Same-Sex Attraction and the Church - Ed Shaw 2015-11-09

When Christians have same-sex attraction, how should the church respond? Pastor Ed Shaw experiences same-sex attraction, yet he is committed to Scripture and the church's traditional position on sexuality. In this honest book, he shares his own experiences and shows us that obedience to Jesus is ultimately the only way to experience life to the full.

The Invention of Heterosexuality - Jonathan Ned Katz 2014-12-10

"Heterosexuality," assumed to denote a universal sexual and cultural norm, has been largely exempt from critical scrutiny. In this boldly original work, Jonathan Ned Katz challenges the common notion that the

distinction between heterosexuality and homosexuality has been a timeless one. Building on the history of medical terminology, he reveals that as late as 1923, the term "heterosexuality" referred to a "morbid sexual passion," and that its current usage emerged to legitimate men and women having sex for pleasure. Drawing on the works of Sigmund Freud, James Baldwin, Betty Friedan, and Michel Foucault, *The Invention of Heterosexuality* considers the effects of heterosexuality's recently forged primacy on both scientific literature and popular culture. "Lively and provocative."—Carol Tavris, *New York Times Book Review*
"A valuable primer . . . misses

no significant twists in sexual politics.”—Gary Indiana, Village Voice Literary Supplement “One of the most important—if not outright subversive—works to emerge from gay and lesbian studies in years.”—Mark Thompson, The Advocate

Sexuality: God's Gift - Anne Krabill Hershberger
2010-06-17

Big business makes big money selling a phony notion of what we want and need as sexual people. Ads insist that certain products will make us more sexually appealing. But what we really want and need is true intimacy—the knowledge that we matter to another person and are loved for who we are. We all are sexual beings, all of

our lives, and relate to each other sexually all the time. God marvelously made us this way. Using the metaphor of sexuality as a good gift from God, this book offers Christian resources for living a sexually healthy and fulfilling life.

"Extraordinarily comprehensive, nuanced, and sensitive—even richer than its predecessor. It is a splendid resource for all Christians who wish to live more deeply in gratitude to God for their own sexuality." —James B. Nelson, professor emeritus of Christian ethics, United Theological Seminary of the Twin Cities
"An important contribution to Christians seeking to celebrate their sexuality with holiness and integrity." —The Rev. Debra W. Haffner, executive director, Religious Institute, Westport, Connecticut

Come As You Are: Revised and Updated - Emily Nagoski
2021-03-02

A revised and updated edition of Emily Nagoski's game-changing New York Times bestseller *Come As You Are*, featuring new information and research on mindfulness, desire, and pleasure that will

radically transform your sex life. For much of the 20th and 21st centuries, women's sexuality was an uncharted territory in science, studied far less frequently—and far less seriously—than its male counterpart. That is, until Emily Nagoski's *Come As You Are*, which used groundbreaking science and research to prove that the most important factor in creating and sustaining a sex life filled with confidence and joy is not what the parts are or how they're organized but how you feel about them. In the years since the book's initial publication, countless women have learned through Nagoski's accessible and informative guide that things like stress, mood, trust, and body image are not peripheral factors in a woman's sexual wellbeing; they are central to it—and that even if you don't always feel like it, you are already sexually whole by just being yourself. This revised and updated edition continues that mission with new information and advanced

research, demystifying and decoding the science of sex so that everyone can create a better sex life and discover more pleasure than you ever thought possible.

Beyond Easy Believism - Gary R. Collins 1982

God, Desire, and a Theology of Human Sexuality - David H. Jensen 2013-01-01

This work of constructive theology examines human sexuality in light of Christian faith and doctrine. Jensen moves beyond the hot-button social debates about sexual orientation and sexual practices to look for healing. The seven chapters consider Scripture and sex; the connections between the triune, covenantal God and human sexuality; Christ's incarnation and resurrection as affirming the beauty of flesh; eschatology and sexual identity; the ramifications of the Lord's Supper for human sexuality; vocation and Christian callings to marriage, celibacy, and singleness; and sexual ethics.

Living the Truth in Love - Janet Smith 2015-07-08

Living the Truth in Love grew out of the desire to provide answers to the questions posed for the Synod on Marriage called by Pope Francis: How can the Christian community give pastoral attention to

families with persons with same-sex attraction? While avoiding any unjust discrimination, how can the Church give such persons pastoral care in light of the Gospel? How can God's will be proposed to them in their situation? People who want to be instruments of Christ's love to those who experience same-sex attraction (SSA) seek guidance on how best to do so. They need to listen to the stories of those who experience SSA and the stories of those who have accompanied them on their journeys. They also need to ground their responses in a genuine Christian understanding of the human person and of human sexuality. This volume includes essays that lay out the Christian view of the human person and of

human sexuality, essays that challenge the bifurcation of sexualities into "heterosexual" and "homosexual". Topics include an explanation of the meaning of the word "disorder", a discussion of the therapeutic power of friendship, and an application of Saint John Paul II's personalism to the question of same-sex attraction. Psychologists and counselors explain various ways of affirming those who experience SSA and of leading them to experience the power of Christ's healing love. Several of those who experience SSA tell their touching and inspiring stories.
