Interviews with the Doggers - Dante X 2020-11-02

Sample excerpt from Chapter 3. So Karl, where are you from? How old are you? and how did you get into dogging?"I'm from Ireland originally but lived here in Watford for the last 30 years. I'm 48 now and it all started back in Dublin when I was with my uncle who was teaching me how to drive." So did he teach you all about dogging in Ireland then...?Yeh in a way... He had this big old car, a Humber Hawk I think it was.. built like a fuckin tank with a big leather bench seat in the front and rakes of room in the back.. be

Jesus...you could have a fuckin party back there. He'd take me out in the car and stop somewhere in the country lanes and let me have a drive. It was an automatic, so no gears and just two pedals. Anyway, he'd let me drive it around the lanes and that's how I learned to drive. But after a drive, we'd always end up at a car park in the woods... You know, somewhere really quiet... Then he'd start asking me questions... you know... Like Did I have a girlfriend...? Did I play with myself...? Did I like sexy pictures...?Well on this day, he pulled out these pictures of girls... You know like from a sexy magazine... Back then it was all top shelf magazines... No internet or anything like today. I was sitting there... looking at the pictures and he was saying stuff like, look at her tits.. do you like big tits.. then look at that bitch taking his big cock... Next thing was... He's stroking me leg... and squeezing me cock through me jeans... I was still a fuckin virgin and the pictures were making me cock hard for sure. I don't know why... but it felt so nice... I just let him do it. Then he was pulling me zip down and got it out. I was so fuckin turned on I nearly spunked. But he started stroking me and saying how nice a specimen it was and had I ever had a blow job? Fuck me he was on me like a sucker fish... Squeezing me bollocks and made me shoot me spunk in his mouth. It was so fuckin nice I was looking forward to me drivin lessons and was seeing him two or three times a week. Every time he'd stop the car somewhere after the drive and start touching me... Then he'd get me to pull me pants and jeans down... So me bum was on the cold leather seat and he'd wank me off in his mouth." So how long did that go on for...?"About a year or so.. then I got a girlfriend and he tried to get me to bring her out in the car... but she wouldn't have any of it. We didn't last long and I met another girl... This one was really horny and wanted to have sex everywhere. I'd fuck her in me dad's shed while he'd be doing the garden outside. Then in the kitchen at her house and at the back of the garages. Then we bumped into me uncle one day and he said, Why don't we come out for a drive in the country lanes? I knew what he was up to but Mindy... she wanted to go for a drive in his car. We started playing in the back and he was watching us in his mirror... saying stuff like, Go on ye young uns... Don't mind me... I'll drive and you two can have fun. Well Mindy was moaning away as I was fingering her and sucking on her tits and she was giggling cos she said he was watching us in the mirror. She was skinny little thing and not much in the way of boobs but she loved sex. Anyway, he stopped the car and I had her nearly naked on the back seat, he turned around and asked, Was it OK to watch and wank his cock? I said, up to her... so he asked Mindy and she just giggled and said "I don't care."I was fingering her and she was watching him... Then he started grunting and saying what a sexy girl she was and could he see me fucking her...? She said OK and I took my jeans off and sat on the back seat, she pulled her skirt and knickers off and straddled me.. I got me cock up her and she started bouncing up and down. But then I saw he was reaching over the seat and feeling her bum as she bounced up and down. Fuck it made me so fucking horny I shot me spunk. Mindy looked well pissed off and

Wedding Toasts I'll Never Give - Ada Calhoun 2017-05-16

Seven essays celebrating the beauty of the imperfect marriage. We hear plenty about whether or not to get married, but much less about what it takes to stay married. Clichés around marriage—eternal bliss, domestic harmony, soul mates—leave out the real stuff. After marriage you may still want to sleep with other people. Sometimes your partner will bore the hell out of you. And when stuck paying for your spouse's mistakes, you might miss being single. In Wedding Toasts I'll Never Give, Ada Calhoun presents an unflinching but also loving portrait of her own marriage, opening a long-overdue conversation about the institution as it truly is: not the happy ending of a love story or a relic doomed by high divorce rates, but the beginning of a challenging new chapter of which "the first twenty years are the hardest." Calhoun's funny, poignant personal essays explore the bedrooms of modern coupledness for a nuanced discussion of infidelity, existential anxiety, and the many other obstacles to staying together. Both realistic and openhearted, Wedding Toasts I'll Never Give offers a refreshing new way to think about marriage as a brave, tough, creative decision to stay with another person for the rest of your life. "What a burden," Calhoun calls marriage, "and what a gift."

Santa Claws - Patrick M. Ohana 2007-04

Moses, the main character of Santa Claws, discovers sex and the verity of Freud's insight, finds out about death and the cruelty of consciousness, loses his mind and realizes that desperation is clawed, accepts the fact that we are all going to die and that life is short. Using hard-nosed, funny, succinct narrative, spangled with epigrammatic short stories, striving essays, contemplative poetry, playful plays and empirical studies, the novel intimates a singular Moses; one who does not rise to lead anybody--he practically despises everyone save Sophie and certain fury creatures--retreating inwards to fight the inevitable. Savvy readers will be interested by this novel; those not afraid to be shocked, mocked and challenged; those ready to be saddened and disappointed; those looking for some bemusement coupled with existential angst; those tired of fleeting romanticism and religious dogma.
