California Girls - 1980

California Girls - 2014

For American photographer Sasha Eisenman, California connotes a state of mind and a way of life, conjuring not only golden light, blue skies, beaches, deserts, canyons and mountains, but also one particular image: the California Girl. Sasha Eisenman: California Girls captures this icon and her environment, investigating her representations through nudes and seminudes

against beautiful Californian backdrops. Shooting entirely on medium-format film and dead stock Polaroid, Eisenman sought out a group of women who represented the unique style, personality and vibrancy of California and photographed them collaboratively, without styling, at backyard parties, surf trips and music shows. The images resulting from these shoots are collected here in Eisenman's first photo book. Each image is accompanied by an interview with its subject, allowing the viewer

*Downloaded from
legacy.opendemocracy.net on 2023-11-10
by guest*

both a visual and textual entry into the sensuality, beauty, individuality and lives of the women photographed. Eisenman's work has appeared in magazines such as Dazed and Confused, Teen Vogue, Glamour, InStyle, Elle, Interview, Jalouse, L'Officiel, iD, V Man, Playboy, Spin and others, and he has photographed countless celebrities, from Lady Gaga to Jennifer Lawrence.

California Girls - Jerry Gee Williamson
2013-03-07

Four San Diego women in their late fifties decide to write a book. It will consist of four memoirs. As the women have been friends since their youth, they share many experiences, but they also have adventures of their own. Each in a different year, reminisces about her past. Vangie, the newspaperwoman, suggests the project, but Ginny organizes the effort. Vangie introduces us to George whose unique antics both exasperate and delight his companions. He is watched over by Alex, a friend since

childhood. Vangie also describes a Great Luau that takes place on a La Jolla beach. In her memoir Ginny tells about an extraordinary family she once knew. Jean remembers an eccentric but kindly neighbor. Melissa describes her troubled romance at the Chicago Art Institute. At the end of the book Ginny brings everyone up to date and hints at what the future may bring.

California Girls! (The Baby-Sitters Club: Super Special #5) - Ann M. Martin 2013-07-30

Who would believe it - the Baby-sitters have won the lottery! And with their winning money, the girls are all going with Dawn to...

California! What adventures they have. Jessi lands a (tiny) part in a TV show, Kristy gets into a kind-of-fight with Dawn's We Love Kids Club, and Stacey turns into a surfer girl! And in between all that excitement, they still have time for baby-sitting, sight-seeing, and the beach. How can they go back to Stoneybrook now that they've turned into California girls?

Conservative California Girls - Michael Mullaney
2019-05-10

Lights! Camera! Action! Meet Belinda and Marilyn-two conservative, fun-loving California girls who are damn proud of their conservative beliefs and are very serious about saving America from Commie Liberals while riding around in red convertibles and listening to disco music. Belinda and Marilyn are California

roommates who want to stop abortion and gay marriage and want to champion the ideas of organizations like the John Birch Society and the Tea Parties. They are dead serious about wanting to make Hollywood more conservative and constitutional and wind up meeting famous actors and directors in Hollywood. They want to open up a pro-life crisis pregnancy center in California to save the lives of innocent, helpless babies who are being killed through abortion. Belinda and Marilyn want to see the wall built but are also concerned about the unnecessary oppressive domestic spying that Edward Snowden uncovered. The conservative California girls meet Antonio-a gorgeous, charming Italian young man who will help them in their heroic efforts. Ditto Richard Gere-the very famous handsome actor who chooses one of the California girls to star in a sequel to the awesome film First Knight with Sean Connery. It was a movie that proved chivalry is not dead and that showed fighting for what is right can be

very romantic and even thrilling. Read on as Eduardo Verastegui, the dashing, romantic leading man in the pro-life film Bella and even George Lucas of Star Wars fame get in on the action. It is Three's Company meets Michael Savage. If you're tired of people painting conservatives as dull and boring, this is the book for you! No retreat, no surrender. Jump in the flashy red convertible and blast the disco music. Conservative California Girls is the book we've all been waiting for!

California Girls - Travel Stars 2018-11

Title: CALIFORNIA GIRLS Travel Journal (110 Pages, Blank, 6 x 9) This is YOUR holiday of a lifetime or YOUR trip Travel Journal - CALIFORNIA GIRLS - personal book of the traveler. This Journal will be part of your voyage and keep track of all the ups and downs, the things you saw and ate, the things you hated and loved. Saving all these memories with every page will keep your journey alive for life Who is this book for? - for personal use - for friends of

your journey - for family - for colleagues - for a gift for everyone About author: Hi, I'm Natalie. I am from Europe and currently live in Pompano Beach, Florida. I did not think that someday I would be able to live where I want, but favorable circumstances and courage make my life look very interesting. I'm a lawyer by profession, but I've always wanted to publish my own books. I have great successes in life because I help people. I have always liked it and now I realize myself fully. I want to share my passion with you. Ask me questions. Thanks to this I will be able to improve my activities. Check out my other notebooks and find the perfect one that will suit you, or be perfect for this special gift for your loved one. My books contain many different notebooks and you will no doubt find the right one for yourself by browsing the various and exciting graphics options.

We Were the All-American Girls - Jim Sargent
2013-05-03

Here are 42 interviews with women who

Downloaded from
legacy.opendemocracy.net on 2023-11-10
by guest

competed in the All-American Girls Professional Baseball League. Each interview features data about the player, a short summary of her athletic career, and the player's recollections. A brief history covers the many changes as the league evolved from underhand pitching with a 12-inch circumference ball in 1943 to overhand pitching, adopted in 1948, through the circuit's final year, 1954, when a regulation baseball was introduced. The interviews range from 1995 to 2012 and reveal details of particular games, highlights of individual careers, the camaraderie of teammates, opponents and fans, and the impact the League made on their lives. Several players recall how the 1992 movie *A League of Their Own* brought the historic All-American League back to life almost 40 years after the final game was played.

The Last of the California Girls - Pamela Jekel
1989-08

He was a New Yorker transported to an alien land of suntans and surfboards in the middle of

his senior year. She was the quintessential California Girl grooving on beach music and convertibles. No two people could have been so different. And no two people could have fallen so blindly, so deeply, and so totally in love. Jekel is the award-winning author of *Columbia* and *Sea Star*.

California girls - Simon Liberati 2016

Los Angeles, 8 août 1969 : Charles Manson, dit Charlie, fanatise une bande de hippies, improbable "famille" que soudent drogue, sexe, rock'n'roll et vénération fanatique envers le gourou. Téléguidés par Manson, trois filles et un garçon sont chargés d'une attaque, la première du grand chambardement qui sauvera le monde. La nuit même, sur les hauteurs de Los Angeles, les zombies défoncés tuent cinq fois. La sublime Sharon Tate, épouse de Roman Polanski enceinte de huit mois, est laissée pour morte après seize coups de baïonnette. Une des filles, Susan, dite Sadie, inscrit avec le sang de la star le mot PIG sur le mur de la villa avant de

rejoindre le ranch qui abrite la Famille. Au petit matin, le pays pétrifié découvre la scène sanglante sur ses écrans de télévision. Associées en un flash ultra violent, l'utopie hippie et l'opulence hollywoodienne s'anéantissent en un morbide reflet de l'Amérique. Crime crapuleux, vengeance d'un rocker raté, satanisme, combinaisons politiques, Black Panthers... Le crime garde ses mystères. En 36 heures et trois actes d'un hyper réalisme halluciné, western psychédélique à la présence saisissante, Simon Liberati accompagne au plus près les California girls et peint un des faits divers les plus fantasmés des cinquante dernières années. 36 heures qui signent la perte de l'innocence de l'Amérique. "En 1969, j'avais neuf ans. La famille Manson est entrée avec fracas dans mon imaginaire. J'ai grandi avec l'image de trois filles de 20 ans défiant les tribunaux américains, une croix sanglante gravée sur le front. Des droguées... Voilà ce qu'on disait d'elles, des droguées qui avaient commis des crimes

monstrueux sous l'emprise d'un gourou qu'elles prenaient pour Jésus-Christ. Plus tard, j'ai écrit cette histoire le plus simplement possible pour exorciser mes terreurs enfantines et j'ai revécu seconde par seconde le martyr de Sharon Tate".

California Girl - T. Jefferson Parker 2009-09-25
Stunning new thriller from the award-winning Jefferson Parker, author of *The Blue Hour*, *Red Light*, *Black Water* and *Cold Pursuit*.

California girls - Simon Liberati 2016-08-17

California Girl - Patricia Rice 2013-09-03

Alys Seagraves has lost a home and a husband—she’s not about to lose her best friend, Mame. The elderly widow disappears from her hospital bed with only the slightest of clues to her whereabouts. With no transportation or understanding of where Mame has gone, Alys commandeers her friend’s ancient pink Cadillac and uptight nephew, Elliot Ross, to aid in her search. As much as he loves the unpredictable aunt who raised him, Elliot is furious with Mame. He refuses to listen to the ludicrous fears of an obviously neurotic female who thinks she knows more than qualified professionals—whether they be doctors, like him, or the police. But as she drags him from his

comfort zone on a mad ride down historic Route 66, he realizes Alys has more insight into his aunt’s dangerous path than he does. Battling blizzards and murderous semi-drivers, they follow Mame’s trail in a last dash to save her life—and their own. “CALIFORNIA GIRL is a true gem and a call to live life everyday to the fullest. . . .Patricia Rice has penned an emotional and riveting masterpiece...” Missy Andrews, Fallen Angel Reviews Keywords: California, heart disease, doctor, Route 66, Cadillac, road trip, widow ~~~~~
“Patricia Rice is a master storyteller.” —MARY JO PUTNEY “The fast-paced story line and characters that you can’t help but fall in love with make CALIFORNIA GIRL a must read for all romance fans.” Dina Smith, Romance Junkies “Alys and Elliott are like oil and water, both with a checkered past of pain and loneliness, but compliment each other so well. The romance is fresh, and the storyline flows seamlessly....CALIFORNIA GIRL makes a nice

Pop L.A. - Cécile Whiting 2006-03-06

In this original and engaging book, Cécile Whiting examines what Pop looked like when it left the highbrow cloisters of Manhattan's art galleries and ventured westward to the sprawling suburbs of Los Angeles.

Rethinking Gender in Popular Culture in the 21st Century - Astrid M. Fellner

2017-11-06

This book explores popular culture representations of gender, offering a rich and accessible discussion of masculinities and femininities in 21st-century popular media. It brings together contributors from various European countries to investigate the workings of gender in contemporary pop culture products in a brave, original, and rigorous way. This volume is both an academic proposal and an exercise of commitment to a serious analysis of some of the media that influence us most in our everyday lives. Representation matters, and the position we take as viewers or consumers during reception matters even more.
