

Female Friend Wants To Travel With Me

The Dictator's Muse - Nigel Farndale 2021-06-24

'[A] riveting novel... a fast-paced, brilliantly constructed thriller, in which the fates of the three young British protagonists hang in the balance at the end of every chapter' A. N. Wilson, SPECTATOR It is the early 1930s, and Europe is holding its breath. As Hitler's grip on power tightens, preparations are being made for the Berlin Olympics. Leni Riefenstahl is the pioneering, sexually-liberated star film-maker of the Third Reich. She has been chosen by Hitler to capture the Olympics on celluloid but is about to find that even his closest friends have much to fear. Kim Newlands is the English athlete 'sponsored' by the Blackshirts and devoted to his mercurial, socialite girlfriend Connie. He is

driven by a desire to win an Olympic gold but to do that he must first pretend to be someone he is not. Alun Pryce is the Welsh communist sent to infiltrate the Blackshirts. When he befriends Kim and Connie, his belief that the end justifies the means will be tested to the core. Through her camera lens and memoirs, Leni is able to manipulate the truth about what happens when their fates collide at the Olympics. But while some scenes from her life end up on the cutting room floor, this does not mean they are lost forever... 'Profound and moving... a beautifully written evocation of turbulent times' Daily Express 'A novel rich in historical detail, but wearing its research lightly, and the story is told in a French Lieutenant's Woman kind of way,

veering from the present to the past with superb flair... this novel has an uncomfortable prescience, with a plot twist at the end which is ingenious. - IRISH INDEPENDENT 'A masterly exploration of conflicting loyalties ... Sharply characterised, richly atmospheric and completely engrossing' John Preston, author of The Dig ----- Readers love The Dictator's Muse: ***** 'An addictive, all-consuming read' ***** 'Flows beautifully with love, hopes, desires and propaganda of the time. Fascinating, engaging and terrifying' ***** 'Thoughtful, well researched and atmospheric with engaging characters' ***** 'I can't recommend this book highly enough'

Kindred, Gift Edition - Octavia Butler

2022-09-20

The New York Times best-selling author's time-travel classic that makes us feel the horrors of American slavery and indicts our country's lack of progress on racial reconciliation The series adaption from FX premieres December 13 on

Hulu. Developed for television by writer/executive producer Branden Jacobs-Jenkins (Watchmen), executive producers also include Joe Weisberg and Joel Fields (The Americans, The Patient), and Darren Aronofsky (The Whale). Janicza Bravo (Zola) is director and an executive producer of the pilot. Kindred stars Mallori Johnson, Micah Stock, Ryan Kwanten, and Gayle Rankin. "I lost an arm on my last trip home. My left arm." Dana's torment begins when she suddenly vanishes on her 26th birthday from California, 1976, and is dragged through time to antebellum Maryland to rescue a boy named Rufus, heir to a slaveowner's plantation. She soon realizes the purpose of her summons to the past: protect Rufus to ensure his assault of her Black ancestor so that she may one day be born. As she endures the traumas of slavery and the soul-crushing normalization of savagery, Dana fights to keep her autonomy and return to the present. Blazing the trail for neo-slavery narratives like Colson Whitehead's The

Underground Railroad and Ta-Nehisi Coates's *The Water Dancer*, Butler takes one of speculative fiction's oldest tropes and infuses it with lasting depth and power. Dana not only experiences the cruelties of slavery on her skin but also grimly learns to accept it as a condition of her own existence in the present. "Where stories about American slavery are often gratuitous, reducing its horror to explicit violence and brutality, *Kindred* is controlled and precise" (New York Times).

[face2face Advanced Student's Book with DVD-ROM](#) - Gillie Cunningham 2013-09-26

face2face Second edition is the flexible, easy-to-teach, 6-level course (A1 to C1) for busy teachers who want to get their adult and young adult learners to communicate with confidence. The fully updated and redesigned Advanced Student's Book provides 80-120 hours of material. It comes with a free DVD-ROM that includes consolidation activities and an electronic portfolio for learners to track their

progress with customisable tests and grammar and vocabulary reference sections. This Second edition Student's Book includes a bank of extra video lessons (available on the Teacher's DVD) and 9 additional Writing lessons. The vocabulary selection is informed by the English Vocabulary Profile and Cambridge Learner Corpus. (Please note that the face2face Second edition Class Audio CDs are available separately.)

The Psychology of Friendship - Mahzad Hojjat 2017

In the late 20th and 21st centuries, the meteoric rise of countless social media platforms and mobile applications have illuminated the profound need friendship and connection have in all of our lives; and yet, very few scholarly volumes have focused on this unique and important bond during this new era of relating to one another. Exploring such topics as friendship and social media, friendship with current and past romantic partners, co-workers, mentors, and even pets, editors Mahzad Hojjat

and Anne Moyer lead an expert group of global contributors as they each explore how friendship factors within our lives today. What does it mean to be a friend? What roles do friendships play in our own development? How do we befriend those across the race, ethnicity, gender, and orientation spectrums? What happens when a friendship turns sour? What is the effect of friendship - good and bad - on our mental health? Providing a much needed update to the field of interpersonal relations, *The Psychology of Friendship* serves as a field guide for readers as they shed traditional definitions of friendship in favor of contemporary contexts and connections.

New York Magazine - 1985-01-07

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to

theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

an idea.

MIXED NUTS - Rick Cormier 2016-04-21

"Highly irreverent, but filled with wisdom and infused with deep caring, Mixed Nuts is a memoir of a life working in psychotherapy."

"Some people assume that all therapists are new-agey hand-holders who just listen and nod like bobbleheads, then suggest an astrology reading, a gluten-free diet, and your choice of complimentary love flower or polished healing stone on your way out the door. That's not me. My job is to help fix what's broken." Speaking to the layperson and the practitioner alike, even Rick's signature humor can't hide his deep understanding of mental illness, his desire to help heal it quickly and effectively, and his pragmatic and often creative approach to treatment."

Practice book - Michael Swan 1990

Social Q's - Philip Galanes 2012-11-27

A series of whimsical essays by the New York

Times "Social Q's" columnist provides modern advice on navigating today's murky moral waters, sharing recommendations for such everyday situations as texting on the bus to splitting a dinner check.

Superhero of Love - Bridget Fonger 2018-12-31
Broken hearts not only hurt us and those around us, they keep us from being our most mighty selves. Inside each of us is our very own Superhero of Love who knows that the source of love is not outside but right inside each and every one of us. Superhero of Love offers the nuts and bolts to heal your broken heart and to break old patterns but also offers a path for transformation and possibility. It goes beyond healing toward the ultimate possibility of making everything - including love - work better. This book helps clear the decks by shedding light on the shadow-filled, broken pieces of the reader's heart to bring them to an even stronger, healthier, more powerful place. The author shares her personal experience of going through a painful breakup and presents a five-part superhero method for recovery. Readers will develop and hone their powers of Super Sight,

Super Hearing, Super Humility, Super Self-Love, and Super Alignment to build their connection to their own hearts, the ultimate source of love in their lives.

Smokes And Whiskey - Tejaswini Divya Naik
2019-08-03

The book is a collection of 42 poems on relationships, the ups and downs that come along with it, falling apart like rubble, but then finding oneself, gathering that strength back and

building yourself up, back from that same rubble. This book would make everyone feel what poet felt while writing it, and that love is a universal thing, and her story is not unique. And the hope that this makes them see that there is a beyond and that they can come out happy and clean. And, that this makes them braver than they already are, and gives them that little extra push and strength that they probably need.
