2022-09-13

Ledge is the heart-stopping beginning to The Glacian Trilogy from TikTok sensation Stacey McEwan @staceboookspace After being randomly selected as a human sacrifice, instead of death, Dawsyn finds herself on a quest to save her people from their icy prison... In a place known as the Ledge, a

civilization is trapped by a vast chasm and sheer mountain face. There is no way for anyone to escape the frozen wasteland without befalling a deathly drop. They know nothing of the outside world except that it is where the Glacians reside - mystical and vicious winged creatures who bring meagre rations in exchange for a periodic human sacrifice. Dawsyn, ax wielder and only remaining member of her family, has so far avoided the annual culling, but her luck has run out. She is chosen and ripped from her icy home, the only world she knows. No one knows what will happen to her on the other side, least of all Dawsyn. Murdered? Enslaved? Worse? Fortunately, a half-Glacian called Ryon offers to help them both escape, but how can she trust one of the very creatures that plagued her life? Dawsyn is a survivor, and she is not afraid to cut anyone down to live. With a slow-burning romance, high stakes and even higher rewards, this richly created new fantasy series by popular TikToker

the glory of their first state championship in football, they had to bear the devastating death of one of their most popular classmates. The passage of months has also brought about significant changes in the individual family and social lives of the young people, especially in the boy-girl relationships. Ted and Natalie, the shy couple whose security was their unswerving devotion to each other, is experiencing new strains as the beauty of Natalies emerging physical maturity has catapulted her into the limelight of the most desired girls in the school. Jeff has been getting along quite comfortably with Gina, the second girlfriend of his teen years, but just when he thought that his first girlfriend, Jill, had faded out of his life, he unexpectedly encounters her again. His certain world is profoundly shaken as he realizes that the old feelings havent really gone away for this girl who he once loved so crazily that he was certain he couldnt never love anyone else.

Yet returning to her presents as impossible since she has rejected him for three other guys and is pregnant by the last one, his younger brother! As conflict rages within his family over what to do about Jill, Jeff tries to focus on his studies and after-school job, only to get kidnapped by the school hoodlums and dragged into what is for him, the scariest place on earth, the now closed old Century Inn. If he gets out of there alive, he may still have to prove that he was not the perpetrator in the breaking and entering of the building. A few secrets of the ancient hotel have been revealed, but the teenage boys who worked there, and the young thugs that break into it, find yet more puzzling mysteries to ponder, not the least of which is whether the building is haunted.
