The Paradox of Suicide and Creativity M. F. Alvarez 2020-11-12 If creativity is the highest expression of the life impulse, why do creative individuals who have made lasting contributions to the arts and sciences so often end their lives? M.F. Alvarez addresses this central paradox by exploring the inner lives and works of eleven creative visionaries who succumbed to suicide. Through a series of case studies, Alvarez shows that creativity and suicide are both attempts to authenticate and resolve personal catastrophes that have called into question the most basic conditions of human existence.

The Wedding Present: Sometimes These Words Just Don't Have to be Said Richard Houghton 2017-09-15 This fanthology is the first ever authorised book about indie legends The Wedding Present. With an introduction and commentary from band founder and mainstay David Gedge, The Wedding Present: Sometimes These Words Don't Have To Be Said is a collection of over 400 fan memories interspersed with insights from collaborators from across the band's career. These include former band members Peter Solowka, Shaun Charman, Paul Dorrington, Terry De Castro, Simon Cleave, Graeme Ramsay and Patrick Alexander and the band's producers and engineers including Chris Allison, Steve Lyon, Steve Albini and Grammy Award-winning Andrew Scheps. From David Gedge's school days through to concerts in 2016, the book is packed with full colour images, including many from David's personal archive. It contains stories from a host of celebrity fans, including Gaz Coombes (Supergrass), Mark Burgess (The Chameleons), Martin Noble (British Sea Power), Emma Pollock (The Delgados), John Robb (The Membranes), William Potter (CUD), Rolo McGinty (The Woodentops), Ben Lambert (Carter USM), and bands who have performed at David's annual At The Edge Of The Sea festival.

The Never-Ending Present Michael Barclay 2019-05-07 The long-awaited, first-ever print biography of "Canada's band" "A clever, touching, and very informative book that may well be the definitive work on an important piece of Canadian pop culture." — Publishers Weekly, starred review In the summer of 2016, more than a third of Canadians tuned in to watch the Tragically Hip's final performance. Why? Partially because Gord Downie's terminal brain cancer made the event much bigger than merely a musical occasion. But also because these five men were always more than just a chart-topping band. They defined a generation of Canadian rock music. They were a tabula rasa onto which fans could project their own ideas: of performance, of poetry, of history, of Canada itself. Acclaimed music journalist Michael Barclay talks to dozens of the band's peers and friends about not just the Hip's music but about the opening bands, dealing with disease through art, Gord Downie's role in reconciliation with Indigenous people, and the Hip's role in Canadian culture. It's a book for those who have always loved the Hip, and for everyone else. As Downie said at that final show watched by millions, "Everyone is invited. Everyone is involved."

Songs about Love and Loss Gini Scott 2020-05-21 Songs about Love and Loss shows the power of love and then the heartache that occurs when the relationship ends and sometimes leads to deadly results. It features a series of newly updated songs originally written in 1994 and 1995 that have been updated to reflect new technologies, like the Internet, that have led to a growing long-distance love. The songs begin in a spirit of joy and celebration when everything goes well. But then that emotional high ends when times change and a loved one goes away. That can even happen when a long-distance love ends. And sometimes jealousy can not only break up a relationship but lead to murder and a long jail sentence. The songs that tell this story are: "It's the Fourth of July Throughout the Year" "Whirlwind in My Heart" "Cyberqueen" "Guilty of Loving You" The photos in this book are the same ones that are in a music video of each song. GINI GRAHAM SCOTT, PhD is a writer, publisher, and film producer, who has published over 200 books, 50 for traditional publishers and 150 for her own company Changemakers Publishing, specializing in books on self-help, popular business, and social issues. She also writes, reviews, and ghostwrites books and scripts for clients. She has written and executive produced 10 feature films, documentaries, and TV series.

Heartbeat, Warble, and the Electric Powwow Craig Harris 2016-04-11 Despite centuries of suppression and oppression, American Indian music survives today as a profound cultural force. Heartbeat, Warble, and the Electric Powwow celebrates in depth the vibrant soundscape of Native North America, from the "heartbeat" of intertribal drums and "warble" of Native flutes to contemporary rock, hip-hop, and electronic music. Drawing on more than one hundred interviews with musicians, producers, ethnographers, and record-label owners, author and musician Craig Harris conjures an aural tapestry in which powwow drums and end-blown woodwinds resound alongside operatic and symphonic strains, jazz and reggae, country music, and blues. Harris begins with an exploration of the powwow, from sacred ceremonies to intertribal gatherings. He examines the traditions of the Native American flute and its revival with artists such as two-time Grammy winners R. Carlos Nakai and Mary Youngblood. Singers and songwriters, including Buffy Sainte-Marie, Keith Secola, and Joanne Shenandoah, provide insights into their music and their lives as American Indians. Harris also traces American Indian rock, reggae, punk, and pop over four decades, punctuating his survey with commentary from such artists as Tom Bee, founder of Native America's first rock band, XIT. Grammy-winner Taj Mahal recalls influential guitarist Jesse Ed Davis; ex-bandmates reflect on Rock Hall of Fame inductee Redbone; Robbie Robertson, Pura Fe, and Rita Coolidge describe how their groundbreaking 1993 album, *Music for the Native Americans*, evolved; and DJs A Tribe Called Red discuss their melding of archival powwow recordings into fiery dance music. The many voices and sounds that weave throughout Harris's engaging, accessible account portray a sonic landscape that defies stereotyping and continues to expand. Heartbeat, Warble, and the Electric Powwow is the story—told by those who live it—of resisting a half-millennium of cultural suppression to create new sounds while preserving old roots. Listen in! Migration and Vodou Karen E. Richman 2018-10-02 This book and accompanying compact disc provide a rare excursion in the innovative ways a community of Haitian migrants to South Florida has maintained religious traditions and familial connections. It demonstrates how religion, ritual, and aesthetic practices affect lives on both sides of the Caribbean, and it debunks myths of exotic and primitive vodou (often spelled "voodoo"), which have long been used against Haitians. As Karen Richman shows, Haitians at home and in migrant settlements make ingenious use of audio and video tapes to extend the boundaries of their ritual spaces and to reinforce their moral and spiritual anchors to one another. The book and CD were produced in collaboration to give the reader intimate access to this new expressive media. Sacred songs are recorded on tapes and circulated among the communities. Migrants are able to hear not only the performance sounds--drumming, singing, and chatter--but also a description, as narrators tell of offerings, sacrifices, prayers, and the exchange of possessions. Spirits who inhabit the bodies of ritual actors are aware of the recording devices and personally address the absent migrants, sometimes warning them of their financial obligations to family members in Haiti. The migrants' dependence on their home village is dramatically reinforced while their economic independence is restricted. Using standard ethnographic methods, Richman's work illuminates the connections among social organization, power, production, ritual, and aesthetics. With its transnational perspective, it shows how labor migration has become one of Haiti's chief economic exports. A volume in the series *New World Diasporas*, edited by Kevin A. Yelvington

A Voice Undefeated Collin Raye 2014-04-01 When Collin Raye's powerful, golden voice dazzled the country music scene in 1991 with his Number One hit single "Love, Me", country music listeners fell in love with one of the great voices of our time. A new star was rising, and Collin's success continued throughout the nineties with over eight million records sold. Raye's autobiography, *A Voice Undefeated*, gives readers a down-to-earth account of the author's personal and professional life. From his childhood in Arkansas and Texas through his days with the Wray Brothers Band in Oregon and Reno to his rise to international stardom, this book is both a journey to the top of the music world and an intimate diary of a soul that has suffered great professional and personal losses. Many who love Collin Raye, the successful country music artist, don't know much about Collin Raye, the man, and the many trials he has endured with faith and courage. Most recently his beloved nine-year-old granddaughter, Haley, died in 2010 from an undiagnosed neurological disease. Since Haley's death, Collin has become an advocate for the sick and disabled and has established the Haley Bell Bless'ed Chair Foundation to provide wheelchairs to families with special needs children. This is a remarkable, inspirational story told by the man who lived it. It is a story of faith, of struggle, of suffering, of profound love, and ultimately of triumph in the midst of tragedy. Includes 32 pages of color photos. Includes DVD of never-before-seen personal interview and three songs written by Collin, "Undefeated", "She's With Me", and "Give Me Jesus" that are intimate to his story. Ê
