**The Very Thought of You** Lynn Kurland 2001-06-01 From Lynn Kurland, the New York Times bestselling author of the Nine Kingdom series. Alexander Smith had found success in the world of corporate takeovers—but not happiness. That had always escaped him...along with true love. Then, at the MacLeod Keep in Scotland, he found a pirate map that miraculously answered his yearnings—with a journey to another time. And when he was captured in Medieval England by Margaret of Falconberg, a fierce beauty hidden in knight's armor, he rediscovered his own chivalrous—and passionate—heart...

**The Bread Maker** Moira Leigh MacLeod 2016-09-15 It's 1933 and Mabel just wants to bake bread. She leaves the cold shack she shares with her father for the warmth of her kneading table at Cameron's store and gets caught in a snow storm, sparking events that expose the raw humanity of those around her. Loyalty and betrayal, guilt and shame, and faith and doubt collide as the dirty secrets of the bleak coal mining community throw lives into turmoil. A series of brutal attacks, a murder, and an ambitious sergeant intent on seeing someone hang, reveal a town, oppressed as much by its dreary prospects, as it is by its institutionalized corruption, sexism and racism. Mabel just wants to bake bread, but she has her own secrets to protect. *The Bread Maker* is a rich, beautifully told narrative that seamlessly weaves humour and tragedy into a touching story about life, love and the potential of the human spirit to overcome great odds.

*Ever My Love* Lynn Kurland 2017-04-04 Two people are caught up in love—and in time—in the latest novel from the New York Times bestselling author of *Stars in Your Eyes*. Luckily, the gorgeous Highlander who owns the house up the path from her rental cottage might be exactly

the kind of distraction she needs. But there's more to his intriguing qualities than she can explain—although she certainly isn't buying into the local legends of Highland magic. Nathaniel MacLeod is a man adrift, all thanks to the unwanted gift that forces him to continually jump between centuries. He never knows if he'll wind up in the present day or the fourteenth century, but when Emma follows him back through time, he suddenly has more to worry about than keeping his separate lives straight... Someone has started to notice Nathaniel's travels and now, no time period is safe, for him or for Emma.

**The Past Love** J G MacLeod 2021-07-29 Is the future predetermined? Or do our choices and actions shape the events that come to pass? Brigid MacDonald is a coffee barista with a black belt who's been transported from 2019 to 15th-century Glasgow, one year earlier than her first adventure in The Future Bride. Time is decidedly 'out of joint': Ferghus hasn't been scarred by Tristen; Nyle hasn't thrown his disastrous party; and Brigid hasn't taken a life - yet. Linear reality no longer exists, but nor is this a simple time loop or case of déjà vu. As the mystery slowly unfolds, the characters must choose to work together, or against one another, to resolve their clan feuds and repair their broken hearts. Accompany Brigid on another epic adventure through the Highlands of medieval Scotland. Beware the corsets that bind; the gin that confounds; and the men who ensnare in this lighthearted, romantic comedy with slow-burn romance, karate action, and heart-pounding suspense. If you're careful, there may even be time for The Past Love. The Past Love can be

treacherous wartime years of Occupied France; the other contemporary, set in the autumn of 2020 as France re-enters Covid lockdown. And Enzo's investigations reveal an unexpected link between the murders - the Mona Lisa. Tasked by the exiled General Charles de Gaulle to keep the world's most famous painting out of Nazi hands after the fall of France in 1940, 28-year-old Georgette Pignal finds herself swept along by the tide of history. Following in the wake of Da Vinci's Mona Lisa as it is moved from château to château by the Louvre, she finds herself just one step ahead of two German art experts sent to steal it for rival patrons - Hitler and Göring. What none of them know is that the Louvre itself has taken exceptional measures to keep the painting safe, unwittingly setting in train a fatal sequence of events extending over seven decades. Events that have led to both killings. With an indifferent fiancé and a stalled writing career, Elizabeth Smith found passion and adventure only in the unpublished romance novels that she wrote. Until a Scottish hero began calling to her... Elizabeth longed for the man of her dreams. But she knew she was overworked when she began hearing his voice—when she was awake. To clear her mind, she took a walk in Gramercy Park. She dozed off on a bench—and woke up in a lush forest in fourteenth-century Scotland. A forest surrounding the castle of James MacLeod, an arrogant and handsome lord with a very familiar voice. Elizabeth would turn his ordered world upside down and go where no woman had ever gone before: straight into his heart...

The Immortal MacLeod Kristy Pantin 2011-08 Cailean MacLeod, an immortal who swore never to love again, finds himself in the middle of a battle to protect humanity from a powerful, mythical race of fae. When the famous author, Tessa Anderson, comes to stay at his castle in an attempt to get away from a painful past, he soon realizes that he must also protect her from himself. Battling against temptation, he repeatedly pushes Tessa away, only to realize that he was never the one in control to begin with. Now he must fight to save the woman who stole his heart, while protecting the human race from the fae who wish to control them.
