POR QUE LOS HOMBRES NO ESCUCHAN Y LAS MUJERES NO ENTIENDEN LOS MAPAS ALLAN PEASE 2009-11-27 Aborda las diferencias existenciales entre los hombres y las mujeres de forma desenfadada y divertida. Las mujeres critican a los hombres por ser insensibles y descuidados, por no escuchar, por no ser afectuosos ni considerados o por no comunicarse. En cambio, los hombres critican a las mujeres por su forma de conducir, por mirar los mapas al revés o por su falta de sentido de la orientación. ¿Por qué? Porque hombres y mujeres son diferentes. Hace tiempo que los científicos, los antropólogos y sociólogos lo saben y el propósito de los autores es divulgar este conocimiento. Incluye capítulo adicional: "La Seducción: 17 técnicas que dan resultado". Edición conmemorativa del 10o aniversario de la publicación del libro. Testosterone Dreams John Hoberman 2005-02-21 Testosterone has inspired dreams—of restored youth, recharged sexual appetites, faster running, quicker thinking, bigger muscles—since it was first synthesized in 1935. This provocative book investigates the complex, bizarre, and sometimes outrageous history of synthetic testosterone and other male hormone therapies. Exploring many little-known social arenas—both inside and outside the medical world—in which these substances are becoming increasingly available and accepted, *Testosterone Dreams* examines the implications and dangers of their use in professional sports, in the workplace, in our sex lives, and beyond. *Testosterone Dreams* tells the story of testosterone's growing and sometimes concealed influence in our culture over the past 70 years. It explores such controversial topics as the invention and marketing of the male menopause, the disturbing history of hormonal and other medical treatments aimed at boosting or suppressing women's sexuality, and hormone doping in sporting events such as the Tour de France and the Olympics, and in Major League Baseball. It brings to light the hidden use of hormone doping by policemen, soldiers, and other workers in a variety of jobs. It also discusses the burgeoning steroid use in the gay community and its relation to AIDS, and takes a hard look at the pharmaceutical industry's promotional campaigns to create new markets for testosterone products. *Testosterone Dreams* is the first book to bring together the whole story of testosterone and to consider its social and ethical implications: Where does therapy end and performance enhancement begin? How are changing medical technologies affecting how we think about our identities as men and women and the elusive goal of "well-being"? This book will be essential reading as we move inexorably toward the wide-open, libertarian pharmacology that is now making these drug regimes available to a wider and wider clientele.

The Great Sex Rescue Sheila Wray Gregoire 2021-03-02 What if it's not your fault that sex is bad in your marriage? Based on a groundbreaking in-depth survey of 22,000 Christian women, *The Great Sex Rescue* unlocks the secrets to what makes some marriages red hot while others fizzle out. Generations of women have grown up with messages about sex that make them feel dirty, used, or invisible, while men have been sold such a cheapened version of sex, they don't know what they're missing. *The Great Sex Rescue* hopes to turn all of that around, developing a truly biblical view of sex where mutuality, intimacy, and passion reign. *The Great Sex Rescue* pulls back the curtain on what is happening in Christian bedrooms and exposes the problematic teachings that wreck sex for so many couples--and the good teachings that leave others breathless. In the #metoo and #churchtoo era, not only is this book a long overdue corrective to church culture, it is poised to free thousands of couples from repressive and dissatisfying sex lives so that they can experience the kind of intimacy and wholeness God intended.

Per Què Els Homes No Escolten I les Dones No Entenen Els Mapes Allan Pease 2002 Els homes i les dones son diferents. Això no vol dir que uns siguin millors que els altres, sino que senzillament son diferents. Fa temps que els científics, els antropòlegs i els sociobiòlegs ho saben, i l'objectiu dels autors es divulgar aquest coneixement. Unprotected Texts Jennifer Wright Knust 2011-01-25 "An explosive, fascinating book that reveals how the Bible cannot be used as a rulebook when it comes to sex. A terrific read by a top scholar." —Bart Ehrman, author of *Misquoting Jesus* Boston University's cutting-edge religion scholar Jennifer Wright Knust reveals the Bible's contradictory messages about sex in this thoughtful, riveting, and timely reexploration of the letter of the gospels. In the tradition of Bart Ehrman's *Jesus Interrupted* and John Shelby Spong's *Sins of Scripture*, Knust's *Unprotected Texts* liberates us from the pervasive moralizing—the fickle dos and don'ts—so often dictated by religious demagogues. Knust's powerful reading offers a return to the scripture, away from the mere slogans to which it is so often reduced.

To Love, Honor, and Vacuum Sheila Wray Gregoire 2014 "Sheila speaks to both the heart and habits of the woman who is wife and mother. The lessons in this book are biblical, doable, and affordable!"--Margaret B. Buchanan From advertisements to mommy blogs to Pinterest, scenes of domestic bliss abound, painting a picture of perfection and expectation nearly impossible to live up to. Why can't you work a full-time job, stylishly clothe yourself and your children, plan a party for twelve with handmade decorations, keep your house sparkling clean without chemicals, and bake a gourmet meal in the same day? Everyone else is doing it! For many women, housework has become more than chores that need to be done; it is a symbol of identity. Sheila Wray Gregoire wants to stop that thinking in its tracks and help women back to a life of balance--for their sakes and for their families. She encourages women to shift their focus from housekeeping to relationships and shows them how to foster responsibility and respect in all family members. The second edition retains the helpful, concrete advice on everyday situations such as strategies for tackling chores and budgets and tips on effective communication, while incorporating the wisdom Sheila has gained through her interaction with thousands of readers of her blog and through her speaking ministry over the past ten years. Through the principles in *To Love, Honor, and Vacuum*, Gregoire promises readers they can grow and thrive in the midst of their hectic lives--even if their circumstances stay the same.
