The Book of Lies - Aleister Crowley 2022-01-04

The Book of Lies was written by English occultist and teacher Aleister Crowley under the pen name of Frater Perdurabo. As Crowley describes it: "This book deals with many matters on all planes of the very highest importance. It is an official publication for Babes of the Abyss, but is recommended even to beginners as highly suggestive." The book consists of 91 chapters, each of which consists of one page of text. The chapters include a question mark, poems, rituals, instructions, and obscure allusions and cryptograms. The subject of each chapter is generally determined by its number and its corresponding Qabalistic meaning.

A Notable Woman - Jean Lucey Pratt 2016-04-21

In April 1925, Jean Lucey Pratt began writing a journal. She continued to write until just a few days before her death in 1986, producing well over a million words in 45 exercise books during the course of her lifetime. She wrote about anything that amused her or troubled her, laying bare every aspect of her life with aching honesty, infectious humour, indelicate gossip and heartrending hopefulness. With Jean we live through the tumult of the Second World War and the fears of a nation. We see Britain hurtling through a period of unbridled transformation, and we witness the shifting landscape for women in society.

The White Tiger - Aravind Adiga 2008-04-22

NOW A MAJOR MOTION PICTURE The stunning Booker Prize-winning novel from the author of *Amnesty* and *Selection Day* that critics have likened to Richard Wright's *Native Son*, *The White Tiger* follows a darkly comic Bangalore driver through the poverty and corruption of modern India's caste society. "This is the authentic voice of the Third World, like you've never heard it before" (John Burdett, *Bangkok 8*). The white tiger of this novel is Balram Halwai, a poor Indian villager whose great ambition leads him to the zenith of Indian business culture, the world of the Bangalore entrepreneur. On the occasion of the president of China's impending trip to Bangalore, Balram writes a letter to him describing his transformation and his experience as driver and servant to a wealthy Indian family, which he thinks exemplifies the contradictions and complications of Indian society. Recalling *The Death of Vishnu* and *Bangkok 8* in ambition, scope, *The White Tiger* is narrative genius with a mischief and personality all its own. Amoral, irreverent, deeply endearing, and utterly contemporary, this novel is an international publishing sensation—and a startling, provocative debut.

Born A Crime - Trevor Noah 2016-11-17

WINNER OF THE THURBER PRIZE The compelling, inspiring, (often comic) coming-of-age story of Trevor Noah, set during the twilight of apartheid and the tumultuous days of freedom that followed. One of the comedy world's brightest new voices, Trevor Noah is a light-footed but sharp-minded observer of the absurdities of politics, race and identity, sharing jokes and insights drawn from the wealth of experience acquired in his relatively young life. As host of the US hit show *The Daily Show* with Trevor Noah, he provides viewers around the globe with their nightly dose of biting satire, but here Noah turns his focus inward, giving readers a deeply personal, heartfelt and humorous look at the world that shaped him. Noah was born a crime, son of a white Swiss father and a black Xhosa mother, at a time when such a union was punishable by five years in prison. Living proof of his parents' indiscretion, Trevor was kept mostly indoors for the first years of his life, bound by the extreme and often absurd measures his mother took to hide him from a government that could, at any moment, take him away. A collection of eighteen personal stories, *Born a Crime* tells the story of a mischievous young boy growing into a restless young man as he struggles to find his place in a world where he was never supposed to exist. *Born a Crime* is equally the story of that young man's fearless, rebellious and fervently religious mother - a woman determined to save her son from the cycle of poverty, violence and abuse that ultimately threatens her own life. Whether subsisting on caterpillars for dinner during hard times, being thrown from a moving car during an attempted kidnapping, or just trying to survive the life-and-death pitfalls of dating in high school, Noah illuminates his curious world with an incisive wit and an unflinching honesty. His stories weave together to form a personal portrait of an unlikely childhood in a dangerous time, as moving and unforgettable as the very best memoirs and as funny as Noah's own hilarious stand-up. *Born a Crime* is a must read.

Finding Happily; No Rules, No Frogs, And No Pretending - Collette Gee 2021-08-22

After Collette Gee found herself in another failed relationship she began researching every dating and relationship book on the market. She

researched lessons on how to make it past the first date, what to say and not to say, how to dress and when and how to ration out the first kiss. Book after book were filled with detailed instruction on how to be and how not to be. The more she read and compared notes, the stronger these questions became: When is it okay to stop pretending? Do we ever get to just be themselves? In this cutting-edge book, *Dating and Relationship Specialist*, Collette Gee reveals the true meaning behind living "happily ever after". "Most dating and relationship books advise women to follow every tip and trick out there in order to 'capture the heart' of Mr. Right," says Collette. "But, the truth is, when it comes to dating and relationships 'happily ever after' is not an ending; it's a journey." If you are ready to rethink dating and relationships and find love under your own terms, then this book is for you. If you are ready to stop doing "the rules," kissing frogs and pretending to be someone you are not, then this book is for you. This is the last dating and relationship book you will ever need! Instead, what this book offers that no other book does is a deeper introspection as to what real relationships look like. "While life can be challenging; dating and relationships don't have to be." Therefore, what you will not find in this book are cookie-cutter instructions on how to "catch and keep a man." Instead through the series of stories outlined in this book you will learn how to develop your own unique successful approach to dating and relationships.

The Dancer - Evelyn Juers 2021-10-01

The new book by prize-winning biographer Evelyn Juers, author of *The House of Exile* and *The Recluse*, portrays the life and background of a pioneering Australian dancer who died at the age of twenty-five in a remote town in India. A uniquely talented dancer and choreographer, Philippa Cullen grew up in Australia in the 1950s and 60s. In the 1970s, driven by the idea of dancing her own music, she was at the forefront of the new electronic music movement, working internationally with performers, avant-garde composers, engineers and mathematicians to build and experiment with theremins and movement-sensitive floors, which she called body-instruments. She had a unique sense of purpose, read widely, travelled the world, and danced at opera houses, art galleries and festivals, on streets and bridges, trains, clifftops, rooftops. She wrote, I would define dance as an outer manifestation of inner energy in an articulation more lucid than language. An embodiment of the artistic aspirations of her age, she died alone in a remote hill town in southern India in 1975. With detailed reference to Cullen's personal

papers and the recollections of those who knew her, and with her characteristic flair for drawing connections to bring in larger perspectives, Evelyn Juers' *The Dancer* is at once an intimate and wide-ranging biography, a portrait of the artist as a young woman.

Drummies - Alice Mann 2022-08-02

This a long-term project, by South African photographer Alice Mann, explores the unique sport of drum majorettes. The images depict the aspirational subculture surrounding all-female teams of drum majorettes affectionately known as 'Drummies' The sport of drum majorettes has a long history in South Africa, becoming popular in the early 80s, but participation in the sport has since dropped dramatically. In contemporary culture there is a strong sense of nostalgia linked to drum majorettes; it is viewed as the pursuit of a bygone era. However, in many marginalised communities across the country, it is still taken seriously and is considered a highly competitive sport. For the girls and young women involved, being a drummie is a privilege and an achievement, indicative of success on and off the field. The notoriously demanding practice schedules are representative of the girls' commitment, and their ability to work hard.
