Alice in Wonderland - Lewis Carroll 2009-01-01

Alice in Wonderland (also known as Alice's Adventures in Wonderland), from 1865, is the peculiar and imaginative tale of a girl who falls down a rabbit-hole into a bizarre world of eccentric and unusual creatures. Lewis Carroll's prominent example of the genre of "literary nonsense" has endured in popularity with its clever way of playing with logic and a narrative structure that has influence generations of fiction writing.

Campus Cues - Irene Pierson 1948

The Guyde - Howie Reith 2016-11-19

The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How

do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

Claudia and the New Girl (The Baby-Sitters Club #12) - Ann M. Martin 2012-12-01

The hit series is back, to charm and inspire another generation of baby-sitters! Claudia has always been the most outrageous girl in her class . . . until Ashley Wyeth comes along. Ashley's really different--she dresses in hippie clothes, wears six earrings and work boots, and is the most fantastic artist Claudia has ever met. Ashley says Claudia has artistic talent, too, but thinks Claudia should spend more time on her "calling" and stop wasting time on the Baby-sitters Club. The Baby-sitters are sick of Ashley Wyeth, and they feel like Claudia is a traitor. Claudia has to decide: either the BSC or the new girl--one of them's got to go! The best friends you'll ever have--with classic BSC covers and a letter from Ann M. Martin!

How to Tell If Someone Truly Loves You - Femi Ogunjinmi 2020-03-25

Statistics show that about nine-in-ten Americans cited love as a very important reason to get married. Whether you are single, dating or in a relationship, the thought of if someone truly loves you or you are in love comes to mind. We all want to fall in love and get married to someone who feels the same way we feel about them. However, people find it hard to say those three big words (I Love You) we want to hear. The reason for their hesitation varies. They are afraid to be perceived as moving too fast if it's a relatively new relationship, so they don't want to push you away. It could be because they don't want to come off too strong if they cannot tell that you have similar feelings. And some people hold off saying it because they feel like the other person should say it first. Regardless if they are professing their love or hiding it, this book will reveal the signs that convey someone truly loves you and if what you are feeling also is true love. Dr. Femi "Gfem" Ogunjinmi is a global relationship new rule expert, TV host of Dr. Femi Show, United Nation Representative, and author of Revelations of Relationship: What You Don't Know About Finding True Love and Sustaining Relationship. He has been a go-to expert to media outlets like USA TODAY MAGAZINE, FOX NEWS, REWIRE.Org., and STYLECASTER. He has spoken on big media platforms including The Word Network, RADIO ONE, SIRIUS XM, SPLASH FM, and TEDx. His speech on TEDx has received over 2.8 million views and growing by 100,000 views every month. Apart from keynoting and speaking at conferences across the United State and overseas, Dr. Femi also conducts his own relationship programs. His signature conference, "Revelations of Relationship Seminar" occurs every year in United State and has been conducted internationally in Nigeria. Dr. Femi is the founder of National Relationship Equity Day, an organization that has created a national awareness day celebrated June 24th of every year. National Relationship Equity Day is dedicated to eradicating gender inequity in relationship and promoting the use of gifts, values, skill sets, and interests as a way of defining roles in relationship other than gender.

Modern Romance - Aziz Ansari 2015-06-16

The #1 New York Times Bestseller "An engaging look at the often head-scratching, frequently infuriating mating behaviors that shape our love lives." —Refinery 29 A hilarious, thoughtful, and in-depth exploration of the pleasures and perils of modern romance from Aziz Ansari, the star of Master of None and one of this

generation's sharpest comedic voices At some point, every one of us embarks on a journey to find love. We meet people, date, get into and out of relationships, all with the hope of finding someone with whom we share a deep connection. This seems standard now, but it's wildly different from what people did even just decades ago. Single people today have more romantic options than at any point in human history. With technology, our abilities to connect with and sort through these options are staggering. So why are so many people frustrated? Some of our problems are unique to our time. "Why did this guy just text me an emoji of a pizza?" "Should I go out with this girl even though she listed Combos as one of her favorite snack foods? Combos?!" "My girlfriend just got a message from some dude named Nathan. Who's Nathan? Did he just send her a photo of his penis? Should I check just to be sure?" But the transformation of our romantic lives can't be explained by technology alone. In a short period of time, the whole culture of finding love has changed dramatically. A few decades ago, people would find a decent person who lived in their neighborhood. Their families would meet and, after deciding neither party seemed like a murderer, they would get married and soon have a kid, all by the time they were twenty-four. Today, people marry later than ever and spend years of their lives on a quest to find the perfect person, a soul mate. For years, Aziz Ansari has been aiming his comic insight at modern romance, but for Modern Romance, the book, he decided he needed to take things to another level. He teamed up with NYU sociologist Eric Klinenberg and designed a massive research project, including hundreds of interviews and focus groups conducted everywhere from Tokyo to Buenos Aires to Wichita. They analyzed behavioral data and surveys and created their own online research forum on Reddit, which drew thousands of messages. They enlisted the world's leading social scientists, including Andrew Cherlin, Eli Finkel, Helen Fisher, Sheena Iyengar, Barry Schwartz, Sherry Turkle, and Robb Willer. The result is unlike any social science or humor book we've seen before. In Modern Romance, Ansari combines his irreverent humor with cutting-edge social science to give us an unforgettable tour of our new romantic world.

Someone Like Her: The exquisite, heart-wrenching, eye-opening new novel from the bestselling author of No Honour - Awais Khan 2023-08-17

A young Pakistani woman is the victim of an unthinkable act of vengeance, when she defies convention for love, facing seemingly insurmountable challenges and danger as she attempts to rebuild her life. `Stunning, shocking, compulsive reading ... A breathtaking masterpiece' Hazel Prior `Pacy, gripping and fast-moving ... I literally could not put it down!' Edel Coffey `Rarely has a writer affected me so deeply. Someone Like Her is an epic story of love, power and extraordinary courage' A.J. West ----- Multan, Pakistan. A conservative city where an unmarried woman over the age of twenty-five is considered a curse by her family. Ayesha is twenty-seven. Independent and happily single, she has evaded an arranged marriage because of her family's reduced circumstances. When she catches the eye of powerful, wealthy Raza, it seems like the answer to her parents' prayers. But Ayesha is in love with someone else, and when she refuses to give up on him, Raza resorts to unthinkable revenge... Ayesha travels to London to rebuild her life and there she meets Kamil, an emotionally damaged man who has demons of his own. They embark on a friendship that could mean salvation for both of them, but danger stalks Ayesha in London, too. With her life thrown into turmoil, she is forced to make a decision that could change her and everyone she loves forever. Exquisitely written, populated by unforgettable characters and rich with poignant, powerful themes, Someone Like Her is a story of love and family, of corruption and calamity, of courage and hope ... and one woman's determination to thwart convention and find peace, at whatever cost...

----- `Khan brings passion and a clear eye to this compelling story of female defiance in the face of corruption and violence. If you're a fan of Khaled Hosseini ... this is for you' Paul Waters `A heart-rending and compelling story. Khan treats his characters with love and respect. I couldn't put it down' Alice Clark-Platts `Breaks your heart but then gradually heals it' Mira V Shah `A dark and frightening story of corruption, oppression, possession and violence yet is beautifully and sensitively written by a brave, bold author' Michael Wood `Tackles deep-rooted societal issues with brutal yet touching honesty' A.A. Chaudhuri `An excellent storyteller' Soniah Kamal `An epic story of love, abuse and revenge ... an emotional rollercoaster as Awais Khan confronts societal injustices with unflinching honesty' Eve Smith `Khan lays bare the trauma of women, relegated to second-class citizenship in this compelling tale of brutality and bravery. First-class writing' Marion Todd `Tender and powerful ... his best yet' Sonia Velton

‘Compelling, painful and defiant’ Elyse John ‘Arguably Khan's best work’ Pakistan Daily ‘Kept me turning the pages late into the night’ Aliya Ali-Afzal ‘A gripping and emotive story of ambition, resilience and love’ Heleen Kist ‘Insightful storytelling’ Faiqa Mansab ‘Both timely and timeless’ Saba Karim Khan

Mate - Tucker Max 2015-09-15

Whether they conducted their research in life or in the lab, experts Tucker Max and Geoffrey Miller have spent the last 20+ years learning what women really want from their men, why they want it, and how men can deliver it. The short answer: become the best version of yourself possible, then show it off. It sounds simple, but it's not. If it were, Tinder would just be the stuff you use to start a fire. Becoming your best self requires honesty, self-awareness, hard work, and a little help. Through their website and podcast, Max and Miller have already helped more than one million guys take their first steps toward Ms. Right. They have collected all of their findings in *Mate*, an evidence-driven, seriously funny playbook that will teach you how to become a more sexually attractive and romantically successful man, the right way

The Beggar Girl and Her Benefactors - Mrs. Bennett (Agnes Maria) 1813

[The Five Love Languages](#) - Gary Chapman 2009-12-17

Marriage should be based on love, right? But does it seem as though you and your spouse are speaking two different languages? #1 New York Times bestselling author Dr. Gary Chapman guides couples in identifying, understanding, and speaking their spouse's primary love language—quality time, words of affirmation, gifts, acts of service, or physical touch. By learning the five love languages, you and your spouse will discover your unique love languages and learn practical steps in truly loving each other. Chapters are categorized by love language for easy reference, and each one ends with simple steps to express a specific language to your spouse and guide your marriage in the right direction. A newly designed love languages assessment will help you understand and strengthen your relationship. You can build a lasting, loving marriage together. Gary Chapman hosts a nationally syndicated daily radio program called A Love Language Minute that can be heard on more than 150 radio stations as well as the weekly syndicated program Building Relationships with Gary Chapman, which can both be heard on fivelovelanguages.com. The Five Love Languages is a consistent New York Times bestseller - with over 5 million copies sold and translated into 38 languages. This book is a sales phenomenon, with each year outselling the prior for 16 years running!

Wander Woman - Marcia Reynolds 2010-06-14

Presents fresh research and powerful stories to give voice to a new generation of women driven by challenge and change Offers compelling advice on how to make wandering a life strategy, not just a series of unplanned events Includes probing questions and thought-provoking exercises to help readers find peace in life's chaos and confusion 2011 Axiom Award Gold Medal winner in the category of Women in Business There's a new generation of high-achieving women today—confident, ambitious, accomplished, driven. And yet, as master coach Marcia Reynolds discovered, many of them are also anxious, discontented, and frustrated. They're constantly questioning their purpose, juggling multiple roles, and reevaluating their goals. As a result they're restless—they move from job to job, from challenge to challenge, almost on impulse. They're wander women. Existing personal growth books, so focused on empowerment and encouragement, can't help these women. They don't need to find their voice—they know how to roar. They don't expect balance in their lives—but they long to find peace in the chaos. They aren't necessarily focused on gaining a seat in the boardroom—they want projects that mean something or businesses they run on their own. Reynolds helps wander women understand the roots of their restlessness and make their wandering a conscious strategy, not a reaction. Drawing on extensive research and interviews she illuminates the needs that drive their decisions and the core assumptions that lock them into rigid perfectionist patterns. She offers a wealth of exercises and practices that will enable wander women to reset their mental programming, discover new ways of finding direction, and thoughtfully choose and plan their futures, whether they climb the corporate ladder, find satisfaction below the glass ceiling, or set out on their own. For every woman plagued by frustration and self-doubt—"Will what I've done ever feel good enough?"—Wander Woman sets the stage to uncover the answers to life's tough questions about meaning and purpose, significance and value, and the legacy you can leave from a life lived well.

We Should Get Together - Kat Vellos 2020-01-04

We Should Get Together is the handbook for anyone who's ready for better friendships, now. Have you recently moved to a new city and are struggling to make friends? Do you find yourself constantly making plans with friends that fall through? Are you more likely to see your friends' social media posts than their faces? You aren't alone. Millions of adults struggle with an uncomfortable and persistent ache: platonic longing, which is the unfulfilled wish for authentic, resilient, close friendships. But it doesn't have to be this way. Making and maintaining friendships during adulthood can be hard--or, with a bit of intention and creativity, joyful. Author Kat Vellos, experience designer and founder of Better Than Small Talk, tackles the four most common challenges of adult friendship: constant relocation, full schedules, the demands of partnership and family, and our culture's declining capacity for compassion and intimacy in the age of social media. Combining expert research and personal stories pulled from conversations with hundreds of adults, We Should Get Together is the modern handbook for making and maintaining stronger friendships. With this book you will learn to: Make and maintain friendships when you (or your friends) keep moving Have deeper and more meaningful conversations Triumph over awkwardness in social situations Become less dependent on your phone Identify and prioritize quality connections Find time for friendship despite your busy calendar Create closer, more durable friendships Full of relatable stories, practical tips, 60 charming illustrations, 55 suggested activities, a book club discussion guide, and 300+ conversation starters, We Should Get Together is the perfect book for anyone who wants to have dedicated, life-enriching friends, and who wants to be that kind of friend, too.

Married Roommates - Talia Wagner 2019-04-19

Are You Married but Living Like Roommates? Do you sleep back-to-back or even separately? Do you feel lonely, bored, and sexually frustrated in your marriage? Have you, in fact, become just roommates? Millions of couples live empty parallel lives and wonder, "Is this all there is?" Talia and Allen Wagner, marriage and family therapists, have illuminated this sadly familiar, silent epidemic of Married Roommates. They give couples a new way to bring back the spark in their marriage with tools and strategies to learn how to talk to and with your spouse, not to mention how to get away from the tit for tats and the constant feeling of walking and talking on eggshells. This book helps you reclaim your marriage by learning how to: -

Communicate effectively without assumptions and misinterpretations - Resolve conflict by avoiding fighting or escalation - Maintain attraction, intimacy, and sex - Prioritize one another and work as a team - Gain the tools to stop the fighting, disrespect, jabs, and low blows - Create new routines and reinvigorate the stale parts of your relationship

The Gift of the Magi (Illustrated) - O. Henry 2022-04-27

"The Gift of the Magi" is a short story by O. Henry first published in 1905. The story tells of a young husband and wife and how they deal with the challenge of buying secret Christmas gifts for each other with very little money. The main idea of "The Gift of the Magi" is that the value of a gift is in the giver, rather than the gift itself. Jim and Della, out of their love for each other, purchased a gift that required them to sacrifice something that was precious to them.
