In other words, she's your perfectly ordinary twenty-first-century woman. Or so she thinks . . . until something extraordinary happens. When her sister is murdered, leaving a single clue to her death—a cryptic message on Mac's cell phone—Mac journeys to Ireland in search of answers. The quest to find her sister's killer draws her into a shadowy realm where nothing is as it seems, where good and evil wear the same

• MacKayla Lane faces the ultimate threat when war breaks out between the kingdoms of shadow and light, as the Fever series races to an explosive revelation. The matter of who's good and who's evil can be decided by the answer to a single question: Whose side are you on? Now, as High Queen of the Fae, Mac faces her greatest challenge yet: ruling the very race she was born to hunt and kill—a race that wants her dead yesterday, so they can put a pure-blooded Fae queen on the throne. Now begins an epic battle between Mortal and Fae, Seelie and Unseelie, would-be kings and would-be queens, with possession of the Unseelie King's virtually unlimited power and the fate of humanity at stake. From the exquisite, deadly gardens of the High Queen's court, to long-forgotten truths found in the Sacred Grove of Creation, from the erotic bed of her enigmatic, powerful lover to the darkest, seductive reaches of the Unseelie kingdom, Mac's final journey takes her places no human has been before, and only one human could possibly survive . . . labyrinthine stories and characters I've ever had the privilege to get to know. She weaves brilliantly, unapologetically, and without exception, and she has threaded the needle into me and I've been pulled, over and over, into her tapestry, and I don't think I'm ever getting out. Giovanni Vecchio has a headache, and Richard Montegu is it. In *Finding Richard*, Giovanni and Beatrice head east to New York City in order to take care of a little problem who's been spotted off-off-Broadway. Giovanni and Beatrice return to Italy in *Desires of the Heart*. With their nephew growing older every year, Giovanni and Beatrice travel to Rome for the holidays, this time with a new vision for their future and the future of their family. *The Stars Afire* is a short story and novella anthology in the Elemental Mysteries series by Elizabeth Hunter.

**The Highlander's Touch** Karen Marie Moning 2009-09-08 He would defy the boundaries of time for one night in her arms . . . He was a mighty Scottish warrior who lived in a world bound by ancient laws and timeless magic. But no immortal powers could prepare the laird of Castle Brodie for the lovely accursed lass who stood before him. A terrible trick of fate had sent her 700 years back in time and into his private chamber to tempt him with her beauty—and seduce him with a desire he could never fulfill. For this woman he burned to possess was also the woman he had foresworn to destroy. When Lisa felt the earth move under her feet, the fiercely independent 21st-century woman never dreamed she was falling . . . into another century. But the powerful, naked warrior who stood glaring down at her was only too real . . . and too dangerously arousing. Irresistibly handsome he might be, but Lisa had no intention of remaining in this savage land torn by treachery and war. How could she know that her seductive captor had other plans for her . . . plans that would save her from a tragic fate? Or that this man who had long ago forsaken love would defy time itself to claim her for his own. . . .

Into the Dreaming Karen Marie Moning 2012 A rerelease of the best-selling Fever series author's previously out-of-print novella follows the story of aspiring romance novelist Jane Sillee, who after years of dreaming of passionate trysts with a handsome Highlander finds herself transported into the past world of a man haunted by years of imprisonment by the dark fae.

**High Voltage** Karen Marie Moning 2018-03-06 NEW YORK TIMES BESTSELLER • Immortal Faerie and ancient feuds, secrets and sacrifices—a thrilling new chapter in the bestselling *Fever* series begins, featuring Dani, Ryodan, and other beloved characters, as they battle to save Dublin from the rising of a terrifying evil determined to enslave the human race. There is no action without consequence. Dani O'Malley was nine years old when the delusional, sadistic Rowena transformed her into a ruthless killer. Years later, Dani is tough and hardened, yet achingly vulnerable and fiercely compassionate, living alone by her own exacting code. Despite the scars on her body, and driven by deeper ones carved into her soul, no one is more committed to protecting Dublin. By day she ensures the safety of those she rescues, by night she hunts evil, dispensing justice swiftly and without mercy, determined to give to those she cares for the peace she has never known. There is no power without price. When the Faerie Queen used the dangerously powerful Song of Making to heal the world from the damage done by the Hoar Frost King, catastrophic magic seeped deep into the earth, giving rise to horrifying, unforeseen consequences—and now deadly enemies plot in the

darkness, preparing to enslave the human race and unleash an ancient reign of Hell on Earth. There is no future without sacrifice. With the lethal, immortal Ryodan at her side, armed with the epic Sword of Light, Dani once again battles to save the world, but her past comes back to haunt her with a vengeance, demanding an unspeakable price for the power she needs to save the human race. And no one—not even Ryodan, who would move the very stars for her—can save her this time. Praise for High Voltage “A romance wrapped up in a thrilling sci-fi novel—what more could you want?”—PopSugar “If you’ve never read a Karen Marie Moning book before, you’re missing out. Her heroines alone are worth the read. . . . Despite being set in a dystopian world filled with magic and fae, the obstacles that these characters go through are very much humanlike. . . . Cannot wait to see where [she] takes this series next.”—Under the Covers

**Locked** Brooke Blaine 2018-11-11 Sorry, ladies --- and fellas --- Hollywood's hottest action star, Ace Locke, is officially off the market! The man on Locke's arm has been identified as Dylan Prescott, the sexy new "it" model currently featured in the latest Calvin Klein ads. Sources tell TNZ the men met on the set of Locke's upcoming action film Insurrection 2, and that "they only have eyes for each other." This is the first public gay relationship for Locke, who came out a year ago, and there has been much speculation on who would finally be the one to catch his eye. According to multiple eyewitnesses, Locke whisked Prescott away on his private jet for a romantic weekend at Syn, the most exclusive hotel on the Las Vegas Strip. After pictures recently surfaced of the new couple,

affectionately named PresLocke, it appears from the possessive way Locke keeps his new beau close that things are heating up.

But she'll need more than her little red riding crop when she comes face to face with the club's dominant owner, Brad Wolfe... Also included are five interlocking stories from the Original Sinners vaults featuring handcuffs, ropes, blindfolds, and other adult toys...as well as a brand-new short story exclusive to this collection.
