Sex, Love, and Families -

Jason King 2020-04-15

2021 Association of Catholic Publishers first place award in theology 2021 Catholic Media Association Award first place award in marriage and family living Six years into the papacy of Pope Francis, Catholics are still figuring out how to respond to his image of the church as a field hospital—a church that goes into the streets rather than remaining locked up behind closed doors. Marriage and family are primary sites of the field

hospital, called to meet people's need for healing and accompaniment with compassion and love. The authors of this collection—all lay, a mix of single and married, traditional and progressive Catholics—take up this work. They offer practical wisdom from and critical engagement with the Catholic tradition but avoid rehashing decades-old theological debates. Instead, their essays engage with and respond to realities shaping contemporary family life, like religious

pluralism, technology, migration, racism, sex and gender, incarceration, consumerism, and the call to holiness. The result is a collection that envisions ways that families can be places of healing and love in and for the world. List of contributors: Jennifer Beste Megan K. McCabe Elizabeth Antus Kathryn Lilla Cox Kent Lasnoski Hoon Choi Cristina L. H. Traina Craig A. Ford Jr. Bridget Burke Ravizza Julie Donovan Massey Emily Reimer-Barry Richard Gaillardetz Timothy O'Malley Sandra Sullivan-Dunbar Kathryn Getek-Solis Kari-Shane Davis Zimmerman Jana Marguerite Bennett Victor Carmona Gemma Tulud Cruz Daniel Olsen Thomas Beaudoin Christine Firer Hinze David Cloutier Marcus Mescher Sue Muldoon Timothy Muldoon Mary M. Doyle-Roche Jason King Julie Rubio *Sexuality, Marriage, and Family* - Paulinus Ikechukwu Odozor 2001 This comprehensive volume brings together an impressive

array of Christian writers to examine sexuality, marriage, and family from the perspective of scripture, ancient Christian writers, Christian history, the official teachings of the Catholic Church, and contemporary theological reflection. As useful as it is profound, *Sexuality, Marriage, and Family* offers an in-depth exploration of the moral and ethical considerations surrounding issues such as sexuality, divorce, remarriage, conception, and sexual equality. It is an invaluable resource for college-level courses on marriage, parish-based marriage preparation courses, and the general reader who wishes to explore the issues, debates, and development of the Catholic tradition on sex, marriage, and family.

Christian Perspectives on Sexuality and Gender -

Elizabeth Stuart 1996

Christian Perspectives on Sexuality and Gender is a collection of important, challenging and creative articles. Originally published separately in different journals they are offered here for the first time to a wider audience. The writers represent a variety of Christian (and one non-Christian) responses to issues such as: sexuality and the Christian tradition; sexuality and gender; power and relation; marriage; sexuality and spirituality; love; gay and lesbian sexuality; the body; sexuality and love; sexuality and violence; sexuality and singleness and the family. *Christian Perspectives on Sexuality and Gender* will prove a vital and invaluable resource to scholars, students and all those interested in Christianity's attempts to wrestle with issues of sexuality and gender.

Sexuality, Partnership and Marriage - Wolfgang Gädeke

1998

Sexuality, partnership, and marriage present us with some of the most difficult life challenges and questions of our time. With social attitudes in constant flux, some of these questions seem almost unanswerable. What is a healthy relationship? What is the role a partner--whether male or female? What is the place of sexuality in a relationship? Are marriage and monogamy still relevant in the twenty-first century? In this invaluable collection of accessible interviews and lectures, the author deals with these and many other questions with refreshing candor. Having gained much knowledge from his many years of work as a priest, marriage counselor, and studies of Anthroposophy, Gädeke's approach is full of spiritual insight, as well as frank, practical, and down to earth. Some of the themes discussed are overcoming blocks to communication; finding one's essential self within a marriage; the role of children

in a relationship; sexuality and children; perversions; the role of counseling; relationships and monogamy; the concept of marriage and its spiritual repercussions; biological and soul differences; and, the fundamental sexual polarity of man and woman. Bioethics, Law, and Human Life Issues - D. Brian Scarnecchia 2010-06-02

Bioethics, Law, and Human Life Issues: A Catholic Perspective on Marriage, Family, Contraception, Abortion, Reproductive Technology, and Death and Dying draws on the Magisterial teaching of the Catholic Church to outline a Catholic response to a host of controversial issues related to

human life. Scarnecchia lays out a Catholic moral theology based on the writings of Pope John Paul II and Thomas Aquinas, and he then applies those Christian moral principles to today's most contentious ethical issues, including reproductive technology, embryo adoption, contraception, abortion, family and same-sex marriage, and euthanasia and assisted suicide. This review of Catholic moral principles brings together an in-depth consideration of the central human life issues of our day with abundant reference to the Church's social teaching and to contrasting positions of today's leading ethicists.

Celebrating Christian Marriage - Adrian Thatcher 2002-04-30

The interest in marriage and the future of marriage is urgent and increasing. This collection of expert research, analysis and discussion may be the most significant ever assembled on this subject. There are contributions from different continents and

cultures; from Roman Catholic, Protestant, Anglican and Orthodox traditions; from theologians and many other professionals - including historians, social theorists, sex therapists, lawyers, psychiatrists and demographers - all in conversation with the idea of Christian marriage. There are introductions to each topical section by Adrian Thatcher: Marriage at the Start of the Millennium, Beginning Marriage, Love and Marriage, The Marriage Relationship, Children and Marriage, Single-Sex Marriage, Ending Marriage - Roman Catholic Perspectives, Ending Marriage - Anglican Perspectives.

Marital Intimacy - Joan Meyer Anzia 1980

Marriage and Gift - Josephine Robinson 2004

A treasure trove of the Catholic Church's feeling on marriage written in an engaging style for those planning a wedding as well as for those married for 50 years It deals with the preparations for marriage as

well as resolving marital conflicts, and sees marriage as central to God's plan for humanity.

Chastity Is for Lovers -

Arleen Spenceley 2014-11-28

Winner of a 2015 Catholic Press Award: Books for Teens and Young Adults (First Place).

In 2012, journalist Arleen Spenceley outed herself as a twenty-six-year-old virgin in a Tampa Bay Times op-ed that went viral. In *Chastity Is for Lovers*, Spenceley expands on that piece, advocating Catholic teaching on sex and marriage with candor and humor, and without judgment. In her debut book, seasoned journalist and self-professed “happy virgin” Arleen Spenceley offers a mature, funny, and relatable vision of Catholic teaching on chastity for young adults.

Chastity Is for Lovers provides perspective on a variety of topics—the difference between chastity and abstinence, how virginity is an affirming and valuable life choice, how the word “purity” can be harmful in ministry settings, how to date well, and why sexual self-

control is the best form of marriage preparation—and gives single adults the best possible chance to find true love. She carefully avoids using language that shames readers and instead presents a view of chastity that is joyful and positive.

Same-Sex Marriage - Peter D. Williams 2012

The Pope and the pill - David Geiringer 2019-10-23

This book is about the sexual and religious lives of Catholic women in post-war England. It uses original oral history material to uncover the way Catholic women negotiated spiritual and sexual demands at a moment when the two increasingly seemed at odds with each other. It also examines the public pronouncements and secretive internal documents of the central Catholic Church, offering a ground-breaking new explanation of the Pope's decision to prohibit the Pill in 1968. The material gathered here offers a fresh perspective on the idea that 'sex killed

God', reframing dominant approaches to the histories of sex, religion and social change. The book will be essential reading not only for scholars of sexuality, religion, gender and oral history, but anyone interested in social and cultural change more broadly.

Jesus and the Church - Ave Maria Press 2014-10-06

(© 2015) The Subcommittee on the Catechism, United States Conference of Catholic Bishops, has found that this catechetical high school text is in conformity with the Catechism of the Catholic Church and fulfills the requirements of Core Course IV of the Doctrinal Elements of a Curriculum Framework for the Development of Catechetical Materials for Young People of High School Age. Students deepen their understanding of Jesus Christ, the fullness of God's Revelation, as they encounter him in the living Body of Christ, the Catholic Church. Jesus and the Church: One, Holy, Catholic, Apostolic supports Course IV of the

USCCB curriculum and is the first high school textbook released by Ave Maria Press in its new Encountering Jesus series. As they engage with the content of this text, students will recognize Christ present and active in their lives through the visible and vibrant mission of Church, defined by her four characteristics--one, holy, catholic, and apostolic. While Jesus and the Church places the foundations of the Church in their historical and scriptural context, the textbook goes further by guiding students to recognize the sacred nature of the Church and engaging them to more actively participate in the living Body of Christ and serve as witnesses to the sacred Gospel in the world today. Simply put, the goal of the book--as in the Encountering Jesus series as a whole--is to change the lives of students by making real-life connections between what they are learning about the Church and how they encounter Jesus in the contemporary world.

Good News about Sex and

Marriage - Christopher West
2018-12-11

West strives to respond to the sincere, pointed questions he hears from those he encounters in his speaking and teaching with sincere, direct, and thorough responses that address this most intimate area of human life. His teaching is rooted in St. John Paul II's revolutionary Theology of the Body. New in this edition is a much-needed chapter on questions of gender identity.

Sexual Diversity and Catholicism - Joseph A. Coray
2015-04-09

The Roman Catholic Church has in recent decades sent mixed signals with regard to discrimination based on sexual identity. On the one hand, official documents have condemned violence and verbal abuse directed at persons of different sexual orientation; on the other hand, the Church has approved and lobbied for certain types of discrimination: in housing and employment, for example, and also with regard to marriage or civil unions.

Sexual Diversity and

Catholicism focuses specifically on Roman Catholic magisterial teachings on sexual diversity. It also wrestles with explicitly Roman Catholic views of the relationship among various sources of moral wisdom (between Church teachings, the Bible, philosophy, science and experience) and how their interplay might contribute to the further development of Church teaching. It addresses the issue of sexual diversity and its legitimate expression under the headings Interpreting Church Teachings, Interpreting the Bible, Interpreting Secular Disciplines, and Interpreting Human Experience. Part One: Interpreting Church Teachings, includes My Brother Dan," by Bishop Thomas J. Gumbleton; "Unitive and Procreative Meaning: The Inseparable Link," by James P. Hanigan; "The Bridegroom and the Bride: The Theological Anthropology of John Paul II and Its Relation to the Bible and Homosexuality," by Susan A. Ross; and "The Church and Homosexuality: A Lonerganian

Approach," by Jon Nilson. Part Two: Interpreting the Bible contains "The Promise of Postmodern Hermeneutics for the Biblical Renewal of Moral Theology," by Patricia Beattie Jung; "Questions About the Construction of (Homo)sexuality: Same-Sex Relations in the Hebrew Bible," by Robert A. Di Vito; "Romans 1:26-27: The Claim That Homosexuality Is Unnatural," by Leland J. White; "The New Testament and Homosexuality?" by Bruce J. Malina; and "Perfect Fear Casteth Out Love: Reading, Citing, and Rape," by Mary Rose D'Angelo. Part Three: Interpreting Secular Disciplines includes insights from the human and social sciences: "Homosexuality, Moral Theology, and Scientific Evidence," by Sidney Calahan; "Informing the Debate on Homosexuality: The Behavioral Sciences and the Church," by Isaiah Crawford and Brian D. Zamboni; and "Harming by Exclusion: On the Standard Concepts of Sexual Orientation, Sex, and Gender," by David T.

Ozar. Part Four: Interpreting Human Experience, brings the voices of two of the Church's faithful women: "Papal Ideals, Marital Realities: One View From the Ground," by Cristinal. H. Traina; and "Catholic Lesbian Feminist Theology," by Mary E. Hunt.

Intimate Bedfellows - Thomas Finn 1992-11-20

A young adult's clear and friendly introduction to the Church's teachings on sexuality and love, cohabitation and the use of contraceptives. Stresses the dignity of each person.

Just Love - Margaret A. Farley 2006-01-01

Examines the sexual beliefs and practices of different religions, cultures, genders, and relationships to propose a modern-day framework on the topic that is more focused on love rather than sex.

Sex and Marriage - John M. Hamrogue 1987

Made for Love - Michael Schmitz 2018-07-01

In *Made for Love*, Fr. Michael Schmitz presents the Catholic

teaching on same-sex attraction and same-sex "sexual" relations. He begins by giving background information regarding the different worldviews of the human person, the philosophical ideas of nature and purpose, the differences between objective and subjective truth, the principal of non-contradiction, and the fallen human nature that resulted from Original Sin. He then discusses in great detail the nature and ends of human sexuality and the nature of true love, while, in a compassionate and non-judgmental way, explaining the flawed nature of same-sex "sexual" relations. While this book is intended primarily for those who have same-sex attraction and their family and friends, its presentation of the compassionate truth of Catholic teaching on same-sex attraction will be of great benefit to everyone in today's society.
