**Attraction Explained** - Viren Swami 2021-02-11

When it comes to relationships, there's no shortage of advice from self-help 'experts', pick-up artists, and glossy magazines. But modern-day myths of attraction often have no basis in fact or - worse - are rooted in little more than misogyny. Based on science rather than self-help clichés, psychologist Viren Swami debunks these myths and draws on cutting-edge research to provide a ground-breaking and evidence-based account of relationship formation. At the core of this book is a very simple idea: there are no 'laws of attraction', no fool-proof methods or strategies for getting someone to date you. But this isn't to say that there's nothing to be gained from studying attraction. Based on science rather than self-help clichés, *Attraction Explained* looks at how factors such as geography, physical appearance, reciprocity, and similarity affect who we fall for and why. With updated statistics, this second edition also includes new content on online dating, queer relationships, racism in dating, shyness, and individual differences. It remains an engaging and accessible introduction to attraction relationship formation for professionals, students, and general readers.

**The Cinema of Attractions Reloaded** - Wanda Strauven 2006

Twenty years ago, noted film scholars Tom Gunning and André Gaudreault introduced the phrase "cinema of attractions" to describe the essential qualities of films made in the medium's earliest days, those produced between 1895 and 1906. Now, *The Cinema of Attractions Reloaded* critically examines the term and its subsequent wide-ranging use in film studies. The collection opens with a history of the term,

tracing the collaboration between Gaudreault and Gunning, the genesis of the term in their attempts to explain the spectacular effects of motion that lay at the heart of early cinema, and the pair's debts to Sergei Eisenstein and others. This reconstruction is followed by a look at applications of the term to more recent film productions, from the works of the Wachowski brothers to virtual reality and video games. With essays by an impressive collection of international film scholars—and featuring contributions by Gunning and Gaudreault as well—*The Cinema of Attractions Reloaded* will be necessary reading for all scholars of early film and its continuing influence.

THE LAW OF ATTRACTION BEST-SELLER IN PORTUGAL AND BRAZIL  
 Is it possible to attract wealth into your life? For centuries, only a small  
 group of people had access to this information. This powerful knowledge  
 was under lock and key and only a few fragments were shared through  
 literature throughout history. Recently the world has known this secret.  
 The Law of Attraction is responsible for your entire reality. All elements  
 of your life as Money, Health, Relationships, Career and Happiness  
 depend on this law. Who masters this powerful universal law may  
 materialize all his desires without exception. Despite the wide

 essence. Several theories have been raised but no practical process has  
 been shared. Using the Law of Attraction goes way beyond ask, believe  
 and receive. What is the formula to attract what you desire? This book  
 aims to be the answer to this question. "Limitless" is a guide to attract  
 wealth, abundance and prosperity. You will find on its pages the step by

**God's Law of Attraction: The Believer's Guide to Success and  
 Fulfillment** - Susan Lee 2013-09-03

In her first book, Susan Lee bridges the Law of Attraction with God's  
 plan. Secular teachings of the law of attraction focus only on efforts from  
 within and universe manifestation as the paths to financial freedom and a  
 fulfilled life. God's Law of Attraction demonstrates that Christians too  
 can have life purpose, goals, accomplishment; and yes, financial  
 abundance—without guilt or materialism taking over. In God's Law of  
 Attraction, Susan uses numerous Bible story themes to demonstrate  
 God's genuine interest in providing a rich and fulfilling life for his  
 children. Then, she applies how God's Law of Attraction works in our  
 lives daily—whether we recognize its divine origins or not. Susan's  
 interpretations of the stories result in a series of God-given steps that  
 you can use every day to live your walk with God and enjoy life and its  
 many gifts. Specifically, you will discover how to: Live in true abundance  
 without guilt because God wants you to succeed! Find joy in your  
 relationships again by releasing negative vibrations that have hurt in the  
 past Use the Natural Law God Himself put in place to help us set goals  
 and achieve them Trust in God on a new and exciting level Apply five  
 steps: ask, believe, act, allow and receive to achieve God's best! "Finally  
 a book that recognizes the law of attraction as God's and provides real  
 world guidance, as well as tools, to assist Christians in asking for and  
 recognizing God's blessings." — Carol Bills "Made me look at the law of  
 attraction differently. I especially appreciated the tips and strategies for  
 how to carry out the 5 steps (Ask, Believe, Act, Allow, Receive)  
 effectively." — Anonymous

**The Rules of Attraction** - Bret Easton Ellis 2010-12-10

Incisive, controversial and startlingly funny, *The Rules of Attraction* examines a group of affluent students at a small, self-consciously bohemian, liberal-arts college on America's East Coast. Lauren, who changes the man in her bed even more often than she changes course, is dating Victor but sleeping with Sean. Sean - cool, ambivalent and deeply cynical - might be in love with Lauren, but he's not going to let that stop him from bedding Paul. Paul, as shrewd as he is passionate, is Lauren's ex-lover and the final point in this curious triangle. From the author of *American Psycho*, Bret Easton Ellis's *The Rules of Attraction* is a breathtaking tale of sex, expectation, desire and frustration.
