*Love Your Self* - J Spencer Wendt 2019-01-30

You already possess everything you need to "love your self"; the essential practice necessary to experience joy, happiness and freedom in your life and to create healthy, vibrant and lasting intimate relationships. To love your self means with focused attention, 100% acceptance, appreciating your unique space in the universe, and granting your self the allowance to be OK wherever you are in your life journey. Spencer draws on decades of interpersonal relationships, academic study and professional counseling. In this work, he organizes the essential ingredients to experiencing healthy love and creating and maintaining healthy relationships. In this writing he teaches: Love is a Choice, not an emotion. Learn the elements we choose when we "love" Learn to distinguish the voice of love or sharp, cutting words and actions of ego. Understand why finding "the one" or "that chemistry" are

myth-stakes. Learn proven models for healthy conflict resolution Restore your self to love by understanding "what happened." The book provides practical knowledge about understanding and setting boundaries, knowing your preferences, improving your partner selection and expressing emotions in a healthy manner. People and relationships are not complicated... it's all about Love.

**The Girlfriend Request** - Jodie Andrefski 2016-01-11

"This book had me swooning, laughing, and crying - a truly enjoyable read." -Brett Jonas, Goodreads Reviewer Emma has been best friends with Eli since she moved to his neighborhood ten years ago. Tired of being cast in the role of the girl next door, Emma creates a fake Facebook profile in the hopes of starting an online friendship with Eli, which would hopefully lead to more. Like...way more. From friend request to In a Relationship--it all seemed so completely logical when she'd planned it. Eli can't figure out what Emma is up to. He's pretty sure she's the one behind the Facebook profile, but then again, why would she do something so drastic instead of just admitting she wants to be more than friends? And who the heck is this new

guy he saw her with? Eli starts to think that just maybe...he missed his chance with the girl next door. Two best friends, one outlandish ruse. Their status is about to become way more than It's Complicated... Disclaimer: This Entangled Teen Crush book contains one fake Facebook profile, two best friends who secretly crave each other, and a dreaded sex talk with parents...boy crush in the room included. Pushing a relationship beyond the friend zone has never been so crazy... Each book in the Girlfriend Request series is STANDALONE: \* The Girlfriend Request \* The Boyfriend Bid

**High School** - Sara Quin 2020-10-06  
NEW YORK TIMES AND NATIONAL BESTSELLER First loves, first songs, and the drugs and reckless high school exploits that fueled them—meet music icons Tegan and Sara as you've never known them before in this intimate and raw account of their formative years. High School is the revelatory and unique coming-of-age story of Sara and Tegan Quin, identical twins from Calgary, Alberta, growing up in the height of grunge and rave culture in the '90s, well before they became the celebrated musicians and global LGBTQ icons we know today. While grappling with their identity and sexuality, often alone, they also faced academic meltdown, their parents' divorce, and the looming pressure of what might come after high school. Written in alternating chapters from both Tegan's point of view and Sara's, the book is a raw account of the drugs, alcohol, love, music, and friendships they explored in their formative years. A transcendent story of first loves and first songs, it captures the tangle of discordant and parallel memories of two sisters who grew up in distinct ways even as they lived just down the hall from one another. This is the origin story of Tegan and Sara.
