Myopic Me! Freedom from Religion - John D Lane Jr 2023-07-12

When nine of us prayed at Holden Beach, we thanked God, though we had been the victims of the Shepherding Religion. But Jesus's proactive trip into the Wilderness had confronted an estimated forty-two hundred religions, according to current estimates. Jesus's bedrock actions, combined with His confrontation of "Legion," spelled the doom for religion's strongholds. Post-Holden Beach, my wife's dream revealed that "T-Jacks" come to snap at the ankles of every irreligious person, who nevertheless has formulated their own religion. They, we, become ensnared in the sweaty religion of Myopic Me! Paul says that Myopic Me!

perfectly describes the crooked generation's love of self and money, contemptuous of Law, acting with cruelty, disobedient to parents, boastful, and loving pleasure while scoffing at God. Paul tells us that religion comes to everyone who demotes Christ's finished work. Thus, my five books address these battlefields for the soul of man: Captured by the Faith-Time Continuum Jerusalem with Solomon & Einstein Made in the Bipolar Image of God Dividing Wall of Hostility Freedom from Religion **Shameless** - Jennifer Sucevic 2023-01-10

If I'm smart, I'll avoid her like the plague. Except...when have I ever been smart? Sure...I'll admit it, women have come and gone from my life since I was in high school. They're nothing more than a warm body to sink into at the end of a long day. Even though I'm upfront about not being interested in a relationship, there are always a few persistent females who think they'll be the one to change my mind. Don't worry, it doesn't take long to disabuse them of that notion. Once they realize a couple hours of fun between the sheets is all I'm looking for, they get the hint and move on to greener pastures. And you know what? That's exactly the way I like it. I've got enough on my plate with my new job as assistant coach for the Claremont Cougars and returning to college after a seven-year hiatus to finish up my degree. A woman is the last thing I want. Or need. I'm happy on my own. For the most part. All that changes when I run into a blonde bombshell in the guy's locker room. Once I lay my hands on her, it takes every ounce of self-restraint to set her free instead of dragging her closer the way I want. But releasing her is exactly what I do a few seconds before my new boss walks through the door. And introduces me to his daughter. Did I mention she's twenty? Which makes her completely off-limits. *Shameless is approximately 40,000 words and first appeared in the Kiss & Tell anthology* Topics-

Age gap, college romance, new adult, football romance, sports romance, college sports romance, coach's daughter, forbidden romance, humor, family, Claremont Cougars, Heartless. For readers who enjoy Helena Hunting, Elle Kennedy, Lex Martin, Lexy Timms, and Lisa Lang, Blakeney.

The Sex Lives Of Cannibals - J Maarten Troost 2010-05-25

Fantasized about quitting the 9-5? Walking away from credit card debt and student loans? Think living in the South Pacific for two years sounds like a perfect solution and perhaps even a winning idea for your first novel? Maarten Troost does just that, setting up as a devil-may-care islander while his girlfriend, Sylvia, gets to work on saving the planet, or at least a little part of it on an end-of-the-world atoll, Tarawa. Life on Tarawa resembles not so much paradise as a theatre of the absurd where planes fly with the aid of masking tape, Coconut Stalinism prevails as national government and Sylvia is co-opted by the CIA to spy on the Chinese. But abandoning continental hang-ups like barbequeing the local dogs and watching on as international industrial fishing trawlers plunder the world's richest tuna supply aren't so easy. Perhaps only by following the locals and letting go, one just might find a better way to live...

The Snark Bible - 2014-09-02

The lord of snark, Lawrence Dorfman, is back! With this treasury of backhanded compliments, sarcastic insults, and catty comebacks, Dorfman gives us transformative wisdom that's sure to change your life—or at least induce a light chuckle. One question plagues us all: How do we survive all the Sturm und Drang of everyday life? The answer is but one word: snark. “She wears her clothes as if they were thrown on by a pitchfork.” —Jonathan Swift “Why don't you get a haircut? You look like a chrysanthemum.” —P. G. Wodehouse “He's a mental midget with the IQ of a fence post.” —Tom Waits “They hardly make 'em like him anymore—but just to be on the safe side, he should be castrated anyway.” —Hunter S. Thompson “He has a Teflon brain . . . nothing sticks” —Lily Tomlin “He has no more backbone than a chocolate éclair.”

—Theodore Roosevelt Snark will keep the wolves at bay (or at least out on the porch). Snark, much like a double scotch, will help you deal with relatives, shopping, and rudeness; it is an outlet for the unleashed vitriolic bile that's saved itself up over the months. Like a shield, it will protect you while you go about your life. Snark is your answer!

Boyle-Breath - Murray L. Peters 2013-12

Teacher Mr Bernard Boyle (aka Bernard0 B0ilinni Ringhi0 di R0ssi of the Orb Zeronia) was almost out of breath, but never of magical Boyle-Breaths - good and bad! ('BOYLE-BREATH' - Bk1). Bernard had just been made Acting Head at Roquefort High School, and Bernard0 had saved a teenage school suicide 'jumper' off Roquefort's infamous '3Rs' bridge, its Rogue-Rapids Roadbridge; but at the action-packed end of Bernard's first term as a Depute Head ('BOYLE-BREATH BREATHEs' - Bk2) the High's Mr Damien Mortenson had resigned. Aaron Brown somehow had survived; but Damien had had enough, especially his having found out that school bully-chief Nikki Dedson's evil-mentor Cameron Mitchell was his own (previously sent for adoption) son! Quite why Dedson's helper-in-chief Aaron Brown had tried to kill himself was a secret known only to the Bernards and the boy himself. A new school term beckoned, so schoolchildren and their families did too (indeed Boyle's half-Zero children Rino and Zea were now both 13 - younger Zero girls catching up with '0' brothers in actual human age as well as the usual intelligence and behaviour). Bullying was continuing also; séances, ghosts and vampires, dream-haunting and clinical depression - but murder? Social Workers, they're always about somewhere, always for the best yeah? Immigrants and gypsies, angels and devils, tattooists and em referees? IEDs...! (But what if that Time-shifting sniper Mortenson had been able to pull the trigger on Lady Di...; what if the Confederates won the American Civil War...would Abraham Lincoln have become a Vampire Slayer? That 'Butterfly Effect' theory, Ray, does it hold truth? Really, really?) Father Stephen O'Reilly, what of him...a Time-travelling priest?

Bless me Father!! Remember HIM &HER? Mm well of course you do! What if Richard and Faith decided to get married and tell everyone everything in the end?! Nikki Dedson: the Bully extraordinaire? Yes, he's still alive, but he's in two worlds now. Is he still a bully? Of course he is, and in both! Boyle-Breath is a stinker, but with all those earthly pongs and perfumes at his beck and call he could, he had, and he would continue to help change noses, minds, lives, worlds! What was Mr Boyle to do first though? How was his Zeronian 'half' Bernard0 to help? Where was a question: Earth &/or Zeronia? When was the subsequent problem...the Past, the Present; the Future They'd begin...at the End. "Boyle-Breath Breathes" - 'BREATH TAKING!' The Zeronian Bugle.

Too Much Information - Missy Johnson 2018-06-16

We've all been there. One minute, you're sprawled out on your bed, minding our own business and the next you're lying in the back seat of your best friend's car as she races you to the ER. And not the closest one either. No. You're headed to the one fifty miles farther out, because the one five minutes away is where you start your residency next week. So there you are, lying in cubicle nine, hoping like hell that the doctor about to examine you isn't young, sexy or male. Of course he's all three. Telling him about the clitmaster7000 I have lodged inside me is by far the single most embarrassing moment of my life. Discovering he's my brother's new roommate is even worse.

Look Who's Back - Timur Vermes 2014-03-27

THE SMASH-HIT HITLER SATIRE - MORE THAN 3 MILLION COPIES SOLD "A brilliant book" RUSSELL KANE "Brilliant and hilarious" KEN FOLLETT A box-office-hit film now available on NETFLIX A two-part BBC Radio 4 Dramatisation directed by and starring David Threlfall (Shameless) Berlin, Summer 2011. Adolf Hitler wakes up on a patch of open ground, alive and well. Things have changed - no Eva Braun, no Nazi party, no war. Hitler barely recognises his beloved Fatherland, filled with immigrants and run by a woman. People certainly recognise him, albeit as a flawless impersonator who refuses to break character.

The unthinkable, the inevitable happens, and the ranting Hitler goes viral, becomes a YouTube star, gets his own T.V. show, and people begin to listen. But the Führer has another programme with even greater ambition - to set the country he finds a shambles back to rights. Look Who's Back stunned and then thrilled 1.5 million German readers with its fearless approach to the most taboo of subjects. Naive yet insightful, repellent yet strangely sympathetic, the revived Hitler unquestionably has a spring in his step. Translated from German by Jamie Bulloch

A Round-Heeled Woman - Jane Juska 2010-03-30

'Before I turn 67 - next March - I would like to have a lot of sex with a man I like. If you want to talk first, Trollope works for me.' - Small ad in the New York Review of Books Jane Juska placed her ad in the New York Times and the response was overwhelming. She took a sabbatical from teaching just to have time to respond and meet some of the men - the result is this engaging, funny and utterly frank account of her exploits. It's high time someone revealed the fact that older single people are as eager for sex and intimacy as their younger counterparts. Jane Juska's brave and honest memoir raises eyebrows and blood pressure in what is undoubtedly an inspiring account of one woman's daring adventures in sex and romance.

Through My Eyes - Donna Herbison 2015-05-19

When Eve opened her eyes, she must have beheld the most beautiful garden in the world; what pain she must have felt to see that all destroyed by one bite of the forbidden fruit. Jezebel was a powerful queen married to a spineless king; it all fell apart when her husband was murdered. Bathsheba was the wife of a beloved king, but not the only one; she had to share her honor with others. We know who Esther was, but do we know about Vashti, the queen she replaced? We hear nothing of Jesus's mother after his crucifixion; church history doesn't stop there. Jesus spoke to the woman at the well in Samaria; what happened after that? The Bible gives us hints into the lives of these and many other women, many whom we hardly know. This is a look into what they may have been thinking. Scripture references are backed up with Jewish and early Christian traditions, rabbis, and first century historians as these women tell their stories through their own eyes.
