Toxic Touch Box Set Books #1-3 - Lexy Timms Stop setting yourself on fire to keep someone else warm. Book 1 - Noxious Brady and Levi have been together since high school, since before he became famous and started thinking only about himself. Which he should, his football career is everything right now. Brady understands and doesn't mind she's slowly slipping into the background. Except, when will it be fair to think about herself, or to want more? Where is the line between selflessness and self-sacrifice? Sometimes, she isn't sure she knows anymore. But if she has to think about a life without Levi, it feels wrong. They've always been there for each other. It's always been about the dream, the goal. Even if it ended up being his dream, his goal. Because if they're together, isn't it a team effort? Doesn't it become their dream, their goal, together? Or is she just fooling herself? Is it normal for people in a relationship to feel this alone? Book 2 - Lethal Brady Simmons is struggling. A texted marriage proposal feels like a lame attempt to salvage their fraying relationship. When her boyfriend, Levi Duncan, makes strides at being better, Brady tries to convince herself that the rough patch is behind them and they can move forward. She forces herself to forget about the man that captured her attention in Vegas, James Gilmore. When she catches Levi cheating again, she realizes she has to make a change. Is it time she forges her own path? Book 3 - Willful To escape fear you have to go through it, not around it. Brady Simmons is doing well for herself after leaving her ex behind. Her gallery is successful and her paintings are selling, but she still longs for the one that got away, James Gilmore. The Flower Cottage - Leeanna Morgan

Fans of Pamela Kelley and Robyn Carr will love this small-town, feel-good romance! Paris Haynes has spent most of her life running from one bad relationship to the next. Three years ago, determined to put her past behind her, she moved to Sapphire Bay and began to rebuild her life. Working with Kylie in the flower shop has given her a sense of purpose, a reason to live the kind of life she's always dreamed about. When she hears about the cottages that are being remodeled on Anchor Lane, she can hardly contain her excitement. She proposes a plan so outrageous, so out of her comfort zone, that she's sure it will fail before it begins. Richard Dawkins lost his leg in Afghanistan and nearly lost his son. Moving to Sapphire Bay has given him more than a place to call home. He has new friends, a steady job, and a state-of-the-art prosthetic leg that's transformed his life. Helping to turn the cottages on Anchor Lane into small, thriving businesses is his way of giving back to the community. But when he discovers Paris has been given the keys to the first cottage, he knows he's in trouble. With her over-the-top positivity, she's everything he doesn't need, and the only person who could change his life forever. THE FLOWER COTTAGE is the first

book in The Cottages on Anchor Lane series and can easily be read as a stand-alone. All of Leeanna's series are linked. If you find a character you like, they could be in another novel! scientist who's also sweet, smart, sexy, and has absolutely no idea who he is. But what will happen when she finds out? Will their worlds prove too far apart or could love really be like in the movies? From Thailand with Love All Logan has to do is to get the gold and get the girl. Easy, right? Travel photographer Winter Knowles and archeology professor Logan Spencer dislike each other at first sight. Stuck together into the wild, these two unwilling teammates will bicker and banter their way through a laugh-packed treasure hunt. After years of searching, a new mapping technology has given Logan a clue to the location of the legendary Lost City of Gold. A discovery that could make his career. So the last thing he needs on this life-changing expedition is for his team to get distracted by a pair of long legs. When Winter accepted the assignment on a tropical island she didn't sign up for a brooding team leader who'd clearly prefer to run a boys-only club. Never one to back down from a challenge, Winter is ready to show him she's no damsel in distress. But when a treasure like no other is uncovered and ruthless enemies will want to keep it for themselves, it'll be up to the two of them to save the day. Left alone to fight in the jungle, they will soon discover their lives might not be the only thing at stake—their hearts could be too. Get ready for the adventure of a lifetime. You May Kiss the Bridesmaid Archibald Hill is handsome, single, and he's going to his best friend's wedding ready to make a conquest or two. After all, everyone knows weddings are the perfect setting to get lucky. Summer Knowles used to have a life—friends,

family, a sister who'd do anything for her—until she blew it all away with a terrible mistake. Now, attending her twin's wedding as the party's undesirable number one seems like more than she can handle. So, when a tall stranger with smoldering ice-blue eyes offers her a therapy of seven nights of no-strings-attached fun, she might even ignore that he has a beard and accept. Problem is, Summer has never been good at keeping sex and feelings separated... What readers are saying: A fun read filled with humor, heart, and love big enough to reach... to the stars and back.
