

# The Love Bunglers Love Rockets New Stories

**LOCAS** - Jaime Hernandez 2004

When Mexican-American rock girl Maggie Chascarrillo and feisty anti-authoritarian punkette Hopey Glass first meet, a turbulent yet enduring relationship is born.

**God and Science** - Jaime Hernandez 2012-08-16

The "director's cut" edition of the sprawling super-hero epic from Love and Rockets. Originally serialized in Love and Rockets New Stories, "Ti-Girls Adventures" managed to be both a rollickingly creative super-hero joyride (featuring three separate super-teams and over two dozen characters) that ranged from the other side of the universe to Maggie's shabby apartment, and a genuinely dramatic fable about madness, grief, and motherhood as Penny Century's decades-long quest to become a genuine super-heroine are finally, and tragically, fulfilled. In addition to introducing a plethora of wild new characters, God and Science brings in many older characters from Jaime's universe, some from seemingly throwaway shorter strips and some from Maggie's day-to-day world (including some real surprises). The main heroine of the story, forming a bridge between the "realistic" Maggie stories and the super-heroic extravaganza is "Angel," Maggie's sweet-tempered and athletic new roommate and best friend, and now herself an aspiring super-heroine.

**Beyond Palomar** - Gilbert Hernandez 2007-12-17

Two classic Gilbert Hernandez Love and Rockets graphic novels in one beautiful volume: "Poison River" traces the backstory of Luba, from child to teenage mob bride to her escape to Palomar; "Love and Rockets X" is a wide-ranging, Altman-esque story set in early-1990s L.A.

**Ghost of Hoppers** - Jaime Hernandez 2005

by Jaime Hernandez Collects the new adventures of Maggie Chascarrillo, as serialized in the Love & Rockets comic book. Maggie is now the resident building-manager of the notorious Capri Apartments deep in the heart of the San Fernando Valley, where imaginary dogs roam its walkways, all the air conditioners are broken, and the empty swimming pool is covered with flies. As if the eccentric, oddball tenants weren't weird enough, Maggie's houseguest and old friend Izzy Ortiz shakes things up with her usual nervous breakdowns, nocturnal screaming, and obsessive fly-swatting.

**Maggie the Mechanic** - Jaime Hernandez 2007-03-17

The first of three volumes chronicles the globe-trotting adventures and exploits of Maggie, her best friend and occasional lover Hopey, and their companions, Peggy Century, her weirdo mentor Izzy, aging wrestler Rena Titanon, and Maggie's new love interest, Rand Race. Original.

**Flies on the Ceiling** - Jaime Hernandez 1997

Volumes cover the Hernandez Brothers' work from the first Love & Rockets series, 1982-1996, calendar illustrations from 1989-1993, covers from the series, and hard to find drawings from various publications.

*The Love Bunglers* - Jaime Hernandez 2014-05-14

The suppression of family history is the initial thread that ties together The Love Bunglers, featuring Hernandez's longtime Love and Rockets heroine Maggie. Because these secrets can't be dealt with openly, their lingering effect is even more powerful. But Maggie's ability to navigate and find meaning in her life - despite losing her culture, her brother, her profession, and her friends - is what's made her a compelling character. After a lifetime of losses, Maggie finds, in the second half, her longtime off and on lover, Ray Dominguez. Much like John Updike in his four Rabbitnovels, Jaime Hernandez has been following his longtime character Maggie around for several decades, all of which has seemed to be building towards this book in particular.

**Penny Century** - Jaime Hernandez 2010-04-06

Picking up right after Perla La Loca, the third volume of the definitive "Maggie" series repackaging, this compilation of stories from Jaime Hernandez's solo comic Penny Century and his subsequent return to Love and Rockets (Volume II) charts the further lives of his beloved "Locas." But first... wrestling! Penny Century

starts off with a blast with "Whoa, Nellie!," a unique graphic novelette in which Maggie, who has settled in with her pro-wrestler aunt for a while, experiences that wild and woolly world first-hand.

*The Girl from H.O.P.P.E.R.S.* - Jaime Hernandez 2007-07-17

This volume collects the adventures of the spunky Maggie; her annoying, pixie-ish best friend and sometime lover Hopey; and their circle of friends, including their bombshell friend Penny Century, Maggie's weirdo mentor Izzy—as well as the aging but still heroic wrestler Rena Titanon and Maggie's handsome love interest, Rand Race. After the sci-fi trappings of his earliest stories (as seen in Maggie the Mechanic, the first volume in this series), Hernandez refined his approach, settling on the more naturalistic environment of the fictional Los Angeles barrio, Hoppers, and the lives of the young Mexican-Americans and punk rockers who live there. A central story and one of Jaime's absolute peaks is "The Death of Speedy." Such is Jaime's mastery that even though the end of the story is telegraphed from the very title, the downhill spiral of Speedy, the local heartthrob, is utterly compelling and ultimately quite surprising. Also in this volume, Maggie begins her on-again off-again romance with Ray D., leading to friction and an eventual separation from Hopey.

*Palomar* - Gilbert Hernandez 2003

From the pages of Love & Rockets, an intimate epic from south of the border.

**The Education of Hopey Glass** - Jaime Hernandez 2008

A stand-alone graphic novel from the Locas universe.

*Esperanza* - Jaime Hernandez 2011-08-17

In this batch of "Locas" stories by Jaime Hernandez from the pages of Love and Rockets Volume II (picking up where 2010's Penny Century collection left off), an older and wiser Maggie faces down her old demons and the "Ghost of Hoppers" in a full-length graphic novel (which also introduces one of Jaime's greatest recent characters, Vivian the "Frogmouth," the near-psychotic bombshell). Meanwhile, the ever-feisty but maturing Hopey (her Spanish birth name giving this collection its title) transitions from tending bar to teaching kindergarten (while still juggling a complex love life), and the final quarter of the book shows Maggie's lovable ex Ray Dominguez being dragged into the aftermath of a grisly murder thanks to his falling for the Frogmouth.

**Angels and Magpies** - Jaime Hernandez 2017-12-13

This collects the stories from Vol. 3 of the Love and Rockets comic book, including the LA Times Book Prize-winning Love Bunglers, and much more. The sublime, the superpowered, and the senior citizen converge in Angels and Magpies, which collects the Gods and Science: Return of the Ti-Girls and Love Bunglers storylines from the Love and Rockets: New Stories series, as well as Hernandez's 2006 serial for the New York Times. In the latter, Maggie pays a visit to Queen Rena, who is living out her twilight days on an island after a lifetime as a wrestler and an adventuress. In the Ti-Girls segment, superheroics get a screwball spin when Angel of Tarzana and Maggie square off against Dark Penny Century. In the "Love Bunglers," held as perhaps Hernandez's greatest masterpiece in his thirty-five-year career, and one of the great graphic novels of all time (it was hailed by Slate and Publishers Weekly as one of the best stories of the year), the past and present converge as Maggie and Ray's reunion is threatened by long-buried family secrets.

*Love and Rockets* - Gilbert Hernandez 2008-09-15

Love and Rockets: New Stories #1 reboots the ongoing "Love and Rockets" comic to a fat, all-new annual graphic-novel length package that will be available in bookstores. Jaime launches the new format with a superhero yarn: Penny Century has acquired superpowers, but is half-mad with grief and rampaging through the galaxy. A motley group of superheroes assemble to try to stop her. Only the first half of the saga, it combines Jaime's razor-sharp characterization and superlative art with wildly inventive, Kirby-style action. Gilbert Hernandez has these stories: "Tamanny" (rookie cop vs. demonic drug users); "Papa" (a turn-

of-the-century story involving a traveling businessman); "The New Adventures of Duke and Sammy" (superpowered Martin and Lewis impostors in outer space); "The Tender Room" (Into the Wild as re-imagined by Beto); "Chiro el Indio" (written by third brother Mario Hernandez); and "Never Say Never" (a kangaroo gets lucky in Las Vegas).

**Love and Rockets** - Gilbert Hernandez 2012-10-10

How do you follow up a one-two punch like Jaime Hernandez's stunning two-part masterpiece "The Love Bunglers" from LRNS #3 and #4, which sent Maggie and Ray's relationship in a startling new direction, as well as providing some mind-blowing revelations about Maggie's (and her family's) past? If you're Jaime, you deftly move sideways and switch focus to other characters, specifically Ray's ex, the rambunctious "Frogmouth." In "Crime Raiders International Mobsters and Executioners," Muneca, the Frogmouth's half-sister, comes to visit for a weekend and sees what kind of life the Frog Princess is living with Reno and Borneo — as well as a brand new character or two. On the other-brother side, Gilbert Hernandez celebrates the 30th anniversary by bringing one of his current characters ("Killer," granddaughter to the legendary Luba) into the Palomar milieu in a story that showcases a fictionalized "movie" Palomar (starring Fritz as a combination of Luba and Tonantzin), even as it brings back a number of the classic Palomar characters for real. This will be a much-anticipated homecoming for fans of the "classic" Love and Rockets of the 1980s. Thirty years in, Love and Rockets continues to surprise and delight.

**Tonta** - Jaime Hernandez 2019-07-31

A standalone graphic novel that shines a light on the family tree of one of Hernandez's most memorable characters of the past several years, the teenager Tonta.

*Dicks and Deedees* - Jaime Hernandez 2003

Vol. 4- have imprint Westlake Village, CA.

**Queen of the Ring** - Jaime Hernandez 2021-08-03

For the past 40 years, acclaimed graphic novelist Jaime Hernandez has been creating a Love and Rockets-adjacent world — set in the heyday of 1960s and '70s women's wrestling and lucha libre! — with an entirely

separate cast of characters who have aged and evolved: the beautiful and brutal Bettie Rey, the I.F.W. Pacific Women's Champion — a.k.a. Golden Girl — as well as former champions Pantera Negra, Miss Kitty Perez, and many more. As Hernandez puts it, "It's my Love and Rockets world that's not my Love and Rockets world." This best-of book spotlights the women who are often ignored in pro wrestling in 125 full color illustrations: pin-ups, action shots, fake wrestling magazine covers, all presented in a large paperback format that echoes the lucha libre magazines of the 1960s. Hernandez also discusses the work in an interview with fellow cartoonist Katie Skelly. Despite having created one of the most expansive and remarkable casts of characters of any cartoonist who ever lived (under the umbrella of the ongoing L&R comic book series), acclaimed graphic novelist Jaime Hernandez — Will Eisner Hall of Famer; Eisner, Harvey, Ignatz, and PEN Award winner; L.A. Times Book Prize winner; and on a very short list of contenders for the title of America's Greatest Living Cartoonist — has been privately amassing a body of work that no one else has ever seen for over 40 years. Until now.

**Locas II** - Jaime Hernandez 2009

The second, doorstop-sized omnibus volume of Locas tales collects over 12 years' worth of stories from the award-winning Love & Rockets comics, picking up shortly after Maggie and Hopey's long-awaited reunion.

**The Love and Rockets Companion** - Marc Sobel 2013-08-03

The Love and Rockets Companion: 30 Years (and Counting) contains three incredibly in-depth and candid interviews with creators Gilbert, Jaime and Mario Hernandez: one conducted by writer Neil Gaiman (Coraline); one conducted some six years into the comic's run by longtime L&R publisher Gary Groth; and one conducted by the book's author, spanning Gilbert's, Jaime's and Mario's careers, and looking to the future of the ongoing series, with a follow-up conversation with Groth. This book has foldout family trees for both Gilbert's Palomar and Jaime's Locas storylines; unpublished art; a character glossary (which is handy, considering that Gilbert alone has created 50+ characters!); highlights from the original series' anarchic letters columns; timelines; and the most wide-ranging Hernandez Brothers bibliography ever compiled, including album and DVD covers, posters and more.
