**Siblings Without Rivalry: How to Help Your Children Live Together So You Can Live Too** - Adele Faber 2012-04-09

The #1 New York Times best-selling guide to reducing hostility and generating goodwill between siblings. Already best-selling authors with *How to Talk So Kids Will Listen & Listen So Kids Will Talk*, Adele Faber and Elaine Mazlish turned their minds to the battle of the siblings. Parents themselves, they were determined to figure out how to help their children get along. The result was *Siblings Without Rivalry*. This wise, groundbreaking book gives parents the practical tools they need to cope with conflict, encourage cooperation, reduce competition, and make it possible for children to experience the joys of their special relationship. With humor and understanding—much gained from raising their own children—Faber and Mazlish explain how and when to intervene in fights, provide suggestions on how to help children channel their hostility into creative outlets, and demonstrate how to treat children unequally and still be fair. Updated to incorporate fresh thoughts after years of conducting workshops for parents and professionals, this edition also includes a new afterword.

*Pilgrim of Love* - Atma Jo Ann Levitt 2004

first published account of the spiritual master who inspired Kripalu, the largest yoga center in the U.S.

Adult Sibling Relationships - Geoffrey L. Greif 2015-12-08

The bond siblings develop in childhood may be vastly different from the relationship that evolves in adulthood. Driven by affection but also characterized by ambivalence and ambiguity, adult sibling relationships can become hurtful, uncertain, competitive, or exhausting though the undercurrents of love and loyalty remain. An approach that recognizes the positive aspects of the changing sibling relationship, as well as those that need improvement, can restore healthy ties and rebuild family closeness. With in-depth case studies of more than 260 siblings over the age of forty and interviews with experts on mental health and family interaction, this book offers vital direction for traversing the emotional terrain of adult sibling relations. It pursues a richer understanding of ambivalence, a normal though little explored feeling among siblings, and how ambiguity about the past or present can lead to miscommunication and estrangement. For both professionals and general readers, this book clarifies the most confounding elements of sibling relationships and provides specific suggestions for realizing new, productive avenues of friendship in middle and later life—skills that are particularly important for siblings who must cooperate to care for aging parents or give immediate emotional or financial support to other siblings or family members.

**Sibling Issues in Therapy** - Avidan Milevsky 2016-01-26

Incorporating the latest research and clinical work in family dynamics, this book examines multiple angles of integrating sibling issues, which underlie issues at the core of many clinical difficulties presented by

adult clients, in therapy to improve adulthood emotional and psychological well-being.

*Sibling Revelry* - Jo Ann Levitt, M.A., R.N. 2009-08-26

Experience the miracle of healing with a unique step-by-step program for enhancing adult sibling relationships — created by siblings for siblings Much has been written about the relationships of parents and children. But the unsung chord in all of our adult relationships, professional and personal, is rooted in the sibling connection. In this extraordinary book based on their Sibling Revelry workshops, authors — and siblings — Jo Ann, Marjory, and Joel Levitt re-create the seminars that have helped many strengthen the bonds of their adult sibling relationships. In eight clearly focused steps, with added material for home study, the authors show how to transform sibling rivalry into extraordinary, nurturing adult bonds that will enhance all other relationships in your life. Now you can regain the closeness you and your siblings once shared, heal old wounds, and pave the way to a happier, healthier future. Learn how to: \* Define your relationship — Unload the myths of your shared past...and discover who you are to each other now \* Witness the effect of old rivalries — And use them as a springboard to great adult relationships \* Envision a new future — Break the habits that hold your relationship firmly in place...and create a powerful new vision for yourself and your family \* Explore new modes of contact — Examine the "role" you play in your family and free yourself from damaging old patterns \* Heal wounds and misunderstandings — Resolve old conflicts as you sort through old issues of fear, anger, guilt, and hurt \* Invent new family legends — Uncover the myths and legends that have shaped your relationship...then create new ones \* Make room for differences — Clear out "sibling clutter" and accept your siblings exactly as they are \* Honor your strengths — Celebrate the positive qualities each sibling brings to the relationship...and set the stage for a lifelong connection

The Everything Parent's Guide To Raising Siblings - Linda Sonna 2006-02-24

A Simon & Schuster eBook. Simon & Schuster has a great book for every reader.

**Prayers for the Pandemic** - Jo Ann Levitt 2020-04-22

In this brief collection of prayers and poetry, Jo Ann Levitt depicts the multiple moods that arise on a daily basis while witnessing the changes brought about by the great Pandemic of the 21st century. Through this series of rhymed prayers, the author shares conflicting experiences of mirth and misery, madness and mystery, all the while searching for the means to adjust to (or in some cases survive) this extraordinary event that has taken the world by surprise. Much of her work is aimed both at finding peace while at the same time exploring the deeper meaning—extracting potential clues or messages from Spirit that will help sustain us and at the same time align us with God's greater purpose.

**Care Managers: Working with the Aging Family** - Cathy Cress 2009-10-07

Care Managers: Working with the Aging Family addresses the unmet needs of care managers working with aging clients as well as the client's entire family. With its in-depth focus on the "aging family system, this book fills a gap for medical case managers and geriatric care managers giving them tools to better meet the treatment goals of aging clients and their families, as the older clients move through the continuum of care in institutional based settings or community based settings. Care Managers: Working With the Aging Family uniquely focuses on helping the entire family unit through the process of death and dying, helping midlife siblings to work together to render care to aging parents. It adds proven techniques to the care manager repertoire such as family meetings, forgiveness, technology, and care giver assessment. It offers multiple tools to do an effective care plan so that both the needs of the family and the older client are met.

**Bridges** - Jonetta Rose Barras 2005-05-22

In her critically acclaimed, groundbreaking bestseller *Whatever Happened to Daddy's Little Girl?* author Jonetta Rose Barras broke the code of silence surrounding the devastating impact father absence has on girls and women. Using her own story, and that of other women from across the country, Barras identified the fatherless woman syndrome, along with its ramifications, and offered remedies for healing. In this new self-help book: *Bridges: Reuniting Daughters & Daddies*, Barras takes the next step, guiding daughter-and-father duos toward much needed reconciliation, bonding, and healing. With illustrations pulled from the lives of real women and their fathers, plus affirmations and practical exercises designed by the author in association with experts, *Bridges* will be a must read and invaluable tool for girls and women who want to mend the rend in their lives, for men who want to enjoy the special and sacred relationship between fathers and daughters, and for everyone interested in the love that binds us all.

**The Complete Idiot's Guide to Open Nesting** - Lauren A. Gray, M.S; L.M.F.T. 2009-10-06

"As long as you're living under my roof"-made simple... Census figures say about half those aged 18 to 24 live at home, with 65% of college graduates returning. This guide helps parents and their adult children deal with living together again by: helping young adults set goals for independence; determine boundaries; talk about dating, and more. -- Only book on the topic -- Open nesting trend alive and well-especially with the advent of the economic downturn -- Focused on the interests and concerns of both the parents and the adult children

**The Utne Reader** - 2001

**Why Can't We Get Along?** - Peter Goldenthal 2002-04-05

Rivalry, jealousy, pent-up anger: for many brothers and sisters, these emotions remain well into adult life. Peter Goldenthal offers help for those who wish to break the destructive patterns that affect their relationships.
