

# Sex For Life

**Sane Sex Life and Sane Sex Living** - H. W. Long 2006-12-01

Despite its rather staid subtitle-"Some Things That All Sane People Ought to Know About Sex Nature and Sex Functioning; Its Place in the Economy of Life, Its Proper Training and Righteous Exercise"-this 1919 volume may well be one of the most forthright books about human sexuality written in the pre-Joy of Sex era. Actively campaigning against societally sanctioned ignorance, medical doctor HARLAND WILLIAM LONG (b. 1869) uses clinical yet passionate language in his call for men and women alike to be fully educated about their own bodies as well as those of their lovers. This straightforward work is still startling today in its advocacy of detailed explanation not just of the physical act of sex but of the emotional art of lovemaking, its advocacy of masturbation, and its insistence on celebrating the uniquely spiritual, though not necessarily religious, aspects of love and marriage. This is must-reading for anyone who believes that frank and honest sex education is an invention of the 1960s-and for anyone who wishes to contest that misbelief.

**Sex Life** - Pamela Stephenson 2011

When did your sexual experiences start? Are you having more virtual sex than real sex? Can you have too much or not enough sex? What exactly is 'normal'? Bestselling author and leading sex therapist, Pamela Stephenson-Connolly takes us on an eye-opening journey to explode the myths and answer the embarrassing questions we've always wanted to ask about sex and our insatiable appetite for it. Drawing on the latest research and on hundreds of intimate interviews with ordinary people of all ages, appetites and backgrounds, Stephenson-Connolly reveals how the ever-present sexual force in each of us evolves throughout our lives, from our first months in the womb up right until our nineties. She also shows that there is no such thing as 'normal' and that anything goes when it comes to sex as long as it is safe, sane and consensual. The result is an intimate portrait of our sexual selves that dispels the myths, guilt and mystery surrounding sex and our sexual urges. Hugely informative, always entertaining and at times shocking, this is arguably one of the most enlightening books on sex ever published. Read a sample chapter Meet Pamela on her author tour!

**Has Anyone Seen My Sex Life?** - Kristen Bailey 2020

Power, Sex, Suicide - Nick Lane 2006-10-26

Mitochondria are tiny structures located inside our cells that carry out the essential task of producing energy for the cell. They are found in all complex living things, and in that sense, they are fundamental for driving complex life on the planet. But there is much more to them than that. Mitochondria have their own DNA, with their own small collection of genes, separate from those in the cell nucleus. It is thought that they were once bacteria living independent lives. Their enslavement within the larger cell was a turning point in the evolution of life, enabling the development of complex organisms and, closely related, the origin of two sexes. Unlike the DNA in the nucleus, mitochondrial DNA is passed down exclusively (or almost exclusively) via the female line. That's why it has been used by some researchers to trace human ancestry daughter-to-mother, to 'Mitochondrial Eve'. Mitochondria give us important information about our evolutionary history. And that's not all. Mitochondrial genes mutate much faster than those in the nucleus because of the free radicals produced in their energy-generating role. This high mutation rate lies behind our ageing and certain congenital diseases. The latest research suggests that mitochondria play a key role in degenerative diseases such as cancer, through their involvement in precipitating cell suicide.

Mitochondria, then, are pivotal in power, sex, and suicide. In this fascinating and thought-provoking book, Nick Lane brings together the latest research findings in this exciting field to show how our growing understanding of mitochondria is shedding light on how complex life evolved, why sex arose (why don't we just bud?), and why we age and die. This understanding is of fundamental importance, both in

understanding how we and all other complex life came to be, but also in order to be able to control our own illnesses, and delay our degeneration and death. 'An extraordinary account of groundbreaking modern science... The book abounds with interesting and important ideas.' Mark Ridley, Department of Zoology, University of Oxford

**Come As You Are: Revised and Updated** - Emily Nagoski 2021-03-02

A revised and updated edition of Emily Nagoski's game-changing New York Times bestseller *Come As You Are*, featuring new information and research on mindfulness, desire, and pleasure that will radically transform your sex life. For much of the 20th and 21st centuries, women's sexuality was an uncharted territory in science, studied far less frequently—and far less seriously—than its male counterpart. That is, until Emily Nagoski's *Come As You Are*, which used groundbreaking science and research to prove that the most important factor in creating and sustaining a sex life filled with confidence and joy is not what the parts are or how they're organized but how you feel about them. In the years since the book's initial publication, countless women have learned through Nagoski's accessible and informative guide that things like stress, mood, trust, and body image are not peripheral factors in a woman's sexual wellbeing; they are central to it—and that even if you don't always feel like it, you are already sexually whole by just being yourself. This revised and updated edition continues that mission with new information and advanced research, demystifying and decoding the science of sex so that everyone can create a better sex life and discover more pleasure than you ever thought possible.

**The Secret Life of Love and Sex** - Terence Watts 2014-06-27

Just as a relationship needs love and sex to nurture it, so there are times when lies and secrets are necessary too. Some people seem to be able to get the balance just right without really trying very hard at all, while others never do seem to 'get it'. Yet it's an easy trick to learn and here's your chance, because all these things and lots more are covered in vivid detail: Why personality matters and how to work it out; Understanding the amazing differences between men and women; How to get off to a good start; How to get back on track when things go wrong; Dealing with sexual difficulties - easily; Handling a break up by taking charge and ending it elegantly. Sharing your life with another is not an easy task - in fact the surprise is not so much that it often doesn't work but that it can be spectacularly successful! From page one onwards, you will begin to gain a stunning insight into how you can find and keep the love you've always wanted. Written by an expert in relationships and human nature, this book can set you on your way to true happiness.

*Great Sex for Life* - Linda Sonntag 1997

Sex Before the Sexual Revolution - Simon Szreter 2010-10-14

What did sex mean for ordinary people before the sexual revolution of the 1960s and 1970s, who were often pitied by later generations as repressed, unfulfilled and full of moral anxiety? This book provides the first rounded, first-hand account of sexuality in marriage in the early and mid-twentieth century. These award-winning authors look beyond conventions of silence among the respectable majority to challenge stereotypes of ignorance and inhibition. Based on vivid, compelling and frank testimonies from a socially and geographically diverse range of individuals, the book explores a spectrum of sexual experiences, from learning about sex and sexual practices in courtship, to attitudes to the body, marital ideals and birth control. It demonstrates that while the era's emphasis on silence and strict moral codes could for some be a source of inhibition and dissatisfaction, for many the culture of privacy and innocence was central to fulfilling and pleasurable intimate lives.

**Saving Your Sex Life** - John P. Mulhall 2013-05-22

In a straightforward style, Dr. John Mulhall guides the reader through the basics of male sexuality, explains

the role of testosterone, the functions of the prostate, and the common difficulties men encounter when disease strikes. In plain language, this book spells out the causes and symptoms of prostate disease and diseases of the lower urinary tract and the approach to deal with the aftermath of treatment.

Suit - BB Easton 2019-11-19

Find out if the ultimate party girl might finally be ready to settle down in this final spinoff novel after 44 CHAPTERS ABOUT 4 MEN, the book that inspired the hit Netflix original series SEX/LIFE. "Since when are you into guys who wear ties?" It was true. By her mid-twenties, BB's type had been well established—and good guys need not apply. Which is exactly why she had to friend-zone Ken Easton. The man was a former football star, smelled like fresh laundry instead of stale cigarettes, and had more ties in his closet than tattoos on his knuckles. BOR-ING. But the more she got to know her gorgeous study buddy, the more she wondered: Why doesn't he date? Why does he avoid human touch? Why does he hate all things fun and wonderful? The psychology-student side of her became obsessed with getting inside Ken's head, while the romantic side of her became obsessed with getting inside his heart. Soon BB discovers the one thing she loves more than bad boys is a good challenge. "BB Easton has a talent like no other to hook the reader and she never lets you go with Suit. One I'm going recommend over and over again. Flawless!" —Brittainy C. Cherry, author of Eleanor & Grey To view a comprehensive content warning, please visit the author's website.

**Sex Up Your Life** - Archambault Julie 2020-01-30

Sex Intrigues, Scares, Destroys, Excites, Fulfills Sex is a portal into some of the most elated states, and yet, the most painful and heart-wrenching ones as well. Sex can destroy you, and yet it can also propel you into a state of ultimate oneness. So what is that tipping point that allows you to go from destruction to construction? Sex up Your Life will pave the way to UP your connection and intimacy in sex. In this collection of real-life stories and interviews--from Indie Music Producers, International Sex Educators, Creatives, Models, Corporate Jet-Setters, Sex Workers, Bisexual Muslims, Transgender Folk undergoing gender reassignment, Men, Women, Mothers, Fathers, and many more--holistic educator Julie Archambault has crafted a fascinating and revealing portrait of sex. The founder of Co-creative Sex, Julie forges a new paradigm where sex, relationships, and personal growth go hand in hand. Everyone is dealing with something --and that something has a lot to teach you about yourself. Sex Up Your Life offers a unique "Continuum for Connection for Sex"--brought to life by collected stories of struggle and triumph--to guide you from destructive disconnect to blissful sexual for sex in your life. Order your copy of Sex Up Your Life today or click Amazon's "Look Inside" feature to begin reading the first chapter.

**Sizzling Sex for Life** - Michael Castleman 2021-01-12

Michael Castleman, the world's most popular sex expert, has written the most comprehensive, authoritative, reassuring, and practical guide to lifelong pleasure for men and the women who love them. Library Journal calls him "one of the nation's top health writers." Medical journalist Michael Castleman has answered more than 12,000 sex questions throughout his career, including on his website GreatSexGuidance.com, through his "All About Sex" blog on Psychology Today, or even when he used to answer all the sex questions for Playboy's "Advisor" column in the '90s. From his numerous years of experience comes this, the most thorough consumer sexuality guide ever written. It's full of state-of-the-art sex information and sage advice, all written by a decades-long trusted sex author. Sizzling Sex for Life addresses men, but is exquisitely sensitive to women's sexual sensibilities. While it focuses on sexual enhancement and the resolution of individual and couple sex problems, it transcends similar books by delving into social/political sexual issues, including school sex education and pornography—and in today's fraught #MeToo environment, prevention of sexual assault and harassment. This compelling, sex-positive guide will benefit men and women, from the teen years to old age. It offers an in-depth investigation of sexual issues throughout the lifespan, based on 2,500 studies published over the past seventy years—more source material by far than any other sex guide. This book truly does it all, and does it respectfully. It reassures men that their sexual concerns can usually be happily resolved with self-help or brief professional therapy: penis size issues, premature ejaculation, orgasm/ejaculation difficulties, arousal problems, and erectile dysfunction. It comforts women that they can rediscover lost libido, have orgasms every time, and cure their sexual pain. It assures couples that their leading sexual complaint, desire differences, can usually

be resolved to mutual satisfaction. It reassures parents that they can maintain their sex lives, provide effective sex education to their children, and survive today's young-adult hook-up culture. It informs the elderly and those with chronic illnesses and disabilities that great sex is still possible. It reassures sexual minorities that they are psychologically normal and that LGBT sex, BDSM, and consensual non-monogamy are more popular than most people believe. Whether for procreation, relationship affirmation, or just for fun, lovemaking is normal, healthy, nurturing, often therapeutic, and usually emotionally satisfying. Whether you're looking to learn more, have a specific question, or just want to spice things up between the sheets, this is your ultimate guide to better enjoy one of life's top pleasures.

The Best Sex for Life - Dr Patricia Weerakoon 2014-05-30

A good marriage includes a happy and fulfilling sex life—that's the way God planned it! The world would have us believe that we're entitled to sex that's frequent, exciting and orgasmic. And if it's not, it's usually our spouse's fault and we should look elsewhere. Whether you're feeling dissatisfied or simply looking for some extra spice, The Best Sex for Life will help you to understand God's purpose for sexuality and to shift your approach to intimacy. It discusses day-to-day activities plus hot topics like premarital sex, infidelity, pornography, sex toys, sexual dysfunctions and variant sexual practices. No matter whether you are engaged, a newlywed or have been married for many years, discover how to have the best sex for life!

**Birds Do It, Too** - George H Harrison 2014-07-12

Straight from the internationally renowned bird-watching team of Kit and George Harrison comes the shocking, eye-opening truth: raw facts of love and sex among the feathered species. In Birds Do It, Too—the Harrisons introduce the reader to multiple variations of love among birds, ranging from the friendly wren in your backyard to the over-endowed alpine accentor, from the cuckolded chickadee to the lesbian gulls of Santa Barbara Island. The details are fascinating, amusing and frank. With a light, wry touch, the Harrisons chronicle scientifically accurate tidbits, as illustrator Michael James Riddet wields a delicate pencil capturing each moments in striking black-and-white detail.

Sex for Life - Laura Carpenter 2012-02

Sexual beliefs, behaviors and identities are interwoven throughout our lives, from childhood to old age. An edited collection of original empirical contributions united through its use of a distinctive, cutting-edge theoretical framework, Sex for Life critically examines sexuality across the entire lifespan. Rooted in diverse disciplines and employing a wide range of research methods, the chapters explore the sexual and social transitions that typically map to broad life stages, as well as key age-graded physiological transitions, such as puberty and menopause, while drawing on the latest developments in gender, sexuality, and life course studies. Sex for Life explores a wide variety of topics, including puberty, sexual initiation, coming out, sexual assault, marriage/life partnering, disability onset, immigration, divorce, menopause, and widowhood, always attending to the social locations – including gender, race, ethnicity, and social class – that shape, and are shaped by, sexuality. The empirical work collected in Sex for Life ultimately speaks to important public policy issues, such as sex education, aging societies, and the increasing politicization of scientific research. Accessibly written, the contributions capture the interplay between individual lives and the ever-changing social-historical context, facilitating new insight not only into people's sexual lives, but also into ways of studying them, ultimately providing a fresh, new perspective on sexuality.

How To Think More About Sex - Alain de Botton 2012-05-10

Think more about sex by thinking about it in a different way. In this rigorous and supremely honest book Alain de Botton helps us navigate the intimate and exciting – yet often confusing and difficult – experience that is sex. Few of us tend to feel we're entirely normal when it comes to sex, and what we're supposed to be feeling rarely matches up with the reality. How To Think More About Sex argues that 21st-century sex is ultimately fated to be a balancing act between love and desire, and adventure and commitment. Covering topics that include lust, fetishism, adultery and pornography, Alain de Botton frankly articulates the dilemmas of modern sexuality, offering insights and consolation to help us think more deeply and wisely about the sex we are, or aren't, having. Discover more books from The School of Life: How to Stay Sane by Philippa Perry How to Find Fulfilling Work by Roman Krznaric How to Worry Less About Money by John Armstrong How to Change the World by John-Paul Flintoff How to Thrive in the Digital Age by Tom Chatfield How to Think More About Sex by Alain de Botton

**Getting Your Sex Life Off to a Great Start** - Clifford Penner 1994-11-10

Many couples put more planning into the wedding ceremony than they do for what comes after the wedding. Intelligent, deliberate preparation for a lifetime of sexual leasure is a worthy investment you won't regret. In *Getting Your Sex Life Off to a Great Start*, renowned sexual counselors and best-selling authors Clifford and Joyce Penner guide you through an encouraging process that begins by dispelling sexual myths and then guides you in getting to know yourself and each other emotionally and physically. With reassuring enthusiasm and straightforward advice, the Penners show you how to clarify your expectations and pursue the joyous marital passion described in Scripture. Through creative, step-by-step exercises and easy-to-understand examples, you'll learn how to: Design a successful honeymoon Prepare for your first sexual time together Choose and use family planning Create a mutually enjoyable wedding night Get past disappointments Keep the spark alive Thousands of couples have discovered the marvelous gift of a positive sexual relationship through the Penners' helpful books and enlightening seminars. As your wedding day nears-or even if you're already newlyweds-this extraordinary book will help you get your sex life off to a great start.

*A Matter of Life and Sex* - Oscar Moore 1992

*44 Chapters About 4 Men* - BB Easton 2019-11-19

One woman's secret journal completely changes her marriage in this hilarious and biting memoir—the inspiration for the Netflix Original Series *SEX/LIFE*. School psychologists aren't supposed to write books about sex. Doing so would be considered "unethical" and "a fireable offense." Lucky for you, ethics was never my strong suit. *Sex/Life: 44 Chapters About 4 Men* is a laugh-out-loud funny and brutally honest look

at female sexuality, as told through the razor-sharp lens of domesticated bad girl BB Easton. No one and nothing is off limits as BB revisits the ex-boyfriends—a sadistic tattoo artist, a punk rock parolee, and a heavy metal bass player—that led her to finally find true love with a straight-laced, drop-dead-gorgeous . . . accountant. After settling down and starting a family with her perfectly vanilla "husbot," Ken, BB finds herself longing for the reckless passion she had in her youth. She begins to write about these escapades in a secret journal, just for fun, but when Ken starts to act out the words on the pages, BB realizes that she might have stumbled upon the holy grail of behavior modification techniques. The psychological dance that ensues is nothing short of hilarious as BB wields her journal like a blowtorch, trying to light a fire under her cold, distant partner. Sometimes it works, sometimes it doesn't, but in the end, BB learns that the man she was trying so hard to change was perfect for her all along.

**Sex Hacks** - Kinkly 2016-01-19

Sex is a bit like a secret society; everyone's doing it, it's just that no one talks about it. Kinkly's mission is to start that conversation, answer your questions and help you discover new and exciting things about sex, love, and your body. Guaranteed to be illuminating, enlightening, fun ... and a little kinky. And that's OK with us! Sex Hacks will encourage you and your lover to get away from the daily grind to get down and dirty. If you're a newbie to the adventurous scene, or are looking to add to your already stacked repertoire, this handy guide has something for everyone. The tips and tricks vary from foreplay to fetishes, from new positions to variations on old favorites, and features: • 150 hacks to build a better sex life • 75 color photographs for clarity Brought to you from the bloggers at Kinkly.com, with contributions from their readers, Sex Hacks has sex tips, techniques, and titillating tidbits from experts and practitioners alike. No innuendos, no judgments, and no apologies, just fearless, straight-up talk about sex.
