

Sex Therapy Retreat

Living an Orgasmic Life - Xanet Paillet 2018-08-15

For every woman who struggles with sexuality and intimacy. Nationally-known sex therapist Xanet Paillet offers practical tools and encouragement for reclaiming passion and pleasure in their sex life.

SHIFT, a Self-Liberation Healing Practice - Lena

Queen 2023-07

How does one establish and embody safety and develop self-trust when you are struggling with self-doubt? In my work as a psychiatric social worker and eventually clinical somatic sexologist, I understood how trauma disconnects us from our wholeness. Developing an empowered embodiment requires one to manage the intensity of their emotions. Moving from crisis to thriving requires one to have an

empowering relationship to your mindset, your decision-making, and your system of self-care. This empowerment is an internal. SHIFT is an embodiment of power. SHIFT is informed by trauma-responsive care, how systems of oppression impact our embodiment or our relationship to The Self, the effectiveness of ancestral medicine like meditation and energy work also known as complementary and alternative medicine (CAM), and somatic sex education. SHIFT is a system of self-care and self-liberation that will support your reclamation of your embodiment with the intentional caring and wholeness of your mind, body, and energy with the conscious awareness that is your spirit. SHIFT is an integrative healing framework that has been taught to teen and adult

clients, clinicians, school counselors, and life coaches in a variety of mental health and wellness settings. Discover your mind-body relationship with somatic and integrative care practices that allows you to establish safety from within and develop self-trust which will provide the guidance you need to make choices in your highest and greatest good.

The Wild Woman's Way -

Michaela Boehm 2021-11-09

"As pragmatic as it is compassionate, this intimate, humorous, and ultimately relaxing invitation to re-wild yourself, stripping away all that is not your true nature, will leave you inspired and curious to discover the wild woman within" (Lissa Rankin, MD, New York Times bestselling author of *Mind Over Medicine*). For the high-achieving modern woman today, having a successful career, a fulfilling romantic relationship, and a satisfying personal life can feel like opposing goals. It has even become difficult to take the time to enjoy the simple pleasures in lives. We are stuck

in "go-mode," damaging our romantic relationships, pleasure, and creativity. But what if there were a way to experience the simplest pleasures of our lives on a deeper level, freeing the body and psyche from these destructive patterns? Beyond our current stereotypes about femininity lies the ancient wisdom of the Wild Woman archetype, a model of building a feminine "body intelligence." By embodying this archetype and using tantra--not just in the bedroom, but also to build intimate connections to our senses and physical movements--we can break harmful psychological patterns. In *The Wild Woman's Way*, Michaela Boehm shares practical rituals and exercises drawn from years of experience as a celebrity relationship and life counselor and an expert in tantric yoga. She reveals the power of different types of touch, while also training you in forms of meditation and stretching that increase activity and sensual pleasure.

Retreat - Matthew Ingram

Downloaded from
legacy.opendemocracy.net
on 2021-07-26 by guest

2020-12-08

What have the hippies ever done for us? Matthew Ingram explores the relationship between the summer of love and wellness, medicine, and health. The counterculture of the Sixties and the Seventies is remembered chiefly for music, fashion, art, feminism, computing, black power, cultural revolt and the New Left. But an until-now unexplored, yet no less important aspect -- both in its core identity and in terms of its ongoing significance and impact -- is its relationship with health. In this popular and illuminating cultural history of the relationship between health and the counterculture, Matthew Ingram connects the dots between the beats, yoga, meditation, psychedelics, psychoanalysis, Eastern philosophy, sex, and veganism, showing how the hippies still have a lot to teach us about our wellbeing.

When Valentines Collide (Mills & Boon Cherish) - Adrienne Byrd 2014-02-28

When it came to revitalizing

relationships, Dr. Chante Valentine and Dr. Matthew Valentine knew all the right moves--except when it came to mending their own volatile vows. Since divorce would jeopardize their respective careers, the love gurus reluctantly agreed to a two-week "sex-therapy" retreat.

Breakup Bootcamp - Amy Chan 2020-12-03

'The literary equivalent of a hug from a wordly big sister when you are at your lowest ebb' - Sunday Times 'A new kind of relationship guide for women' - Arianna Huffington A self-affirming, holistic guide to transforming heartbreak into healing Amy Chan hit rock bottom when she discovered that her boyfriend cheated on her. Although she was angry and broken-hearted, Chan soon came to realize that the breakup was the shakeup she needed to redirect her life. Instead of descending into darkness, she used the pain of the breakup as a bridge to self-actualization. She devoted herself to learning various healing modalities from the

ancient to the scientific, and dived into the psychology of love. It worked. Fast forward years later, Amy completely transformed her life, her relationships and founded a breakup bootcamp helping countless of women heal their hurt. In *Breakup Bootcamp*, Amy Chan directs her experience into a practical, thoughtful guide to turning broken hearts into an opportunity to break out of complacency and destructive habits. Dubbed 'the Chief Heart Hacker,' Amy Chan grounds her practical advice and tried and tested methods rooted in cutting-edge psychology and research, helping readers heal and reclaim their self-love. Relatable, life-changing, and backed by sound scientific research, *Breakup Bootcamp* can help anyone turn their greatest heartbreak into a powerful tool for growth.

Sacred Stress - George R. Faller, MS, LMFT 2016-04-20
Learn how to understand and use your stress for positive change. With up-to-date

analysis, real-life examples and spiritual practices, this book explores the effects of stress and ways to honor its symptoms. Rather than be limited by a perspective of distress, you can use stress as a catalyst for growth in all areas of life.

Tantric Sex and Menopause -

Diana Richardson 2018-04-10

A tantric guide to discovering the hidden gifts of menopause

- Explains why Tantra works for menopausal women and how their bodies are naturally entering a more tantric phase focused on creative, spiritual energy
- Details tantric practices and tools to connect with the body's inner intuitive wisdom, remove the "performance pressure" of conventional sex, and set the stage for passion and pleasure to thrive both in the bedroom and beyond
- Explores what to expect physically, emotionally, and spiritually, and in relationships

As women, we live so closely to the body-- through menstruation, pregnancy, birthing, motherhood, and then

*Downloaded from
legacy.opendemocracy.net
on 2021-07-26 by guest*

menopause. Each of these transitions changes a woman in a multitude of ways, most of which are celebrated. Yet menopause often causes women to feel despondent, as if our bodies are broken or deficient, especially when it comes to sex and intimacy. However, as tantric teachers Diana Richardson and Janet McGeever show, menopause has many hidden gifts to offer if we learn to embrace rather than suppress the changes this natural transition brings. Shining the light of tantric intelligence on menopause, the authors reveal how to explore and experience menopause in a radically positive fashion, suffused with a sense of vital awakening and “re-wilding” of a woman’s sexuality, creativity, and spirituality. Explaining what to expect physically, emotionally, and spiritually, as well as what it means for relationships, they detail tantric practices and tools to connect with the body’s inner intuitive wisdom and heart energies, remove the “performance pressure” of

conventional sex, and set the stage for passion and pleasure to thrive both in the bedroom and beyond. They explain why Tantra works for menopausal women and how their bodies are naturally entering a more tantric phase focused on creative, spiritual energy. They explore how, in Tantra, sex is practiced not for the sake of sex itself but as an instrument for going “beyond” sex, for better health, improved relationships, enhanced self-control and emotional balance, and even higher states of consciousness. They also offer many self-help practices, exercises, and meditations to reinforce a positive attitude toward menopause and overcome many of the physical and sexual problems, such as pain, dryness, loss of interest, and loss of libido. Providing a guide for women who are approaching, experiencing, or have gone through menopause, the authors show how a more informed, tantric approach to menopause allows each woman to deepen her trust in the perfect functioning of the

female body, embrace her natural sexual response, and reconnect with her inner self.

The Labyrinth Of Love - Chelsea Wakefield 2021-07-01

Why is love so difficult? Is there such a thing as a soulmate? Why can't I find someone to love me just the way I am? Why does the person I gave my heart to in the early days now feel so distant or even dangerous? When love goes bad, is there a way to turn things around? If we lost each other along the way, can we find each other again? In the wake of betrayal, can trust ever be rebuilt? In this helpful and enlightening book, expert couples therapist, Dr. Chelsea Wakefield, explains why couples who begin with such hopeful expectations become disenchanted, withdraw into self-protection or become entangled in unresolvable conflicts. She provides step by step guidance out of these shadowlands, and teaches six essential "love capacities" any couple can develop that will open the path to a soulful, enduring relationship.

Sex, Drugs and Meditation - Mary-Louise Stephens 2013

"I feel like throwing up. Sweat and tears mingle on my cheek. 'This will pass,' I try to convince myself. 'This will pass.' I have been at the meditation centre for six days. I have four days left to go. I could get up and walk out the door right now. No one would stop me. But then nothing would change. And everything has to change."Mary-Lou Stephens was lucky to make it into her forties. Therapy and AA helped her recover from her upbringing in an evangelical household; her habit of shoplifting through drama school; her addictions to food, drugs and alcohol; a string of failed love affairs and the break up of several bands. She has landed a dream job as a radio personality. Life is looking good. Except that Mary-Lou has a new boss, a psychopath in a suit. Determined to avoid MORE therapy and desperate to cope with an increasingly toxic work environment, Mary-Lou signs up for a ten-day meditation retreat that

*Downloaded from

requires total silence, endless hours of sitting cross-legged, and a food-as-fuel kind of diet. For a woman who talks for a living, is rarely still and cooks for comfort, this was never going to be an easy task. Darkly funny and beautifully told, *Sex, Drugs and Meditation* is a tale for those of us who confuse being busy with being happy; the story of a woman who dared herself to stop talking and start living - and loving.

With His Touch - Dawn Atkins
2006-12-01

Now that Sugar Thompson has hit the big 3-5, she knows exactly what she wants. She's got big dreams to take her resort to the next level. But her plans slide off the rails once her business partner, Gage Maguire, targets her as the object of his seduction. Who knew that the simmering attraction between them would lead to sex this hot! Too bad the sensual fulfillment is creating havoc in the boardroom. Their competing goals for the business are spiking tensions between them and driving them apart. Will

she be able to stop the best sex of her life from ruining everything else?

Parenting in the Age of Sexposure - Vandita Dubey
2016-07-06

Parenting in the Age of Sexposure approaches the thorny issue of sex and sexuality in the lives of children, at a time when the media and the Internet bombard kids with countless sexualizing, explicit messages 'Thin is good'; 'Having sex is "in"; 'Sex has nothing to do with commitment'. How do parents bring up children when the media overwhelmingly portrays girls and women as sexual objects, encourages boys to form superficial relationships and reinforces gender biases? How do they secure their kids' emotional wellbeing, while admitting that sexuality is an integral part of the human experience?

Equally, how do they deal with the ugly realities of sexual violence and abuse and safeguard their children's interests? *Parenting in the Age of Sexposure* attempts to

Downloaded from
legacy.opendemocracy.net
on 2021-07-26 by guest

address these questions and offer ideas for conscious parenting.

Sex, Drugs and Meditation -
2013-07-31

"I feel like throwing up. Sweat and tears mingle on my cheek. 'This will pass,' I try to convince myself. 'This will pass.' I have been at the meditation centre for six days. I have four days left to go. I could get up and walk out the door right now. No one would stop me. But then nothing would change. And everything has to change." The Tantric Sex Lover's - Hash
Blink 2023-10-02

Jing and his fellow lovers have been exploring tantric sex for months, attending workshops and deepening their connection. However, Jing starts to feel a darkness looming over the group and tries to bring it up, but his concerns are dismissed. One night, a member has a breakdown, leading Jing to realize he needs to leave the group. He returns home feeling lost but begins exploring other

Downloaded from
legacy.opendemocracy.net
on 2021-07-26 by guest

passions. Months later, he reconnects with Maya, who also left the group, and they bond over their shared experiences. Jing reflects on his journey and finds a new sense of purpose and freedom. He and Maya continue to deepen their love and explore tantric sex together. They visit their former group and help de-escalate the chaos, finding closure. Jing receives a call from his former lover, who confesses their love for him. Jing is torn between Maya and his former lover but decides to choose Maya and commit fully to their relationship. They embrace and feel closer than ever before. In the final chapter, Jing and his group of tantric sex lovers continue to enjoy their time together, laughing and exploring. They stumble upon a cabin in the woods and decide to stay there for a few nights, deepening their connections and sharing intimate stories. Jing becomes more connected to the new woman he met and feels a sense of excitement for their future. As their trip comes to

an end, Jing feels a mix of sadness and gratitude for the memories they created. He realizes that they have become his family and he looks forward to what the future holds for him and his new love. Jing and his group of tantric sex lovers take a break from their intense adventures and go on lighthearted outings like visiting an amusement park, attending a laughter yoga class, and sharing stories around a bonfire. They form deep bonds and find acceptance within the group. Jing and Maya's relationship deepens, but they face challenges and insecurities along the way. They go on retreats, explore tantric sex in nature, and support each other through difficult times. Jing's mother passes away, but he finds solace in his community. He returns home to his family and shares his journey with them, finding understanding and acceptance. Jing continues to teach and practice tantric sex, spreading love and joy to others. During a workshop, a funny moment breaks the

tension and brings laughter to the room. Jing realizes the importance of balance and connection in his life and feels grateful for the community he has found. In Chapter 48, Jing delves into his investigation to uncover the truth behind the leaked video. He starts by reaching out to his podcast guests and contacts in the tantric sex community to see if anyone has any information or leads. He also hires a private investigator to help him track down the source of the video. As Jing digs deeper, he discovers that there are several individuals who may have had a motive to harm his reputation. He uncovers a jealous ex-lover who had been bitter about their breakup and a rival tantric sex teacher who saw Jing as a threat to their own success. With the help of his private investigator, Jing gathers evidence and confronts the individuals he suspects. Through careful questioning and analysis, he is able to eliminate some suspects and narrow down the list of possible culprits. Finally, Jing

uncovers a shocking revelation. The person behind the leaked video is someone he never expected - a close friend who had been secretly envious of Jing's success and wanted to bring him down. Jing confronts his friend, feeling a mix of anger, betrayal, and sadness. In the aftermath of the revelation, Jing decides to take legal action against his friend and the website that hosted the video. He also takes steps to protect his own privacy and security, implementing stricter measures to ensure that his personal life remains private. Despite the turmoil and setback, Jing remains determined to continue his mission of promoting safe and consensual tantric sex. He learns valuable lessons about trust, boundaries, and the importance of surrounding himself with genuine and supportive people. As Jing moves forward, he focuses on rebuilding his reputation and continuing to educate and inspire others through his podcast and workshops. He learns to be more cautious and

discerning in his relationships, but he refuses to let the actions of one person define his entire journey. Jing and Maria's legal action against the person behind the website that tarnished Jing's reputation leads to the person's arrest, bringing Jing a sense of relief. However, the incident has left a lasting impact on Jing, making him hesitant about engaging in tantric sessions and unsure of how to rebuild his damaged image. He turns to Kira for advice, who encourages him not to let the incident define him. With Kira's support, Jing takes precautions to protect his privacy and continues his work as a teacher and practitioner of tantra. He becomes even more popular, securing a book deal and feeling proud of his journey. However, his journey is far from over as he still has much to learn and discover. In the next chapter, Jing receives an anonymous letter and photos that threaten to ruin his reputation once again. He is determined to fight back and not let anyone take away his

passion for tantra. In the following chapters, Jing faces more challenges, including threats, invasion of privacy, false accusations, and loss of relationships. Despite the difficulties, Jing remains determined to clear his name and continue his work. With the support of Kira and other allies, he finds hope and purpose in writing a book on tantra. They work tirelessly on the manuscript, finding inspiration and knowledge from a sex therapist named Daniel. As they finish the book, Jing feels a sense of lightness and optimism, knowing that he has something meaningful to hold onto amidst the scandal. However, he still faces the daunting task of proving his innocence and rebuilding his life. With Kira's encouragement, Jing remains determined to fight and clear his name, believing in the importance of their book and the truth about tantra. Jing and his tantric sex crew lovers continue to work on their book and find solace in their practice. Mina suggests a

retreat in Bali, where they experience life-changing sexual experiences and deepen their bonds. However, Wayan warns Jing that people from their hometown are watching him. Despite this, Jing remains hopeful and confesses his love to Kira. They face new challenges when Jing is called in for questioning regarding a sexual assault case, but his friends stand by him. Jing and Kira attend a tantric sex retreat, where they explore new levels of pleasure and intimacy. They return home with a renewed sense of love and excitement for the future. Jing, Kira, and Ava had been exploring tantric sex but realized the risks involved and decided to leave it behind. They began exploring other forms of safe and fulfilling intimacy. They formed a community and educated others about safe practices. Jing received a message from Maya, who had been struggling, and he decided to help her. They continued organizing workshops and gained new members,

including Mei. However, during a workshop, Jing received news of his mother's passing and had to leave. He felt guilty and disconnected from everything. Maya reached out to him for help after a violation in a workshop, and Jing decided to take action to prevent it from happening again. However, he started to withdraw from the community and fell into a dark place, struggling with guilt and losing himself. Jing realized he needed help and began therapy to heal. He also recognized the importance of self-care and finding joy in his life. Jing's journey takes him from a place of darkness and trauma to one of healing and empowerment. Through hiking, meditation, journaling, and reconnecting with the tantric sex community, he finds a sense of inner peace and purpose. However, his newfound happiness is threatened when he becomes the target of a group of attackers. Jing must confront his fears and take action, ultimately using his experience to advocate for safety and

consent in the world of tantra. Despite the challenges he faces, Jing's resilience and determination lead him to a place of healing and fulfillment, where he is able to share his knowledge and experiences with others. Jing continues his personal journey through Europe, exploring different countries and cultures. He embraces the freedom and adventure that comes with his new life and continues to promote safety and consent in the world of tantra. Jing visits a Tantra Temple in France and forms a deep connection with Isabelle, his teacher and confidante. He stays at the temple for a week-long retreat, learning more about the spiritual side of tantric sex. Jing eventually leaves the temple and reunites with his friend Kira in India, where they explore new tantric techniques together. Jing travels to Thailand and joins a community of tantric enthusiasts on a remote island. He experiences a sense of belonging and joy within the group. However, Jing also

encounters a darker side of the tantric community when he is violated by a supposed tantric master. Despite this experience, Jing remains determined to create a safe and loving space for others to explore tantra. He forms the Tantric Safe Haven and begins building a community focused on respect and consent. Jing finds fulfillment in his new path and realizes that tantra is about connection and intimacy with others. He also discovers a connection with animals and begins to explore the role of tantra in his relationship with them. Jing is excited to see where his journey will lead him next. Jing and Maya, two individuals passionate about tantra, meet at a retreat and form a deep connection. They explore tantric practices together and fall in love. Inspired by their experiences, they decide to create their own safe haven for tantra, but their community is soon infiltrated by a manipulative individual named Evan. Jing and Maya confront Evan, but he tries to sway them with his extreme

teachings. They stand firm in their beliefs and reject his influence. They continue to build their community, spreading their message of love and healing through tantric practices. Along the way, they encounter others who have been hurt by Evan and offer support and guidance. Together, they strive to create a movement of love and healing in the world of tantra. Jing, Maya, and Olivia receive an invitation from Evan to attend a gathering he is hosting. Olivia is curious and wants to see if Evan has changed, while Jing and Maya are hesitant. To their surprise, Evan has indeed changed and apologizes for his past behavior. They decide to work together, sharing their knowledge and experiences, and create a new vision for tantra. They realize that tantra is about using sexuality and sensuality for healing and transformation. They form a new community, dedicated to love, healing, and connection, and vow to protect the true essence of tantra. Years later,

the community has grown, and Jing, Maya, Olivia, and Evan continue to lead and spread their message. They reflect on their journey with gratitude, knowing that their struggles have led them to a beautiful place. Jing feels a sense of pride and peace, knowing he has found his true calling and a home.

Wired for Love - Stan Tatkin
2012-01-02

"What the heck is my partner thinking?" is a common refrain in romantic relationships, and with good reason. Every person is wired for love differently, with different habits, needs, and reactions to conflict. The good news is that most people's minds work in predictable ways and respond

Downloaded from
legacy.opendemocracy.net
on 2021-07-26 by guest

well to security, attachment, and rituals, making it possible to actually neurologically prime the brain for greater love and fewer conflicts. *Wired for Love* is a complete insider's guide to understanding a partner's brain and promoting love and trust within a romantic relationship. Readers learn ten scientific principles they can use to avoid triggering fear and panic in their partners, manage their partners' emotional reactions when they do become upset, and recognize when the brain's threat response is hindering their ability to act in a loving way. By learning to use simple gestures and words, readers can learn to put out emotional fires and help their partners feel more safe and secure. The no-fault view of conflict in this book encourages readers to move past a "warring brain" mentality and toward a more cooperative "loving brain" understanding of the relationship. Based in the sound science of neurobiology, attachment theory, and emotion regulation research,

this book is essential reading for couples and others interested in understanding the complex dynamics at work behind love and trust in intimate relationships.

Buddha's Bedroom - Cheryl Fraser 2020-01-24

In this playful and sexually savvy guide, "Dr. Cheryl" Fraser presents enlivening mindfulness practices, techniques from couples and sex therapy, and the wisdom of Buddhist teachings to help couples spark the passion and thrill they've been seeking.

With this spiritually scintillating book, couples can break the monotony of familiar routines and bring a little nirvana back to the bedroom for a more exciting, loving, and fulfilling and relationship.

[The Art of Intimate Marriage](#) - Tim and Dr. Jennifer Konzen 2019-01-08

From a two-time nationally award winning sexuality researcher - *The Art of Intimate Marriage*. God's plan for sexual intimacy in marriage is the work of a Master artist and genuine intimacy is like a

beautiful masterpiece. Your marriage is going well but you want to make your sex life better and you're looking for help on how to do that. You want to know what God has to say about how to build a fulfilling sexual intimacy in your marriage. Your sexual relationship has been full of pain, discouragement, and frustration and you need some answers. You have some medical issues that are making sex difficult and you would like to rekindle experiencing mutually pleasurable sex. For these issues and more, The Art of Intimate Marriage provides direction and guidance on how to get there. Creating that masterpiece may mean learning God's view of sex, gaining life-giving intimacy skills, and figuring out how to work through conflict in a way that creates deeper connection. It may also mean overcoming things in your background, healing things in your marriage, or dealing with those medical challenges. We have the opportunity to have a deeper understanding of God's

loving heart through being deeply known and erotically bonded with our spouse. The Art of Intimate Marriage gives us a road map to experience growth toward a more rewarding, spiritual sexual relationship.

Passion and Presence - Maci Daye 2020-10-20

Awaken your mindful sensuality and reconnect with your partner with Passion and Presence. Most romantic relationships follow a predictable pattern of initial enchantment followed by inevitable disenchantment. But relationships don't have to stay in disenchantment or end!

Passion and Presence offers readers a proven path back to connection and intimacy--often in deeper ways than before. Sex therapist Maci Daye draws on her popular international Passion and Presence workshops to show couples how their erotic difficulties can be a portal to creativity, compassion, and unparalleled growth. Exercises and reflections guide readers down what Daye calls the "naked

Downloaded from
legacy.opendemocracy.net
on 2021-07-26 by guest

path" of awakened intimacy. On this path, we courageously examine ourselves, our barriers, and our relationship patterns, ultimately finding fresh ways to heal and connect, and revitalize eros. With gentle clarity, Daye addresses the everyday challenges of "real life" sex, such as sex that has become routine, differences in preferences or desire, power struggles, a history of trauma, changes ranging from childbirth to aging, infidelity, communication challenges, and more. Engaging stories depicting couples of diverse ages, backgrounds, genders, and orientations illustrate how the practice of Passion and Presence can help any couple establish a more intimate and wakeful erotic life.

Case Studies in Sex Therapy

- Raymond Rosen 1995-05-19
With simple cases of premature ejaculation or anorgasmia becoming increasingly rare, clinicians are now utilizing a sophisticated array of multidisciplinary approaches to treat a complex variety of challenging problems and

patient populations. Bringing together, under one cover, case studies and clinical discussions by the very authorities whose work is changing the field, *Case Studies in Sex Therapy* provides a state-of-the-art guide to current clinical practice. Chapters in the first section focus on cases of sexual desire disorders and explore such issues as desire disparity between partners, clinical interventions in marital and sex therapy, biological aspects of inhibited sexual desire, treatment considerations with a homosexual couple, the application of integrative therapy for treating secondary low sex desire, and the many factors that may contribute to sexual avoidance. The next section demonstrates both the opportunities and the complex challenges posed to the clinician by the array of new medical, surgical, and pharmacological therapies. Addressing the growing interest in sexual addiction and compulsion, the third section covers controversial issues such as the treatment of a

sexually addictive client and
the treatment implications

when a client has been sexually
exploited by another therapist.
