**The Gift of Sex** Clifford Penner 2003-09-09 Are you hoping to reignite the passion in your relationship? Join Clifford and Joyce Penner as they share the time-tested secrets to finding fulfillment in your marriage. Clifford, a licensed clinical psychologist, and Joyce, a registered nurse and clinical nurse specialist, have been married for forty years--and they know firsthand that there are countless barriers that can get in the way of experiencing love and commitment, from anger or a lack of respect to external tension. But these obstacles don't have to last forever. In *The Gift of Sex*, the Penners give you the tools you need to move past those barriers and embrace marriage as God intended it. This revised and updated version of *The Gift of Sex* features a new introduction, new illustrations, a section on addictions and the Internet, and a timely discussion on sexually transmitted diseases and their consequences. It also asks and answers key questions about biblical marriage, including: How does sex fit into God's design for marriage? Why did God create men and women to think about sex differently? How can I light the spark in my relationship again? Whether you're newlyweds or you've been married for decades, *The Gift of Sex* is a timeless guide to discovering the sexual fulfillment that you and your spouse deserve.

**How and When to Tell Your Kids about Sex** Stan Jones 2019-08-06 One Million Copies Sold in Series! Christian Book Award: ECPA Medallion of Excellence Stan and Brenna Jones help parents establish a biblical view of sexuality in their homes. Building on a biblical foundation, they discuss how to talk with your children about sexual issues and when it's appropriate to tell them what. With stark honesty and practical suggestions, they address Building a Christian understanding of sex and sexuality Developing a healthy dialogue with children about sexuality How and when to explain sexual intercourse Preparing for the physical changes of puberty Preparing for dating: dealing with romance and sexual attraction Encouraging a commitment to chastity What to do if you're getting a late start telling your kids about sex Now revised and updated with helpful material on the dangers of pornography, sexual orientation, and gender identity.

**Sexuality and Relationship Education for Children and Adolescents with Autism Spectrum Disorders** Davida Hartman 2013-10-21 Children and adolescents with Autism Spectrum Disorders (ASD) require specialized teaching strategies when learning about puberty, sexuality and relationships. This professional resource offers practical teaching advice geared towards the needs of young people on the autism spectrum. Beginning with information on good practice, policy, teaching methods and recent research, the book then divides into key sex education topics that assist professionals in developing their own individualized and developmentally appropriate curricula. Covering issues of gender, public and private, puberty, hygiene, emotions, sex and more, each topic provides an overview of the difficulties that children with autism might experience, discussion and activity ideas and photocopiable resources including instructional stories, checklists and illustrations. The final section demonstrates how to respond to ongoing patterns of inappropriate behaviour and put together a behaviour plan. Aiming to explain and support the child's developing sexuality while also addressing crucial issues of safety, this book is a much-needed teaching manual for all professionals working with children and young adults with autism including educators in mainstream and special education, psychologists, therapists and social workers.

**How to Talk Confidently with Your Child about Sex** Lenore Buth 1994-12-01 In a society that trivializes God's gift of sexuality, Christian parents and educators need to be prepared to teach children confidently about sex and sexuality. This addition to the internationally acclaimed series "Learning About Sex" will help make that task easier.

**How to Pick a Lover** Wesley L. Ford 2009-12-21 While it may be considered taboo, any woman married, single, or otherwise should feel good about her decision to take a lover. *How To Pick a Lover* is a groundbreaking book written to help women have meaningful and rewarding love affairs. How do you choose a lover? There are no time-honored rules, Greek chorus, or yenta to tell you what qualities to look for or how to avoid potential minefields. Literature is ripe with cautionary tales about bad things that happen to good women who stoop to the "folly" of taking a lover. And traditionally, a woman's sexuality has been secondary to that of a man's. *How To Pick a Lover* takes you on a journey of self-discovery, exploring your right to emotional and sexual fulfillment including the option of having a lover. Many of your attitudes and beliefs about courting and being courted will be challenged throughout the pages of this book. In return, you will gain insights into the attributes and behaviors of men positive and negative that you must pay attention to if you are to pick a lover that is right for you.

**God's Gift of Sexuality** Janet Bartosch 1989

*God's Gift of Sexuality: Leader's guide* Janet Bartosch 1998-01-01

**These Are Our Bodies, Middle School Leader Guide** Jenny Beaumont 2016-08 Our inherent value and worth comes from God's love for us, but our modern world is filled with sexual expression that too often leads us away from the life of Christ. As Christians seeking to live a life worthy of our calling and desiring to pass along these values to our children and youth, this book explores how we (as parents and adults) can explore issues of sexuality in the context of our faith. A sexuality education resource from a mainline/progressive denominational perspective aids the adult reader/teacher/parent in learning and using skills that enable them to embrace and affirm the wholeness of sexuality and to talk openly and honestly about the connection of sexuality and faith. This book, grounded from a theological perspective, focuses on foundational issues for addressing how we (and why we) are called to have these conversations in a faithful community to support families. The importance of looking at one's sexuality throughout the lifespan through the lenses of decision making, faith and daily life, respect, growth and change, behavior, responsibility, values, prayer, and intentionality is explored, offering a grounding as well as stand-alone resource for individuals and churches to build upon.

**Sexuality** Michael Theisen 1996 The older teens in your parish want a youth ministry program that exposes them to relevant, real-world topics in an active, engaging way. *Horizons* is an innovative, comprehensive approach to religious education. Its foundation is teacher-led, creative learning strategies that give students ample opportunities for discussion, reflection--and fun! Designed for grades 9-12, *Horizons* utilizes a module system so that you can combine courses and topics to meet the specific needs of your parish. Seven core courses set the stage for discussing central and foundational themes. Then choose from a wide selection of age-appropriate minicourses to round out your curriculum and craft summer courses, retreats, and youth-group activities. The Youth Ministry Strategies component features more than 65 creative youth activities to complement the *Horizons* curriculum. And on top of all that, *Horizons* includes outstanding training resources. You'll be able to create the most engaging and relevant youth ministry program for senior high that is available anywhere.

**Handle With Care!** Julian Kennedy 2017-06-28 God's good gift of sexuality and how to use it for His glory and our good has been corrupted since the creation of the world. Sex between unmarried (fornication), adultery, divorce and remarriage, and homosexuality are accepted as normal in modern society and young people, even Christian young people, are being influenced by this Satanic lie that "if it feels good--do it!" This booklet is sent out with the prayer that it will save many young people from heartache and the curse that these serious sexual sins will bring on them. There is the good way, the biblical or reformed way for living chastely as a single person, finding and courting a mate, and marrying and staying faithful to that mate. This booklet has been a long time since inception to publication! First conceived thirty years ago, very few copies of an older version were produced by Covenant Evangelical Reformed Church for young people in Singapore in 2011. The original has been substantially expanded by quotations from Protestant Reformed Church ministers.

**How to Talk Confidently with Your Child about Sex, for Parents** Lenore Buth 2015 You want your child to know and respect God's design for him or her as a uniquely created male or female. From toddlers to teens to adults, God's good design is to be honored by His children. Today's culture, movies, music, books, and Internet media may not be consistent with God's design and plan for human sexuality. *How to Talk Confidently with Your*

Child about Sex can help you teach your child a Christ-centered understanding of God's precious gift of sexuality. This parent guide also addresses challenging issues that older children and teens will likely confront, such as pornography, dating, and premarital sex, discussing relevant topics candidly and with a biblical worldview.

**Sexuality Explained** Louise Kirk 2013-02 *Sexuality Explained: a guide for parents and children* underpins parents in their role as first educators of their children. It draws on the latest knowledge of the human body to show how mind, heart and body interplay in our sexual makeup, and how the life-giving and love-making aspects of the sexual act are each designed for permanence. The Guide works at many levels. By drawing the reader into a succession of conversations between a mother and her daughter, her father and her brother, a full picture of the biology of reproduction is created in a friendly way. The stories give parents ideas on how they might converse with their own children. The text is necessarily comprehensive, to answer possible questions, and to make sure that the parents know more than what is now taught in school biology, which can be checked for accuracy. Children vary enormously in their maturity, which is one reason why it is best that they are taught about sex and sexuality individually and, if possible, by members of their own family who know and love them. The age range set against each chapter is for guidance only. Parents may use the Guide in a variety of ways. They can let the Guide do most of the work for them, reading it out loud with their children. They can give a chapter to older children to read on their own, being ready for questions. Or they can absorb ideas to speak in their own words as occasion arises. To aid discussion and to give a framework for homemade lessons, each chapter ends with a glossary and a list of points to remember. The hand-drawn biological drawings, all of which have been specially commissioned, have been reproduced at the back of the book to be cut out and arranged in any order. The Guide is principally designed for parents, but it can also be read by young people on their own, and later chapters might be used by teachers and youth leaders for student workshops. There is no religious teaching but the Guide starts from the premise that all human life is of equal dignity and worthy of respect.

**The Glam Girl's Guide to Sex** Leah Hopkins 2011-09 Sex is everywhere. You can turn off the television, never buy another magazine, and keep your children home until their grown, but we absolutely cannot keep them from learning about sexuality...and it would be wrong if we tried. Often people still grasping at some form of morality over-react to our sex saturated society and stick their heads in the sand, letting people make God's gift to a man and his wife, dirty. Our young people want to learn about this subject, and if their mentors zip their mouths and make it uncomfortable, they will go to other sources. The G.L.A.M. Girl's Guide To Sex is a book to teach young ladies that they need to prepare their hearts for purity so when they are faced with (and they will be at some point) the temptation to yield to the lust of the flesh, they will instead stand up for Christ.

**Adult Guide to the Gift of Sexuality** Steve Clapp 2006-01-01

*Sweetheart Treasures, Sharing the Value of Sexual Purity* Catherine E. Wood 1994-06 The purpose of this Guide is to provide parents & other caring adults with a positive plan to share the value of sexual purity with their young people. The guide can be used with or without the SWEETHEART TREASURES pendants & gift cards. Pastor Scott (Buzz) Inboden, Columbus, Ohio said this: "I've met many parents who waited too long to teach their children the wonders of Biblical sexuality. This book guides parents through a tender process that embeds truth deeply into the heart & head. Even if you did everything wrong when you were a teen, this book can help you have hope & give you confidence to introduce your teen to God's better way to celebrate his or her sexuality." By focusing on the emotional & spiritual aspects of sexuality, this book guides young people through a decision-making process that helps them make a responsible choice. The beauty of God's plan for marriage & then sex is clearly established. Not only will young people understand what God's plan for marriage & sex is but they will understand why it is the best plan. **Values Education on Human Sexuality** Antonio Nolasco Torralba, PhD PARENTS HANDBOOK SEXUALITY EDUCATION is, basically, CHARACTER EDUCATION, which in turn is founded on human dignity and encompasses formation in moral standards and human conduct; hence, covering the key elements of "life and love, and everything in between". This book is intended for parents, the primary educators of children, and the most effective source of appreciation and understanding of love and sexuality, shaping minds and hearts to make good and responsible day-to-day decisions on key aspects of life. This is the third of an 11-volume series, the first dealing with the basics and nuances of sexuality education; the second addressed to teachers in the classroom; and the next eight intended as textbook series for Grades 5 to 12 (ages 11 to 18) of the K to 12 program. The book series in SEXUALITY EDUCATION is probably a most potent tool to help young people and their parents and other educators, regardless of creed, culture, and social status, to appreciate love, life, and everything in between. It is a book of and about love, in the setting of the home that nourishes future homes.

**How to Understand Your Sexuality** Meg-John Barker 2021-11-18 'A goldmine of wisdom' CYNDI DARNELL 'Gentle, kind and embracing' JUNO ROCHE 'Interesting and engaging' JUSTIN HANCOCK Gay, straight, queer, pansexual, demisexual, ace...? Sexuality is complex and diverse, but it doesn't have to be confusing. This down-to-earth guide is the ultimate companion for understanding, accepting and celebrating your sexuality. Written by two internationally renowned authors and therapists, the book explains how sexuality works in terms of our identities, attractions, desires and practices, and explores how it intersects with our personal experiences and the world around us. With activities and reflection points throughout, it offers space to tune into yourself and think deeply about your own sexuality. You'll hear from people across the sexuality spectrum and in different relationship set-ups, and be inspired by the ideas of scholars, activists and practitioners. Sexuality is a vast and wonderful landscape - let this book guide you on your journey!

**The Catholic Library World** John M. O'Loughlin 1988

**The Incredible Gift!** Keith Kiser 1996 Entertaining and faithful to Church doctrine, this teen oriented guide helps teens discover that their sexuality is an extraordinary gift from God that needs to be protected and cherished, no matter what contradictory messages the world might impart.

**Sex Ed** School of Sexuality Education 2021 A positive, practical and empowering guide for teenagers, tackling sex and relationships in an inclusive and non-judgemental way? created by the winners of the Pamela Sheridan Award for Innovation and Good Practice in RSE. Written and illustrated by the award-winning team at The School of Sexuality Education, who deliver expert workshops for teenagers, here is advice, reliable information and reassurance on sex and relationships... Covering key topics including consent and healthy relationships, sexuality and different kinds of sex, puberty and periods, contraception, porn and sexting, and much more besides! This book is not only full of advice for teenagers but a brilliant tool for their parents, carers and teachers, supporting all of the new RSE curriculum content (in the wake of recent updates) as well as answering FAQs and busting some popular myths along the way. Publishing after major updates to the national Relationships and Sex Education curriculum, as well as calls for widespread, high-quality sex education in the wake of the #MeToo movement and Everyone's Invited.

**Sexuality: God's Gift** Anne Krabill Hershberger 2010-06-17 Big business makes big money selling a phony notion of what we want and need as sexual people. Ads insist that certain products will make us more sexually appealing. But what we really want and need is true intimacy—the knowledge that we matter to another person and are loved for who we are. We all are sexual beings, all of our lives, and relate to each other sexually all the time. God marvelously made us this way. Using the metaphor of sexuality as a good gift from God, this book offers Christian resources for living a sexually healthy and fulfilling life. "Extraordinarily comprehensive, nuanced, and sensitive—even richer than its predecessor. It is a splendid resource for all Christians who wish to live more deeply in gratitude to God for their own sexuality." —James B. Nelson, professor emeritus of Christian ethics, United Theological Seminary of the Twin Cities "An important contribution to Christians seeking to celebrate their sexuality with holiness and integrity." —The Rev. Debra W. Haffner, executive director, Religious Institute, Westport, Connecticut

**What Is Sex?** Kate E. Reynolds 2021-11-29 This carefully written and illustrated book provides an explanation of sex for people with autism and

special education needs and disabilities (SEND). It helps readers to understand the physical processes as well as important issues such as consent and sexual safety, helping them to develop positive relationships. Many people with autism and SEND have or will have intimate relationships. Often sex is alluded to, rather than being carefully explored. This can create confusion around consent, sexual health, and pregnancy, and cause people to turn to dubious online information. This book frankly explains sex so that the reader has a clear understanding of what constitutes sex, knowledge of the proper names for sexual organs and sexual activities, and is aware of the potential physical consequences of having sex.

**Sex Education** Cara Frost-Sharratt 2013-12 When should I start discussing sex and relationships with my child? What are age appropriate topics to talk about? How do I overcome my embarrassment? Sex is a fact of life: without it, none of us would be here. However, when it comes to discussing sex and relationships with teens, parents often clam up and avoid the issues. This easy-to-read guide will take you through every aspect of sex education, from how and when to start talking to your child about sex, through to teenage pregnancy, safe sex and the emotional aspects of sexual relationships. There are hints and tips on encouraging your child to talk to you, advice on how to deal with tricky topics, plus invaluable information about STIs, contraception and how to tackle cyber bullying and peer pressure. Sex Education: A Parent's Guide is divided into ten chapters, each covering an important aspect of sex education, as well as advice for parents and guardians, checklists and discussion points. Use the guide as an ongoing resource for sex education and a handy reference point for information.

*What's the Big Deal?* Stan Jones 2019-08-06 One Million Copies Sold in Series! Christian Book Award: ECPA Medallion of Excellence Your kids know about sex. But what they've gathered from TV, other kids, or the internet doesn't tell them everything or answer all of their questions. What's the Big Deal? was written to help parents provide the answers to their 8-to-12-year-olds. This book explains the basic facts about sex and related issues such as: Why God made adults so that they want to have sex What God actually says in the Bible about sex and why it's designed for marriage The amazing changes ahead of you during puberty How to respond when you feel sexual pressure from friends, TV shows, movies, and magazines Your kids can read this book with you so you can discuss it together. This provides them the safe space to ask hard questions they might find embarrassing. The book will help kids understand what a beautiful and exciting gift from God sexuality is meant to be. Now revised and updated with: Separate chapters on puberty for boys and girls A chapter on the dangers of pornography An expanded age range (formerly 8 to 11, now 8 to 12)

*Sex* Nikol Hasler 2010-06 Discusses all aspects of sexuality and sexual behavior, including sexual orientation, masturbation, birth control, and sexually transmitted diseases, and answers teenagers' questions on sex in a straightforward and in-depth manner.

*A Christian's Guide through the Gender Revolution* Vincent E. Gil 2020-12-22 Contemporary questions about gender challenge our views of ourselves and the proverbial other. In this meticulously researched, well-written, and illuminating guide, Vincent Gil unpacks elements involved in gender-identity conflicts and intersexuality. At the heart of the matter are real people, not just issues. Drawing on histories culled from his many years as counselor, professor, and researcher, Gil explores gender and identity, issues of conflict, and of reconciliation. He distinguishes biological and psychological elements from social issues, and addresses the current movement of gender individuation, its language idioms, and its influences on gender ideology and theology. He also provides an engaging theological discourse, filling gaps in our understanding of procreation to better inform our theology of being. The work assists Christian parents, clergy, and lay leaders by working through the tough questions. It suggests means to engage, counsel, support, and reconcile with those gender-questioning or conflicted, be they children, adolescents, or adults.

## Understanding Gift Of Sexuality A Guide For Young People

Before you embark on your journey to find Gift Of Sexuality A Guide For Young People online, it's essential to grasp the concept of Gift Of Sexuality A Guide For Young People eBook formats. Gift Of Sexuality A Guide For Young People come in various formats, each with its own unique features and compatibility. Understanding these formats will help you choose the right one for your device and preferences.

### Different Gift Of Sexuality A Guide For Young People eBook Formats Explained

#### 1. EPUB (Electronic Publication):

EPUB is one of the most common eBook formats, known for its versatility and compatibility across a wide range of eReaders and devices.

Features include reflowable text, adjustable font sizes, and support for images and multimedia.

EPUB3, an updated version, offers enhanced interactivity and multimedia support.

#### 2. MOBI (Mobipocket):

MOBI was originally developed for Mobipocket Reader but is also supported by Amazon Kindle devices.

It features a proprietary format and may have limitations compared to EPUB, such as fewer font options.

#### 3. PDF (Portable Document Format):

PDFs are a popular format for eBooks, known for their fixed layout, preserving the book's original design and formatting.

While great for textbooks and graphic-heavy books, PDFs may not be as adaptable to various screen sizes.

#### 4. AZW/AZW3 (Amazon Kindle):

These formats are exclusive to Amazon Kindle devices and apps.

AZW3, also known as KF8, is an enhanced version that supports advanced formatting and features.

#### 5. HTML (Hypertext Markup Language):

HTML eBooks are essentially web pages formatted for reading.

They offer interactivity, multimedia support, and the ability to access online content, making them suitable for textbooks and reference materials.

#### 6. TXT (Plain Text):

Plain text eBooks are the simplest format, containing only unformatted text.

They are highly compatible but lack advanced formatting features.

Choosing the right Gift Of Sexuality A Guide For Young People eBook format is crucial for a seamless reading experience on your device. Here's a quick guide to format compatibility with popular eReaders:

**EPUB:** Compatible with most eReaders, except for some Amazon Kindle devices. Also suitable for reading on smartphones and tablets using dedicated apps.

**MOBI:** Primarily compatible with Amazon Kindle devices and apps.

**PDF:** Readable on almost all devices, but may require zooming and scrolling on smaller screens.

**AZW/AZW3:** Exclusive to Amazon Kindle devices and apps.

**HTML:** Requires a web browser or specialized eBook reader with HTML support.

**TXT:** Universally compatible with nearly all eReaders and devices.

Understanding Gift Of Sexuality A Guide For Young People eBook formats and their compatibility will help you make informed decisions when choosing where and how to access your favorite eBooks.
