## **Between Bad and Good** -

Leslie J. Getty 2020-03-29

In 1971, Domino Martine, an Oregon farm girl, drifting for the last five years, arrives in the San Gabriel Valley of Southern California. Domino is a talented woman; a chef, a seamstress, an artist, a healer, it's her gentle nature which defines her life. Running from her past, Domino rarely makes friends wherever she calls home. When she comes across Laurie Masten Parker, bullied by a gang of tough girls, the 'earth mother,' reluctantly intervenes, rescuing the diminutive wife of biker Mike Parker. The two women become friends. Both are

lonely. They need each other. Laurie invites Domino to join her family's world; a tribe of Vietnam veterans, who form a tightknit group of bikers. The 'tribe,' exists on the edge of the 1%'er outlaw lifestyle. Domino is drawn to the Parker's and the Masten's, like a moth to a flame. She can't escape the heat, realizing without them, her lonely world is cold. Domino meets Laurie's brother, Sid Masten, a hedonistic, Harley riding, muscle-bound Viking, who pursues her relentlessly. Discouraging his advances, having been married to a man just like Sid, Domino turns her attention to Laurie's brother-in-law, Joe Parker, who is haunted by demons from his past. Unable to help herself, Domino wants to 'fix' Joe, who she sees as a broken man. Coming between Domino and the 'tribe,' is Bob Bohannon, an older, wiser biker, rumored to have 'made his bones,' yet, is considered by everyone who knows him to be a righteous man. Bohannon falls in love with Domino, who must choose whether or not she wants to

live her life, between bad and good.

**For Love of the Sacred Awe -**

Rami Elias Kremesti

2021-12-31

For Love of the Sacred Awe is

about a new way or the correct way of looking at beauty in the world. When you realize that this creation, of which we are part, is a work of Love of a highly intelligent Loving Being which believers call God or Jhwh or Shiva, then you experience the sacred awe! Indeed, this is the very definition of beauty: something that has been created out of love. There are a lot of photographers and artists out there with lost souls. They try to be creative and odd to the point of being silly and superfluous, all because they have not realized the ultimate truth: there is a loving creator. As a real artist or photographer, you are participating in the creative process or witnessing and capturing the beauty of the Creation. There is a paradigm shift that happens when you photograph a nude woman with the eyes of a Believer vs. a lustful man seeking self-satisfaction. And God knows we have all experienced that strong physical pull of the lower chakras. When you look

at the fascinating beauty and symbiosis that is part of Nature and all its creatures, and realize that all this was created for us human beings, the Crown of Creation, you become humble too... the knowledge behind it is too great to fathom. Living in such a higher spiritual state must be the goal of all human endeavour because anything less is just unfulfilled potential and misery. Rami Elias Kremesti was born in Beirut, Lebanon, in December 1974. He came into the world in Phoenician Canaan, the ancient Land of Milk and Honey, where soon after his birth, the Lebanese civil war broke out. Growing up in a society wrecked by violence, hate and fear, the three blind children of ignorance, Rami was pushed to seek the Truth from a very young age. The physical fear of bombs creates in sensitive people - as Kazantzakis puts it - a disgust of superficial and fake things. His first love was Chemistry: it was the truth of the materialistic world to him. But his escape was the

Mediterranean Sea where he went fishing as a teen. There were no spiritual role models or guides to inspire him in Lebanon. So, he fell for Nietzsche and the Existentialists. However, Nihilism was unsatisfactory, and men of science were a disappointment to him, so he kept on seeking and eventually discovered the poetry of Rumi. So, he started to see beauty in the world and experience the Sacred Awe. That is when he picked up a camera and started taking photos. Rami's exile away from his homeland over the years brought him in contact with all kinds of people from all over the world, lots of savages or barbarians. He fell in love, experienced joy and depression and heart break innocently. All this was preparing him for the Ultimate Love in his Life: Love of the Creator or as the Sufis call it, Fana'a Fi'laah (Annihilation in God). He continues to express this Love through his writing, camera and Love of Nature. Rami keeps looking for living Saints to accompany his

More than anything she wants to go home and see her childhood friends but is embarrassed that she hasn't accomplished the things she feels she should have by this time in her life; mainly marriage and children. magically at the doorstep of your new, empowered, balanced and stable life fueled by unconditional love! Let's face it: we all have a motivating drive to become "better." What we have and who we are never seem to be good enough. This feeling that something is wrong or needs to be fixed causes us to continuously run around, chasing after what we feel will finally fulfill us. But what if these very conditions that we are constantly trying to escape from could be used as a way to

awaken ourselves--to connect with the peace already within us? Be Your Shitty Self is a practical guide that will help you uncover and reconnect with your inner peace. Through concepts, exercises, and practical advice, Mark Van Buren explores how meditation and mindfulness can help you realize that who you are is already good enough. No matter how good or bad your life may seem to be, each moment can point you in the direction of peace, compassion, and awakening. Everything you need is already here in this moment. Just as a beautiful lotus flower blooms from the bottom of a murky pond, so too can your true essence shine from the depths of your shitty self.

**All Involved** - Ryan Gattis  
2015-05-21

That's when it hits me. I'm staring at a war zone. In South Central. On an April night in 1992, Payasa learns that her older brother has been stabbed to death, his body left out in the road to rot. He was never involved. He was innocent. He didn't even carry a gun. And that messes with the rules, even for Lynwood, even for the streets. But it's the first day of the LA riots, and the city is tearing itself apart. Fire-fighters, graffiti artists, nurses and law enforcement - all of them connected by this murder - find themselves caught in the mayhem. Every cop is distracted, and for the people who see the law as an enemy, it's a chance to settle old scores. That's just too good an opportunity to miss. 'All Involved' is a symphonic, pitch-perfect, superlative novel. It
