart. That is, until Emily Nagoski's *Come As You Are*, which used groundbreaking science and research to prove that the most important factor in creating and sustaining a sex life filled with confidence and joy is not what the parts are or how they're organized but how you feel about them. In the years since the book's initial publication, countless women have learned through Nagoski's accessible and informative guide that things like stress, mood, trust, and body image are not peripheral factors in a woman's sexual wellbeing; they are central to it—and that even if you don't always feel like it, you are already sexually whole by just being yourself. This revised and updated edition continues that mission with new information and advanced research, demystifying and decoding the science of sex so that everyone can create a better sex life and discover more pleasure than you ever thought possible.

Teen TV - Stefania Marghitu 2021-05-26

Teen TV explores the history of television's relationship to teens as a desired, but elusive audience, and the ways in which television has embraced youth subcultures, tracing the shifts in American and global televisual and teen media. Organized chronologically to cover each generation since the inception of the medium in the 1940s, the book examines a wide range of historical and contemporary programming: from the broadcast bottleneck, multi-channel era that included youth-

targeted spaces like MTV, the WB, and the CW, to the rise of streaming platforms and global crossovers. It covers the thematic concerns and narrative structure of the coming-of-age story, and the prevalent genre formations of teen TV and milestones faced by teen characters. The book also includes interviews with creators and showrunners of hit network television teen series, including *Degrassi's* Linda Schuyler, and the costume designer that established a heightened turn in the significance of teen fashion on the small screen in *Gossip Girl*, Eric Daman. This book will be of interest to students, scholars, and teachers interested in television aesthetics, TV genres, pop culture, and youth culture, as well as media and television studies.

My Broken Vagina - Fran Bushe 2021-05-11

Imagine if every time you tried to have sex, all you experienced was pain. Extreme pain. Everyone's told you that it's supposed to hurt the first time, but surely this feeling of excruciating agony can't be normal. This is an experience shared by almost half of all women at some point during their lives. *My Broken Vagina* is one woman's quest to fix her sex life, but it's the story of millions of women everywhere. During her journey towards building a better relationship with her genitals, Fran been given many pieces of advice. Doctors have advised her to 'have a glass of wine to loosen up'; male friends have suggested she simply hasn't 'tried' the right penis yet; partners inevitably felt it was a reflection of their sexual prowess. But none of that was helpful. Eventually, Fran was told that her symptoms; difficulty orgasming, pain during sex, and general dissatisfaction with the whole thing, came under the umbrella diagnosis of 'Female Sexual Dysfunction' (the sexiest of all the dysfunctions). And so began the process of figuring out how she felt about the term FSD, and finally having a label, if an imperfect one, that made her feel like she

wasn't, for once, being gaslit by her own vagina.

Threadneedle (Threadneedle) - Cari Thomas 2021-05-27

The Sunday Times No.4 bestseller Within the boroughs of London, nestled among its streets, hides another city, filled with magic.

Must Do Better - Kate Weston 2022-02-03

Meet Kat Evans: Feminist. Overthinker. Hot mess. A hilarious antidote to our Insta-perfect world, for girls who want to do it right but always feel they're getting it wrong ... 16-year-old Kat has suffered through mortifying incidents, muddling moments and Instagram hell - but her extreme teenage confusion isn't over yet. It's a new term, and Kat is determined to spread the word about DOING GOOD FEMINISM to all her fellow students. But her new Feminist Society does not exactly go to plan (why is everyone more confused than she is?!) and she's left feeling more of a failure than ever. And with best friends Millie and Sam both going through difficult times, Kat wants to be there for them. But there's a class trip to France to look forward to, and a reunion with Kat's former fling and TOTAL DREAMBOAT Sébastien. This is exactly what they all need ... until Kat's plans begin to unravel. If Kat is doing her best, why does she always feel as if she must do better? Fearlessly navigating school, mental health and relationships, Kate Weston is a hilarious new voice for those who love Holly Bourne and Netflix's Sex Education. '... fans of Holly Bourne should love this' Guardian 'Diary of a Confused Feminist was one of last year's funniest books and this sequel promises more of the same as Kat continues her (largely) disastrous attempts to launch a feminism society at her college' i news

Monsters in the Closet - Adam Butler 2020-10-13

From pornographic videos of rape and incest to sexual predators around every corner; from online challenges teaching children how to commit suicide to resources teaching them how to conjure up demons; from social media trends praising abortion to completely redefining what it means to be human; these are the monsters in the closet which children and teenagers are being exposed to. America is facing a drastic moral decline, and we are only seeing the beginning of the avalanche. Narratives which directly attack God's word are being fed to young

people. These monsters are very real and may be much closer than you think. Learn about the harmful indoctrination and lies being spread through the internet, social media, and even the classroom, and how you can combat them.

Copyright's Arc - Martin Skladany 2020-09-03

Copyright is not one-size-fits-all. Skladany argues that copyright law should instead, vary according to a country's development status.

Unorthodox - Deborah Feldman 2012-10-02

Traces the author's upbringing in a Hasidic community in Brooklyn, describing the strict rules that governed her life, arranged marriage at the age of seventeen, and the birth of her son, which led to her plan to leave and forge her own path in life.

Is it You, Me, Or Adult A.D.D.? - Gina Pera 2008

Everyone involved with AD/HD will find the information in this book invaluable, especially people with AD/HD and couples therapists, who often mistake AD/HD for communication problems or personality differences. Meticulously researched and presented with empathy and humor, Is It You, Me, or Adult A.D.D.? offers the latest information from top experts, who explain the science and proven protocols for reducing AD/HD's most challenging symptoms. Real-life details come from the partners themselves, who share their stories with touching candor yet plenty of humor.

Sex Education: A Guide To Life - The Official Netflix Show Companion - Sex Education 2021-10-14

The official, no-nonsense sex syllabus and guide to life you always wanted. From the Netflix sensation SEX EDUCATION, with a foreword from the show's creator, Laurie Nunn. Binged all of Sex Education Season 3 and missing Moordale already? Well, unlikely educator Otis Milburn and his beloved friends are back in this frank, funny and 100% official guide to life. With insight from your favourite characters, tips, takeaways and some enlightening diagrams, the guide covers everything you need to know - from understanding your anatomy, feeling confident about how you look and rejecting shame, to consent, sexuality and the minefield that is modern love. Both a perfect companion to the show and

practical guide to navigating the real world, this guide answers all the questions we are too scared to ask, in the show's uniquely hilarious, fun and yet sensitive language that we have come to know and love. So dive in, and start talking, shouting and maybe even screaming about s-e-x! This book has been checked by experts including doctors, sex therapists and more. Recommended age 14+

Solus Jesus - Emily Swan 2018-07-02

Blue Ocean Faith pastors Ken Wilson and Emily Swan issue an open invitation to renew Christianity 500 years after the Reformation. The authors argue that the church's future depends on focusing more closely the inclusive message of Christianity's founder. Their new cry: "Solus Jesus!" Only Jesus!

Why We Sleep - Matthew Walker 2017-10-03

"Sleep is one of the most important but least understood aspects of our life, wellness, and longevity ... An explosion of scientific discoveries in the last twenty years has shed new light on this fundamental aspect of our lives. Now ... neuroscientist and sleep expert Matthew Walker gives us a new understanding of the vital importance of sleep and dreaming"-- Amazon.com.

Television by Stream - Christina Adamou 2023-05-22

Online television streaming has radically changed the ways in which programs are produced, disseminated and watched. While the market is largely globalized with some platforms streaming in multiple countries, audiences are fragmented, due to a large number of choices and often solitary viewing. However, streaming gives new life to old series and innovates conventions in genre, narrative and characterization. This edited collection is dedicated to the study of the streaming platforms and the future of television. It includes a plethora of carefully organized and similarly structured chapters in order to provide in-depth yet easily accessible readings of major changes in television. Enriching a growing body of literature on the future of television, essays thoroughly assess the effects new television media have on institutions, audiences and content.

Sex Ed - School of Sexuality Education 2021

A positive, practical and empowering guide for teenagers, tackling sex and relationships in an inclusive and non-judgemental way ? created by the winners of the Pamela Sheridan Award for Innovation and Good Practice in RSE. Written and illustrated by the award-winning team at The School of Sexuality Education, who deliver expert workshops for teenagers, here is advice, reliable information and reassurance on sex and relationships... Covering key topics including consent and healthy relationships, sexuality and different kinds of sex, puberty and periods, contraception, porn and sexting, and much more besides! This book is not only full of advice for teenagers but a brilliant tool for their parents, carers and teachers, supporting all of the new RSE curriculum content (in the wake of recent updates) as well as answering FAQs and busting some popular myths along the way. Publishing after major updates to the national Relationships and Sex Education curriculum, as well as calls for widespread, high-quality sex education in the wake of the #MeToo movement and Everyone's Invited.

Sex Education: a Guide to Life - Jordan Paramor 2022-01-25

The official, must-have modern fully fleshed out guide to relationships, sex, and much more from the original Netflix series, Sex Education. Questioning your body? Not sure about how you feel? Worried if that thing is normal? Unlikely educator Otis Milburn and his friends offer frank, feminist, and positive guidance in this life-changing book. Cover everything from knowing your anatomy, feeling confident about how you look, and understanding how you feel, along with the topics of consent, sexuality, and the minefield that is modern love--this guide answers all the questions you are too scared to ask, in a language you will understand. With insight from your favorite Sex Education characters, quotes to live your life by, therapy notes, diagrams, tips, takeaways, and a whole lot of fun, this fully illustrated book is both a companion to the popular Netflix original series and a practical guide to navigating the real world.

LoveSex and Relationships - Cabby Laffy 2023-06-05

LoveSex and Relationships introduces a pleasure-focused rather than reproductive model of sex, exploring how our brains, minds, bodies and

emotions interact to create our experience of sexuality. This book challenges the cultural commodification of sex and sexuality, and it encourages the reader to experience 'being sexual' rather than 'doing sex' or 'looking sexy'. This is crucial to our development of sexual self-esteem, particularly in the digital era of pornography, dating and hookup apps. Bringing the material of the first edition up to date, chapters include anatomical diagrams and social commentary with a focus on trauma and Polyvagal Theory. Diversity and cultural changes are also addressed, including a more expansive understanding of gender identity, and greater awareness of the impact of power and rank in sexual relationships. Lastly, each chapter features a new partnered exercise alongside every solo exercise from the first edition. The book's accessible language makes it a valuable resource for sex and relationship therapists and trainees, general mental health and sex/relationship professionals, and clients themselves.

Influenced - Brian Boxer Wachler MD 2022-12-31

"This engaging, eye-opening book covers everything anyone would ever want to know about social media influencers." —Booklist, Starred Review
Unpacks and pulls the curtain back on what happens to our brains and our behaviors each time we addictively engage social media and the influencers we encounter there. Individuals seeking to widen their tribes of friends, fans, and followers have an abundance of resources for building their digital footprints and social media popularity. All of this seems well and good from the perspective of revenue, exposure, and perhaps ego-building, but what is the impact of this on the human brain and our behavior? Is anyone paying attention to the lurking side effects of the social media influencer revolution? As "Dr. Brian" Boxer Wachler—one of the world's most esteemed authorities on human perception—reveals in *Influenced: The Impact of Social Media on Our Perception*, we are oblivious to the mental evolution that is already in process. Science is proving that our addictive reliance upon social media and its influencers is having a demonstrable impact on how we think, feel, and perceive everything around us— and even how we react to stimuli. One might think that a "Like" is nothing more than a split-second

tap on a device. However, brain scans tell a different story. Our brains literally light up with every buzz, ding, alert, and ring in anticipation of how our network is responding to us. As we tap away at our devices, we anxiously seek the approval of others—often people we don't know. *Influenced* unpacks what happens to our brains and our behaviors each time we click "Like"; follow an influencer; consume a video; share or reshare an article; post or repost a photograph; write a comment; pile on a trend;; just scroll for new content; and why do we keep coming back for more. Dr. Boxer Wachler includes his own social and medical findings and highlights them with interviews with top influencers, the latest studies, and pop-culture anecdotes.

The Pocketbook of Audience Research - Joke Hermes 2023-12-18
Focusing on qualitative methods, *The Pocketbook of Audience Research* uses contemporary, global television and cross-media examples to explain essential approaches to audience research and outline how they can be employed. This handy guide is divided into three parts: the first part, 'Watching Post-Television', offers 'television' as a shortcut to understanding today's platform media and gives an introduction to key theoretical terms such as representation, identity and community. The second part, 'Methods with Method', introduces different methodological tools to study cross-media texts and practices from an audience-led perspective. With individual chapters covering ethnography, textual analysis and visual methodologies, this part also functions as a toolset and starting point for small research projects. The third part, 'Methods in Action', offers a variety of recent case studies to show how these methodological principles work in practice. Drawing on different genres from drama to sports, *The Pocketbook of Audience Research* gives a sense of what audience-led cross-media research can achieve. This concise, accessible book gives students, early-career researchers and creative professionals the tools to do useful and inspiring audience research, whether for a paper, a proposal or a market survey.

Sexuality Unmasked. -

Embark on an extraordinary journey of self-discovery, empowerment, and enlightenment with *Sexuality Unmasked*. This comprehensive guide

offers a refreshing perspective on sex education and relationships, providing invaluable insights and practical advice for individuals navigating the intricacies of their own sexuality and relationships. Written by a team of renowned experts in the field of human sexuality, *Sexuality Unmasked* is a groundbreaking book that throws aside the shame and stigma attached to discussing sex. It delves deep into the core issues surrounding sexuality, aiming to demystify and destigmatize the subject matter. This guide is an essential toolkit for individuals of all ages - from teenagers experiencing their first encounters with love and desire, to adults seeking to enhance their intimate relationships. *Sexuality Unmasked* addresses a wide range of topics, including understanding sexual orientation and gender identity, debunking prevailing myths and misconceptions, and providing comprehensive information on reproductive health. *Sexuality Unmasked* goes beyond just education - it explores the concept of empowered living. It encourages readers to embrace their unique identities, celebrate their desires, and establish healthy boundaries. With engaging activities and thought-provoking exercises, this book helps readers cultivate self-awareness and build the confidence necessary for empowered sexual expression. Whether you're seeking to engage in healthy relationships, explore personal desires, or simply broaden your knowledge on human sexuality, *Sexuality Unmasked* offers a refreshing and compassionate approach. With its balanced blend of scientific research and personal anecdotes, this guide provides a safe and inclusive space for readers to embark on their own transformative journey. Discover the power of

knowledge, self-acceptance, and empowerment through *Sexuality Unmasked*. Break free from the confines of societal norms, embrace your authentic self, and build fulfilling relationships based on respect, consent, and open communication. Let this book be your ultimate guide to achieving a deeply satisfying and liberated understanding of your own sexuality.

Sex Education: The Road Trip - Katy Birchall 2021-09-28

The only official *Sex Education* novel. When the screen binge is over, return to the world of Moordale with a brand-new story featuring the show's most popular characters. Maeve gets an unexpected call from her brother Sean. It's no surprise to her that he is in trouble again. But she's the only family he's got, so she must saddle up and ride to the rescue. Or at least, scrounge a lift from Aimee and drive there. . . . Otis and Eric insist they can help, and Maeve's mission becomes a summer holiday road trip. Sean's been partying with a group of decadent rich kids who have no accused him of a crime. The evidence against him is pretty damning. Trying to clear his name, Maeve and friends integrate themselves into the rich kids' circle--it's time to go undercover. Thanks to Eric's dance floor moves, Aimee's easy charm, and Otis's ability to offer good advice, they get to know the group. And they soon discover that Sean is not the only one with a motive for getting even with beautiful party girl Tabitha. This standalone YA/crossover story has everything fans love about the show: favorite characters with real emotional depth, no-holds-barred honesty about teenage relationships, brilliant humor, and a great new storyline, plus a compelling whodunit at its heart.
