

A Date For The Derby

Derby County - the Modern Era - Andy Ellis 2018-09

A follow on to the 'First 100 Years' record, this brings the playing history of Derby County up to date (end of 2017-18 season) with added details of complete league tables as well as the level of detail provided in the first volume

Wednesday v United - Richard Crooks 2018-08-24

Wednesday v United: The Sheffield Derby presents a vivid account of one of the most passionate rivalries in football. Looking back to the Victorian era and the start of the Steel City divide, it features a decade-by-decade history of the derby in the context of the changing times. With an enhanced focus on the modern era, the derby rivalry is brought right up to date with a spotlight on the latest games. Richard Crooks describes how the fortunes of the two clubs have ebbed and flowed over the years. Individual derby matches are highlighted, providing emotive examples of each club's highs and lows, recalling the wildly contrasting rollercoaster ride undertaken by red and blue factions. The great games, players and managers are all to the fore. Using contemporary written and broadcast material together with the author's first-hand account and experiences, Wednesday v United brings home the intensity that is the hallmark of the Sheffield divide.

Moonshadow the Derby Winner - Pippa Funnell 2024-03-14

A new book in a series of heart-warming pony tales packed with expert advice from three-times Olympic medallist and Grand Slam winner, Pippa Funnell, on everything you ever wanted to know about horses. When the beautiful and valuable thoroughbred Derby winner, Moonshadow, is stabled at Silver Shoe Farm, Tilly is enchanted. But on a sleepover at the farm she and her friends find themselves face to face with horse thieves. Collect all 18 titles in this series of irresistible, uplifting pony adventures, packed with expert, up-to-date advice from the author as well as a helpful glossary and black and white illustrations. For 8+

A Date for the Derby - Heidi McLaughlin (Romance fiction writer) 2020

"For Brielle Armstrong the pomp and circumstance of the days leading up to the Kentucky Derby are truly the most thrilling time of the year. Press junkets, designer gowns, everyone schmoozing her in hopes of getting in her daddy's good graces. What's not to love? But this year, her heart is racing with anticipation to see Colby Hensley. As a former trainer of her family's champion horses, his rugged sex appeal has always filled Brielle's mind with naughty thoughts of a little barebacked fun. Even though Colby walked away from their farm, her father Butch, would never approve of him. But what daddy doesn't know can't hurt him. If their secret comes out, it could cost Brielle everything. Still, what fun is life if you don't ride it at a gallop? Grab your riding crop, and place your bets. It's Derby Day!"

A Day Without Roller Derby Is A Day Wasted - Roller Derby Lover Funny Journals 2019-11-11

Descendants of Roswell W. Derby of Cherry Valley, New York - Wallene R. Derby 1992

Roswell W. Derby (1823-1915), son of David Darby and Susan Dutcher, was born in Cherry Valley, N.Y., and died in Wakeman, Ohio. He was married 1849 to Mary Ann Whitcomb (1829-1916), daughter of Hiram Whitcomb and Hannah Butler. She was born in Frankfort, Herkimer Co., N.Y. Their six children were born in Huron County and Fulton County, Ohio. Descendants live in Ohio, Michigan, Florida, Kansas, Kentucky, North Carolina, New York, Massachusetts, California, Colorado and elsewhere.

The Kentucky Derby - James C. Nicholson 2012-05-05

Each year on the first Saturday in May, the world turns its attention to the twin spires of Churchill Downs for the high-stakes excitement of the "greatest two minutes in sports," the Kentucky Derby. No American sporting event can claim the history, tradition, or pageantry that the Kentucky Derby holds. For more than 130 years, spectators have been fascinated by the magnificent horses that run the Louisville track. Thoroughbreds such as Secretariat and Barbaro have earned instant international fame, along with jockeys such as Isaac Murphy, Ron Turcotte, and Calvin Borel. The Kentucky Derby: How the Run for the Roses Became America's Premier Sporting Event calls this great tradition to post and illuminates its history and culture. Rising from its humble beginnings as an American variation of England's Epsom Derby, the Kentucky Derby became a centerpiece of American sports and the racing industry, confirming Kentucky's status as the Horse Capital of the World. James C. Nicholson argues that the Derby, at its essence, is a celebration of a place, existing as a connection between Kentucky's mythic past and modern society. The Derby is more than just a horse race -- it is an experience enhanced by familiar traditions, icons, and images that help Derby fans to understand Kentucky and define themselves as Americans. Today the Kentucky Derby continues to attract international attention from royalty, celebrities, racing fans, and those who simply enjoy an icy mint julep, a fabulous hat, and a wager on who will make it to the winner's circle. Nicholson provides an intriguing and thorough history of the Kentucky Derby, examining the tradition, spectacle, culture, and evolution of the Kentucky Derby -- the brightest jewel of the Triple Crown.

Derby You Are Out of This World - Sci-Fi Journal Publishing Company 2019-12-23

The History of Derby - William Hutton 2013-09

This historic book may have numerous typos and missing text.

Purchasers can usually download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1817 edition. Excerpt: ... COTTON. The introduction of this manufactory is of much later date. Two machines upon the Arkwright plan add to the modern commerce; and several looms have lately been constructed for the fabrication of calicoes.--Another machine, still later, appeared, to convert wool into a thread for weaving carpets. From the above state of trade in Derby, it appears that she crept silently through ages without much connexion with Commerce, except what arose from her own taylors, hatters, weavers, and shoe-makers, till the beginning of the present century, when the frame, the river, the silk-mill, the porcelain, &c. awakened her drowsy talents to riches, increase, and notice. The man who has known her threescore years can easily discover an improvement in her external buildings, and the extension of her borders. He may as easily prophecy, that, like an infant, whose whose powers are equal to its magnitude, it can stand upon its own basis, and will rise more rapidly towards maturity. "Besides the above-mentioned manufactures, several others are carried on to a considerable extent. There is a small bleaching-mill situated on Nun's-green, where the processes are performed, accordto the improved chemical methods: and to aid its operations, a small steam-engine has been erected. A mill for slitting and rolling iron, for various purposes; a large furnace for smelting copper ore, with a machine for battering and rolling the copper into sheets; a red-lead mill; a mill for making tinned plates; and an extensive shot-mill; are to be found in the town, or in its immediate

vicinity*." AMUSEMENTS. Man, as a changeable animal, requires as much variety of action as of food. Even * Davies's History of Derbyshire, p. 174. the the most desirable weather, pursuits, ...
