**A Winter's Promise** - Christelle Dabos 2018-09-25

"A stunningly atmospheric fantasy that doubles as an exceptional character study . . . we can't wait to see where Dabos takes it next." —Entertainment Weekly ("The 10 Best YA Books of 2018") One of Publishers Weekly's Best YA Books of the Year A National Indie Bestseller Lose yourself in the fantastic world of the arks and in the company of unforgettable characters in this French runaway hit, Christelle Dabos' The Mirror Visitor quartet. Plain-spoken, headstrong Ophelia cares little about appearances. Her ability to read the past of objects is unmatched in all of Anima and, what's more, she possesses the ability to travel through mirrors, a skill passed down to her from previous generations. Her idyllic life is disrupted, however, when she is promised in marriage to Thorn, a taciturn and influential member of a distant clan. Ophelia must leave all she knows behind and follow her fiancé to Citaceleste, the capital of a cold, icy ark known as the Pole, where danger lurks around every corner and nobody can be trusted. There, in the presence of her inscrutable future husband, Ophelia slowly realizes that she is a pawn in a political game that will have far-reaching ramifications not only for her but for her entire world. The World of the Arks Long ago, following a cataclysm called the Rupture, the world was shattered into many floating celestial islands, now known as arks. Over each, the spirit of an omnipotent and immortal ancestor abides. The inhabitants of these arks each possess a unique power. Ophelia, with her ability to read the pasts of objects, must navigate this fantastic, disjointed, perilous world using her trademark tenacity and quiet strength.

**The Men with the Pink Triangle** - Heinz Heger 2010-11

The first, and still the best known, testimony by a gay survivor of the Nazi concentration camps translated into English, this harrowing autobiography opened new doors onto the understanding of homosexuality and the Holocaust when it was first published in 1980 by Gay Men's Press. THE MEN WITH THE PINK TRIANGLE has been translated into several languages, with a second edition published in 1994 by Alyson Books. Heger's book also inspired the 1979 play Bent by Martin Sherman which was filmed as the 1997 movie of the same name, directed by Sean Mathias.

**The Book of Dust: The Secret Commonwealth (Book of Dust, Volume 2)** - Philip Pullman 2020-11-03

The #1 New York Times Bestseller! Return to the world of His Dark Materials—now an HBO original series starring Dafne Keen, Ruth Wilson, Andrew Scott, and Lin-Manuel Miranda—in the second volume of

Philip Pullman's new bestselling masterwork The Book of Dust. The windows between the many worlds have been sealed and the momentous adventures of Lyra Silvertongue's youth are long behind her—or so she thought. Lyra is now a twenty-year-old undergraduate at St. Sophia's College and intrigue is swirling around her once more. Her daemon Pantalaimon is witness to a brutal murder, and the dying man entrusts them with secrets that carry echoes from their past. The more Lyra is drawn into these mysteries, the less she is sure of. Even the events of her own past come into question when she learns of Malcolm Polstead's role in bringing her to Jordan College. Now Lyra and Malcolm will travel far beyond the confines of Oxford, across Europe and into the Levant, searching for a city haunted by daemons, and a desert said to hold the truth of Dust. The dangers they face will challenge everything they thought they knew about the world, and about themselves. Praise for The Book of Dust "It's a stunning achievement, this universe Pullman has created and continues to build on." —The New York Times "Pullman's writing is simple, unpretentious, beautiful, true. The conclusion to The Book of Dust can't come soon enough."—The Washington Post

**SFSX (Safe Sex) #1** - Tina Horn 2019-09-25

Notorious kink writer TINA HORN teams up with artist MICHAEL DOWLING (Unfollow, Death Sentence) for SFSX, a social thriller about sex, love, and torture that reads like SEX CRIMINALS in Gilead crossed with Oceans 8 with a SUNSTONE twist! In a draconian America where sexuality is bureaucratized and policed, a group of queer sex workers keep the magic alive in an underground club called the Dirty Mind. Using their unique bondage skills, they resolve to infiltrate the mysterious government Pleasure Center, free their friends, and fight the power! **The Employees: A workplace novel of the 22nd century** - Olga Ravn 2022-02-01

Shortlisted for the International Booker prize and the Ursula K. Le Guin Prize, The Employees reshuffles a sci-fi voyage into a riotously original existential nightmare Longlisted for the 2022 National Book Award Funny and doom-drenched, The Employees chronicles the fate of the Six-Thousand Ship. The human and humanoid crew members complain about their daily tasks in a series of staff reports and memos. When the ship takes on a number of strange objects from the planet New Discovery, the crew becomes strangely and deeply attached to them, even as tensions boil toward mutiny, especially among the humanoids. Olga Ravn's prose is chilling, crackling, exhilarating, and foreboding. The Employees probes into what makes us human, while delivering a hilariously stinging critique of life governed by the logic of productivity. It was shortlisted for

the the Ursula K. Le Guin Prize.

**Piranesi** - Susanna Clarke 2021

Piranesi lives in the House. Perhaps he always has. In his notebooks, day after day, he makes a clear and careful record of its wonders: the labyrinth of halls, the thousands upon thousands of statues, the tides that thunder up staircases, the clouds that move in slow procession through the upper halls. On Tuesdays and Fridays Piranesi sees his friend, the Other. At other times he brings tributes of food and waterlilies to the Dead. But mostly, he is alone. Messages begin to appear, scratched out in chalk on the pavements. There is someone new in the House. But who are they and what do they want? Are they a friend or do they bring destruction and madness as the Other claims? Lost texts must be found; secrets must be uncovered. The world that Piranesi thought he knew is becoming strange and dangerous

*Tiepolo Blue* - James Cahill 2022-06-09

Longlisted for the Authors' Club First Novel Award 'Divine . . . the smart, sexy read you need' Evening Standard 'Startlingly impressive' Daily Mail 'Exhilarating' Vogue.com 'An electric new novel' Guardian AN EXQUISITE DEBUT NOVEL. A MID-LIFE COMING-OF-AGE STORY CHARTING ONE MAN'S SEXUAL AWAKENING AND HIS SPECTACULAR FALL FROM GRACE IN 1990S LONDON. FOR FANS OF ALAN HOLLINGHURST AND EDWARD ST AUBYN. Exiled from his university position for an inexcusable blunder, art historian Don Lamb flees to London, a city alive with sex and creativity. There, over the course of a long, hot summer, as he is immersed in the anarchic art and gay scenes of the mid-90s, Don sees his carefully curated life irrevocably changed. But his epiphany is also a reckoning, as his unexamined past is revealed to him in a devastating new light. Intense and atmospheric, *Tiepolo Blue* traces Don's turbulent awakening, and his desperate flight from art into life. 'Wildly enjoyable . . . A novel that combines formal elegance with gripping storytelling' Financial Times 'Dizzying and exciting and unsettling, and beautifully told' Reverend Richard Coles, Daily Mail

**Off the Walls** - 2020-09-22

When life (in a global pandemic) imitates art . . . Van Gogh's *Starry Night* made out of spaghetti? Cat with a Pearl Earring? Frida Kahlo self-portraits with pets and toilet paper? While the world reeled from the rapid spread of the novel coronavirus (COVID-19), thousands of people around the globe, inspired by challenges from Getty and other museums, raided toy chests, repurposed pantry items, and enlisted family, roommates, and animals to re-create famous works of art at home. Astonishing in their creativity, wit, and ingenuity, these creations remind us of the power of art to unite us and bring joy during troubled times. *Off the Walls: Inspired Re-Creations of Iconic Artworks* celebrates these imaginative re-creations, bringing highlights from this challenge together in one whimsical, irresistible volume. Getty Publications will donate all profits from the sales of this book to a charity supporting art and artists.

\_\_ A biting honest, darkly funny debut about love, sex, power and desire, by a major new British talent Anna is struggling to afford life in London as she trains to be a singer. During the day, she vies to succeed against her course mates with their discreet but inexhaustible streams of cultural capital and money, and in the evening she sings jazz at a bar in the City to make ends meet. It's there that she meets Max, a financier fourteen years older than her. Over the course of one winter, Anna's intoxication oscillates between her hard-won moments on stage, where she can zip herself into the skin of her characters, and nights spent with Max in his glass-walled flat overlooking the city. But Anna's fledgling career demands her undivided attention, and increasingly - whether he necessarily wills it or not - so does Max...

**Legendborn** - Tracy Deonn 2020-09-15

An Instant New York Times Bestseller! Winner of the Coretta Scott King - John Steptoe for New Talent Author Award Filled with mystery and an intriguingly rich magic system, Tracy Deonn's YA contemporary fantasy *Legendborn* offers the dark allure of *City of Bones* with a modern-day twist on a classic legend and a lot of Southern Black Girl Magic. After her mother dies in an accident, sixteen-year-old Bree Matthews wants nothing to do with her family memories or childhood home. A residential program for bright high schoolers at UNC-Chapel Hill seems like the perfect escape—until Bree witnesses a magical attack her very first night on campus. A flying demon feeding on human energies. A secret society of so called “Legendborn” students that hunt the creatures down. And a mysterious teenage mage who calls himself a “Merlin” and who attempts—and fails—to wipe Bree's memory of everything she saw. The mage's failure unlocks Bree's own unique magic and a buried memory with a hidden connection: the night her mother died, another Merlin was at the hospital. Now that Bree knows there's more to her mother's death than what's on the police report, she'll do whatever it takes to find out the truth, even if that means infiltrating the Legendborn as one of their initiates. She recruits Nick, a self-exiled Legendborn with his own grudge against the group, and their reluctant partnership pulls them deeper into the society's secrets—and closer to each other. But when the Legendborn reveal themselves as the descendants of King Arthur's knights and explain that a magical war is coming, Bree has to decide how far she'll go for the truth and whether she should use her magic to take the society down—or join the fight.

**Saul Bass** - Jennifer Bass 2011-11-09

This is the first book to be published on one of the greatest American designers of the 20th Century, who was as famous for his work in film as for his corporate identity and graphic work. With more than 1,400 illustrations, many of them never published before and written by the leading design historian Pat Kirkham, this is the definitive study that design and film enthusiasts have been eagerly anticipating. Saul Bass (1920-1996) created some of the most compelling images of American post-war visual culture. Having extended the remit of graphic design to include film titles, he went on to transform the genre. His best known works include a series of unforgettable posters and title sequences for films such as Alfred Hitchcock's *Vertigo* and Otto Preminger's *The Man With The Golden Arm* and *Anatomy of a Murder*. He also created some of the most famous logos and corporate identity campaigns of the century, including those for major companies such as AT&T, Quaker Oats, United Airlines and Minolta. His wife and collaborator, Elaine, joined the Bass office in the late 1950s. Together they created an impressive series of award-winning short films, including the Oscar-winning *Why Man Creates*, as well as an equally impressive series of film titles, ranging from Stanley Kubrick's *Spartacus* in the early 1960s to Martin Scorsese's *Cape Fear* and *Casino* in the 1990s. Designed by Jennifer Bass, Saul Bass's daughter and written by distinguished design historian Pat Kirkham who knew Saul Bass personally, this book is full of images from the Bass archive, providing an in depth account of one of the leading graphic artists of the 20th century.

*From Blood and Ash* - Jennifer L. Armentrout 2020-03-30

Captivating and action-packed, *From Blood and Ash* is a sexy, addictive, and unexpected fantasy perfect for fans of Sarah J. Maas and Laura Thalassa. A Maiden... Chosen from birth to usher in a new era, Poppy's life has never been her own. The life of the Maiden is solitary. Never to be touched. Never to be looked upon. Never to be spoken to. Never to experience pleasure. Waiting for the day of her Ascension, she would rather be with the guards, fighting back the evil that took her family, than preparing to be found worthy by the gods. But the choice has never been hers. A Duty... The entire kingdom's future rests on Poppy's shoulders, something she's not even quite sure she wants for herself. Because a Maiden has a heart. And a soul. And longing. And when Hawke, a golden-eyed guard honor bound to ensure her Ascension, enters her life, destiny and duty become tangled with desire and need. He incites her anger, makes her question everything she believes in, and tempts her with the forbidden. A Kingdom... Forsaken by the gods and feared by mortals, a fallen kingdom is rising once more, determined to

take back what they believe is theirs through violence and vengeance. And as the shadow of those cursed draws closer, the line between what is forbidden and what is right becomes blurred. Poppy is not only on the verge of losing her heart and being found unworthy by the gods, but also her life when every blood-soaked thread that holds her world together begins to unravel. Reviews for *From Blood and Ash*: "Dreamy, twisty, steamy escapism. Take me back!" - New York Times bestseller Wendy Higgins "Jennifer Armentrout has the power to control my emotions with every word she writes. From swooning to crying to racing through the pages to find out what happens next, I couldn't stop reading about Hawke and Poppy, and you won't be able to either." - Brigid Kemmerer, New York Times Bestselling Author of *A Curse So Dark and Lonely* "Action, adventure, sexiness, and angst! *From Blood and Ash* has it all and double that. So many feels and so many moments it made me cheer for the character. Read. This. Book! You'll be obsessed!" - Tijan NYT bestselling author "From Blood and Ash is a phenomenal fantasy novel that is filled to the brim with danger, mystery and heart melting romance. I loved every single second of it and I couldn't get enough of this new fantastical world. A heart stopping start to what is clearly going to be a stunning series, perfect for both those who love fantasy and those who are new to the genre. A must read." Kayleigh, K-Books "If you think you are ready for *From Blood and Ash*, think again. Jennifer L. Armentrout has woven a new fantasy universe that will leave you reeling. Filled with action, heart wrenching twists and the most delicious romance, this unputdownable novel comes with a warning: keep a fan close by, because the temperatures are about to rise." Elena, The Bibliotheque Blo "In this exciting new novel by Jennifer L. Armentrout, she introduces a fantastical world filled with immense detail, and characters who are poignant and fierce, Jennifer truly has out done herself!" - BookBesties "From Blood and Ash is a fantastic fantasy that will hook you immediately from the very first page! I loved every single moment and all of the characters are ones you will fall in love with! Jennifer L. Armentrout has done it again with her amazing writing skills and lots of detail! Get this book immediately!!!" - Amanda @Stuck In YA Books "Jennifer has stepped into the fantasy genre with this absolutely amazing novel. With characters you will love and more than a few twists and turns, get ready for one amazing adventure." -Perpetual Fangirl "This magnificent book has so many pieces in it: fantasy, mystery, forbidden romance, supernatural, lies, deceit, betrayal, love, friendship, family. And so, so, so many secrets your head will be spinning. Jennifer L. Armentrout has created another masterpiece that I will be rushing to buy, and will be telling everyone to read it ASAP!" ~Jeraca @My Nose in YA Books "From Blood to Ash is the first high fantasy book from Jennifer L. Armentrout, but hopefully not the last. Like all her other works, her ability to create worlds, create swoon worthy men, and feisty strong female characters is amazing. Fantasy, mystery, romance, betrayal, love, and steamy scenes, this book has it all." - Lisa @ The Blonde Book Lover "From Blood & Ash is everything we love about JLA's fantasy writing...pumped up on steroids. There's epic world building and plot twists, a strong female lead, a swoon worthy book hottie, a steamy forbidden love story, and side characters that can't help but steal your heart. My mind was blown by the end of this book." - Kris S. (frantic4romantic) "Step into an exciting new fantasy world by Jennifer L. Armentrout, *From Blood And Ash* takes you on a fantastic ride with twists and turns galore. Characters you will love to laugh and cry with. A phenomenal start to an exciting new series." - Lori Dunn an avid reader "From Blood and Ash was everything I wanted in a high fantasy novel. The myths, the legends, the epic romance, and an adventure that will keep you on your toes beginning to end. I couldn't put the book down. Truly a brilliant start to what I believe will be yet another amazing series by Jennifer L. Armentrout." -Sabrina, Books Are My Life "Jennifer L. Armentrout takes her first step into the high fantasy genre with *From Blood and Ash*. A story of forbidden love, lies, secrets, and betrayal - it will leave you wanting more after the very last page." - Love Just Is Books "From Blood and Ash is like reading my favorite book for first time." - Raquel Herrera "With *From Blood and Ash*, Jennifer Armentrout successfully takes on the genre of high fantasy, proving, once again, that she is a master of her craft. Filled with epic adventure, forbidden romance, deceit, lies, and betrayal, *FB&A* draws you in from page one and refuses to let go!" - Erica, The Rest Just Falls Away "Jennifer L. Armentrout comes trough once again with *From Blood and Ash* as it kept me enthralled throughout the full book. You won't be able to put down this epic story once you start." - Julalicious Book Paradise "From Blood and Ash strikes the perfect balance between fantasy and romance elements leaving the world feeling live in and full while allowing the

relationship between the main characters feeling real and authentic." - Nads Book Nook, Nadine Bergeron "Be prepared to spend your whole day reading *From Blood and Ash*. Once you start reading this high fantasy novel, you won't want to put it down." - Love Book Triangle "From Blood and Ash is absolutely breath taking. JLA does what she does best by creating a fantastical world filled with romance, lies, betrayal, adventure and all things we love and expect from JLA characters that melt our hearts and steal our hearts and souls. I cannot wait for the next one!" - Pia Colon "From Blood and Ash, Jennifer L. Armentrout brought to life a high fantasy that is enthralling. Another masterful addition to my collection. Get ready to stay on your toes from start to end." - Amy Oh, Reader by the Mountains "From Blood and Ash is the first high fantasy novel by Jennifer L. Armentrout and she absolutely nails it. This is fantasy for skeptics and unbelievers because it makes you want to be a fantasy fan! This page turner makes you want to devour it in one night and at the same time savor every detail. Heart stopping and inspiring and grips you from page one." - Tracy Kirby "An intriguing puzzle of a world, a ruthless hero, a determine heroin, and a plot that will keep you up late, this book is one of the best I've read this year." - Valerie from Stuck In Books "From Blood and Ash, a thrilling high fantasy that packs a punch, each page will leave you wanting more!" - Tracey, Books & Other Pursuits **Psychic Self-Defense** - Dion Fortune 2020-12-12

A new edition of an occult classic, which includes a new introduction by Mary K. Greer, author of *Women of the Golden Dawn*, and a new afterword with excerpts from rarely seen documents by Fortune herself describing how the book came about. After finding herself the subject of a powerful psychic attack in the 1930s, famed British occultist Dion Fortune wrote this detailed instruction manual on protecting oneself from paranormal attack. This classic psychic self-defense guide explains how to understand the signs of a psychic attack, vampirism, hauntings, and methods of defense. Everything you need to know about the methods, motives, and physical aspects of a psychic attack and how to overcome it is here, along with a look at the role psychic elements play in mental illness and how to recognize them. This is one of the best guides to detection and defense against psychic attack from one of the leading occult writers of the twentieth century. This Weiser Classics edition of Dion Fortune's *Psychic Self-Defense* includes a new forward by Mary K. Greer, author of numerous books including *Tarot for Your Self*, and a new afterword by Christian Gilson that chronicles the original context surrounding Dion Fortune's writing of the book. Mr. Gibson is the editor of *The Inner Light*, the journal published by the Society of Inner Light. [A Companion to Simone de Beauvoir](#) - Laura Hengehold 2017-10-02 Winner of the 2018 Choice award for Outstanding Academic Title! The work of Simone de Beauvoir has endured and flowered in the last two decades, thanks primarily to the lasting influence of *The Second Sex* on the rise of academic discussions of gender, sexuality, and old age. Now, in this new Companion dedicated to her life and writings, an international assembly of prominent scholars, essayists, and leading interpreters reflect upon the range of Beauvoir's contribution to philosophy as one of the great authors, thinkers, and public intellectuals of the twentieth century. The Companion examines Beauvoir's rich intellectual life from a variety of angles—including literary, historical, and anthropological perspectives—and situates her in relation to her forbears and contemporaries in the philosophical canon. Essays in each of four thematic sections reveal the breadth and acuity of her insight, from the significance of *The Second Sex* and her work on the metaphysics of gender to her plentiful contributions in ethics and political philosophy. Later chapters trace the relationship between Beauvoir's philosophical and literary work and open up her scholarship to global issues, questions of race, and the legacy of colonialism and sexism. The volume concludes by considering her impact on contemporary feminist thought writ large, and features pioneering work from a new generation of Beauvoir scholars. Ambitious and unprecedented in scope, *A Companion to Simone de Beauvoir* is an accessible and interdisciplinary resource for students, teachers, and researchers across the humanities and social sciences.

Warning: This erotica contains scenes and elements that may be disturbing to some readers. Please review the full content warning below. Jessica Martin is not a nice girl. As Prom Queen and Captain of the cheer squad, she'd ruled her school mercilessly, looking down her nose at everyone she deemed unworthy. The most unworthy of them all? The "freak," Manson Reed: her favorite victim. But a lot changes after high school. A freak like him never should have ended up at the same Halloween party as her. He never should have been able to beat her at a

game of Drink or Dare. He never should have been able to humiliate her in front of everyone. Losing the game means taking the dare: a dare to serve Manson for the entire night as his slave. It's a dare that Jessica's pride - and curiosity - won't allow her to refuse. What ensues is a dark game of pleasure and pain, fear and desire. Is it only a game? Only revenge? Only a dare? Or is it something more? This book contains intense fantasy scenes of hard kinks/edgeplay, graphic sex, and harsh language. It is intended only for an adult audience. Beware: this is a dark, weird, kinky read. The activities depicted therein are dangerous and are not meant to be an example of realistic BDSM. Reader discretion is advised. Kinks/Fetishes within: erotic humiliation, fearplay, painplay, knifeplay, consensual non-consent (CNC), orgasm denial, boot worship, spanking, crying, blowjobs, clowns, group sexual activities, spit, bondage, public play, bloodplay.

**The Primate Origins of Human Nature** - Carel P. Van Schaik  
2016-01-26

The Primate Origins of Human Nature (Volume 3 in The Foundations of Human Biology series) blends several elements from evolutionary biology as applied to primate behavioral ecology and primate psychology, classical physical anthropology and evolutionary psychology of humans. However, unlike similar books, it strives to define the human species relative to our living and extinct relatives, and thus highlights uniquely derived human features. The book features a truly multi-disciplinary, multi-theory, and comparative species approach to subjects not usually presented in textbooks focused on humans, such as the evolution of culture, life history, parenting, and social organization.

**The Braconid and Ichneumonid Parasitoid Wasps** - Donald L. J. Quicke  
2015-01-20

The Ichneumonoidea is a vast and important superfamily of parasitic wasps, with some 60,000 described species and estimated numbers far higher, especially for small-bodied tropical taxa. The superfamily comprises two cosmopolitan families - Braconidae and Ichneumonidae - that have largely attracted separate groups of researchers, and this, to a considerable extent, has meant that understanding of their adaptive features has often been considered in isolation. This book considers both families, highlighting similarities and differences in their adaptations. The classification of the whole of the Ichneumonoidea, along with most other insect orders, has been plagued by typology whereby undue importance has been attributed to particular characters in defining groups. Typology is a common disease of traditional taxonomy such that, until recently, quite a lot of taxa have been associated with the wrong higher clades. The sheer size of the group, and until the last 30 or so years, lack of accessible identification materials, has been a further impediment to research on all but a handful of 'lab rat' species usually cultured initially because of their potential in biological control. New evidence, largely in the form of molecular data, have shown that many morphological, behavioural, physiological and anatomical characters

associated with basic life history features, specifically whether wasps are ecto- or endoparasitic, or idiobiont or koinobiont, can be grossly misleading in terms of the phylogeny they suggest. This book shows how, with better supported phylogenetic hypotheses entomologists can understand far more about the ways natural selection is acting upon them. This new book also focuses on this superfamily with which the author has great familiarity and provides a detailed coverage of each subfamily, emphasising anatomy, taxonomy and systematics, biology, as well as pointing out the importance and research potential of each group. Fossil taxa are included and it also has sections on biogeography, global species richness, culturing and rearing and preparing specimens for taxonomic study. The book highlights areas where research might be particularly rewarding and suggests systems/groups that need investigation. The author provides a large compendium of references to original research on each group. This book is an essential workmate for all postgraduates and researchers working on ichneumonoid or other parasitic wasps worldwide. It will stand as a reference book for a good number of years, and while rapid advances in various fields such as genomics and host physiological interactions will lead to new information, as an overall synthesis of the current state it will stay relevant for a long time.

**The Infinite and The Divine** - Robert Rath  
2021-07-20

Explore a story told across the millennia that delves deep into a pair of fascinating necron characters, their relationship and their plans for the galaxy. Before the being called the Emperor revealed Himself, before the rise of the aeldari, before the necrontyr traded their flesh for immortal metal, the world was born in violence. Even when they inhabited bodies of flesh, Trazyn the Infinite and Orikan the Diviner were polar opposites. Trazyn, a collector of historical oddities, presides over a gallery full of the most dangerous artefacts - and people - of the galactic past. Orikan, a chronomancer without peer, draws zodiacs that predict and manipulate the future. But when an artefact emerges that may hold the key to the necrons' next evolution, these two obsessives enter a multi-millennia game of cat and mouse that ends civilisations, reshapes timelines, and changes both forever. As riddles unwind and ancient secrets are revealed, the question remains: will their feud save the necron race or destroy it?

**Before Pornography** - Ian Frederick Moulton  
2000

Before Pornography explores the relationship between erotic writing, masculinity, and national identity in Renaissance England. Drawing on both manuscripts and printed texts, and incorporating insights from modern feminist theory and queer studies, the book argues that pornography is a historical phenomenon: while the representation of sexual activity exists in nearly all cultures, pornography does not. The book includes analyses of the social significance of eroticism in such canonical texts as Sidney's *Defense of Poesy* and Spenser's *Faerie Queene*.
