

# Divine Sex The Tantric And Taoist Arts Of Conscious Loving

*Westliche Taoismus-Bibliographie (WTB)* - Knut Walf 2003

## **The Cosmic Embrace** - John Stevens 1999

Here is a survey, through art from around the world, of the sacred dimension of sexuality. It demonstrates beyond a doubt that the notion of sexual relationships as something honorable, nonpossessive, fulfilling, and beneficial is nothing new, nor is the idea limited to the traditions of the mystic East. John Stevens shows how world sexual traditions have always had the spiritual as their highest goal. His survey looks at art from China, India, Native American traditions, ancient Europe, Japan, the South Pacific, Southeast Asia, Tibet, Greece, Africa, and Mexico, as well as art by modern artists like Eric Gill. The book includes an extensive bibliography.

*Sexual Enlightenment* - Dr. Elsbeth Meuth 2013-11-19

Sexual Enlightenment provides a guide for anyone—from couples to singles, from parents to students, from professionals to entrepreneurs—looking for bringing lasting fulfillment into their lives, relationships and work. Introducing cutting-edge principles and inspiring practices on how to access innate creative energy, listen to the wisdom of the heart, and connect with the power of the conscious mind, Dr. Elsbeth Meuth and Freddy Zental Weaver offer a road map that can alter and enlighten the way you look at sexual energy, love, and your conscious self. They provide practical advice on how to • access peace and joy anytime and anywhere by calming the unending chatter in your mind; • circulate your life force energy within for achieving greater physical health, increased emotional well-being, and deeper spiritual connection; • feel confident, grounded, and vital in yourself by accessing and training your love muscle; • experience an instant love connection with your partner,

avoiding debilitating fights and mutual accusations; • come into balance of your yin and yang nature for creating the life and relationships you always wanted; • release blocks from the past that no longer serve you and keep you from experiencing fulfillment in life, love, and intimacy; • bring pleasure into your daily life by tapping into your creative life force energy; • enjoy reawakening your feminine joyous self as a woman; • cultivate sustaining your masculine pleasurable energy as a man; and • draw on your life-giving sexual energy to infuse your wishes and realize your dreams. **Eros Ascending** - John Maxwell Taylor  
2011-07-05

\*\*\*FINALIST, USA Best Books 2010 Awards - Spirituality & Self-Help: Relationships The quest for lasting love is one of life's essential pursuits, in some ways the most essential. But it's also a quest that's impossible to separate from spiritual and sexual needs. In *Eros Ascending*, author John Maxwell Taylor offers a wide-ranging study of sexual dysfunction in society and explains how healthy sexuality can be an entryway to universal love and higher consciousness. Based on Taylor's twenty-three-year experience with Taoist practices, the book presents an engaging analysis of love, relationships, and sexuality from spiritual, romantic, and sexual perspectives. Taylor melds essential ideas by Jung, Gurdjieff, and Taoist Master Mantak Chia with science, biology, spiritual tradition, and current popular culture to shed new light on this eternal yet misunderstood subject. Not just for couples, the book is equally useful for single people who want to understand the methods for "learning to love yourself" in preparation for a fulfilling, long-term relationship. Taylor draws on his eclectic background as a successful playwright, composer, actor, and musician in this persuasive plan for converting ordinary sexual energy into food for the soul.

*Countervisions* - Darrell Y. Hamamoto 2000  
Spotlighting Asian Americans on both sides of the motion picture camera, *Countervisions* examines the aesthetics, material circumstances, and politics of a broad spectrum of films released in the last thirty years. This anthology focuses in particular on the growing presence of Asian Americans as makers of independent films and cross-over successes. Essays of film criticism and interviews with film makers emphasize matters of cultural agency--that is, the practices through which Asian American

actors, directors, and audience members have shaped their own cinematic images. One of the anthology's key contributions is to trace the evolution of Asian American independent film practice over thirty years. Essays on the Japanese American internment and historical memory, essays on films by women and queer artists, and the reflections of individual film makers discuss independent productions as subverting or opposing the conventions of commercial cinema. But *Countervisions* also resists simplistic readings of "mainstream" film representations of Asian Americans and enumerations of negative images. Writing about Hollywood stars Anna May Wong and Nancy Kwan, director Wayne Wang, and erotic films, several contributors probe into the complex and ambivalent responses of Asian American audiences to stereotypical roles and commercial success. Taken together, the spirited, illuminating essays in this collection offer an unprecedented examination of a flourishing cultural production. Author note: Darrell Y. Hamamoto is Associate Professor in the Asian American Studies Program at the University of California, Davis. He is the author of *Nervous Laughter: Television Situation Comedy and Liberal Democratic Ideology*, *Monitored Peril: Asian Americans and the Politics of Television Representation*, and *New American Destinies: a Reader in Contemporary Asian and Latino Immigration*. Sandra Liu is a Ph.D. candidate in the Department of Ethnic Studies, University of California, Berkeley.

Rooted in Chinese energy medicine, Universal Healing Tao practices, and ancient Taoist traditions from the Yellow Emperor and his three female advisors, these practices honor and celebrate each stage of a woman's life and allow women to awaken their genuine feminine sexuality--receptive, soft, sensitive, intuitive, and creative--rather than the masculine approach that focuses on strength, endurance, and control. In this comprehensive guide to Taoist tantric arts for women, author Minke de Vos reveals how to channel natural sexual energy to evolve the Divine within and heal deep-rooted negative emotions and traumas related to sexuality. She explores techniques from the Universal Healing Tao system, such as the Inner Smile and Ovarian Breathing, to cleanse the uterus of negative emotions and fill your creative center with compassionate vibrations. She offers sexual energy practices to prevent chronic conditions like cancer, depression, and osteoporosis and heal issues related to PMS, menopause, and libido. She explains how to experience the three different kinds of female orgasm and provides detailed, illustrated instructions for exercises such as breast self-massage for emotional transformation and jade-egg yoni yoga to strengthen the pelvic floor and stimulate inner flexing and articulation. She offers evocative meditations to connect with the Goddess within and embrace the innate sexiness at each stage of life. Including solo and partner practices for conscious energy exchange and intimacy building, Minke de Vos's detailed guide to cultivating female sexual energy allows you to ease the passage through the menstrual cycle, pregnancy, and menopause; harmonize your relationships; and merge your inner male and female energies into wholeness.
