Intimate Astrology - Winfried Noé 1999

People born under different signs of the zodiac have very specific ways that they look at love and sex, and they also make love in different ways, have different tastes, and even different erogenous zones. Here a major international astrologer describes the love nature of every zodiac sign, and then goes on to deal with seduction; the secret erotic wishes of each sign; the most harmonious partners; the ones that make sparks fly; and who would be the best partner for you, based on the positions of Mars and Venus in your chart. Find out what small compromise might trigger a more fulfilling relationship. Experiment with the special kinds of fantasies that are common to your sign, and satisfy the fantasies your lover enjoys. Explore what each of you can do to reach the harmony and ecstasy of your signs. Charts show how to find the positions of Venus and Mars. You need no other book.

Sextrology - Stella Starsky 2007

We've all done it: glanced casually at the horoscope pages, secretly hoping the stars will forecast our fame and fortune. Yet the zodiac can tell us far more than this, revealing even our most intimate secrets. Sextrology is a highly intelligent and enlightening guide to sex and the sexes using a wholly original astrological philosophy. In frank, sophisticated and uninhibited language, the authors profile each gender's zodiac sign and uncover the naked truth behind the make-up of each one. Sextrology will help you better comprehend your and others' sexual character, improve your understanding of relationship roles and find out what to expect from the special person in your life. From fantasies to favourite positions, erogenous zones to emotional needs, Starsky and Cox leave no stone unturned in their titillating examination that will once again have people asking, 'what's your sign?'

Sagittarius - Joanna Martine Woolfolk 2011-11-16

Your Sun sign (often referred to simply as your sign) is the zodiac sign the Sun was traveling through at the time of your birth. Your Sun sign is the most important and pervasive influence in your horoscope and in many ways determines how others see you. It governs your individuality, your distinctive style, and your drive to fulfill your goals. It symbolizes the role you are given to play in this life. It's as if at the moment of your birth you were pushed onstage into a drama called This Is My Life. In this drama, you are the starring actor—and your sign is the character you play. This elegant little volume is packed with what your Sun sign tells you about you. You'll read about your many positive qualities as well as your negative issues and inclinations. You'll find insights into your power, potentials, and pitfalls; advice about relationships, love, and sex; clarification on erogenous zones and how you combine romantically with other signs; guidance regarding career, health, and diet; and information about myriads of objects, places, concepts, and things to which you're attached. You'll also find topics not usually included in other astrology books—such as how you fit in with Chinese astrology and with numerology.
