[Diane Foreman: In the Arena](#) - Diane Foreman 2015-08-26

An insider's guide to entrepreneurship that no business person should be without. Being an entrepreneur -

owning and running your own business - is a great career option for those wanting to take control of their professional lives. It's a particularly great option for women; a credible and viable alternative to struggling up the (still male-dominated) corporate ladder. Hugely successful entrepreneur Diane Foreman also believes women have a unique role in — and duty to — inspire, mentor, sponsor and promote other women. In this candid, engaging and inspiring book she describes her own entrepreneurial journey, from being a complete greenhorn to heading up one of New Zealand's most successful businesses, being a major exporter and an EY Entrepreneur of the Year. It hasn't been easy and she's made plenty of mistakes. The secret, she says, is learning how not to repeat them. Full of tips, insider knowledge and how-tos, this is a book no

business person can be without.

**Marina and Amelia; or, the history of two female friends, etc** - Eliza JEARY 1808

**Mean Girls Grown Up** - Cheryl Dellasega 2007-10-05

Almost every woman has experienced bullying. Whether her role was that of victim, aggressor, or bystander, the pain of relational aggression (female bullying) lasts long after the incident has passed. In *Mean Girls Grown Up*, Cheryl Dellasega explores why women are often their own worst enemies, offering practical advice for a variety of situations. Drawing upon extensive research and interviews, she shares real-life stories from women as well as the knowledge of experts who have helped women overcome the negative effects of aggression. Readers will hear how adult women can be just as vicious as their younger counterparts, learn strategies for dealing with adult bullies, how to avoid being involved in relational aggression, and more. Dellasega outlines how women can change their behavior successfully by shifting away from aggression and embracing a spirit of cooperation in interactions with others.

**Work Wife** - Erica Cerulo 2019-03-05

Get inspired by the women who discovered that working with your best friend can be the secret to professional success—and maybe even the future of business—from the co-founders of the website *Of a Kind*. “Read this, then plot your own work-wife-driven empire.”—*Glamour* When Erica Cerulo and Claire Mazur met in college in 2002, they bonded instantly. Fast-forward to 2010, when they founded the popular fashion and design website *Of a Kind*. Now, in their first book, Cerulo and Mazur bring to light the unique power of female friendship to fuel successful businesses. Drawing on their own experiences, as well as the stories of other thriving “work wives,” they highlight the ways in which vulnerability, openness, and compassion—qualities central to so many women’s relationships—lend themselves to professional accomplishment and innovation. Featuring interviews with work wives such as Amanda Hesser and Merrill Stubbs of the influential food community site *Food52*, Ann Friedman, Aminatou Sow, and Gina Delvac of the hit podcast *Call Your Girlfriend*, and Misty May-Treanor and Kerri Walsh Jennings of Olympic volleyball fame, *Work Wife* addresses a range of topics vital to successful partnerships, such as being co-bosses, tackling disagreements, dealing with money, and accommodating motherhood. Demonstrating how female partnerships in the office are productive, progressive, and empowering, Cerulo and Mazur offer an invaluable roadmap for a feminist reimagining of the workplace. Fun, enlightening, and informative, *Work Wife* is a celebration of female friendship and collaboration, proving that it's not just feasible but fruitful to mix BFFs with business. Praise for *Work Wife* “Is the old adage ‘Friends and business don’t mix’ true? Not according to college friends Cerulo and Mazur, who translated their love of fashion and desire to support emerging fashion designers into a successful business, the e-commerce site *Of a Kind*. . . . By exploring topics such as setting expectations, defining roles, dividing responsibility, dealing with finances, and addressing disputes, they deftly demonstrate how female friendships produce empowering business partnerships. . . . This insightful, engaging work is an essential guidebook for friends considering a business collaboration.”—*Library Journal* (starred review) “Engaging and thoughtful, *Work Wife* champions strong relationships, healthy attitudes, and pragmatic decision-making—an excellent primer for women interested in creating their own opportunities.”—*Booklist* (starred review)

**How to Beat A Woman at Her Own Games** - Ralph Hemphill 2020-09-01

In today's world, much unlike the world of long ago, before the 1980s--where women probably and seemingly didn't play as many games and didn't scheme as much as the women of today--one can clearly see, witness, and attest to the ever-present and overwhelming amount of game playing and scheming ways of most of the females we know, know of, see, and interact with on a day-to-day basis. Most every man, at one point or some point in his life, has fallen victim to a game or scheme of a female whom he has either tried to get with or hook up with, and many guys get hit with games and schemes even with those that they are married to or in relationships with. Practically no man is exempt. We all at some point will find ourselves faced with a woman whose sole purpose is to either go for what's in our pockets or bank accounts, or to try to get us to do something for them for free or to get us to buy them stuff without them appreciating it and then turning around and buying us stuff too as well. That's a big part of the world we live in as far as men interacting with women, and the sole purpose of this book is to at least get guys to

recognize when they are being played and to not fall for the simple games that women play twenty-four hours a day.

**Female Friends** - Fay Weldon 2014-03-01

They first met as children in 1940s London. Thirty years later, Marjorie, Chloe, and Grace make their way through an almost unrecognizable post-war society, coping with husbands, children, parents, and the messy business of life. Now in her ninth decade, Fay Weldon is one of the foremost chroniclers of our time, a novelist who spoke to an entire generation of women by daring to say the things that no one else would. Her work ranges over novels, short stories, children's books, nonfiction, journalism, television, radio, and the stage. She was awarded a CBE in 2001.

**Unexpected Return** - Gladys Correa 2005-12

The author of *Unexpected Return* weaves a tale and leads us by the hand down the paths of her imagination fecund with dreams and ideas. *Unexpected Return's* author starts off at a site from which she moves onwards in the vehicle of a narrative free from vanity and the constraints of effete literature. Thus in the hands of her characters---each masterfully situated within his own milieu---she achieved that for which she was striving: a concatenation of countless events, woes, tears, tragedies and times of anguish which make each character spring to life upon this novel's stinging pages. She describes with passionate affliction the arduous personal fight of one man to outrun a past which overshadowed his present and mercilessly punished him. A man who unflaggingly sought a possible redemption to deliver him beyond all doubt to the embrace of the only woman whom he ever truly loved.

**BAD BOYS AND NICE GUYS AMONG US!** - KUKUH B I

There are three major warnings before you read this book: 1. This is not a PUA book. This book is very short since this is not a romance. This is not a best selling book. This book is cheesy. This book can not transform you into a bad boy who always gets the woman of his dream. This book is not about how to maintain a happy relationship. This book will not make you a playboy. This book can not make a woman falls in love with you. 2. Plain simple and doable manual on how to date for a shy guy or nice guy. No coach required. You will date a woman before finishing this book. You don't have to be a bad guy or a bad boy, whatever. You will be addicted to talk to women. You will be a good lover. 3. You will thank me. You will be my cult follower. There will be no sequel. Read it and you'll be lonely no more!

**Get the Guy** - Matthew Hussey 2013-01-31

Written by the hottest dating coach on the scene, Matthew Hussey, this book offers clear, honest and practical advice for women on how to find their ideal man - and, importantly, how to keep him. Using simple steps, Matthew guides us through the complex maze of dating and shows us just how to find the guy, get the guy and keep the guy. In *Get the Guy*, Matthew shares his dating secrets and provides women with the toolkit they need to approach men, and to create and maintain relationships. Along the way, he explodes some commonly held myths about what it is that guys really want, shares strategies on how women can take control of their dating destinies and empowers them to go out there and find an exhilarating, adventurous love life.

**Female Friends and the Making of Transatlantic Quakerism, 1650-1750** - Naomi Pullin 2018-05-24

This original interpretation of the lives and social interactions of Quaker women in the British Atlantic between 1650 and 1750 highlights the unique ways in which adherence to the movement shaped women's lives, as well as the ways in which female Friends transformed seventeenth- and eighteenth-century religious and political culture.

Their candid responses have been included in this book. Real women. Real experiences. Sometimes a friendship can be saved. You may need to let them go. If you need to re-evaluate your friendships, then this book is for you! Packed full of information you can start using TODAY! Grab your copy now and lead a friendlier life!

**Tripping the Prom Queen** - Susan Shapiro Barash 2007-03-06

Tripping the Prom Queen is a groundbreaking investigation into the dark secret of female friendship: rivalry. Susan Shapiro Barash has exploded the myth that women help one another, are supportive of one another, and want each other to succeed. Based on interviews with women across a broad social spectrum, she has discovered that the competition between women is more vicious precisely because it is covert. She tells us: \* Why women can't and won't admit to rivalry. \* How women are trained from an early age to

compete with one another. \* In which areas women most heatedly compete. \* How rivalry is different among women than among men. \* The differences between competition, envy, and jealousy. \* When competition is healthy and when it isn't. \* Why women find it irresistible to "trip the prom queen." \* Useful strategies to stop the competition and forge a new kind of relationship with other women. Whether you've tripped the prom queen or been tripped yourself, you will discover an engrossing exploration of this female phenomenon, as well as a beacon of hope for better, more fulfilling relationships.
