*The Power of Shakti* - Padma Aon Prakasha 2009-07-24

Transformational wisdom designed for both women and men to access and enhance the inner power of the Divine • Reveals how to activate your sacred sexual self and find your soul mission • Shows how to access the wisdom of the Galactic Center • Explains why men need the Shakti Circuit to connect with the Divine Masculine Shakti is the Divine life force that ceaselessly manifests, creates, and activates. Igniting this living power within is the key for both men and women to transform themselves and attain union, harmony, and peace. The fluid intelligence of Shakti enflames, empowers, and awakens, igniting life force, joy, and organic wisdom within. Uniting the forms of Tantra Yoga found in Indian, Tibetan, and Aramaic sacred traditions, Padma Aon Prakasha reveals how to activate the power of Shakti by opening the 18 energetic pathways of the Shakti Circuit. The Circuit begins with galactic energy entering the body at the Alta Major chakra, located at the back of the head. Traveling down the pillar of the spine through the root chakra, the Circuit passes through the Seven Gates of the Womb-Grail to link the sacred sexual center and the heart center. From the heart, the energy completes the Circuit by traveling to the third eye and back to the Alta Major starting point to reveal the All-seeing eye. Centered on the womb in women and the hara in men, the Shakti Circuit links the soul, body-mind, emotions, and chakras to the power and loving wisdom of the Galactic Center. The Power of Shakti includes the insights and experiences of both men and women as they activate the power of Shakti and shows that clearing all 18 pathways of the Shakti Circuit enables us to activate our sacred sexual self and find our soul mission.

[Ecstatic Body Postures](#) - Belinda Gore 1995-05-01

Specific body postures reappear in the art and artifacts of world cultures, even those widely separated by time and distance. What are these images of unusual postures telling us? Medicine people, shamans, priests, and priestesses of indigenous cultures have passed on this sacred body of knowledge for thousands of years. Anthropologist Felicita Goodman discovered that people who assume these postures report strikingly similar meditative experiences. The results from this research are inspiring, proving that certain body gestures and movements allow us to access higher states of consciousness. With clear instructions and illustrations, Belinda Gore demonstrates these shamanic postures and how to work with them. Ecstatic Body Postures is a "must read" for anyone interested in meditation, shamanic practice, yoga, or body work.

**Healing Journeys with the Black Madonna** - Alessandra Belloni 2019-04-02

An experiential guide to the ancient healing rituals of the Black Madonna • Reveals the practices and rites of the still-living cult of the Black Madonna in the remote villages of Southern Italy, including the healing rites of the tarantella dance • Details shamanic chants, rhythms, and songs and how to use them for self-healing, transformation, and recovery from abuse, trauma, depression, and addiction • Explores the many

sacred sites of the Madonnas and connects them to other Great Goddesses, such as Isis, Aphrodite, Cybeles, and the Orisha Yemanjá and Ochun • Includes access to 12 audio tracks The mysteries of the Black Madonna can be traced to pre-Christian times, to the ancient devotion to Isis, the Earth Goddess, and the African Mother, to the era when God was not only female but also black. Sacred sites of the Black Madonna are still revered in Italy, and, as Alessandra Belloni reveals, the shamanic healing traditions of the Black Madonna are still alive today and just as powerful as they were millennia ago. Sharing her more than 35 years of research and fieldwork at sacred sites around the world, Belloni takes you on a mystical pilgrimage of empowerment, initiation, and transformation with the Black Madonna. She explains how her love for Italian folk music led her to learn the ancient tammorriata musical tradition of the Earth Goddess Cybele and the Moon Goddess Diana and discover the still-living cult of the Black Madonna in the remote villages of Southern Italy. She vividly describes the sensual shamanic drumming and ecstatic trance dance rituals she experienced there, including the rites of the tammorriata, the transgender rite of Femminielli, and the erotic “spider dance” of the tarantella, which has been used for centuries in the Mediterranean for healing. Sharing chants, rhythms, and sacred songs, she details how she uses these therapeutic musical and trance practices to heal women and men from abuse, trauma, depression, and addiction and shows how these practices can be used for self-healing and transformation, including her personal story of using the tarantella to overcome cervical cancer. Revealing the profound transformative power of the Black Madonna, Belloni shows how She is the womb of the earth, the dark side of the moon, and the Universal Mother to all. Truly alive for all to call upon, She embraces and gives everyone access to Her divine strength and unconditional love.

**Shakti** - Vanamali 2008-07-21

Presents the mystery of the Divine Mother in all her manifold aspects • Explores more than 30 different goddess aspects of the Shakti force, both beneficial and malefic • Includes Sanskrit hymns and classic verses by Sri Auribindo for each of the goddesses Shakti is synonymous with the Devi, the Divine Mother or divine power that manifests, sustains, and transforms the universe. She is the womb of all creatures, and it is through her that the One becomes the many. Our first and primary relationship to the world is through the mother, the source of love, security, and nourishment. Extending this relationship to worship of a cosmic being as mother was a natural step found not only in the Shakti cult of Hinduism but also in ancient Greek, Egyptian, and Babylonian cultures. Shakti presents more than 30 goddess incarnations of the Divine Mother that represent both the beneficial and malefic aspects of the Shakti force. From Lakshmi, Parvati, and Saraswati to Durga, Chandika, and Kali--each of the different functions of the female goddesses in the Hindu pantheon is revealed, accompanied by traditional Sanskrit hymns, classic verses by Sri Auribindo, and discussions of tantric philosophy. The author draws from the Devi Bhagavatham, which describes all the stories of Shakti, and the Devi Mahatmyam, the most powerful scriptural text that glorifies Shakti in her form as Durga. Using these texts she shows that through the power and grace of the Divine Mother we may be released from the darkness of ignorance and taken to the abode of knowledge, immortality, and bliss--the source from which we have come.

**Womb Awakening** - Azra Bertrand 2017-08-15

Rediscover the lost ancient mystery teachings of the Cosmic Womb • Explains how each of us has a holographic blueprint of the Womb of Creation, our spiritual Womb • Offers practices to help awaken your spiritual Womb, experience the Womb of God within, and activate the Womb's sacred magic of creation and manifestation • Looks at the power of the moon and its connection to sacred Womb Consciousness • Explores how the lost Womb mystery teachings were encoded in folk and fairy tales, the legends of the Holy Grail, and the traditions of Mary Magdalene and Sophia • Includes access to three guided Womb Awakening audio journeys The Ancients lived by a feminine cosmology of creation, where everything was birthed and dissolved through a sacred universal Womb. Within each of us, whether female or male, lies a holographic blueprint of this Womb of Creation, connecting us to the Web of Life. By awakening your spiritual Womb, the holy of holies within the temple of your body, you can reconnect to the transformative energy of Womb Consciousness and reclaim your sacred powers of creation and love. Drawing on mythical

and spiritual traditions from almost every culture, Dr. Azra and Seren Bertrand reconstruct the moon-based feminine mystery teachings of a lost global Womb religion, tracing the tradition all the way back to the Neanderthals and beyond. They explore how these teachings were encoded in the symbolism of folk and fairy tales; the legends of the Holy Grail; the traditions of Mary Magdalene and Sophia; the maiden, queen, and crone archetypes; and the teachings of alchemy and the chakras. They show how sages and shamans across the globe all secretly spoke of the Cosmic Womb and the sacred creative powers of Moon Blood. The authors look at the power of the Moon and its connection to sacred Womb Consciousness, offering meditations and practices to help awaken your spiritual Womb and activate its sacred magic of creation and manifestation. They explain how to activate the energetic gateways of the Womb and merge the heart and Womb to make sexual union the highest sacrament of love. Revealing how we must reconnect with the Divine Feminine to rebirth the Divine Masculine and restore balance to our world, they show how, as we reawaken the powerful ancient path of the Womb Mysteries, we help return our world to harmony with the wild, untamed creative flows and cyclical rhythms of the cosmos.

**Goddess Reclaimed** - Syma Kharal 2017

Learn to reignite ancient feminine wisdom and power through thirteen gateways and archetypal Goddesses.

**Geeta Enlightened** - Yogi Mahajan 1987-06-30

The revelation of timeless spiritual message of Lord Krishna is dramatically set in a battlefield, though it happened to be the only place where such a message had its poignance. Through its brilliant casting and superb plots the subtle difference between the ego and the spirit, between myth and reality becomes apparent. Thus the Geeta is a prenote to facilitate the seeker to recognize truth from untruth. It directs the Spirit's ascent through winding mind alleys of conditioning, concepts and projections into the threshold of Absolute Truth. Rejecting the path of self-torture or escapism it suggests the Divine union in the market place--even in the mundane task of household chores. In the new light thrown by Sri Mataji Nirmala Devi on the subject, Yogi Mahajan gathers the dried-up leaves of the text so far buried under the weight of priesthood and brings them back to life for the seeker of Truth.

**Womb Wisdom** - Padma Aon Prakasha 2011-01-21

Tools to awaken the creative powers of the womb • Contains exercises to open the womb's energetic pathways, release toxic emotions, and harness creative potential • Reveals how the womb's energies are crucial for the spiritual shift of 2012: birthing a new civilization • Shows how the awakened womb can also bring about male spiritual transformation In the past and in present-day indigenous traditions, women have known that the womb houses the greatest power a woman possesses: the power to create on all levels. Utilized in the process of giving birth, this power of creation can also be tapped in the birth of projects, careers, personal healing, spirituality, and relationships. However, because the womb stores the energetic imprint of every intimate encounter--loving or not--the creative voice of the womb is often muffled or absent altogether, affecting the emotional, mental, and spiritual health of women and their relationships. Drawing on sacred traditions from ancient India, Tibet, Egypt, Gnostic Christianity, and Judaism, the practice of Womb Wisdom empowers women to become aware of the intuitive voice of the womb outside of pregnancy and the moon cycle to unlock this potent inner source for creativity, birthing the new conscious children, spiritual growth, and transformation not only for themselves but also for their male partners. The authors include exercises to clear the past, release toxic emotions, open the womb's energetic pathways, activate the sacred sensual self, bring balance to relationships, and harness creative potential. Including intimate, individual stories of women experiencing the opening of the womb, this book also explores the forgotten sacred sites of the womb around the world as well as how the womb's energies are crucial to birth a new civilization in the spiritual shift of 2012.

[Sacred Retreat](#) - Pia Orleane 2017-09-12

Restoring our biological cycles to heal ourselves, our culture, and our planet • Shows how, just like the tides and the moon phases, both women and men have biological cycles of growth and renewal necessary for healthy bodies and minds • Explains how the seclusion of women during menstruation and of men during vision quests offers a cleansing process for body and mind to awaken innate creativity and sensitivity, re-attune us with the deeper rhythms of the body and nature, and restore harmony between the divine feminine and divine masculine • Reveals how the need for sacred retreat was forgotten when the divine feminine was suppressed by patriarchal culture All of life is interwoven into a living system of cycles, from Earth's seasons to the enzymatic pathways that provide energy to a cell. Waxing and waning from times of growth to times of rest, renewal, and healing, cycles map the most auspicious time for everything in life. Both women and men have biological cycles of active growth and quiet renewal, led by our hormones. By understanding how everything in life moves in cycles, you can become more aware of and comfortable with your own cyclic nature, something that has been forgotten by the modern world's linear views of time. Drawing on the wisdom of ancient cultures, the natural cycles of life, and her own groundbreaking research, Pia Orleane, Ph.D., offers a template for how we can restore balance to our emotions and health, ease tensions between the sexes, and heal our fractured culture by honoring divine feminine consciousness and re-embracing natural cycles, including our innate need for rest and retreat. She explains the biology of how our bodies operate by hormones released in cycles and shows how balanced hormones help eliminate anger, depression, insomnia, anxiety, and fatigue. Exploring ancient traditions and rituals surrounding blood and sacred retreat, she explains how the seclusion of women during menstruation and of men during vision quests offered a cleansing process for body and mind, alone time to clear suppressed emotions, awaken our innate creativity and sensitivity, re-attune us with the deeper rhythms of the body and nature, and restore harmony between the genders and balance between the divine feminine and masculine. Outlining the sacred retreat process, the author explores dream cycles, divine sexuality, and practices for reconnecting to nature, increasing creativity and intuition, and clearing suppressed emotions. She also looks at the benefits for women and men of separate sleeping during menstruation. Through this wisdom, we can restore our natural cycles, allow the divine feminine to once again blossom alongside the divine masculine, and, with the return of balance, heal our world and our hearts.
