Technical Virgin - Hayley DiMarco 2006-07-01

Every teenage girl craves male attention. But how does she know when and where to draw the line? What if she's already stepped over that line? And how can she find her way back? In a culture where hookups and friends-with-benefits are commonplace, how far is too far when it comes to the physical? The technical virgin, a term becoming all too familiar with Christian teens, is someone who believes in abstinence but allows loopholes in their physical relationships, thereby compromising true purity. In this new book, Hayley DiMarco takes a look at what purity really is. With her straightforward, in-your-face writing, she shows girls - what they are really saying about themselves through their sexy actions - what happens when purity is reduced to a technicality - what words like abstinence and commitment really mean - what God says on the subject of purity With candid advice, personal insight, and tough truth from God's Word, Hayley DiMarco will help teen girls understand who they are so they can make informed, godly decisions about purity and sex.

Keep It Simple, Stupid - Judy Sheindlin 2000-07-25

Today's definition of family is completely unrecognizable from what it was forty, thirty, even twenty years ago. Into the chaos that has become typical of the modern American family, judge Judy Sheindlin attempts to bring some order. With *Keep It Simple, Stupid*, Judge Judy addresses how convoluted family life has become. The traditional nuclear family has expanded to include exes and parents of exes, merging families, stepchildren, lovers, adopted children, in-laws the list goes on and on. Complex issues naturally arise from the enlarged families into which we're born. There is the ex-wife who wants more child support from husband number one so she can stay home with new baby by husband number two. There are the parents who gave their daughter thirty thousand dollars as a wedding gift only to watch the marriage quickly crumble and their former son-in-law claim half the money. How about the adult son who runs out on his kids, leaving his parents to pay his child support? When it comes to families, Judge Judy has seen it all in her courtroom, and she knows stupidity when she sees it. Tackling all the explosive issues that drive families crazy -- and into court -- Judge Judy shares her on-target, brutally honest thoughts on the chaos that is characteristic of today's American family and gives no-holds-barred advice on how to resolve conflicts and repair relationships.

Cat's Eye - Margaret Atwood 2009-09-03

By the author of *The Handmaid's Tale* and *Alias Grace* Elaine Risley, a painter, returns to Toronto to find herself overwhelmed by her past. Memories of childhood - unbearable betrayals and cruelties - surface relentlessly, forcing her to confront the spectre of Cordelia, once her best friend and tormentor, who has haunted her for forty years. 'Not since Graham Greene has a novelist captured so forcefully the relationship between school bully and victim...Atwood's games are played, exquisitely, by little girls' LISTENER An exceptional novel from

the winner of the 2000 Booker Prize

A Complicated Kindness - Miriam Toews 2014-04-03

A work of fierce originality and brilliance, Miriam Toews' novel explores the ties that bind families together and the forces that tear them apart. It is the world according to Nomi Nickel, a heartbreakingly bewildered and wry young woman trapped in a small Mennonite town that seeks to set her on the path to righteousness and smother her at the same time. 'Half of our family, the better-looking half, is missing,' Nomi tells us at the beginning of *A Complicated Kindness*. Left alone with her father Ray, her days are spent piecing together the reasons her mother Trudie and her sister Tash have gone missing, and trying to figure out what she can do to avoid a career at Happy Family Farms, a chicken abattoir on the outskirts of East Village - not the neighbourhood in Manhattan where Nomi most wants to live but the small town in southern Manitoba. East Village is ministered by Hans, Nomi's pious uncle, otherwise known as The Mouth. As Nomi gets to the bottom of the truth behind her mother's and sister's disappearances, she finds herself on a direct collision course with her uncle and the only community she has ever known. In this funny, compassionate and moving novel, Miriam Toews has created a character who will stay in the hearts of readers long after they've put the book down.

You're Smarter Than You Look - Judy Sheindlin 2001

Don't Pee on My Leg and Tell Me It's Raining - Judy Sheindlin 1997-01-10

font COLOR="#000000" FACE="MS Sans Serif" SIZE="1" in we get some reality in here?[]sks Judy Sheindlin, former supervising judge for Manhattan Family Court. For twenty-four years she has laid down the law as she understands it: ● If you want to eat, you have to work. ● If you have children, you'd better support them. If you break the law, you have to pay. If you tap the public purse, you'd better be accountable. Now she abandons all judicial restraint in a scathing critique of the system - filled with realistic hard-nosed alternatives to our bloated welfare bureaucracy and our soft-on-crime laws.

Judge Judy - Rebecca Felix 2019-08-01

This biography highlights the life and accomplishments of Judge Judy. Readers learn about Judge Judy's early life, her beginnings as a prosecutor in New York's family court system and family court judge, to her award-winning television series Judge Judy. Features include a timeline, glossary, fun facts, online resources, and an index. Aligned to Common Core Standards and correlated to state standards. Checkerboard Library is an imprint of Abdo Publishing, a division of ABDO.

Money, A Love Story - Kate Northrup 2013-09-10

Having a good relationship with money is tough—whether you have millions in the bank or just a few bucks to your name. Why? Because just

like any other relationship, your life with money has its ups and downs, its twists and turns, its breakups and makeups. And just like other relationships, living happily with money really comes down to love—which is why love is the basis of money maven Kate Northrup's book. After taking the Money Love Quiz to see where on the spectrum your relationship with money stands—somewhere between "on the outs" and "it's true love!"—Northrup takes you on a rollicking ride to a better understanding of yourself and your money. Step-by-step exercises that address both the emotional and practical aspects of your financial life help you figure out your personal perceptions of money and wealth and how to change them for the better. You'll learn about thought patterns that may be holding you back from earning what you're worth or saving what you can. You'll learn how to chart your current financial life and create a plan to get you to where you want to be—whether that's earning enough to live in a penthouse in Manhattan or a cabin in the Rockies. Using client stories and her own saga of moving from \$20,000 of debt to complete financial freedom by the age of 28, Northrup acts as a guide in your quest for personal financial freedom. She'll teach you how to shift your beliefs about money, create a budget, spend in line with your values, get out of debt, and so much more. In short, she'll teach you to love your money, so you can love your life.

Who's Who in the West - Marquis Who's Who 2006-06

The Science of Getting Rich - Wallace D Wattles 2020-04-13

Everyone wants to be rich, but do you know that there is a SCIENCE OF GETTING RICH. This book explains in simple steps how you can first ready yourself to earn more, without hassles or worries. From the simplest question of who all can actually get rich, to the small steps taken - like developing a will power, showing gratitude, getting into the right business - have been explained in detail, in everyday terms. Read on, and find out the secret behind changing your life and the way you earn.

Judge Judy Sheindlin's You Can't Judge a Book by Its Cover - Judge Judy Sheindlin 2002-06-18

Which would you do? Judge Judy challenges you to be the judge! It's the first day of school, and your teacher looks very tough. You should: Give him a hard time because you think he's going to give you a hard time. Try to get out of his class. Be extra well behaved; maybe he'll like you. Give him a chance; maybe he's really nice. Kids develop a sense of morality at an early age, but parents often need help teaching them how to make good decisions. Judge Judy's first book, *Win or Lose by How You Choose!*, wowed critics and topped three best-seller lists by presenting kids with questions about real-life dilemmas and asking them to select the right response from a list of choices. In *You Can't Judge a Book by Its Cover*, Family Court judge and popular TV show presenter Judge Judy tackles the moral choices kids encounter every day at school. By setting up recognizable scenarios and then challenging kids to judge which of four responses best fits the case, Judge Judy creates a platform for adults and children to talk through the answers together.

Beauty Fades/Dumb Is Forever - Judy Sheindlin 2000-01-26

Judge Judy has heard enough. As a family court judge in New York City and now in her successful TV courtroom show, she has listened to thousands of excuses, complaints, and tales of woe from women of every background, and she's ready to rule. Women, she states with her trademark frankness, need to wise up, stop subjugating who they are, and stop making stupid decisions in the name of love. They hide their talents and opinions so they won't offend. They tiptoe through life letting others take credit for their ideas because they would rather be liked than respected. They spend their lives trying to please everyone but themselves, and then they wonder why they feel so frustrated and unfulfilled. *Beauty Fades, Dumb Is Forever* presents Judge Judy's ten hard and true lessons for happiness: Beauty fades, dumb is forever. Don't crawl when you can fly. What goes up must come down. Denial is a river in Egypt. Master the game--then play it. You're the trunk of the tree. You can't teach the bull to dance. Failure doesn't build character. Letting go is half the fun. You can be the hero of your own story.

Who's Who of American Women 2004-2005 - Inc. Marquis Who's Who 2004-06

A biographical dictionary of notable living women in the United States of America.

Black Cake (TV Tie-in Edition) - Charmaine Wilkerson 2023-10-17

COMING SOON TO HULU • NEW YORK TIMES BESTSELLER • READ WITH JENNA BOOK CLUB PICK AS FEATURED ON TODAY • Two estranged siblings delve into their mother's hidden past—and how it all connects to her traditional Caribbean black cake—in this immersive

family saga, "a character-driven, multigenerational story that's meant to be savored" (Time). In present-day California, Eleanor Bennett's death leaves behind a puzzling inheritance for her two children, Byron and Benny: a traditional Caribbean black cake, made from a family recipe with a long history, and a voice recording. In her message, Eleanor shares a tumultuous story about a headstrong young swimmer who escapes her island home under suspicion of murder. The heartbreaking journey Eleanor unfolds, the secrets she still holds back, and the mystery of a long-lost child, challenge everything the siblings thought they knew about their family, and themselves. Can Byron and Benny reclaim their once-close relationship, piece together Eleanor's true history, and fulfill her final request to "share the black cake when the time is right?" Will their mother's revelations bring them back together or leave them feeling more lost than ever? Charmaine Wilkerson's debut novel is a story of how the inheritance of betrayals, secrets, memories, and even names, can shape relationships and history. Deeply evocative and beautifully written, *Black Cake* is an extraordinary journey through the life of a family changed forever by the choices of its matriarch.

Books In Print 2004-2005 - Bowker Editorial Staff 2004

Judge Judy Sheindlin's Win or Lose by How You Choose! - Judge Judy Sheindlin 2000-02-07

You just got your ice cream from the ice-cream man, but he was so busy that he forgot to take your money. You should: Put the money back in your pocket and eat your ice cream. Get his attention and tell him that you didn't pay yet. Eat your ice cream fast and tell him you never got it. Tell him you gave him a five-dollar bill and you didn't get any change. Which would you do? Judge Judy challenges you to choose! As a Family Court judge and on her popular TV courtroom show, Judge Judy has seen the consequences of people making the wrong choices. She knows that a sense of morality is developed at an early stage, but parents often need help teaching their kids how to make good decisions. Judge Judy Sheindlin's *Win Or Lose By How You Choose!* is the answer. In her first book for children, Judge Judy asks kids questions that reflect dilemmas they're faced with every day, such as what to do when you borrow a friend's bike and accidentally break it. But she doesn't tell kids what to do -- she provides a series of multiple choice answers and asks them to decide which is the right response. Judge Judy encourages parents and children to talk through the answers together, exploring the choices and examining the consequences of each course of action. Along with Bob Tore's hilarious artwork, Judge Judy's witty, wise questions and answers challenge kids to make winning choices--for life!

The Things We Leave Unfinished - Rebecca Yarros 2021-02-23

Told in alternating timelines, *THE THINGS WE LEAVE UNFINISHED* examines the risks we take for love, the scars too deep to heal, and the endings we can't bring ourselves to see coming. Twenty-eight-year-old Georgia Stanton has to start over after she gave up almost everything in a brutal divorce—the New York house, the friends, and her pride. Now back home at her late great-grandmother's estate in Colorado, she finds herself face-to-face with Noah Harrison, the bestselling author of a million books where the cover is always people nearly kissing. He's just as arrogant in person as in interviews, and she'll be damned if the good-looking writer of love stories thinks he's the one to finish her grandmother's final novel...even if the publisher swears he's the perfect fit. Noah is at the pinnacle of his career. With book and movie deals galore, there isn't much the "golden boy" of modern fiction hasn't accomplished. But he can't walk away from what might be the best book of the century—the one his idol, Scarlett Stanton, left unfinished. Coming up with a fitting ending for the legendary author is one thing, but dealing with her beautiful, stubborn, cynical great-granddaughter, Georgia, is quite another. But as they read Scarlett's words in both the manuscript and her box of letters, they start to realize why Scarlett never finished the book—it's based on her real-life romance with a World War II pilot, and the ending isn't a happy one. Georgia knows all too well that love never works out, and while the chemistry and connection between her and Noah is undeniable, she's as determined as ever to learn from her great-grandmother's mistakes—even if it means destroying Noah's career.

The Breakthrough Experience - Dr. John F. Demartini 2002-03-01

This book is about breaking through the barriers that keep us from experiencing our true nature as light. It presents inspiring science and philosophy in a way that is completely accessible to anyone, to reveal and explore the universal laws and principles that underlie our very existence. Those principles are set forth in extraordinary but true stories of ordinary people having astonishing and moving life experiences, and

they make the most profound concepts easily understood. Most important, it is an extremely real and practical manual for understanding why we live the way we do, and how to transform our lives into our highest vision. You will learn a formula to manifest your dreams, discover the secrets of opening your heart beyond anything you have imagined, find out how to increase love and appreciation for every aspect of your life, receive profound insights on how to create more fulfilling and caring relationships, reawaken your birthright as a true genius, transcend the fears and illusions surrounding the myth of death, and reconnect with your true mission and purpose on Earth. That is all true, but mainly, this book will deeply touch and inspire you with respect to your own greatness and potential—and the magnificence of every single human soul. This is not just a book, it is what the title implies—an Experience—and it is impossible to go through it without being moved, challenged, and changed. Welcome to . . . The Breakthrough Experience. Imperfect Chemistry: A Nerdy Romantic Comedy - Mary Frame 2014-04-23

First in series! Can be read as a stand alone novel! If you like nerdy romantic comedies with strong female leads this is the book for you! Lucy London puts the word genius to shame. Having obtained her PhD in microbiology by the age of twenty, she's amassed a wealth of knowledge, but one subject still eludes her—people. The pendulum of passions experienced by those around her both confuses and intrigues her, so when she's offered a grant to study emotion as a pathogen, she jumps on the opportunity. When her attempts to come up with an actual experiment quickly drop from lackluster to nonexistent, she's given a choice: figure out how to conduct a groundbreaking study on passion, or

lose both the grant and her position at the university. Put on leave until she can crack the perfect proposal, she finds there's only one way she can study emotions—by experiencing them herself. Enter Jensen Walker, Lucy's neighbor and the one person on the planet she finds strangely and maddeningly appealing. Jensen's life is the stuff of campus legend, messy, emotional, complicated—in short, the perfect starting point for Lucy's study. When her tenaciousness wears him down and he consents to help her, sparks fly. To her surprise, Lucy finds herself battling with her own emotions, as foreign as they are intense. With the clock ticking on her deadline, Lucy must decide what's more important: analyzing her passions...or giving in to them? "Perfectly imperfect characters and situations make Frame's debut novel sparkle...there's a very real sense of character growth, brought to life by an evolving narrative style that parallels Lucy's metamorphosis. The blend of humor and heart makes for a thoughtful, highly entertaining read." --Publishers Weekly keywords: college romance, new adult, genius heroine, found family, women friendships, girl next door, boy next door, romantic comedy, friends to lovers, chick lit

The Meaning of Success - Jo Bostock 2014-03-06
The Meaning of Success: Insights from Women at Cambridge makes a compelling case for a more inclusive definition of success. It argues that in order to recognise, reward and realise the talents of both women and men, a more meaningful definition of success is needed. Practical ways of achieving this are explored through interviews with female role models at the University of Cambridge. First-person stories bring alive the achievements and challenges women experience in their working lives, and the effect gender has on careers. The book stimulates a debate about how to bring about a more inclusive working environment.
