**Nuevo diccionario de expresiones idiomáticas Inglés-Español** - Jorge I.

Coromina Sánchez

El libro comprende más de 3000 expresiones idiomáticas de uso frecuente en las normas lingüísticas del Inglés que se habla, principalmente, en Estado Unidos, Inglaterra y Canadá. Casi todas las expresiones van acompañadas de ejemplos reales, tomados en su mayoría, de más de 500 fuentes, desde publicaciones impresas hasta sitios de Internet, y programas de radio y televisión, con el objetivo

de ilustrar sus usos en el contexto lingüístico contemporáneo. Cada una de las expresiones tiene sus correspondientes equivalencias en español.

**Anglicismos en El Idioma Español de Madrid** - Ernesto Juan Fonfrías 1968

**Gravity** - Sara Cate 2020-11-25

Three months on a private island. Two men. One million dollars. All I have to do is tame Nash Wilde. It's been two years since my sister and her boyfriend were killed in a plane crash. The last person I expected to show up on my doorstep was his father, Alistair Wilde. Yet, he came with an offer I'd be an idiot to pass up: be his son's girlfriend for three months, live with the two of them in a remote house, and the one million dollars is mine. The challenge turns out to be harder than I expected. Nash is not just wild,

*Downloaded from

by guest*

he's dangerous. And Alistair is far more broken than he lets the world believe. The three of us are bound by grief. It's up to me to feed Nash's hunger and heal Alistair's pain. Lines are crossed. Rules are broken. On the island, there's no one to tell us this is wrong. I know I have to choose before I tear this family apart. But I belong to both of them. One of them has my body. The other has my heart.

*Léxico argentino-español-francés* - Paul Verdevoye 1992

*Mujeres Sobre Mujeres, Teatro Breve Español* - Patricia Walker O'Connor 1998

*El español en el mundo 2018* - Varios autores 2018-09-01

Un año más, y como siempre, a comienzos de otoño, el Instituto Cervantes publica su anuario. Considerado un utilísimo instrumento de trabajo para los directores de centros, así como para cualquier lector que se interese por la difusión

de nuestra lengua y de nuestra cultura. Como siempre, el lector encontrará recogidos aquí los datos actualizados sobre el español en el mundo, en una sección que propone una síntesis del estado de la cuestión. De manera especial, el bloque III recoge la evolución de la enseñanza del español en el mundo en Europa, Estados Unidos, Brasil, Marruecos y Filipinas. El apéndice El Instituto Cervantes en el mundo, incluye un directorio actualizado, muy útil, porque permite visualizar la presencia del Instituto Cervantes en los cinco continentes. En el apartado de estilo, hay que mencionar que, como el año pasado, los distintos cuadros, gráficos, etc. aparecen en color, para visualizar mejor la información que se recoge.

**Diccionario de Suenos (Tikal)** - Leonard Devivier 2003

**The Cinema of Spain and Portugal** - Alberto Mira 2005

Providing an overview of Spanish and Portuguese cinema, this title contains 24 essays, each on a separate seminal film from the region, profiling work from the likes of Pedro Almodivar and João Cesar Monteiro.

*Erotic Capital* - Catherine Hakim 2011-09-06  
Catherine Hakim's theory of "erotic capital" is controversial, not least because women tend to believe that relying on looks and charm to catch a man or get a promotion are subterfuges best left behind in the 1950s. With little apparent fear of running deeply against popular thought, Hakim, a social scientist, proposes that all women should become as attractive as possible and then exploit their sexual power. She explains that the "male sex deficit," the idea that men always want more sex than they get, raises

the value of women's erotic capital. Hakim claims that radical feminists, religion and patriarchal society currently foil this feminine advantage. Although the beauty bias is not a new concept, Hakim's reinterpretation raises the stakes. Alas, though she supports women in general, Hakim proves consistently unkind to males, Americans, lesbians, feminists, the overweight and the religious. Nonetheless, for a new perspective on the advantages of attractiveness and on the gender conversation, getAbstract suggests Hakim's thought-provoking thesis.

El anglicismo en el español actual - Javier Medina López 1998

La influencia del inglés sobre el español es uno de los fenómenos sociolingüísticos más destacados desde mediados del siglo XX en adelante. La creciente presencia del área anglosajona, así como la estandarización del modelo de vida occidental, fuertemente fomentado por los EE.UU. de Norteamérica,

hacen del inglés la lengua de mayor protagonismo internacional. En el presente volumen el lector encontrará un estado de la cuestión sobre este asunto: los factores extralingüísticos que ayudan a entender la complejidad del fenómeno, las posturas adoptadas por los distintos estudiosos ante el anglicismo, una clasificación del mismo (léxico y sintáctico), así como un conjunto de ejercicios que ilustra desde varios aspectos las principales influencias ejercidas por el inglés en la lengua española: calcos, parónimos, uso de preposiciones, voz pasiva, formación de plurales... En definitiva, un libro útil y práctico para alumnos y profesores que deseen constatar el alcance de esta realidad.

**Mujer, amor y sexo en el cine español de los '90** - Pilar Aguilar 1998

*El enemigo yanqui. Las raíces conservadoras del antiamericanismo español* - Daniel Fernández de Miguel 2012-12-04

España ha sido históricamente terreno abonado para el antiamericanismo. Desde su declaración como país independiente en 1776, los Estados Unidos de América han suscitado en sectores importantes de la sociedad española numerosos prejuicios y aprensiones. A pesar de que en las últimas décadas el antiamericanismo ha formado parte, principalmente, de la cultura política de la izquierda española, en el pasado la situación fue muy distinta. Durante todo el siglo XIX y buena parte del XX, la animadversión hacia EE.UU. se concentró mayoritariamente en los grupos más conservadores de la sociedad, por motivos y razones de índole ideológica, cultural, política y religiosa. Hubo periodistas, intelectuales, diplomáticos y políticos que fueron gestando y difundiendo una serie de imágenes negativas sobre los norteamericanos que acabaron por condicionar en gran medida la mirada española

hacia el otro lado del Atlántico. La presente obra, en formato digital, analiza este proceso, la historia del antiamericanismo conservador español, cuyo cénit se alcanzó en el primer franquismo y cuyas consecuencias todavía se dejan sentir en la actualidad.

**Blood Moon** - Jillian Graves 2022-10-18

Hazel knows exactly how to get over her bar's troubles: getting under something big, hairy, and monstrous at her coven's supernatural mixer. The hottest club in Los Angeles may be luring away her clientele, but for just one night she is ditching her responsibilities and indulging her fantasies. But the relief the witch seeks looks nothing like what she expects. Fur-free and bearing fangs, Vlad is more than an anonymous one-night stand. He's the mind-reading vampire whose every success brings Hazel's bar one step closer to ruin. After a century away from LA, Vlad has opened a club for humans and supernaturals alike. But a hot hookup brings him face-to-mind with the curvy

witch who stands between him and his dreams. Understanding her dirtiest desires as well as her heartfelt ambitions means navigating a passion studded with pitfalls. Will mixing business and pleasure brew a delicious new future together, or leave them with one hell of a supernatural hangover?

*VOX Diccionario de bolsillo español y inglés* - Vox 2011-06-23

A comprehensive reference that features two-color headwords for easy reference and includes a free one-year subscription to yourdictionaries.com website! Thousands of North American students have trusted VOX Spanish-English dictionaries for their bilingual needs--references such as *VOX Diccionario de bolsillo español y inglés*. **La imagen de la mujer andaluza en el cine español** - María Jesús Ruiz Muñoz 2008

La representación de la mujer andaluza permanece aún hoy con los mismos rasgos que, desde su inicio, permitieron su asunción por parte del público. La imagen de Andalucía está vinculada a la novela de los viajeros románticos aunque el medio cinematográfico fue el que contribuyó decisivamente a la fijación de los

estereotipos vinculados a lo andaluz. Folclórica y rebelde son dos términos que se han atribuido a la imagen de la mujer andaluza en el cine español. Las autoras dividen su estudio en tres capítulos en los que analizan el contexto histórico y los condicionantes que determinan la evolución del cine español de cada una de esas épocas. Aunque las películas parezcan ser un simple reflejo de la imaginación de sus creadores, siempre están condicionadas por el clima social vigente del momento en el que son realizadas.
