Polka Dots, Pony Tails and Purple Pouts Amrita Anand Nayak 2016 Leena, Tia and Jasmine, each have a past that has made them what they are and which still continues to cast a shadow on their lives as far as love and relationships are concerned. Leena almost always falls for older men. Is there a painful story behind her aversion to younger men or is it just a coincidence? Leena, the girl who loves sporting a pony tail and casual looks, has been through tough times which have made her mature but at heart she is still Daddy's little angel and dotes on her recuperating, erstwhile-alcoholic father. She falls in and out of failed relationships, braves heartbreak, fights her inner demons and finds her true love in the end with somebody no one would have ever imagined, given her taste and inclinations. Tia, the goody-goody, super-talented introvert beauty is the proverbial jack of all trades. She just loves writing or blogging and her other major love in life is predicting fashion trends, following all the happenings in the fashion world and be a step ahead in the whats-in-vogue-and-whats-out world. She loves dressing up as much as she loves her polka dotted dress because it is her lucky dress that gets her the attention of Sam. But life can never be so simple, can it? The shy and meek Tia struggles and rises above all her fears, faces the dramatic family ire, works for her passion and ambitions -- supported all the way by her gem of a boyfriend and two loving roomies. Jasmine is the most colourful character of the three and lives her life like a free bird. She has no time for love, but plenty of time for flirting, short-term affairs and even one-night stands are not a taboo for her. However, she has faced a disturbing past that even her parents don't know about, but God and her godmother help her live through this phase. The Jasmine of today dresses seductively, purrs and pouts with her plum lips, parties hard and is simply determined to make her life as much fun as possible, but has Jasmine really got over Jerry Matthews, her first love? Has Jerry got over her? Will Jasmine's wild ways have no ramifications? She will get all these answers and more unexpected twists and turns to face. Life is good when you have a loving life-partner, but it's even better when you have dear and dependable friends. For Leena, Tia and Jasmine, life has plenty of struggles in store but also plenty of cheers and smiles along the way as they journey together. Anatomy of a Poet C. J. Heck 2013-04 Poetry can be daunting and hard to understand, but it doesn't have to be. I feel a poet has an obligation to write in a way that everyone can understand. Poems should flow softly through a poet's words, their meanings gently caressing the heart and mind of its reader. If a poem comes from the heart, it will reach other hearts, and this is what I've tried to do with the poetry in "Anatomy of a Poet." CJ Heck "Like a rose with many petals and sharing its sweet aroma, this is how I see and feel about the love of my life, CJ Heck. She is my electric blue-eyed girl. She can be both a little girl, or a strong woman, whenever and wherever the situation calls for it. She is both sensuous and exciting, and soft and affectionate. Tragedy struck her life early with the death of her husband in Vietnam. This experience laid open the very core of her heart and soul and opened the channel to a well of compassion and sensitivity that waited deep within. Her pain was the fertilizer that helped her bloom as a writer. CJ's poetry is not a surface observation, but a soulful interpretation of the events and people that inspired her. She writes both eloquently and simply of things that touch her heart, things she wants to share. She is gifted at painting a picture with words on the heart and imagination of others, thereby communicating not just an image, but a life experience. I feel very honored to have been asked to write this introduction and share my feelings about CJ Heck. She is the water for my soil, the sunlight for my petals and the nurturer of my growth. Sit back, open your heart and enjoy the journey as revealed through her words, images and emotions. You are blessed by this opportunity to know her in words, as I know her in life." Robert S. Cosmar, Author "This is my kind of poetry. Direct, beautifully expressed and without a hint of pretension." Allison Cassidy "CJ is predominately viewed as a writer of works for children, but CJ now carries over her approach to more adult themes. In doing so, she presents a profound world that is deeply sad, incredibly humorous and sometimes very intimate." Joseph Daly "I love learning new words, especially when they are explained with such diaphanous clarity. Whether she talks of love, children, life, or any other subject, CJ's words are always clear and harmonious. She makes us forget that easy to read is hard to write." Marc Mimouni (London, United Kingdom) "CJ Heck is a very talented author. Her words are enlightening and charismatic to people of all ages. It is a privilege and honor to read her prolific pen." Janet Caldwell (Managing Editor, Inner Child Magazine)

The radio's working but no one's calling back. Paige spots an island. Funny it's not on any of the charts. Only thing to do is sit it out and wait for help to arrive. No problem. They were here to party anyways. Plenty of booze left. Fish to eat and a gorgeous, desolate beach with a gentle surf. But with nothing to do Aaron's imagination starts to run a little wild. Is he imagining it or is Paige strutting her stuff more than she normally does? Parading around in a skimpy bikini daring the other guys to stare at her? Why would she do that? She's married to him, after all. When Maceo drops an unexpected line about his girl back home Aaron's curiosity is ignited. What would it be like to watch his wife with another man?

The Guyde Howie Reith 2016-11-19 The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of

fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

Sweet on Wilde Fabiola Francisco 2015-06-02 Eight months ago, I made a deal with my best friend. This wasn't your typical pact. No, we had to take a different route. The deal was that if we were still single by fall, we would join online dating. Yes...now I am that girl. Just me, though, because she met a guy and saved herself from the awkwardness of dating people you meet via the Internet. Cheesy pick up lines. Inappropriate messages. Disaster dates. I don't want to be "Savannah, profile 8713," but a pinky promise is a promise you keep. What I wasn't counting on was meeting a guy at the local bar. So what happens when you decide to open yourself up to new opportunities? You might just cross paths with someone who makes you believe in love. Parker Wilde brought out the best in me and understood the worst, but when an amazing opportunity presents itself and our lives take different directions, is being sweet on Wilde enough for us?
