Sex, Sin and Suffering - Roger Davidson 2003-09-02

This volume brings together for the first time a series of studies on the social history of venereal disease in modern Europe and its former colonies. It explores, from a comparative perspective, the responses of legal, medical and political authorities to the 'Great Scourge'. In particular, how such responses reflected and shaped social attitudes towards sexuality and social relationships of class, gender, generation and race.

With her raging libido frustrated by her beloved husband's practically nonexistent sex drive, Togame is climbing the walls in search of release...Left to her own devices to get her fix, will fulfilling her needs spell doom for Togame's marriage?!

[Ballerina](#) - Deirdre Kelly 2012

Throughout her history, the ballerina has been perceived as the embodiment of beauty and perfection--the feminine ideal. But the reality is another story. From the earliest ballerinas in the 17th century--who often led double lives as concubines--through the poverty of the corps de ballet dancers in the 1800's and the anorexic and bulimic ballerinas of George Balanchine, starvation and exploitation have plagued ballerinas throughout history. Using the stories of great dancers such as Anna Pavlova, Isadora Duncan, Suzanne Farrell, Gelsey Kirkland, Evelyn Hart, Marie Camargo, and Misty Copeland, Deirdre Kelly exposes the true rigors for women in ballet. She rounds her critique with examples of how the world of ballet is slowly evolving for the better. But to ensure that this most graceful of dance forms survives into the future, she says that the time has come to rethink ballet, to position the ballerina at its center and accord her the respect she deserves.

[The 3 Blunt Secrets](#) - J Covey 2019-07-03

Are You a Man? If Yes, Do You Know These 3 Secrets? ☐ Currently, buy the Paperback and get the Kindle eBook included for free. Soon, it won't be free. ☐ The 3 Secrets All Men Should Know, Else, Suffer. I want to give men 3 secrets that will change their lives. Anyone who reads this will be glad. The reason men are suffering in this world is caused by women. The reason women are suffering is caused by men. Remove women from this world and men will live happily ever after. Also, remove men from this world and women will live happily ever after. Are you confused? Let me briefly explain. The reason men compete in everything in life is indirectly to impress women whether they believe it or not. The woman could be your mom, wife, or girlfriend. Also, the reason women compete, dress to kill, slay, makeup, is indirectly to impress men whether they agree or not. The only exceptions are gays and lesbians. There are 6 great books or things all men MUST know as early as possible. Any man who ignores these 6 things will suffer except grace shines on him from above. Out of these 6, I'll reveal 3 of them. If you're a man, take action right now by scrolling up and getting yourself your personal copy of The 3 Blunt Secrets.

[Silent Suffering](#) - Keshari Kansakar 2003

[Theorizing Sexual Violence](#) - Renée J. Heberle 2009-09-11

Taking sexual violence in the form of rape and hetero-psychological/physical abuse, trafficking, and harassment as a point of departure, the authors of this volume explore questions about the relationship between sex, sexuality and violence in order to better understand the terms on which women's sexual suffering is perpetuated, thereby undermining their capacity for personhood and autonomy. This volume perceives that while sexual violence as a phenomenon is heavily researched, it remains under-theorized. With anti-essentialist views of gender identity, of subjectivity and agency, and of rationality and consent, the essays study both the dynamics and consequences of sexual violence. The contributing authors blend the insights of postmodern critique with the common goal of theorizing and acting effectively against the material and psychic suffering perpetuated by the rigid rituals of gendered and sexed life.

The Sexual Crisis; A Critique of Our Sex Life - Grete Meisel-Hess 2015-06-12

Excerpt from The Sexual Crisis; A Critique of Our Sex Life: Authorized Translation by Eden and Cedar Paul, With an Introd, by William J. Robinson There is too little joy in this world, too little happiness. Sadness and misery are the common lot. They are so common, that by millions of people they are considered the natural condition, the inevitable fate of the human race. "Yes, I am weary," says Humanity; "the cup of my misery is full to overflowing," and then it proceeds to drink from the cup and continues to carry its burden, sometimes with but generally without a murmur. Fortunately for the race, it always had some sons - and recently also some daughters - who rebelled against the idea that suffering, pain and unhappiness were inevitable conditions to be borne without a struggle. They rebelled, they fought, they died in the cause,-but they blazed a trail which makes it easier for us to continue the work. The first condition necessary to cure a disease is to know its cause and its character. The first step in removing human misery is an analysis of its causes. It did not require much acumen to discover that our economic order was responsible for a large proportion of human suffering; the

discovery that our sex life, our code of sex morality, was the cause of an enormous amount of suffering of the acutest, the most agonizing character, came at a much later date; we may say it is the discovery of but yesterday. But the unbiased modern thinker, the close observer who has considerable material on which to make his observations, must inevitably come to the conclusion that sex misery is as widespread as is hunger misery, and is much more difficult to handle. In other words, it is much more difficult to solve the sex problem than it is the economic problem. There are several reasons for this. One of the reasons is that economic misery is open, sexual misery is hidden. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Healing in His Wings - L. Eastman M.A. Sex Therapist 2016-07-30

For anyone who has ever longed for spiritual love-power for healing and restoration from abuse. Healing In His Wings is the workbook that will lead the reader into the Lords loving truth where liberation in grace is found. Very informative! The author has spent years with experience in developing this spiritual program that enables the wounded to face themselves and find unimpaired satisfying restoration and wholeness. Her approach brings knowledge and understanding into the darkened world of abuse. The emphasis is on Gods merciful love for the emotional wounded and leads the weary out of darkness into grace and light where fulfillment in Gods destiny is found. Dedicated to helping anyone suffering from the aftermath of a wide variety of forms of abuse, this program includes; physical, emotional, sexual, and neglect within the home, church, school, or other such places that should be safe. Grateful for her own recovery from abuse, the author extends this comprehensive, enlightening, love based program that touches all those who have ever been abused.

Sex and Suffering - Janet McCalman 1999

Secret Suffering - Susan Bilheimer 2009-05-19

Through classic, new, and emerging research, with statements from experts and interviews with Chronic Pelvic Pain (CPP) sufferers and their partners and spouses, *Secret Suffering: How Women's Sexual and Pelvic Pain Affects Their Relationships* exposes and gives strong voice and compassionate understanding to this complex disorder. *Secret Suffering: How Women's Sexual and Pelvic Pain Affects Their Relationships* is the first book to explain how pelvic and sexual pain affects the lives of women (and men) and their partners in their own words/ The work also provides information on cutting-edge research and describes the most effective treatment modalities. Susan Bilheimer, coauthor, shares her own experiences as a patient who has gone down the painful, frustrating road of living with an illness that is often dismissed and not taken seriously. Robert J. Echenberg, M.D., coauthor, has treated over 700 women (and some men) with the disorder. He shares his decades of experience and expertise as a gynecologist and specialist in the treatment of chronic pelvic pain. Not only does CPP interfere with a woman's physical and mental health, it can wreak havoc in family relationships, ruin careers, and wreck marriages. In the majority of cases, women suffer in silence. Even when they do seek medical help, what they find too often is inadequate care, as most doctors, even gynecological specialists, are not properly trained in recognizing, much less treating, all aspects of CPP. Through classic, new, and emerging research, with statements from experts and interviews with CPP sufferers and their partners, *Secret Suffering* exposes and gives strong voice and compassionate understanding to this complex disorder. Most importantly, information on effective treatments for CPP, as well as the depression and other psychological fallout it may cause, are presented. Through *Secret Suffering*, Bilheimer and Echenberg finally shatter the silence, educate patients, build understanding, and demand that chronic

pelvic and genital pain be taken seriously by the medical community.

Sex Or Suffer [Dark Colony 1] - Lara Santiago 2008-12-01

SEX OR SUFFER [Dark Colony 1] [Siren Menage Amour 23: Erotic Sci-Fi, Multiple Sex Partner Romance] Devastated to discover she harbors the SOS virus, medical researcher, Dr. Penelope Drake hires Captain Gray Wyckoff to take her across the galaxy to the cure on Parsec Five. As Penelope fights for a permanent remedy to cure this monstrous disease, the deplorable question in her mind repeats: How did she contract the virus in the first place? Captain Gray Wyckoff burns every bridge he's ever built to get Penelope there, only to find she can't deliver the payment she's promised. Serving as her temporary sexual cure along the way only adds to his feelings of betrayal. He thought he loved her. Now he's not sure he can forgive her. Love her? Leave her? The choice between sex or suffering has never been so hard to make. Especially when he has to watch her have sex with another man. *** "Being a romantic at heart, my favorite stories are those where love is discovered between a hero and heroine and the ultimate struggles they face to be together. Why then would a woman decide to sleep with two different men? That provocative question began this book and my answer came in the form of a virus called Sex or Suffer. Enjoy." ~ Lara

Suffering, Sex, and Other Paradoxes - Richard Holloway 1985

Sex and common-sense - A Maude Royden 1922

Hidden Cry - Pastor Messan Esaie Aziadapou 2021-01-06

Let us talk about sex in the life of a servant of God. I know this topic may sound a little tasteless and taboo for many, but we cannot run away from reality. Men of God are suffering in silence in their marriages because of lack of sex or sex starvation. They are being starved by their own wives, who are supposed to provide them with this valuable gift. All men need sex. All men love sex, regardless of their titles, academic exploits, anointing, positions, or achievements in life. So, men of God love sex, and they can and should only get it from their wives. But there are hidden struggles that those men endure that remain in the closet. Just in case you are wondering, "Do men of God go through sexual starvation?" The answer is YES!! Ministers of the gospel go through extreme sexual starvation. After reading this book, you will realize that this issue is universal to all Christian marriages. Here, the man of God's marriage is used as a megaphone to speak loudly about what many whisper in secret. In this book, I will scrutinize the secret suffering of men of God in their marriages. I will explicitly analyze the circumstances under which their wives deny them sex to the extent that some men then cheat to satisfy their sexual desires and others contemplate divorce. I will start by recounting the biblical concept of marriage, the value of sex in marriage, and the differences between sex and making love. I will continue with the dangers of marriage without sex, the health benefits of sex, and the spiritual benefits of sex. Finally, I will explore the restriction regarding sexual expression in marriage before suggesting the best solutions to handle these problems. I am also hoping this book will be an eye-opener for men of God who neglect their wives' sexual needs.

On the Meaning of Sex - J. Budziszewski 2014-04-08

What is the meaning of sex? Our society is obsessed with sex—and yet we don't understand it at all. Acclaimed philosopher J. Budziszewski remedies the problem in this wise, gracefully written book about the nature, meaning, and mysteries of sexuality. *On the Meaning of Sex* corrects the most prevalent errors about sex— particularly those of the sexual revolution, which by mistaking pleasure for a good in itself has caused untold pain and suffering.
